CITY OF SAN FERNANDO ANNOUNCES TEMPORARY SUSPENSION OF LOCAL TRANSPORTATION AND PARKING METER FEES TO SUPPORT THE COMMUNITY

SAN FERNANDO, CA – Due to the evolving efforts to curtail the spread of the Coronavirus, including the “Stay at Home” order issued by the state of California and the “Safer at Home” order issued by the Los Angeles County Department of Public Health, the City of San Fernando will take additional actions to support critical functions in the community. Effective Monday, March 23, 2020:

- Ridership on the Mission City Transit Line (Trolley) will be limited to fifty-percent (50%) of occupancy to support social distancing for passengers.
- The Mission City Transit and Dial-a-Ride programs will be free of charge until further notice.
- On-street parking meter fees are suspended until further notice. Time restrictions at on-street parking meters will remain in effect to encourage convenient drive-up and curbside pickup at commercial locations.

The relaxed residential street sweeping restrictions that went into effect on March 19, 2020 remain in effect. As a reminder, the 2-hour street sweeping parking restriction in the residential areas have been relaxed to allow street parking as soon as the street sweeper has gone through the area.
