THE CITY OF SAN FERNANDO

San Fernando City Council

Regular Meeting Notice and Agenda

MAY 18, 2015 – 6:00 PM

Council Chambers
117 Macneil Street
San Fernando, CA 91340

CALL TO ORDER/ROLL CALL

Mayor Joel Fajardo
Vice Mayor Sylvia Ballin
Councilmember Robert C. Gonzales
Councilmember Antonio Lopez
Councilmember Jaime Soto

PLEDGE OF ALLEGIANCE

Police Explorer Alberto Barragan

APPROVAL OF AGENDA

PRESENTATIONS

a) NATIONAL PUBLIC WORKS WEEK – MAY 17-23
Deputy City Manager/Public Works Director Chris Marcarello

PUBLIC STATEMENTS – WRITTEN/ORAL

There will be a three (3) minute limitation per each member of the audience who wishes to make comments relating to City Business. Anyone wishing to speak, please fill out the blue form located at the Council Chambers entrance and submit it to the City Clerk. When addressing the City Council please speak into the microphone and voluntarily state your name and address.

CONSENT CALENDAR

Items on the Consent Calendar are considered routine and may be disposed of by a single motion to adopt staff recommendation. If the City Council wishes to discuss any item, it should first be removed from the Consent Calendar.

1) REQUEST TO APPROVE MINUTES OF FEBRUARY 2, 2015 – REGULAR MEETING

2) CONSIDERATION TO ADOPT RESOLUTION NO. 15-052 APPROVING THE WARRANT REGISTER

3) FISCAL YEAR (FY) 2015-2016 LANDSCAPING AND LIGHTING ASSESSMENT DISTRICT (LLAD) – APPROVAL OF ENGINEER'S REPORT AND SETTING DATE FOR THE PUBLIC HEARING

Recommend that the City Council:

a. Adopt Resolution No. 7676 approving the Engineer's Report for the FY 2015-2016 LLAD; and

b. Adopt Resolution No. 7677 declaring the City Council's intention to order the annual assessments for FY 2015-2016 LLAD and setting the date for the Public Hearing on July 6, 2015.

4) CONSIDERATION TO IMPLEMENT PHASE II OF THE WATER CONSERVATION ORDINANCE

Recommend that the City Council:

a. Review the revisions to the water conservation program that were requested by the Council at its May 4, 2015 meeting;

b. Adopt Resolution 7674, declaring a water shortage condition and implementing Phase II of the City's Water Conservation Ordinance; and

c. Approve the Guidelines for Residential Parkway Landscaping to encourage reduced water usage in parkway locations throughout the City.

5) CONSIDERATION TO APPROVE A CONTRACT EXTENSION WITH FIRST TRANSIT, INC.

Recommend that the City Council:

a. Approve a one-year contract extension (Contract No. 1592(b)) with First Transit, Inc. for maintenance and operation of the Mission City Transit and the City Trolleys; and

b. Authorize the City Manager to execute the contract extension.

6) PROPOSITION A RECREATIONAL AND SPECIAL EVENT TRANSPORTATION PROGRAM UPDATE

Recommend that the City Council receive and file the report.

7) CONSIDERATION TO APPROVE CITY COUNCIL POLICIES REGARDING CITY COUNCIL CONTACT AND CITY ATTORNEY SERVICES

Recommend that the City Council:

d. Approve the revised City Council policy regarding City Council Contact; and

e. Approve the revised City Council policy regarding City Attorney Services.

ADMINISTRATIVE REPORTS

8) APPOINTMENT TO THE PLANNING AND PRESERVATION COMMISSION

Councilmember Robert C. Gonzales is recommending the appointment of Theale "Stormy" E. Haupt to the Planning and Preservation Commission as his representative.

9) APPOINTMENT TO THE EDUCATION COMMISSION

Councilmember Jaime Soto is recommending the appointment of Angel Zobel-Rodriguez to the Education Commission as his representative.

10) DISCUSSION REGARDING THE CITY ARBORIST

This item is placed on the agenda by Councilmember Jaime Soto.

11) CALIFORNIA HIGH-SPEED RAIL PROJECT UPDATE

Recommend that the City Council receive and file this report.

COMMITTEE/COMMISSION LIAISON UPDATES

GENERAL COUNCIL COMMENTS

STAFF COMMUNICATION

ADJOURNMENT

I hereby certify under penalty of perjury under the laws of the State of California that the foregoing agenda was posted on the City Hall bulletin board not less than 72 hours prior to the meeting.

Elena G. Chávez, City Clerk

SAN FERNANDO CITY COUNCIL
MINUTES

FEBRUARY 2, 2015 – 6:00 P.M.
REGULAR MEETING

City Hall Council Chambers
117 Macneil Street
San Fernando, CA 91340

CALL TO ORDER/ROLL CALL

Mayor Sylvia Ballin called the meeting to order at 6:03 p.m.

Present:

Council: Mayor Sylvia Ballin, Mayor Pro Tem Robert C. Gonzales, and Councilmembers Jesse H. Avila, Joel Fajardo, and Antonio Lopez

Staff: City Manager Brian Saeki, City Attorney Rick R. Olivarez, and City Clerk Elena G. Chávez

PLEDGE OF ALLEGIANCE

Led by Police Explorer Jose Figueroa

APPROVAL OF AGENDA

Motion by Councilmember Avila, seconded by Mayor Pro Tem Gonzales, to approve the agenda. By consensus, the motion carried.

PUBLIC STATEMENTS – WRITTEN/ORAL

David DaPinto, Shadow Hills resident, said they recently discovered that the proposed High Speed Rail will be going their community too. They believe that the California High Speed Rail Authority has done a poor job of planning and communicating and he suggested that neighboring communities partner up.

John Blue talked about a subcontractor hired by the City's janitorial services contractor and non-payment to one of its workers.

Julia Arichiga and her husband said that the company she worked for treated her unjustly and the situation has affected her financially and emotionally.

Mike Gonzalez, Pacoima Neighborhood Council, agreed with Mr. DaPinto and suggested that the California High Speed Rail Authority go back to the table, come up with an equitable route, and provide full disclosure of the whole process.

Linda Campanella-Jauron said this is the most important issue that the City has had to face in the last 35 years and she believes that the proposed route will rip San Fernando in half.

Tania Ragland, Republic Services, reported there will be a bulky item pick-up on February 21st at City Parking Lot 6N and they will also be giving away free compost.

Robert Ortega encouraged people to come to the City Council meetings and speak out.

CONSENT CALENDAR

Motion by Councilmember Lopez, seconded by Councilmember Fajardo, to approve the Consent Calendar Items:

1) CONSIDERATION TO ADOPT RESOLUTION NO. 15-021 APPROVING THE WARRANT REGISTER

2) CONSIDERATION TO AUTHORIZE SUBMITTAL OF GRANT APPLICATIONS TO THE NATIONAL ENDOWMENT FOR THE ARTS AND THE CALIFORNIA ARTS COUNCIL FOR FUNDING SUPPORT OF THE MARIACHI MASTER APPRENTICE PROGRAM

By consensus, the motion carried.

ADMINISTRATIVE REPORTS

3) REQUEST CITY COUNCIL DIRECTION ON FUTURE ACTIONS RELATED TO THE CALIFORNIA HIGH-SPEED RAIL PROJECT

City Manager Saeki presented the staff report and Finance Director Nick Kimball reported on the financial issues regarding this project.

Finance Director Kimball stated that the California High-Speed Rail Authority's proposal to expand the existing rail right-of-way, at Truman and First streets, would affect all adjacent properties. The City's direct revenue loss (between sales tax and Measure A) would be about $1.3 million annually. This would equal a loss of approximately 7% to the General Fund and the City would need to find another revenue source (i.e., increase taxes) or cut services. In addition, dividing the City would cause broader economic losses by restricting residents' ability to move within the City and they'd have to go elsewhere for services. The broader economic impacts are more difficult to measure quantitatively but are significant and should be looked at as well.

Discussion ensued and staff replied to various questions and concerns from Councilmembers.

In conclusion, City Manager Saeki clarified that City Council's direction was that staff draft a letter to the California High Speed Rail Authority stating complete opposition to the project coming *through* the City in any form, include economical and financial impact information, and bring back to the next meeting for City Council review and approval.

City Attorney Olivarez recommended that the City Council take a roll call vote on this item:

AYES: Ballin, Avila, Fajardo – 3
NOES: Gonzales, Lopez – 2

COMMITTEE/COMMISSION LIAISON UPDATES

In response to Councilmember Avila's request, Community Development Director Fred Ramirez gave an update regarding a meeting of the Development Advisory Committee to the Transit Oriented Development Overlay Zone Project.

Mayor Pro Tem Gonzales gave an update regarding the Independent Cities Association conference that he recently attended.

GENERAL COUNCIL COMMENTS

Councilmember Fajardo asked if Police Chief Robert Parks could provide yearly updates regarding the following: 1) status on the homelessness in the City and how the City is addressing their needs; and 2) gangs and crime statistics in the City and what we're doing to improve the situation.

In response to his question whether Councilmembers prefer that this request be agendized for full discussion, Mayor Ballin said she doesn't have a problem with the updates although the one on gang activity should be quarterly.

In response to Councilmember Lopez' question, Community Development Director Ramirez reported that the homeless count was done on January 29th.

Councilmember Fajardo reported that there was a Valley Gay Pride event in Panorama City last year that will most likely be held in San Fernando this year. He requested that the meeting close in memory Michelle Vash Payne.

Councilmember Avila suggested having a community meeting to thank our retiring Police Chief and meet the new hires.

Mayor Pro Tem Gonzales asked that the meeting also adjourn in memory of Bobby Quinonez (an amazing kid and a true inspiration) that succumbed to cancer.

Mayor Ballin thanked the residents of Shadow Hills and Pacoima communities for attending our meeting and providing their input.

STAFF COMMUNICATION

None

ADJOURNMENT (7:28 P.M.)

Motion by Councilmember Fajardo, seconded by Mayor Pro Tem Gonzales, to adjourn the meeting in memory of Michelle Vash Payne and Bobby Quinonez. By consensus, the meeting was adjourned.

I do hereby certify that the foregoing is a true and correct copy of the minutes of February 2, 2015, meeting as approved by the San Fernando City Council.

THE CITY OF SAN FERNANDO

AGENDA REPORT

To: Mayor Joel Fajardo and Councilmembers

From: Brian Saeki, City Manager
By: Nick Kimball, Finance Director

Date: May 18, 2015

Subject: Consideration to Adopt Resolution No. 15-052 Approving the Warrant Register

RECOMMENDATION:

It is recommended that the City Council adopt Resolution No. 15-052 (Attachment "A") approving the Warrant Register.

