SAN FERNANDO CITY COUNCIL SELECTS NEW CITY MANAGER

San Fernando, CA – After an exhaustive search, the San Fernando City Council selected Alexander P. Meyerhoff to be the next City Manager for the City of San Fernando.

"Alex has the depth of experience, education and knowledge to help us become a more vibrant, progressive, economically stronger City.

We have made great strides, in just 5 years we have gone from near bankruptcy to the path toward financial stability. We are excited to start this new chapter in continuing to move our City forward with Alex as our new City Manager," Mayor Sylvia Ballin said.

Meyerhoff brings more than 20 years of municipal government experience, most recently serving as the City Manager for the City of Hemet. His recent accomplishments in Hemet include: managing a full-service city with 270 employees; voter approval of a ballot measure which will provide \$100 million for public safety over a ten year period; reducing the city's long-term pension liability; updating the city's Five Year Financial Management Plan; and realigning the city's economic development priorities in the healthcare, manufacturing and industrial sectors.

"It is a great honor to have been selected to serve the community as City Manager by the San Fernando City Council. The City Council's commitment to promote balanced growth through infrastructure investment and

sustainable economic development while enhancing quality of life makes this an exciting time for San Fernando.

I have been very impressed by San Fernando and look forward to becoming actively engaged in the life and fabric of the community. Similarly, I have also been very impressed with the city's leadership team and look forward to leading the city staff in enhancing the range and quality of services provided to residents, businesses and visitors. Together, we will work diligently to ensure that San Fernando remains a great place to work, visit, play and live," Meyerhoff said.

Meyerhoff was born in Los Angeles, having attended UCLA where he received his Bachelors degree in history and a Masters degree in urban planning.

Meyerhoff will assume his new position with the City of San Fernando on September 8, 2017.
