National Night Out is designed to heighten crime and drug prevention awareness; generate support for, and participation in, local anticrime efforts; strengthen neighborhood spirit and police-community partnerships; and send a message to criminals letting them know neighborhoods are organized and fighting back.

San Fernando Police Chief Tony Vairo said, "This event is an integral part of our commitment to enhancing community engagement and strengthening community support and trust. I encourage all residents and the folks who work in our City to again please join us on August 7th. As the Chief of Police, I am excited we are hosting this event for the 4th year in a row and look forward to meeting and greeting many of our residents and community members."

National Night Out will take place on August 7, 2017, from 6 pm to 9 pm, in the Civic Center Parking lot located at the corner of Maclay Avenue and First Street (right next to the Police Station). Free food, soft drinks, water and lots of giveaways will be offered, as well as informational items and activities for children. In addition, the SFPD '56 Chevy Police Car will be on display for attendees to take pictures with in a very special arranged scene.