BACKGROUND:

For each City Council meeting the Finance Department prepares a Warrant Register for Council approval. The Register includes all recommended payments for the City. Checks, other than handwritten checks, generally are not released until after the Council approves the Register. The exceptions are for early releases to avoid penalties and interest, excessive delays and in all other circumstances favorable to the City to do so. Handwritten checks are those payments required to be issued between Council meetings such as insurance premiums and tax deposits. Staff reviews requests for expenditures for budgetary approval and then prepares a Warrant Register for Council approval and or ratification. Items such as payroll withholding tax deposits do not require budget approval.

The Finance Director hereby certifies that all requests for expenditures have been signed by the department head, or designee, receiving the merchandise or services thereby stating that the items or services have been received and that the resulting expenditure is appropriate. The Finance Director hereby certifies that each warrant has been reviewed for completeness and that sufficient funds are available for payment of the warrant register.

ATTACHMENT:

A. Resolution No. 15-052

ATTACHMENT "A"

RESOLUTION NO. 15-052

RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SAN FERNANDO ALLOWING AND APPROVING FOR PAYMENT DEMANDS PRESENTED ON DEMAND/ WARRANT REGISTER NO. 15-052

THE CITY COUNCIL OF THE CITY OF SAN FERNANDO DOES HEREBY RESOLVE, FIND, DETERMINE AND ORDER AS FOLLOWS:

1. That the demands (EXHIBIT "A") as presented, having been duly audited, for completeness, are hereby allowed and approved for payment in the amounts as shown to designated payees and charged to the appropriate funds as indicated.

2. That the City Clerk shall certify to the adoption of this Resolution and deliver it to the City Treasurer.

PASSED, APPROVED, AND ADOPTED this 18th day of May, 2015.

Joel Fajardo, Mayor

ATTEST:

Elena G. Chávez, City Clerk

STATE OF CALIFORNIA)
COUNTY OF LOS ANGELES) ss
CITY OF SAN FERNANDO)

I HEREBY CERTIFY that the foregoing Resolution was approved and adopted at a regular meeting of the City Council held on the 18th day of May, 2015, by the following vote to wit:

AYES:

NOES:

ABSENT:

Elena G. Chávez, City Clerk

THE CITY OF SAN FERNANDO

AGENDA REPORT

To: Mayor Joel Fajardo and Councilmembers

From: Brian Saeki, City Manager
By: Chris Marcarello, Deputy City Manager/Public Works Director

Date: May 18, 2015

Subject: Consideration to Approve Fiscal Year (FY) 2015-2016 Street Lighting Assessment District Engineer's Report and Setting a Date for the Public Hearing

RECOMMENDATION:

It is recommended that the City Council:

a. Adopt Resolution No. 7676 (Attachment "A") approving the Engineer's Report for the FY 2015-2016 Landscaping and Lighting Assessment District (LLAD); and

b. Adopt a Resolution No. 7677 (Attachment "B") declaring the City Council's intention to order the annual assessments for FY 2015-2016 LLAD and setting the date for the Public Hearing on July 6, 2015.

BACKGROUND:

1. On March 16, 2015, the City Council adopted Resolution 7667 to initiate proceedings and order the preparation of the Engineer's Report for the FY 2015-2016 levy of annual assessments for the City's street lighting. Assessments under the LLAD are to be used for street lighting purposes only.

2. The LLAD has been in effect in the City since FY 1981-1982, under the 1972 Landscaping and Lighting Assessment District Act. The purpose of the LLAD is to equitably assess properties in accordance with special benefits received from the improvements to cover the cost of maintenance and operation of the lighting system within the City's streets. City Council has previously approved the methodology for assessments and staff will continue with the same methodology this year.

ANALYSIS:

Per the Engineer's Report, the assessments collected this year will not be sufficient for future operations and maintenance costs. For FY 2015-2016, we estimate the proposed total assessment amount to be $331,012, which is the amount approved in the 2003 ballot. The total operations and maintenance costs for FY 2015-2016 are estimated at $391,029, which exceeds the maximum amount we may assess by $60,017.

In order to address the additional operations and maintenance costs for FY 2015-2016, General funds will be budgeted until the assessed amount can be increased. Under Proposition 218, which became effective in FY 1997-1998, new or increase assessments, or existing assessments not imposed exclusively to fund capital costs or operations and maintenance may not be routinely imposed.

BUDGET IMPACT:

The costs to prepare the LLAD Engineer's Report were included in the approved FY 2015-2016 budget, and will also be included in the FY 2015-2016 budget.

CONCLUSION:

The Engineer's Report prepared by Willdan Financial Services for FY 2015-2016 is acceptable to City staff, therefore City staff recommends that the City Council approve the Engineer's Report and set the date for the Public Hearing. The Engineer's Report and the Summary Listings are on file with the City Clerk and Engineering.

Since assessments do not cover all of the maintenance costs associated with the district, the City has traditionally utilized the General fund to maintain service levels. In light of existing budget constraints, next year it may be prudent to increase assessment amounts to cover rising maintenance costs. This action would require a vote of properties in the assessment area prior to the approval of any increase.

B. Resolution No. 7677

ATTACHMENT "A"

RESOLUTION NO. 7676

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SAN FERNANDO, APPROVING THE ENGINEER'S REPORT FOR CERTAIN STREET LIGHTING MAINTENANCE IN THE CITY OF SAN FERNANDO LANDSCAPING AND LIGHTING ASSESSMENT DISTRICT FISCAL YEAR 2015-2016

WHEREAS, pursuant to the provisions of Division 15, Part 2, of the Streets and Highways Code of the State of California, being known as the "Landscaping and Lighting Act of 1972," the City Council, by previous Resolution, ordered the preparation of an Engineer's Report ("Report") including an engineer's cost estimate, assessment diagram, assessment roll, and plans and specifications relating to the CITY OF SAN FERNANDO LANDSCAPING AND LIGHTING ASSESSMENT DISTRICT (hereinafter referred to as the "DISTRICT"); and

WHEREAS, there now has been presented to the City Council the Report as required by Division 15, Part 2 of the Streets and Highways Code and as previously directed by Resolution; and

WHEREAS, the City Council has now carefully examined and reviewed the Report as presented, and is satisfied with each and all of the items and documents as set forth therein and is satisfied that the assessments, on a basis, have been spread in accordance with the benefits received from the maintenance to be performed as set forth in said Report;

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF SAN FERNANDO DOES HEREBY RESOLVE, FIND, DETERMINE, AND ORDER AS FOLLOWS:

Section 1: That the above recitals are all true and correct.

Section 2: The Report as presented includes the following:

a. Plans and Specifications
b. Engineer's Cost Estimate
c. Assessment Roll
d. Assessment Diagram (District Boundary)

Section 3: That the Report (Exhibit "A") is approved as filed and is ordered to be filed in the Office of City Clerk as a permanent record and to remain open for public inspection.

Section 4: That the City Clerk shall certify to the passage and adoption of this Resolution and the minutes of this meeting shall so reflect the presentation of the Engineer's Report.

PASSED, APPROVED, AND ADOPTED this 18th day of May, 2015.

Joel Fajardo, Mayor

ATTEST:

Elena G. Chávez, City Clerk

APPROVED AS TO FORM:

Rick R. Olivarez, City Attorney

STATE OF CALIFORNIA)
COUNTY OF LOS ANGELES) ss

WILLDAN Financial Services

AFFIDAVIT FOR THE ENGINEER'S ANNUAL LEVY REPORT

City of San Fernando
Los Angeles County, State of California

Landscaping and Lighting District

This Report and the information contained herein reflect the proposed budget for each of the various services provided by the San Fernando Landscaping and Lighting District and the assessments applicable to those services as they existed at the time of the passage of the Resolution of Intention. Reference is hereby made to the Los Angeles County Assessor's maps for a detailed description of the lines and dimensions of parcels within the District.

The undersigned respectfully submits the enclosed Report as directed by the City Council of the City of San Fernando.

Dated this 18th day of May, 2015.

SECTION 1. AUTHORITY FOR REPORT

This report for the San Fernando Landscaping and Lighting District ("District") is prepared pursuant to a resolution of the City Council of City of San Fernando and in compliance with the requirements of Article 4, Chapter 1, (commencing with Section 22565) of the Landscaping and Lighting Act of 1972, Part 2 of Division 15 of the Streets and Highways Code of the State of California.

Section 22573 of the Landscaping and Lighting Act of 1972 requires assessments to be levied according to benefit rather than according to assessed value. The section states:

> "The net amount to be assessed upon lands within an assessment district may be apportioned by any formula or method which fairly distributes the net amount among all assessable lots or parcels in proportion to the estimated benefits to be received by each such lot or parcel from the improvements.
>
> The determination of whether or not a lot or parcel will benefit from the improvements shall be made pursuant to the Improvement Act of 1911 (Division 7 (commencing with Section 5000) of the Streets and Highways Code, State of California)."

Exemption from Article XIIID of the California Constitution

As a result of the passage of Proposition 218 by voters on November 5, 1996, Articles XIIIC and XIIID were added to the California Constitution. Article XIIID specifically addressed both the substantive and procedural requirements to be followed for assessments. The new procedural and approval process for assessments outlined in this article apply to all assessment districts, with the exception of those existing assessments that met one or more of the following criteria: 1) a district that received prior voter approval, 2) a district originated with a petition signed by 100 percent of the property owners in the district, or 3) a district complying with the requirements set forth in Section 5(a) of Article XIIID that states:

> *...assessments existing on the effective date of this Article shall be exempt from the procedures and approval process set forth in Section 4 [if they were] imposed exclusively to finance the capital costs or maintenance and operation expenses for sidewalks, streets, sewers, water, flood control, drainage systems or vector* control*.*

Street Improvement as defined herein is based on the definitions provided by the Office of the Controller for the State of California in the *Guidelines Relating to Gas Tax Expenditures* published by the Division of Local Government Fiscal Affairs. The state's gas tax program is administered by local agencies, but audited by the Office of the State Controller. The proceeds of the gas tax are statutorily limited to expenditures for streets and roads. Because the funds are restricted to street and road costs, the State Controller developed the "Street Purpose Definitions and Guidelines" based on the *Manual of Uniform Highway Accounting and Financial Management Procedures* developed by the American Association of State Highway Officials. Street improvement, as it relates to this District, is defined as the construction, operation, or maintenance of facilities within the right of way used for street or road purposes including but not limited to the following:

- Installation or expansion of the street lighting system including replacement of old equipment with superior equipment, installation of traffic signals at intersections and

railroad crossings, replacement of equipment as required for relocations for street purposes, and purchase and installation of traffic signal control equipment.

- Servicing lighting systems and street or road traffic control devices including, repainting and repairing traffic signals and lighting standards; and furnishing of power for street and road lighting and traffic control devices.

