## Press Release Report

The San Fernando Police Department Blotter provides residents with information on activity that has occurred in the community. The Blotter data is accumulated from requests for service from the community and officer initiated activity. Sometimes that true nature of the incident differs from what is initially reported. No assumption of criminal guilt or affiliation should be drawn from the content of the information provided.

## Press Release Report

The San Fernando Police Department Blotter provides residents with information on activity that has occurred in the community. The Blotter data is accumulated from requests for service from the community and officer initiated activity. Sometimes that true nature of the incident differs from what is initially reported. No assumption of criminal guilt or affiliation should be drawn from the content of the information provided.
