

THE CITY OF SAN FERNANDO

Learn about the Park and Recreation Master Plan (Park Master Plan) which serves as a guide and implementation tool for the management and development of parks, recreational facilities and programs for the community.

Park and Recreation Master Plan

Planning and Preservation Commission Meeting

Wednesday, January 17, 2018

6:30pm

Council Chambers

117 Macneil Street, San Fernando

The Planning and Preservation Commission will be considering the Park Master Plan for recommendation to City Council. The Park Master Plan consists of:

- Community-based analysis of recreation programs
- Analysis of facility demands and needs
- Guide for prioritization, development and management of parks, facilities and programs
- Recommendations for future development of parks, facilities and programs