Incidental expenses associated with the improvements including, but not limited to:

- The cost of preparation of the report, including plans, specifications, estimates, diagram, and assessment;
- The costs of printing, advertising, and the publishing, posting and mailing of notices;
- Compensation payable to the County for collection of assessments;
- Compensation of any engineer or attorney employed to render services;
- Any other expenses incidental to the construction, installation, or maintenance and servicing of the improvements;
- Any expenses incidental to the issuance of bonds or notes pursuant to Section 22662.5.
- Costs associated with any elections held for the approval of a new or increased assessment.

Therefore, the City determined that the District assessments (assessment rates) approved and levied prior to the passage of Proposition 218 for Street Improvements (Fiscal Year 1996/1997) as defined above were exempt from the Article XIIID procedural and approval process, however any proposed increase to the assessments would be subject to both the substantive and procedural requirements outlined in Article XIIID.

In Fiscal Year 2002/2003 the City conducted property owner protest ballot proceedings for an assessment increase. At the conclusion of the public hearing for the District and proposed assessment increase, returned ballots were tabulated and it was determined that majority protest existed and the proposed assessment increase was not imposed. Therefore the previously approved maximum assessment rate was applied and the District was levied in accordance with the Method of Apportionment.

Based on the District's estimated expenses and revenues for Fiscal Year 2003/2004, the City once again submitted a proposed assessment increase to the property owners within the District and initiated and conducted property owner protest ballot proceedings in compliance with the substantive and procedural requirements of the Constitution Article XIIID. At the conclusion of the Public Hearing scheduled July 7, 2003, all property owner protest ballots returned were tabulated to determine if majority protest existed. As a majority protest did not exist, the proposed special benefit assessment increase was approved and adopted by the City Council for Fiscal Year 2003/2004. The proposed assessment presented to the property owners' established new maximum assessment rates for the various land use classifications within the District.

The actual assessment rates adopted in any Fiscal Year may be less than or equal to these maximum assessment rates without additional balloting. Any proposed assessment that exceeds the maximum assessment rates will require additional property owner ballot proceedings for the incremental assessment increase. The method of apportioning special benefits and the maximum assessment rates are discussed in more detail in the Method of Assessment section of this report.

SECTION 2. DISTRICT BOUNDARIES

The boundary of the District is coterminous with the City limits of the City of San Fernando and is shown on the Assessment Diagram (Exhibit "B") attached hereto and incorporated herein by reference. The boundaries of the zones within the District are the boundaries shown on the official zoning map of the City of San Fernando, on file in the office of the City Clerk and incorporated herein by reference. All parcels of real property included within the District are described in more detail on maps on file in the Los Angeles County Assessor's office.

SECTION 3. PLANS AND SPECIFICATIONS

The improvements for Fiscal Year 2015/2016 may be generally described as the continued maintenance and operation of streets and sidewalks within the District, including the maintenance and servicing of public lighting facilities and appurtenant facilities that are located in and along such streets and sidewalks. The improvements do not include the maintenance or servicing of public lighting facilities that are not located in and along streets and sidewalks within the District.

There has been prepared and filed with the City Clerk, the District improvement plans and specifications showing and describing the existing improvements. The plans and specifications are identified as "Plans and Specifications No. L-2000", and are available for public inspection. These Street Lighting Plans consist of the Southern California Edison Company maps showing the general nature, location, and extent of existing and proposed street lights in the District which are owned and maintained by the Edison Company, as well as City as-built construction plans showing the general nature, location, and extent of existing street lights which are owned and maintained by the City. The plans and specifications and documents so described are by reference made part of this report and incorporated herein.

In addition to the improvements referenced above, additional streetlight facilities and improvements were added in Fiscal Year 2004/2005 utilizing District funds designated for Capital Improvement Projects. The additional improvements included the expenses associated with the underground improvements for various streetlight facilities within the District. The specific location and extent of these new improvements are on file in the Office of the City Engineer and by reference are made part of this report.

SECTION 4. METHOD OF ASSESSMENT

A. PROPOSITION 218 BENEFIT ANALYSIS

In conjunction with the provisions of the 1972 Act, the California Constitution Article XIIID addresses several key criteria for the levy of assessments, notably:

Article XIIID Section 2d defines District as follows:

"District means an area determined by an agency to contain all parcels which will receive a special benefit from a proposed public improvement or property-related service";

Article XIIID Section 2i defines Special Benefit as follows:

"Special benefit" means a particular and distinct benefit over and above general benefits conferred on real property located in the district or to the public at large. General enhancement of property value does not constitute "special benefit."

Article XIIID Section 4a defines proportional special benefit assessments as follows:

"An agency which proposes to levy an assessment shall identify all parcels which will have a special benefit conferred upon them and upon which an assessment will be imposed. The proportionate special benefit derived by each identified parcel shall be determined in relationship to the entirety of the capital cost of a public improvement, the maintenance and operation expenses of a public improvement, or the cost of the property related service being provided. No assessment shall be imposed on any parcel which exceeds the reasonable cost of the proportional special benefit conferred on that parcel."

This District was formed to establish and provide for the improvements that enhance the presentation of the surrounding properties and developments. These improvements will directly benefit the parcels to be assessed within the District. The assessments and method of apportionment is based on the premise that the assessments will be used to construct and install landscape and lighting improvements within the existing District as well as provide for the annual maintenance of those improvements, and the assessment revenues generated by District will be used solely for such purposes.

The costs of the proposed improvements have been identified and allocated to properties within the District based on special benefit. The improvements to be provided by this District and for which properties will be assessed have been identified as an essential component and local amenity that provides a direct reflection and extension of the properties within the District which the property owners and residents have expressed a high level of support.

The method of apportionment (method of assessment) set forth in the Report is based on the premise that each assessed property receives special benefits from the landscape and lighting improvements within the District, and the assessment obligation for each parcel reflects that parcel's proportional special benefits as compared to other properties that receive special benefits.

To identify and determine the proportional special benefit to each parcel within the District, it is necessary to consider the entire scope of the improvements provided as well as the properties that benefit from those improvements. The improvements and the associated costs described in this Report, have been carefully reviewed and have been identified and allocated based on a benefit rationale and calculations that proportionally allocate the net cost of only those improvements determined to be of special benefit to properties within the District. The various public improvements and the associated costs have been identified as either "general benefit" (not assessed) or "special benefit".

B. STREET LIGHTING BENEFITS

The special benefits derived from the maintenance and servicing of street lighting are the convenience, safety, and security of property, improvements, and goods. Specifically:

1. Improves ingress and egress to property.
2. Enhances nighttime commercial, business, and residential living environment through improved visibility and related safety.
3. Increased nighttime safety on roads and highways and improved ability of pedestrians and motorists to see.
4. Enhanced deterrence of crime and the aid to police protection.
5. Deters nighttime vandalism and other criminal acts and damage to improvements or property.
6. Improved traffic circulation and reduced nighttime accidents and personal property loss.
7. Enhances desirability of properties through association with District improvements.

C. METHODOLOGY

The method of assessment separates costs into two categories:

1. District-wide Lighting - Street Intersection Safety Lights
2. Local Lighting - Street Lights and Alley Lights

District-wide Lighting (Street Intersection Safety Lights)

District-wide Lighting represents the special benefit received from each and every parcel within the District from street intersection safety lights. The cost of such improvements is apportioned at a uniform rate per assessable front foot established for each assessable lot or parcel within the District. Corner single-family residential lots are assessed for street address footage only; side yard frontage is not assessed.

Local Lighting (Street Lights and Alley Lights)
Local Lighting represents the special benefit received from the servicing and maintenance of street and alley lights in close proximity to the assessed parcels. The total cost for Local Lighting is determined by estimating the total amount to be assessed for all street lighting costs and deducting the cost specifically identified as street intersection safety lights.

Local Lighting is further separated into the following zones for both street and alley lights categories:

- Residential
- Industrial
- Commercial

Each zone is defined by the zoning map established by the City Planning Commission the year the Engineer's Report is prepared and approved by the City Council, as shown on the official City records. Separation into zones recognizes differences in estimated special benefit from lighting received by properties within residential, industrial, and commercial areas.

Because non-residential properties are often vacant and unattended during late night hours they are generally more susceptible to vandalism and crime than residential properties. In addition, convenient ingress and egress is more critical to non-residential properties, especially commercial properties, since a larger number of vehicles generally use such properties, and since the convenience of ingress and egress is a significant factor in attracting clients, customers, and employees. For these reasons, non-residential properties derive a greater benefit from street lighting than residential properties.

In addition to the benefit rational described above, the benefit various properties receive from street lighting are directly related to the level of illumination. Nationally, industry standards recommend increasing the intensity of street light illumination from the minimum level specified for local residential streets, to higher levels specified for commercial and arterial streets (Reference: American National Standard Practice for Roadway Lighting, RP-8, page 11, Table J, Recommendation for Average Maintained Horizontal Illumination). Therefore, properties zoned for non-residential use are assessed at a higher rate than properties zoned for residential use because the intensity of street lighting associated with non-residential properties is greater.

Local Lighting cost for street lighting was apportioned per front foot against all "benefited" lots or parcels within each particular zone. "Benefited" lots or parcels were determined to be those where there is existing lighting on the street fronting the lot or parcel. No assessment for Local Lighting has been apportioned to properties where there are no lights or where existing lights are too distant to provide special benefit to those properties.

Based on recommended illumination levels and recognizing variations in existing lighting, the Local Lighting costs have been apportioned according to the following ratios:

Benefit ratios for street lighting:

Parcels within the District receive benefit from local street lighting, namely the street lighting located on the streets or streets in close proximity to the parcels' street address frontage. The benefit ratios established for these street lights are based on the following ratios:

- Residential Zone = 1.0
- Industrial Zone = 2.5
- Commercial Zone = 3.0

Benefit ratios for alley lighting:

In addition to the benefit received from street lighting located in close proximity to the parcels' street address frontage, certain parcels within the District receive a benefit from alley lighting located in close proximity to their side or rear footage. This alley lighting benefit for residential parcels has been estimated at one-half of the street lighting benefit. Non-residential parcels are assigned twice as much benefit from alley lighting as residential parcels because such parcels generally utilize the alleys for deliveries and other purposes. The benefit ratios established for alley lights are based on the following ratios:

- Residential Zone = 0.5
- Industrial Zone = 1.0
- Commercial Zone = 1.0

Single Family Residential Corner Lots

As a result of an assessment analysis, the City Council took action at their regular meeting on February 21, 1995 to modify the apportionment formula to eliminate charging corner lots with single-family residences for their side yard footage. Single-family residential corner lots are assessed for footage along street address frontage only at the rate set by its respective zone and side yard footage is not included in the calculation for either District-wide Lighting or Local Lighting.

