

CONDITIONAL USE PERMIT APPLICATION

REQUIREMENTS

TO THE APPLICANT:

Please provide the following materials for your application. A complete application package will expedite your public hearing before the Planning and Preservation Commission. A complete package consists of the following:

1. A completed Conditional Use Permit application (Page 5) signed by the applicant and property owner. If the applicant owns the property, please sign on both lines.
2. A complete site plan and, if required, building elevations. (Planning staff will determine whether elevations are necessary for a specific application.) Site plan specifications are attached.
3. A 500-foot radius map (one copy) and ownership list and mailing labels (two sets). A sample radius map is attached. The ownership list should be numbered and keyed to the map, so that referring to the ownership list can readily identify a parcel's owner. An example is attached. **(Please note:** Unless specified, zoning and land uses are not required as part of the radius map information.)
4. An environmental information sheet and checklist. This is required whether or not a project is exempt from the California Environmental Quality Act, as it provides information necessary for that determination.

5. FILING FEES:	CONDITIONAL USE PERMIT APPLICATION	\$	3,891.20
	ACTIVITY INFORMATION MANAGEMENT	\$	389.12
	SYSTEM (AIMS) SURCHARGE		
	ENVIRONMENTAL ASSESSMENT (A)	\$	204.00
	PUBLIC NOTIFICATION	\$	120.00
	LEGAL PUBLISHING OF NOTICE (B)	\$	600.00
	TOTAL FILING FEE	\$	5,204.32

- a) The environmental assessment fee covers the preliminary assessment of your proposal. If your proposal is deemed to be categorically exempt, no further assessment is required. If a project is not categorically exempt and environmental documentation is required (e.g.- Negative Declaration, Mitigated Negative Declaration, or Environmental Impact Report), then the applicant is responsible for the additional cost. When applicable, proposals requiring environmental filing will require that a notice be filed with the Los Angeles County Clerk. The filing fee for recordation of environmental documents is \$75.
- b) For legal publishing of notices: If the cost to publish legal notices pertaining to the proposal exceeds \$600 then the applicant will be billed accordingly.

Please fill out application as completely as possible. Planning staff will assist with the application, when necessary. However, it is essential that the radius map and mailing list be complete when submitted. An incorrect map or mailing list nullifies the public hearing and any decision made by the Planning and Preservation Commission.

For questions and assistance, please call the Community Development Department at (818) 898-1227. Assistance is also available at the zoning counter during normal business hours.

RADIUS MAP

The intent of the State law requiring notification of property owners within 500 feet of a zoning application is to clearly inform those owners of a project that could affect them. The law requires that the latest updated County Assessor's rolls be utilized. Property owners or their representatives must prepare ownership lists or the applicant may buy this service from the several companies that specialize in such work.

A sample radius map is attached, as well as an affidavit of the person who prepares the mailing list. That person must complete and sign the affidavit. A valid ownership list consists of the following:

1. Consecutive parcel numbers keyed to the map, so that it may easily be determined whether a specific property's owner was legally notified;
2. The assessor's book, page and parcel number (APN) for each parcel;
3. The name and mailing address of each property owner;

RADIUS MAP (CONTINUED)

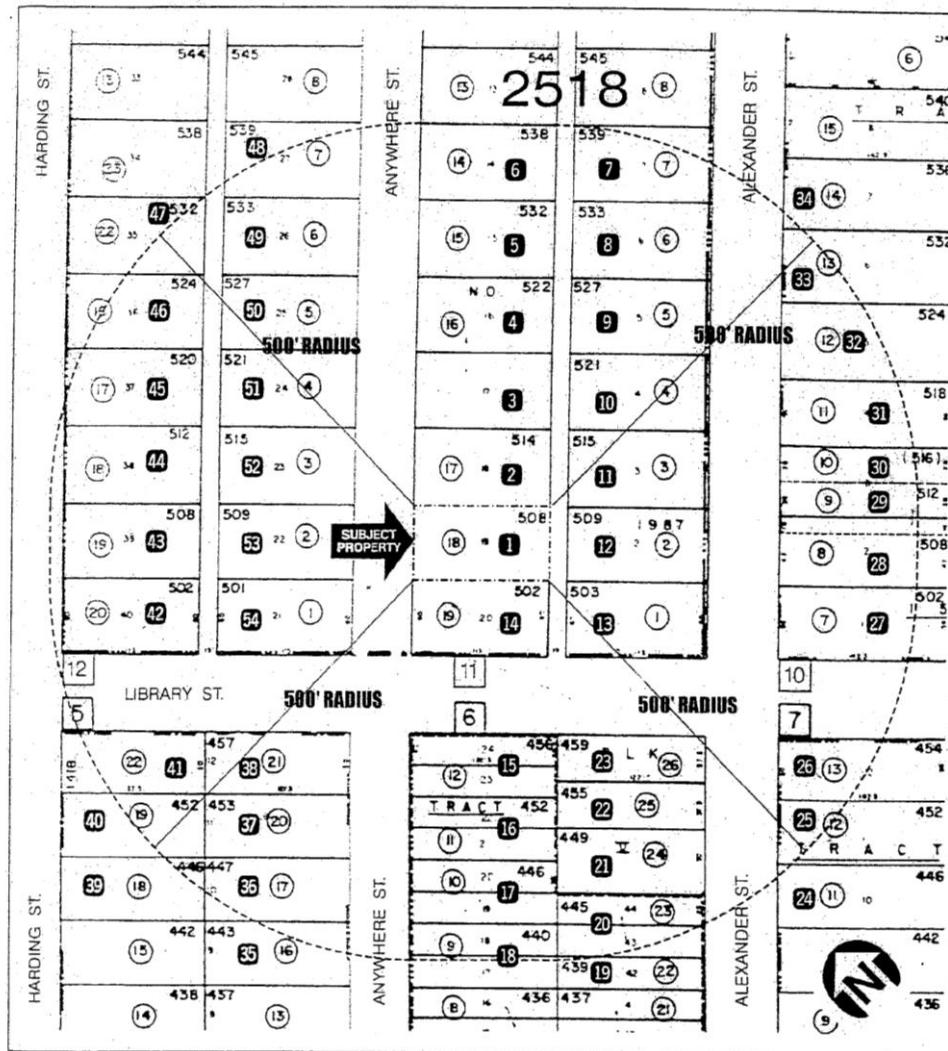

4. The applicant's name and mailing address, with any representatives or others the applicant wishes to notify, marked with an XX. These will be sent by certified mail; and,
5. Two (2) sets of gummed mailing labels and one copy must be submitted. The labels should look like this:

APN 2511-001-001 Duke Wayne Dev. Co 101 N First Street Hollywood, CA 91111	1 XX	APN 2511-002-002 R. Phillippi 121 N. Orange Grove Ave. San Fernando, CA 91340	2
---	--	--	---

The first gummed label must have the applicant's name and address and the symbol XX in the lower right hand corner. This notice will be sent by certified mail. The applicant should also include all other parties - such as his architect or engineer - on the mailing list so that he/she may receive the notice as well.

The submitted radius map must indicate the subject property by graphic means. The parcels must be numbered consecutively (besides the legal description lot number and the APN) and keyed to the mailing list. The intent is to determine whether a specific property owner was notified of the public hearing.
