New Interim City Manager for San Fernando

San Fernando, CA – In December 2016, San Fernando’s City Manager Brian Saeki announced that he would leave San Fernando to pursue another professional opportunity. Following this announcement, the San Fernando City Council appointed Finance Director Nick Kimball to serve as Interim City Manager until a permanent City Manager is hired.

Mr. Kimball has been with the City of San Fernando since July 2014 and has more than 13 years of local government and financial experience. As the new head of San Fernando’s 126 employee workforce, Mr. Kimball plans on continuing to move the City Council’s initiatives forward while a comprehensive search for a new City Manager is conducted.

“I’m honored to have been selected by the San Fernando City Council. San Fernando is a great community with excellent, knowledgeable staff. My goal is to ensure the daily business of the City continues to run smoothly while implementing the City Council’s policy initiatives,” said Mr. Kimball.

Nick assumed his new position on January 3, 2017. To fill his absence from the Finance Department, he promoted Sonia Gomez-Garcia, a 22-year employee of the City of San Fernando, to Interim Finance Director.