Frontage Rates

Based on the preceding discussion, the following are the resulting frontage rate formulas:

Where:	TAF	=	Total Assessable Footage
	TLF	=	Total Local Footage (Adjusted Front Footage)
	SLB	=	Street Light Local Benefit
	ALB	=	Alley Light Local Benefit
	RF	=	Residential Frontage
	MF	=	Industrial Frontage
	CF	=	Commercial Frontage
	RAF	=	Residential Alley Frontage
	MAF	=	Industrial Alley Frontage
	CAF	=	Commercial Alley Frontage
	DLR	=	District-wide Lighting Rate
	LLR	=	Local Lighting Rate

The following outlines the proportional special benefit formulas used to calculate the assessment rate applied to District-wide Lighting benefits (street intersection lighting):

Total Assessable Footage (TAF) = (RF+MF+CF+RAF+MAF+CAF)
(Assessable Footage) (All assessed parcels)

District-wide Lighting (DLR) = Budgeted Intersection Safety Light Cost

(Assessment Rate) Total Assessable Footage (TAF)

The following outlines the proportional special benefit applied to various land use classifications to determine the adjusted front footage used for calculating Local Lighting assessments. Each parcel's total adjusted front footage is the sum of the parcel's calculated SLB and ALB applicable to that parcel's land use.

Residential SLB	= 1.0	x	RF	(Residential Frontage)
Residential ALB	= 0.5	x	RAF	(Residential Alley Frontage)
Industrial SLB	= 2.5	x	MF	(Industrial Frontage)
Industrial ALB	= 1.0	x	MAF	(Industrial Alley Frontage)
Commercial SLB	= 3.0	x	CF	(Commercial Frontage)
Commercial ALB	= 1.0	x	CAF	(Commercial Alley Frontage)

The following outlines the proportional special benefit formulas used to calculate the assessment rate applied to Local Lighting benefits:

Total Local Footage (TLF)= RF+2.5(MF)+3.0(CF)+0.5(RAF)+MAF+CAF)
(Adjusted Footage) (All assessed parcels)

Local Lighting Rate (LLR)= (Total Balance to Levy) – (Intersection Light Cost)
(Assessment Rate) Total Local Footage (TLF)

The annual assessment calculated for each parcel is the sum of their District-wide Lighting assessment and Local Lighting assessment.

Total Assessment =District-wide Assessment + Local Lighting Assessment

Residential Assessment	=	(RF x DLR) + [(1(RF) + .5(RAF)) x LLR]
Industrial Assessment	=	(MF x DLR) + [(1(MF) + .5(MAF)) x LLR]
Commercial Assessment	=	(CF x DLR) + [(1(CF) + .5(CAF)) x LLR]

D. MAXIMUM ASSESSMENT RATES

Based on the preceding discussion of apportioning special benefits to all properties within the District and the City Engineer's cost estimate for Fiscal Year 2015/2016, the maximum assessment rate approved by property owners for District-wide Lighting (Street Intersection Safety Lighting) is $0.2262 per assessable foot and the maximum assessment rate approved by property owners for Local Lighting (Street Lights and Alley Lights) is $0.4477 per adjusted foot.

SECTION 5. CITY ENGINEER'S COST ESTIMATE

STREET LIGHT ENERGY AND MAINTENANCE COSTS FISCAL YEAR 2015/2016 BUDGET	
OPERATING EXPENSES:	
Utilities	$232,000
Rents and Leases	750
Contractual Services	14,900
Department Supplies/Equipment Maintenance/Tools	11,165
Utility Truck Maintenance/Fuel	2,438
Cost Allocation	11,763
Capital Equipment	5,000
Total Operating Expenses	**$278,016**
PERSONNEL EXPENSES:	
Personnel Costs	$107,313
Overtime	2,000
Total Personnel Expenses	**$109,313**
CITY INCIDENTIAL COSTS:	
Contractual Repairs	$0
Consultant Engineering & Legal Services	2,500
County Assessor	1,200
Total City Incidental Costs	**$3,700**
Total Operating and Personnel Costs	**$391,029**
LEVY ADJUSTMENTS	
Reserve Fund Collection (Credit)	$(44,700)
Capital Expenditures	0
CIP Collection (Credit)	0
Revenues From Other Sources	(15,217)
Total Levy Adjustments	**$(59,917)**
TOTAL BALANCE TO LEVY	**$331,112**
Estimated Operating Reserve - End of FY 2014/2015	$(53,691)
Operating Reserve Fund Activity	(34,700)
Estimated Operating Reserve - End of FY 2015/16	**$(88,391)**
Estimated CIP Fund Balance - End of FY 2014/2015	$0
CIP Fund Activity	0
Estimated CIP Fund Balance - End of FY 2015/16	**$0**
DISTRICT STATISTICS	
Total Number of Parcels	5,179
Number of Assessed Parcels (1)	4,996
Total Assessable Footage (District-wide Lighting)	378,314
Total Adjusted Footage (Local Lighting)	548,497
District-wide Assessment Rate	
Maximum Rate	$0.2262
Applied Rate	$0.2262
Local Lighting Assessment Rate	
Maximum Rate	$0.4477
Applied Rate	$0.4477

(1) Includes SBE parcels.

SECTION 6. ASSESSMENT ROLL

The net amount to be assessed upon assessable lands within the District for Fiscal Year 2015/2016 is $331,012.07. The Fiscal Year 2015/2016 assessment rates for the District-wide Benefit are $0.2262 per Front Foot and $0.4477 per Adjusted Front Foot for the Local Lighting Benefit. These rates equal the maximum assessment rates for the District-wide Benefit that was approved and applied in Fiscal Year 2014/2015.

The amount to be assessed against each individual parcel within the District is set forth in the Assessment Roll, which is on file in the office of the City Clerk and incorporated herein by reference. Reference is made to the Los Angeles County Secured Roll for details concerning the description of the parcels within the District.

SECTION 7. ASSESSMENT DIAGRAM

A reduced copy of the Assessment Diagram follows.

RESOLUTION NO. 7677

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SAN FERNANDO, DECLARING ITS INTENTION TO LEVY AND COLLECT ASSESSMENTS WITHIN THE CITY OF SAN FERNANDO LANDSCAPING AND LIGHTING ASSESSMENT DISTRICT FOR FISCAL YEAR 2015-2016 PURSUANT TO THE PROVISIONS OF DIVISION 15, PART 2, OF THE STREETS AND HIGHWAYS CODE OF THE STATE OF CALIFORNIA AND SETTING A TIME AND PLACE FOR A PUBLIC HEARING

WHEREAS, the City Council has previously ordered the Engineer to prepare and file a Report pursuant to the provisions of Division 15, Part 2 of the Streets and Highways Code of the State of California being the "Landscaping and Lighting Act of 1972," for an assessment district known and designated as the CITY OF SAN FERNANDO LANDSCAPING AND LIGHTING ASSESSMENT DISTRICT (hereinafter referred to as "DISTRICT"); and

WHEREAS, there has been presented to and approved by the City Council the Engineer's Report as required by law; and

WHEREAS, the City Council is desirous of proceeding with the ordering of the annual levy of assessments in accordance with the requirements of the California Constitution; and

WHEREAS, the City Council has determined that in order to maintain a satisfactory level of maintenance, service and benefit to properties within the District, an increase assessment will be necessary, and that said increase must be approved by the property owners in accordance with the requirements of the California Constitution, Articles XIIID.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF SAN FERNANDO DOES HEREBY RESOLVE, FIND, DETERMINE, AND ORDER AS FOLLOWS:

Section 1: GENERAL

That the above recitals are all true and correct.

Section 2: PUBLIC INTEREST

That it is the intention of the City Council, consistent with the public interest and convenience, to levy and collect annual assessments for Fiscal Year 2015-2016 for the continued maintenance and operation of streets within the City of San Fernando Landscaping and Lighting Assessment District generally including all parcels within the City, all to serve and benefit said District as said area is shown and delineated on a map, previously approved by the City Council and on file in the Office of the City Clerk, open for public inspection, and herein so referenced and made a part hereof.

Section 3: REPORT

That the Engineer's Report, previously approved regarding the Fiscal Year 2015-2016 Assessment, which Report sets forth a full and detailed description of the improvements, the boundaries of the District and the zones therein, and the proposed assessments upon assessable lots and parcels of land within the District, is on file with the Clerk of the City of San Fernando and open for public inspection.

Section 4: ASSESSMENT

That the public interest and convenience requires, and it is the intention of the City Council to order the annual levy of the assessments as set forth and described in said Engineer's Report. The City Council hereby declares its intention to seek the annual levy and collection of the assessments within the Landscaping and Lighting Assessment District to pay the annual costs and expenses of the improvements and services described in the Engineer's Report, for Fiscal Year 2015-2016.

Section 5: DESCRIPTION OF IMPROVEMENTS

That the proposed improvements for Fiscal Year 2015-2016 may be generally described as the continued maintenance and operation of streets and sidewalks within the District including the maintenance and servicing of public lighting facilities and appurtenant facilities that are located in and along such streets and sidewalks. The proposed improvements shall no longer include the maintenance or servicing of public lighting facilities that are not located in and along streets and sidewalks within the District.

Section 6: EXEMPTION FROM REQUIREMENTS OF ARTICLE XIIID, SECTION 4 OF THE CALIFORNIA CONSTITUTION

That the City Council hereby determines and declares that the proposed assessments constitute a continuation of assessments existing on the effective date of Article XIIID, that the assessments are imposed exclusively to finance the maintenance and operation expenses for sidewalks and streets, and that the assessments are exempt from the requirements of Article XIIID, Section 4 of the California Constitution.

Section 7: COUNTY AUDITOR

The County Auditor shall enter on the County Assessment Roll the amount of the assessments and shall collect said assessments at the time and in the same manner as County taxes are collected. After collection by the County, the net amount of the assessments, after the deduction of any compensation due to the County for collection, shall be paid to the City Treasurer of the City for purposes of paying for the costs and expenses of said District.

Section 8: SPECIAL FUND

That the City Treasurer shall place all monies collected by the Tax Collector as soon as said monies have been received by said City Treasurer in the special fund known as the "CITY OF SAN FERNANDO LANDSCAPING AND LIGHTING ASSESSMENT DISTRICT FUND." Payment shall be made out of said fund only for the purposes provided for in this Resolution.

Section 9: BOUNDARIES OF DISTRICT

That said contemplated improvements are, in the opinion of the City Council, of direct and special benefit to the properties within the boundaries of the District, as set forth below, and the City Council makes the costs and expenses of said improvements chargeable upon the District, which district said City Council hereby declares to be the District specially benefited by said improvements and to be further assessed to pay the costs and expenses thereof. Except for those parcels referred to in Section 9 of this Resolution, said District shall include each and every parcel of land within the boundaries of said District as said District is shown on a map as approved by the City Council and on file in the Office of the City Clerk, and so designated by the name of the District.

