

# San Fernando Recycling Rewards

San Fernando Residential Cart Customers can now sign up to be rewarded for recycling!

All you have to do is sign up and recycle. Each quarter Republic Services will compare our 5 recycle zones and award the zone with the most recycling collected. If your address is in that zone, you will be awarded a gift card to be used at a local San Fernando business. Republic will be awarding these gift certificates to the winning zone 4 times a year.

Additionally, each calendar year, Republic Services will award \$1,000 to local charities based on each zone that recycles most per year.

## Requirements

- Sign up by calling 800-299-4898 to 'Take the Pledge'.
- You must not have any warning tags for contamination in your recycle cart.
- Your account must be paid in full, if there is an outstanding balance on your account you will not be eligible at the time of the awarding of the gift cards.

## Pledge to Recycle these items!

Remember to only place those items that are recyclable in your recycle cart. Make sure you rinse them out before placing in your cart, this will assure that these items are not contaminated and can be recycled. It also keeps pests away from your cart. Make sure you place your cart out at the curb each week, even if it is not completely full.
