

STREETLIGHT REPLACEMENT ADVISORY

The City of San Fernando is part of Southern California Edison's (SCE) LS-1 Option E program and, as a result SCE will be retrofitting all SCE-owned lights to LED within the City. Of the 1,729 street light poles in San Fernando, approximately 1,300 (75%) are owned by SCE.

On Friday, December 7, 2018, SCE will begin the project with completion by the end of December 2018. Residential streets will have one crew performing work, and larger streets will have multiple crews performing work.

Scheduled Date	Map Location
Friday, December 7, 2018	1 3 SE Portion 4 SW Portion 17 NE Portion 18 19