Section 10: PUBLIC PROPERTY

Public property owned by any public agency and in use in the performance of a public function which is included within the boundaries of the District, shall be omitted and exempt from any assessment to be made under these proceedings to cover any of the costs and expenses of said improvements.

Section 11: PUBLIC HEARING

Notice is hereby given that July 6, 2015, at the hour of 6:00 p.m., in the Council Chambers of the City Council of the City of San Fernando, 117 Macneil Street, San Fernando, California, being the regular meeting place of said City Council is the time and place fixed by this City Council for the hearing of protests, comments or objections in reference to the extent of the improvements and to the levy of the proposed assessments. Any interested person who wishes to object to the levy and collection of the proposed assessments may file a written protest with the City Clerk prior to the conclusion of the public hearing, or, having previously filed a protest, may file a written withdrawal of that protest. A written protest shall state all grounds of objection, and a protest by a property owner shall contain a description sufficient to identify the property owned by the property owner. At the hearing, all interested persons shall be afforded the opportunity to hear and be heard, and the City Council shall consider all oral statements and all written protests made or filed by any interested person.

Section 12: PUBLICATION OF NOTICE

The City Clerk is hereby authorized and directed to publish a copy of this Resolution in The San Fernando Valley Sun newspaper, a newspaper of general circulation in said City; said publication shall not be less than ten (10) days before the date of said Public Hearing.

Section 13: PROCEEDINGS INQUIRIES

For any and all information relating to the procedures, protest procedure, documentation, and/or information of a procedural or technical nature, your attention is directed to the office listed below as designated:

THE CITY OF SAN FERNANDO

AGENDA REPORT

To: Mayor Joel Fajardo and Councilmembers

From: Brian Saeki, City Manager
By: Chris Marcarello, Deputy City Manager/Public Works Director

Date: May 18, 2015

Subject: Consideration to Implement Phase II of the Water Conservation Ordinance

RECOMMENDATION:

It is recommended that the City Council:

a. Review the revisions to the Water Conservation Program that were requested by the City Council at their May 4, 2015 meeting;

b. Adopt Resolution No. 7674 (Attachment "A"), declaring a water shortage condition and implementing Phase II of the City's Water Conservation Ordinance; and

c. Approve the Guidelines for Residential Parkway Landscaping to encourage reduced water usage in parkway locations throughout the City (Attachment "B").

BACKGROUND:

1. 2013 was the driest year on record for California and the drought continued into 2014. Many regions of the State have been severely impacted, prompting Governor Brown to ask all Californians to reduce their daily water use by 20%. While Los Angeles County has prepared for dry periods like this, water reserves throughout the State are being rapidly depleted.

2. In response to the ongoing severe drought, the State Water Resources Control Board (SWRCB) enacted emergency regulations in August 2014 to remain in effect for 270 days (approximately nine months), unless extended. Since most Californians use 50% of water consumption of outdoor use, the regulations are intended to reduce outdoor urban water use. The regulations require all urban water suppliers to:

    - Promote water conservation by implementing requirements and actions of the California Department of Water Resources (DWR) approved Water Shortage

Contingency Plan that imposes mandatory watering restrictions on outdoor landscaping and turf.

- Prepare and submit reports to SWRCB to monitor potable water production and estimate gallons of water used per person per day for residential customers.

3. In Fall 2014, a public service announcement postcard was sent to all City water consumers regarding the State Emergency Regulations.

4. The City declared a water emergency in October 2014 and implemented a Phase I (voluntary) water conservation level in accordance with the City's Water Conservation Ordinance.

5. On April 1, 2015, the Governor enacted Executive Order B-29-15, calling for a statewide reduction in water usage by 25%.

6. On April 14, 2014, the Metropolitan Water District Board of Directors issued a letter of support the Governor's water conservation guidelines and declared a Level 3 water supply allocation plan starting in July 2015. This allocation plan represents approximately a 15% reduction in wholesale water use and a surcharge of approximately four times the normal price of an acre foot of water for use beyond allocated amounts.

7. On May 4, 2015, the City Council reviewed the draft Water Conservation Phase II program components and requested that additions be made in order to help encourage community participation in conservation activities.

ANALYSIS:

On May 4, 2015, the City Council reviewed program recommendations that are designed to help encourage water conservation in the community. As such, the following revisions have been made to reflect the Council's comments and help promote sustainable water practices, including:

Program Outreach

- Website: Information related to all conservation programs is available on the City website homepage, including the HERO Program, turf removal incentives, and general water conservation information (Attachment "C", Outreach Information – Website Information). Additional information promoting water rebates and offering guidance on how to choose a contractor is provided through the Metropolitan Water District, including www.socalwatersmart.com; www.saveourwater.org; and www.bewaterwise.com.

- Mailer Notifications: General water conservation information/water reduction tips will be hand delivered in May to all properties in the City. In addition, general outreach about water conservation practices will be included in upcoming trash bills and water bills during the months of June and July (Attachment "C", Outreach Information – Water Conservation Mailer and Door Hanger). This information includes basic household practices (shorter showers, low flow shower heads, wash dishes only when the dishwasher is full, etc.) that will help inform the community about ways to reduce water usage.

- Signage: Signage will be installed at public facilities and spaces promoting water conservation and the City's efforts to reduce water usage through turf removal and other landscaping changes.

- Outreach to Local Youth: At the City's upcoming Public Works Day event on May 20th, approximately 150 local children will receive a brief presentation on conservation and simple ways to reduce water usage (Attachment "C", Outreach Information – Public Works Day Event Flyer). Staff is also exploring a partnership with the Discovery Science Center to conduct classroom water conservation programs during the 2015/16 school year.

- Sample Drought Tolerant Landscapes Designs/Photos: Photos and sample designs have been compiled to offer the community ideas on successful drought tolerant landscape designs (Attachment "C", Outreach Information – Sample Landscape Designs and Photos). These samples will be added to the Parkway Guidelines and made available at public counters and on the City website.

- Restaurant Placards: Staff has obtained placards that will be hand delivered to local sit-down restaurants informing the community about water conservation measures. Restaurants will only provide water to customers upon request (Attachment 3, Outreach Information – Restaurant Placards).

- Outreach to Large Water Users: A list of the 25 highest water users in the City has been compiled. Staff will conduct outreach to these customers and meet with them to discuss programs or other measures to help reduce water usage (Attachment "C", Outreach Information – Top 25 Water Users List).

City Operational Activities

- Park Restroom Maintenance: City staff and contractors will be required to minimize the use of water in cleaning outdoor restrooms. Water will be used only when other measures cannot effectively clean facilities and it is deemed that a health/safety risk will be present if water is not used.

- City Facilities/Public Spaces: Water use will be curtailed on all street medians where turf is present. Further, staff will begin a phased plan to remove turf and install drought tolerant landscaping at City facilities in conjunction with the Fiscal Year 2016 budget. A list of City facilities will be compiled to track water usage on a quarterly basis and information will be shared with the City Council.

- Irrigation Components at City Facilities/Public Spaces: Any locations that are converted to drought tolerant landscapes will preserve existing irrigation main lines for future use, if possible. Every effort will be made to incorporate existing irrigation systems into new landscape designs in order to help minimize costs.

Phase II Conservation Program Revisions

In order to comply with the State's mandate to restrict outdoor water usage, it is necessary that the City implement Phase II of its water conservation ordinance (per Section 94, Division 4 of the Municipal Code), which includes several water usage prohibitions. Based on the Council's input, the following modifications have been added to the resolution declaring a water shortage condition and implementing a Phase II Water Conservation period.

- Penalties: As proposed, fines related to this program would not be imposed over the first 6 months of the Phase II Conservation Program. This will allow the community to become acclimated with additional conservation measures. This addition is included in Section 4 of the attached resolution.

- Sprinkler Time Limits: As proposed, the resolution has been amended to allow a maximum of 10 minutes per sprinkler cycle at residential properties. At large facilities (commercial and public facilities), a maximum of 15 minutes per sprinkler cycle would be allowed for large turf areas and a maximum of 20 minutes per sprinkler cycle would be allowed for sports fields. This addition is included in Section 5 of the attached resolution.

- Vehicle Washing on Turf: As proposed, an amendment to Section 90-358 of the Municipal Code is being developed regarding vehicles parking on unpaved surfaces in residential areas. During the conservation period residents would be allowed to park on unpaved areas (turf) when washing vehicles in order to minimize water runoff onto gutters and streets. This amendment will be reviewed in June 2015.

- Water Usage Charts on Billing Statements: Staff contacted its billing vendor to add charts to bills that show water usage figures. It is expected that this feature will be added to bills in July. It is expected that this information will help the community to better understand its water use.

- City Contact Regarding Water Conservation: All marketing and outreach materials clearly indicate the City's Public Works Water Division as the primary contact for water questions.

BUDGET IMPACT:

Failure to adopt increase local water conservation could subject the City to fines through the State Water Resources Control Board or wholesale rate surcharges through the Metropolitan Water District. It is expected that decreases in water usage will result in lost revenue from water sales due to conservation measures.

CONCLUSION:

It is recommended that the City Council adopt Resolution No. 7674, declaring a water shortage condition and implementing Phase II of the City of San Fernando's Water Conservation Ordinance. Additionally, it is recommended that the City Council approve the revised Residential Parkway Design Guidelines that will encourage drought tolerant landscapes in parkway areas throughout the community.

