2019 ANNUAL CESAR CHAVEZ SCHOLARSHIP PROGRAM

City of San Fernando

Republic Services, Inc. is an industry leader in U.S. non-hazardous solid waste and recycling. Through its subsidiaries, Republic's collection companies, transfer stations, recycling centers and landfills focus on providing reliable environmental services and solutions for commercial, industrial, municipal and residential customers. Republic and its employees believe in protecting the planet and applying common sense solutions to customers' waste and recycling challenges.

Recognizing teamwork and education is essential to creating environmental change. Republic Services is working with the City of San Fernando's Education Commission to help students reach waste reducing goals within the City and become leaders in the three R's; Reduce, Re-use, and Recycle. As part of the effort to make recycling second nature to all City of San Fernando residents and college bound senior high school students, Republic Services is proud to announce the **2019 Annual Cesar Chavez Scholarship Program**.

Scholarship Program Overview

Republic Services will award one (1) \$1,000 scholarship to City of San Fernando Resident student for the **2019 Annual Cesar Chavez Scholarship Program**. High School college-bound seniors living within the City of San Fernando are eligible and encouraged to write an essay (topics on page 3).

Republic Services believes that tomorrow's thinkers and innovators will solve and tackle pressing issues regarding the conservation of our environment. These future scholars and leaders have the potential to create greener living standards, an environmentally sound economy, and a measure of sustainability in all that they do. Republic Services hopes to inspire young people to express their environmental ideas and opinions through this project.

Please review the **2019 Annual Cesar Chavez Scholarship Program** details outlined below and visit www.republicservices.com or www.calrecycle.ca.gov to view environmental and recycling videos to help gain content for the essay.

This Scholarship program is a collaborative effort between City of San Fernando Education Commission and Republic Services.

Selection of Scholarship Recipients

- The City of San Fernando Education Commission will evaluate all essays based upon creativity, demonstrated knowledge about Cesar Chavez, passion for environmental issues, and a vision for the future.
- Details of the specific evaluation methods and contest requirements are developed by The City of San Fernando Education Commission and Republic Services.

This program is not sponsored or managed by LAUSD.

2019 Essay Topics

(Students are challenged to answer **ONE** of the following questions):

- 1.) If you were working in an office that didn't recycle, how would you inspire your boss to setup interoffice recycling? What would be the overall environmental impact if all businesses conscientiously recycled in the state of California? How could this goal be achieved?
- 2.) If you were asked to go to a business that was not recycling, how would you find out why they weren't recycling? How would you find out what they are disposing and how much could be recycled? Give an example.
- 3.) Cesar Chavez was an activist. Using lessons inspired by Cesar Chavez, how would you convince your fellow students to become active recyclers and reduce waste? What would your school recycling campaign look like?
- 4.) Cesar Chavez believed that legislation was a solution to many problems. Discuss how your student government can create policy change at your school to reduce waste, recycle more, and compost food scraps.