RESOLUTION NO. 7674

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SAN FERNANDO, DECLARING A WATER SHORTAGE CONDITION AND IMPLEMENTING PHASE II OF THE CITY'S WATER CONSERVATION ORDINANCE

WHEREAS, the City of San Fernando operates a municipal utility for the delivery of water to the citizens of the City of San Fernando; and

WHEREAS, San Fernando Municipal Code, Chapter 94, Division 4 describes the City's Water Conservation Ordinance which requires that water resources be conserved upon declaration of the City Council that a water shortage exists and that certain prohibitions be set in place in order to reduce the consumption of potable water over an extended period; and

WHEREAS, Chapter 94, Division 4, Section 303 sets forth certain prohibitions of water use during shortage periods as follows:

a. Prohibiting gutter flooding;

b. Prohibiting washing hard-surfaced areas like sidewalks, driveways, and parking lots;

c. Prohibiting the use of water to refill pools, fountains or other ornamental facilities;

d. Prohibiting vehicle washing unless using a hand-held bucket or a hose equipped with a shutoff nozzle; and

e. Prohibiting outdoor watering of landscaping materials unless completed between the hours of 5 p.m. and 10 a.m.; and

WHEREAS, on July 15, 2014, the California State Water Resources Control Board ("Water Board") adopted emergency water conservation regulations requiring all Californians and water suppliers to take immediate actions to conserve water in response to the drought conditions, including, but not limited to, for water suppliers to activate their water shortage contingency plan to a level where outdoor irrigation restrictions are adopted; and

WHEREAS, on April 1, 2015, the Water Board adopted additional emergency water conservation regulations requiring a statewide reduction of 25% in water usage through February 26, 2016;

WHEREAS, on April 14, 2015, the Metropolitan Water District, of which the City is a member agency, declared a level three water supply allocation plan starting July 2015 which represents approximately a 15 % reduction in wholesale water use and a surcharge of

approximately four times the normal price of an acre foot of water for use beyond allocated amounts; and

WHEREAS, in order to comply with the Water Board's emergency conservation regulations, the City of San Fernando enacted Phase I of the City's Voluntary Water Conservation Ordinance on October 6, 2014; and

WHEREAS, in order to comply with the Water Board's emergency conservation regulations adopted on April 1, 2015, the City of San Fernando will have to enact Phase II of the City's Mandatory Water Conservation Ordinance; and

WHEREAS, the City's prohibitions of water use is in effect at all times as Phase II of the City's Water Conservation Ordinance; and

WHEREAS, implementation of Phase II of the Water Conservation Ordinance is a measure to conserve and protect existing water supplies and is exempt from the requirements of the California Environmental Quality Act (CEQA) pursuant to state CEQA Guidelines Sections 15061(b)(3), 15304, and 15307.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF SAN FERNANDO DOES HEREBY RESOLVE, FIND, DETERMINE, AND ORDER AS FOLLOWS:

SECTION 1. That the City Council hereby implements Phase II of the City's Water Conservation Ordinance, as set forth in SFMC Chapter 94, Division 4, prohibiting the waste of water and requiring customers to comply with the water use restrictions as set forth in this chapter.

SECTION 2. That the City Clerk is authorized and directed to publish legal notice of this Resolution as required by law.

SECTION 3. That Phase II of the City's Water Conservation Ordinance shall become effective July 1, 2015.

SECTION 4. Violation by any person of Phase II of the City's Water Conservation Ordinance mandatory requirements shall receive notice from the City of said violation but will not be issued an administrative citation or fine within the first 6 months of the Phase II period, ending December 31, 2015. Violations that occur after December 31, 2015 shall be subject to any citations or fines as described in the City's Water Conservation Ordinance, Section 94-291.

SECTION 5. Phase II of the City's Water Conservation Ordinance provides that the outdoor watering of landscapes shall occur as follows:

a. Only between the hours of 5 p.m. and 10 a.m.;

b. Properties with even-numbered addresses will water on Tuesday, Thursday, Sunday and properties with odd-numbered addresses will water on Monday, Wednesday, Friday, with no outdoor watering on Saturdays;

c. Residential sprinkler time limits shall run for a maximum of 10 minutes per cycle;

d. Commercial and public facilities with large turf areas shall run for a maximum of 15 minutes per cycle;

e. Commercial and public facilities with sports fields shall run for a maximum of 20 minutes per cycle.

SECTION 6. In conjunction with the implementation of Phase II of the City's Water Conservation Ordinance, the City Council hereby implements the Residential Parkway Design Guidelines in order to encourage the use of drought tolerant plans or other materials in parkway areas that do not require water usage.

SECTION 7. That the implementation of Phase II of the City of San Fernando's Water Conservation Ordinance is exempt from the requirements of the California Environmental Quality Act.

PASSED, APPROVED, AND ADOPTED this 18th day of May, 2015.

THE CITY OF SAN FERNANDO

RESIDENTIAL PARKWAY LANDSCAPING GUIDELINES

MAY 2015

Purpose

This document is offered to help provide the community with guidelines relative to the installation of landscape improvements within parkway areas, adjacent to sidewalks and street areas.

Standard Parkway Design

No Fee Permit. The accepted standard parkway design shall include materials such as turf, drought tolerant plant materials, groundcover plants, decorative rocks, mulch, bark, decomposed granite, or other permeable materials that help to minimize storm water runoff into roadway areas. No permit fee shall be charged when these materials are used to landscape a parkway area. These materials must provide an obstruction-free pedestrian passage between the street and sidewalk and maintain an open line of sight between the street and abutting properties. Drought tolerant materials are encouraged in order to help minimize water usage.

Plant Materials

Plant materials installed within parkway areas must meet the following criteria:

1. They must be drought tolerant or drought resistant
2. They must not exceed 36” in height at full maturity
3. They should complement the existing aesthetic context and character of the neighborhood and surrounding properties
4. They must not be considered noxious or invasive species
5. They must not have exposed, rigid spines or thorns
6. They must not form a continuous hedge or screen at full maturity
7. If installed within 60” of a driveway or sidewalk, they must not exceed 24” in height at full maturity

A recommended species list is attached to these guidelines.

Alternative Materials

Non-vegetative materials installed within parkway areas must meet the following criteria:

1. They must be placed so that the finished surface is in plane with the abutting sidewalk and curb surfaces
2. Loosely placed materials (mulch, bark, decomposed granite, rocks) shall not be used in parkway areas with a slope greater than 6% in any direction (3/8” of fall per each foot horizontally)
3. Alternative materials that do not provide a uniform, reasonably walkable surface are discouraged and will typically not be permitted for installation in parkway areas. If permitted, these materials must be set within a cement concrete mix in a manner that will permanently affix the materials to the parkway area.

A recommended materials list is attached to these guidelines.

As part of the permitting review process, drawings, plans or other items that specify materials to be used, quantities and locations will be reviewed.

Convenience/Maintenance Strip

When plant materials are installed within the parkway area, a minimum 18" wide convenience strip shall be required adjacent and parallel to the back of curb along the entire length of the improved parkway to allow ingress and egress for occupants of vehicles parked along the curb. The convenience strip may consist of either low growing drought tolerant plant materials or recommended alternative materials. The finished grade of this area shall form a commonly accepted walking surface that is flush with the adjacent curb area.

Parkway Irrigation Systems

Where irrigation systems are used, the City encourages the use of sub-surface drip irrigation systems or low flow water systems to minimize water overspray or over watering. Pressurized lines or valves shall not be installed in parkway areas. If spray systems are used, all spray heads shall be the pop-up style with fully retractable sprinkler heads. Spray systems shall retract to be flush with the adjacent surface when not in use and shall not be located closer than 24" to any hard paved nearby surfaces.

Non-Standard Parkway Design

Permits are Required. For all other non-standard parkway designs, appropriate permits (i.e. encroachment permit) shall be required, by filing an application with the City. Permit costs are set in accordance to fee schedules established by the City Council, and may vary depending on the proposed design. Residents are encouraged to discuss proposed designs with City staff in order to find out more information regarding non-standard designs. Such non-standard designs may include decorative paving, storm water capture systems, or pressured irrigation systems. As part of the permitting review process, drawings, plans or other items that specify materials to be used, quantities and locations will be reviewed.

Storm Water Capture Systems

Storm water capture systems are encouraged when possible and appropriate. These systems help to clean and treat storm water biologically prior to its continuance into the storm drain systems. They also help storm water to infiltrate into the sub-grade and reduce storm water runoff.

Parkway Maintenance

All parkway landscape installation shall be maintained in good repair and on grade by the owner using the following criteria:

1. Plant materials shall be kept in a neat, trimmed manner adjacent to paved surfaces at all times ad shall not obstruct upon sidewalks, driveways, walkways, or curb areas. Plant materials shall be replaced or replenished as required, and the planted parkways shall be kept free of weeds or other debris.
2. Alternative materials shall be maintained in good repair and on grade flush with the adjacent sidewalks, driveways, walkways, or curb areas to minimize slipping and tripping hazards. Materials like decomposed granite, mulch, bark or other materials shall be replenished as required to maintain a finished grade that is in plane with the adjacent curb or sidewalk.
3. Irrigation systems shall be maintained in good repair and be kept free of leaks or other anomalies that prevent the system from operating at peak efficiency.

Enforcement

When parkway areas are found to be out of compliance with these guidelines or other City codes or regulations, the City will employ a progressive enforcement process to ensure the improvements are either properly permitted or returned to a condition that complies with said codes or regulations. This process will begin with verbal and/or written notifications to the abutting property owner or occupant in an attempt to voluntary achieve proper compliance. Further enforcement activities may include fines or corrective action. In cases where improvements are deemed a nuisance or safety hazard to the public, the City reserves the right to remove the offending improvements and restore the parkway areas using City forces. The abutting property owner shall be responsible for the reimbursement of all costs incurred by the City to properly restore parkway areas fronting his/her property.

Drought Tolerant Parkway – Design Examples

The following design examples were compiled using drought tolerant parkway designs developed for other communities, including the cities of Los Angeles, Pasadena, the County of Los Angeles, and the Elsinore Valley Water District. These designs are provided to assist the community with designs that comply with water efficient landscape regulations and also incorporate drought tolerant materials. These designs provide a mix of plant materials, permeable materials (rocks, mulch, and bark) and will help to save water. These designs will help streamline the review and approval process for residents interested in beautifying their parkway landscaping design.

City of San Fernando Water Conservation Program

Voluntary Conservation Measures in Place/Rebates Available for Reducing Water Usage

In accordance with statewide emergency water conservation measures due to drought conditions, the City has enacted local watering restrictions and a water conservation policy. The City's guidelines for local water usage are contained in Chapter 94 (Utilities) of the San Fernando Municipal Code, under the Division titled "Water Conservation". Under this section of the municipal code, the City Council has declared that a Phase I water shortage currently exists, and residents are encouraged to reduce water usage, especially outdoors.

Some basic steps that you can take to reduce water usage include the following:

- Check your property for water leaks or running water;
- Reduce water times for your lawn/outdoor landscaping;
- Take shorter showers;
- Run dishwashers or clothes washers only when full;
- Install water-saving devices for outdoor irrigation systems.

Also, since the City is a member of the Metropolitan Water District (MWD), property owners are eligible to participate in MWD-sponsored water conservation rebates and programs. Such programs include the purchase of high efficiency clothes washers and toilets, the installation of rain barrels to store and reuse rain water, and a $2 per square foot rebate for replacing turf with drought tolerant landscaping. For more information on these rebates, please visit www.bewaterwise.com and www.socalwatersmart.com.

If you would like to speak to a representative from the City to learn more about these programs or water conservation efforts, please contact the Public Works Department at (818) 898-1222.

Residential and Commercial Rebate Programs

Thank you for your interest in water conservation. Public interest in conservation rebates has been overwhelming and program funding has been committed. Approval of applications is on a first-come first-serve basis and subject to availability of funds.

For turf removal customers, the following are effective May 12, 2015:
Customers may continue to submit requests but approval of reservations requests will be on a first-come first-serve basis and subject to funding availability.
All reservation requests received after 1 pm on May 12, 2015 will be subject to any new terms and conditions that will be announced on May 26, 2015.

Submittal of a reservation request does not guarantee approval or payment.
Additional funding may be made available as early as May 26, 2015. Please check this website after May 26th for the most up-to-date program information.

Select the applicable rebate program below.

City Joins HERO Financing Program

Energy Efficiency Financing Now Available for San Fernando Property Owners

The Hero Program, the largest energy efficient financing program in the nation, is now available to property owners in San Fernando. The HERO Program empowers local property owners to make their homes more energy efficient by providing them with low-cost, tax deductible financing for a range of home improvement projects.

Among the most popular upgrades that are eligible under this program, are whole-home heating and cooling (HVAC), solar power installations, energy-saving windows, roofing and insulation, among other types of energy and water efficient improvements. Property owners are able to borrow up to 15% of their property's value and repay the loan over a fixed time period through an assessment on their property tax bill.

The HERO Program is different from traditional consumer financing because approvals are based primarily on the amount of equity a homeowner has in their home. All financing and project approvals are processed through HERO Program staff, and not through the City of San Fernando. Altogether, 228 communities participate in the HERO Program and more than $100 Million in energy efficiency upgrades have been approved.

For more information about the program, eligibility requirements, and financing details, please visit the HERO Program website at www.heroprogram.com or contact their representatives at (855) HERO-411.

If you would like to speak to a representative from the City to learn more about the program, please contact the Public Works Department at (818) 898-1222.

Contractor Direct Rebate Option Requirements

Participating contractors must adhere to all of the following requirements:

- Maintain either an active general contractor's license or an active contractor license covering the type of work required to install the qualified measures eligible for rebates through the SoCal Water$mart Program.
- Be in business for a minimum of 3 years
- Maintain active Commercial General Liability and California Statutory Workers' Compensation Insurance
- Submit a completed and signed IRS Form W-9.
- Have no unsolved customer complaints on file with Metropolitan Water District of Southern California (MWD) or SoCal Water$mart participating water utilities, or any other California public agency, and have a satisfactory or better rating with the Better Business Bureau.
- Submit at least four (4) eligible rebate applications as the installing contractor per program year to remain in the program beyond year one.
- Update company enrollment information annually. You may be dropped from the program should any company information included on the Enrollment Application or on file be found incorrect or invalid.

Terms & Conditions:

1. Contractors participating in the Contractor Direct Rebate Option will be issued an IRS Form 1099 for total rebates and incentives received in excess of $600 in a calendar year, unless the company is exempt. Metropolitan Water District of Southern California or SoCal Water$mart participating water utilities are not responsible for any taxes imposed upon Contractor's business as a result of receipt of rebates.
2. All SoCal Water$mart applications are subject to inspection and verification. MWD reserves the right to contact any residential or commercial customer regarding any application.
3. In order to receive payment directly the rebate application must be accompanied by a signed Contractor Direct Rebate Option Customer Release Form acknowledging customer authorization to release their rebate to the contractor.
4. Contractor acknowledges and agrees that participation in the Contractor Direct Rebate Option is at MWD's sole discretion. Metropolitan Water District of Southern California reserves the right without limitation to deny companies enrollment or re-enrollment in the program.
5. Contractor agrees to act and represent its business as an independent contractor and at no time will Contractor or any of the Contractor's employees represent its business as an employee, agent, partner or representative of MWD or the SoCal Water$mart participating water utility. Contractor has no right or power to bind MWD or act on its behalf when dealing with customers or third parties.
6. Contractor understands that MWD is not endorsing Contractor's business, or warranting or endorsing any equipment that may be sold by the Contractor. Under no circumstances shall MWD be liable to the Contractor for any direct or indirect losses, costs or damages arising from or related to any equipment or installation under the program.

7. Contractor's participation in the Contractor Direct Rebate Option, and provision of the rebate is voluntary and at the sole discretion and risk of the Contractor. The provision of work or services to the customer does not guarantee payment of a rebate to the contractor by Metropolitan Water District of Southern California or SoCal Water$mart participating water utilities.
8. Funds are limited and contractors may receive direct payments only for applications associated with confirmed reservations, which shall be are processed on a first-come, first-served basis.
9. Metropolitan reserves the right to drop any Contractor from the Contractor Direct Rebate Option for reasonable cause, and determination of reasonable cause is within the sole discretion of Metropolitan. The Contractor Direct Rebate Option is subject to change and may end without advanced notice.
10. The SoCal Water$mart Program is subject to change and may end without advanced notice.

Customer Release Form Process

1. Contractor negotiates payment with their customer for a SoCal Water$mart qualifying project, deducting the SoCal Water $mart rebate amount from the customer's total payment.
2. Commercial projects only: A rebate reservation request must be submitted online for the project.
3. Contractor completes the project and the completed rebate application and supporting documentation are submitted along with a signed rebate payment customer release form, to SoCal Water$mart. **Note: All release forms must contain an original customer signature. Digital signatures will not be allowed.**
4. Upon verification and approval of the rebate application, the SoCal Water$mart rebate check is made out and mailed directly to the Contractor.

MANDATORY WATER CONSERVATION INFORMATION

In order to try and achieve the State requirement of 25% reduction in water use due to the ongoing drought conditions, the City has activated the mandatory Emergency Water Conservation Plan Ordinance – **Phase II**, effective [INSERT DATE]. Below are the current water use restrictions. Doing your part to conserve will help the City avoid potential fines by the State.

Outdoor watering with sprinklers is restricted to three days a week with different watering days assigned to odd-numbered and even-numbered street addresses.

- No irrigating between 10:00 a.m. and 5:00 p.m.
- Even number address water on even number days *(Tuesday, Thursday, Sunday)*
- Odd number address water on odd number days *(Monday, Wednesday, Friday)*
- No watering on Saturdays
- No gutter flooding
- No washing hard surfaced areas (*sweeping is recommended*)
- No refilling of pools, fountains, or other ornamental facilities
- Wash vehicles only with a hand-held bucket, a shutoff nozzle, or a commercial car wash
- Repair any leaks immediately
- Restaurants serve water to customers '*by request only*'
- Generally, no person shall cause or allow water under his control to be wasted.

For additional water saving tips visit www.sfcity.org, www.bewaterwise.com, www.saveourh2o.org and www.socalwatersmart.com

If you have questions about water please call (818) 898-1293. To report water wastage email www.pwdispatch.com. Water Emergencies after hours, call (818) 898-1267 and press "0" (zero).

CONSERVACIÓN DEL AGUA OBLIGATORIO INFORMACIÓN

Con el fin de tratar de lograr el requisito del Estado de la reducción del 25% en el uso del agua debido a las condiciones de sequía en curso, el Ayuntamiento ha activado el Plan de Conservación de Agua obligatoria Ordenanza de Emergencia - Fase II, a partir del [fecha]. A continuación se presentan las actuales restricciones del uso del agua. Hacer su parte para conservar ayudará a la Ciudad a evitar posibles multas del Estado.

FASE II

Riego al aire libre con rociadores se limita a tres días a la semana con diferentes días de riego asignados a direcciones de calles impares y pares.

- No se permite regar de 10:00 a.m. y 5:00 p.m.
- Direcciones con números pares pueden regar los días martes, jueves y domingo
- Direcciones con número impares pueden regar los días lunes, miércoles, viernes
- No regar los sábados
- No desbordamiento de alcantarilla
- No lavar áreas de superficies duras (se recomienda barrer)
- No rellenado de piscinas, fuentes, u otras instalaciones ornamentales
- Lave los vehículos sólo con cubetas de mano, manguera con boquillas con interruptor o en el autolavado
- Repare fugas de agua inmediatamente
- Restaurantes servir agua solamente a petición del cliente
- En general, ninguna persona causará o permitirá que el agua sea desperdicia.

Para más consejos de ahorro de agua, visite www.sfcity.org, www.bewaterwise.com, www.saveourh2o.org y www.socalwatersmart.com

Si tiene preguntas acerca del agua por favor llame al (818) 898-1293. Para informar sobre el desperdicio de agua, mande un correo electrónico al www.pwdispatch.com. Emergencias sobre el agua después de horas laborales, llame al (818) 898-1267 y oprima "0" (cero).

Saving Water
INDOORS Every drop counts!

Conserving water is easy; it starts with us changing our habits!

TAKE 5 MINUTE SHOWERS:
Educate all family members to do so.
saves 5-10 GALLONS a day per person.

PURCHASE A LOW-FLOW SHOWER-HEAD:
Uses 2-2 1/2 gallons of water per minute.
saves up to 15 GALLONS a day per person.

TURN OFF THE FAUCET WHILE BRUSHING YOUR TEETH OR SHAVING:
saves 5-10 GALLONS per day.

FIX ALL FAUCET LEAKS:
saves 15-20 GALLONS per day.

CHECK YOUR TOILET FOR LEAKS:
Put a few drops of food coloring into the tank, wait thirty minutes. If the food coloring seeps into the bowl you have a leak.
saves 30-500 GALLONS per day.

WASH ONLY FULL LOADS IN THE WASHING MACHINE:
Reduce your laundry load by one load per week.
saves 30 GALLONS per load.

WASH ONLY FULL LOADS IN THE DISH WASHER:
Reduce your dishwasher load by one load per week.
saves 15 GALLONS per load.

CAPTURE THE TAP WATER:
While you wait for the water to get hot in the shower or sink, catch the flow in a bucket or bowl. Use this water on your house plants or in your garden.
saves 200-300 GALLONS each month.

AVOID TAKING BATHS:
If you must, fill your bathtub only halfway: a full bath tub uses 36 gallons of water.
saves 18 GALLONS per person.

REPLACE FIXTURES:
If the fixtures in your home were installed before 1992, there's a good chance you could save water by replacing them.

Saving Water
OUTDOORS Less is more.

60% of household water is used for landscaping.

CHECK YOUR IRRIGATION SYSTEM:
Repair leaks, replace damaged sprinkler heads, and adjust sprinklers to avoid over-spray.
saves 500 GALLONS per month.

DO NOT HOSE DOWN DRIVEWAYS, PATIOS, STAIRS OR WALKWAYS:
Use a broom or blower instead.
saves 150 GALLONS each time.

DON'T LEAVE THE HOSE RUNNING WHILE WASHING YOUR CAR:
Use a nozzle with an automatic shut off and a sponge and pail of soapy water.
saves 10 GALLONS per day.

PUT A LAYER OF MULCH AROUND TREES AND PLANTS:
2-3 inches of mulch will help hold the moisture in the ground and cool the root systems. Leave a six inch space between mulch and plant.
saves 750 GALLONS per month.

SET YOUR LAWN MOWER BLADES HIGHER:
Set blade heights at 2 or 3 inches. Longer grass blades will reduce evaporation and shade the roots.
saves 500 GALLONS per month.

STEP ON YOUR GRASS AND SEE IF IT SPRINGS BACK WHEN YOU LIFT YOUR FOOT:
If the grass springs back, no need to water today.
saves 750-1500 GALLONS per month.

USE A POOL COVER FOR YOUR SWIMMING POOL:
This can reduce evaporation.
saves 30 GALLONS per day.

INSTALL A DRIP IRRIGATION SYSTEM:
A low-volume water irrigation system uses less water.
saves over 250 GALLONS a month.

REV 5/2015

THE CITY OF SAN FERNANDO

IF RAIN IS IN THE FORECAST:
Turn off sprinklers two days before the rain and keep them turned off two days after.

IN THE WINTER:
Water your landscapes only one day a week.

WATER YOUR LANDSCAPES THREE DAYS A WEEK:
Water for no more than 10 minutes at each watering station.

Increase water conservation efforts and decrease water consumption.

California is in a drought of epic proportions. In 2014 we set new records for the driest year with the highest temperatures. Reservoirs are still at near-record lows and it will take a lot more than rain and snow to replenish California's water supplies.

To anonymously report water waste, email us at pwdispatch@sfcity.org or phone (818) 898-1293.

For additional water conservation information visit
www.sfcity.org & www.saveourh2o.org
For conservation rebate programs go to

Ahorre agua

EN EL INTERIOR ¡Cada gota cuenta!

Es fácil ahorrar agua; ¡comienza cuando cambiamos nuestros hábitos!

TOME BAÑOS DE REGADERA DE 5 MINUTOS:
Eduque a todos los miembros de la familia para que lo hagan.
se ahorran 5-10 GALONES al día por persona.

COMPRE UN CABEZAL DE REGADERA DE FLUJO BAJO:
Usa 2-2 1/2 galones de agua por minuto.
se ahorran hasta 15 GALONES al día por persona.

CIERRE EL GRIFO AL CEPILLARSE LOS DIENTES O AL AFEITARSE:
se ahorran 5-10 GALONES al día.

REPARE TODAS LAS FUGAS DE LOS GRIFOS:
se ahorran 15-20 GALONES al día.

REVISE QUE SU ESCUSADO NO TENGA FUGAS:
Ponga unas gotas de colorante para alimentos en el tanque y espere 30 minutos. Si el colorante se filtra a la taza del escusado, hay una fuga.
se ahorran 30-500 GALONES al día.

LAVE SOLO CARGAS COMPLETAS EN LA LAVADORA:
Reduzca el lavado de ropa a una carga por semana.
se ahorran 30 GALONES por carga.

LAVE SOLO CARGAS COMPLETAS EN EL LAVAPLATOS:
Reduzca el lavado de vajilla a una carga por semana.
se ahorran 15 GALONES por carga.

NO DESPERDICIE EL AGUA DE LA LLAVE:
Mientras espera que el agua de la regadera o del fregadero se caliente, recoja el flujo en una cubeta o tazón. Use esta agua para las plantas de su casa o de su jardín.
se ahorran 200-300 GALONES cada mes.

EVITE TOMAR BAÑOS DE TINA:
Si debe hacerlo, llene solo la mitad de la tina: para llenar la tina se requieren 36 galones de agua.
se ahorran 18 GALONES por persona.

REEMPLACE LOS CONECTORES:
Si los conectores de su casa se instalaron antes de 1992, es muy probable que pueda ahorrar agua si los reemplaza.

Ahorre agua

EN EL EXTERIOR Menos es más.

El 60% del agua que se usa en su casa es para los jardines.

REVISE SU SISTEMA DE IRRIGACIÓN:
Repare fugas, reemplace los cabezales dañados de los aspersores y ajuste los aspersores para evitar excesos.
se ahorran 500 GALONES por mes.

NO LAVE CON REGADERA CAMINOS DE ACCESO, PATIOS, ESCALERAS NI PASILLOS:
Use una escoba o sistema de soplado para hacerlo.
se ahorran 150 GALONES cada vez.

NO DEJE QUE EL AGUA SALGA DE LA MANGUERA MIENTRAS LAVA SU AUTO.
Use una boquilla de cierre automático, una esponja y una cubeta con agua jabonosa.
se ahorran 10 GALONES al día.

COLOQUE UNA CAPA DE MANTILLO ALREDEDOR DE ÁRBOLES Y PLANTAS:
Dos a tres pulgadas de mantillo ayudan a retener la humedad en el suelo y enfrían el sistema de raíces. Deje un espacio de seis pulgadas entre el mantillo y la planta.
se ahorran 750 GALONES por mes.

AJUSTE LAS CUCHILLAS DE LA PODADORA A MAYOR ALTURA:
Ajuste las cuchillas a una altura de 2 a 3 pulgadas. El césped más alto reducirá la evaporación y protegerá las raíces.
se ahorran 500 GALONES por mes.

PISE EL CÉSPED Y VEA SI SE LEVANTA CUANDO RETIRA EL PIE:
Si el césped se levanta, no hay necesidad de regar.
se ahorran 750-1500 GALONES por mes.

TAPE SU PISCINA CON UNA CUBIERTA:
Esto puede reducir la evaporación.
se ahorran 30 GALONES al día.

INSTALE UN SISTEMA DE IRRIGACIÓN POR GOTEO:
Un sistema de irrigación de bajo volumen usa menos agua.
se ahorran más de 250 GALONES al mes.

THE CITY OF SAN FERNANDO

SI HAY PRONÓSTICO DE LLUVIA:
Cierre los aspersores dos días antes de la lluvia y manténgalos cerrados dos días después.

EN EL INVIERNO:
Riegue sus jardines solo una vez a la semana.

RIEGUE SUS JARDINES TRES DÌAS A LA SEMANA:
Riegue durante diez minutos por cada estación de riego.

Aumente sus esfuerzos por conservar agua y disminuya el consumo de agua

California esta en una sequia de proporciones epicas. El 2014 se registro como uno de los años mas secos y con altas temperaturas. Los tanques aun estan a baja reservas y se ocupara mas de solo lluvia y nieve para rellenar el subministro de agua en California.

Para reportar anonimamente el deperdicio de agua, escriba al pwdispatch@sfcity.org o llame al (818) 898-1293.

Para mas informacion sobre la conservacion de agua visite *www.sfcity.org o www.saveourh2o.org*

Drought Tolerant Parkway – Design Examples

The following design examples were compiled using drought tolerant parkway designs developed for other communities, including the cities of Los Angeles, Pasadena, the County of Los Angeles, and the Elsinore Valley Water District. These designs are provided to assist the community with designs that comply with water efficient landscape regulations and also incorporate drought tolerant materials. These designs provide a mix of plant materials, permeable materials (rocks, mulch, and bark) and will help to save water. These designs will help streamline the review and approval process for residents interested in beautifying their parkway landscaping design.

Design #4 Corner Lot

Elsinore Valley Municipal Water District
California Native and Drought Tolerant Plants for the Garden

Design #4 Corner Lot

Trees—Small to Medium Evergreen

Calocedrus decurrens	Incense Cedar	Native
Arbutus 'Marina'	Strawberry Tree	
Geijera parviflora	Australian Willow	
Laurus nobilis 'Saratoga'	Saratoga Laurel	

Trees—Large Evergreen

Pinus torreyana	Torrey Pine	Native
Quercus agrifolia	California Live Oak	Native

Trees—Small to Medium Deciduous

Cercidium floridum	Blue Palo Verde	Native
Cercidium 'Desert Museum'	Desert Museum Palo Verde	Native
Cercis occidentalis	Western Redbud	Native
Chilopsis linearis	Desert Willow	Native
Chitalpa tashkentensis	Chitalpa	
Lagerstroemia indica	Crape Myrtle	
Vitex agnus-castus	Chaste Tree	

Trees—Large Deciduous

Platanus racemosa	Western Sycamore	Native

(S-1) Shrubs—3 feet high or less

Calliandra eriophylla	Fairy Duster	Native
Mimulus species	Shrubby Monkey Flower	Native
Salvia apiana	White Sage	Native
Salvia brandegii	Brandegee's Sage	Native
Trichostema lanatum	Wooly Blue Curls	Native
Zauschneria californica	California Fuchsia	Native
Cistus 'Sunset'	Rockrose	
Ilex vomitoria 'Nana'	Dwarf Yaupon	
Lavandula species	Lavender	
Santolina chamaecyparisus	Lavender Cotton	
Salvia chamaedryoides	Blue Sage	
Tulbaghia violacea 'Silver Lace'	Variegated Society Garlic	

(S-2) Shrubs—3 to 5 feet high

Arctostaphylos 'Howard McMinn'	Manzanita	Native
Mahonia aquifolium 'Golden Abundance'	Oregon Grape	Native
Rhamnus californica 'Eve Case'	Coffeeberry	Native
Salvia 'Pozo Blue'	Grey Musk Sage	Native
Callistemon 'Little John'	Dwarf Bottlebrush	
Correa pulchella	Australian Fuchsia	
Myrtus communis 'Compacta'	Dwarf Myrtle	
Polygala dalmaisiana	Sweet Pea Shrub	
Salvia greggii	Autumn Sage	

(S-3) Shrubs—5 feet high or more

Ceanothus 'Concha'	Wild Lilac	Native
Ceanothus 'Dark Star'	Wild Lilac	Native
Ceanothus 'Snow Flurry'	Wild Lilac	Native
Ceanothus 'Wheeler Canyon'	Wild Lilac	Native
Heteromeles arbutifolia	Toyon	Native
Rosa californica	California Wild Rose	Native
Grevillea lanigera	Wooly Grevillea	
Leptospermum scoparium 'Ruby Glow'	New Zealand Tea Tree	
Leucophyllum frutescens 'Green Cloud'	Texas Ranger	
Rosmarinus officinalis 'Tuscan Blue'	Rosemary	
Salvia leucantha	Mexican Bush Sage	
Westringea fruticans 'Wynabbie Gem'	Coast Rosemary

(P) Perennials

Asclepias speciosa	Showy Milkweed	Native
Iris douglasiana	Douglas Iris	Native
Penstemon centrantifolium	Scarlet Bugler	Native
Penstemon heterophyllus	Foothill Penstemon	Native
Penstemon spectabilis	Royal Penstemon	Native
Phacelia campanularia	California Desert Bluebells	Native
Silene parishii	Parish's catchfly	
Sisyrinchium bellum	Blue-Eyed Grass	
Anigozanthos hybrids	Kangaroo Paw	
Artemesia schmidtiana 'Silver Mound'	Angel's Hair	
Echinacea purpurea	Purple Coneflower	
Gaura lindheimeri	Gaura	
Heuchera cultivars	Coral Bells	
Limonium perezii	Sea Lavender	
Lychnis coronaria	Rose Campion	
Penstemon hartwegii hybrids	Penstemon	

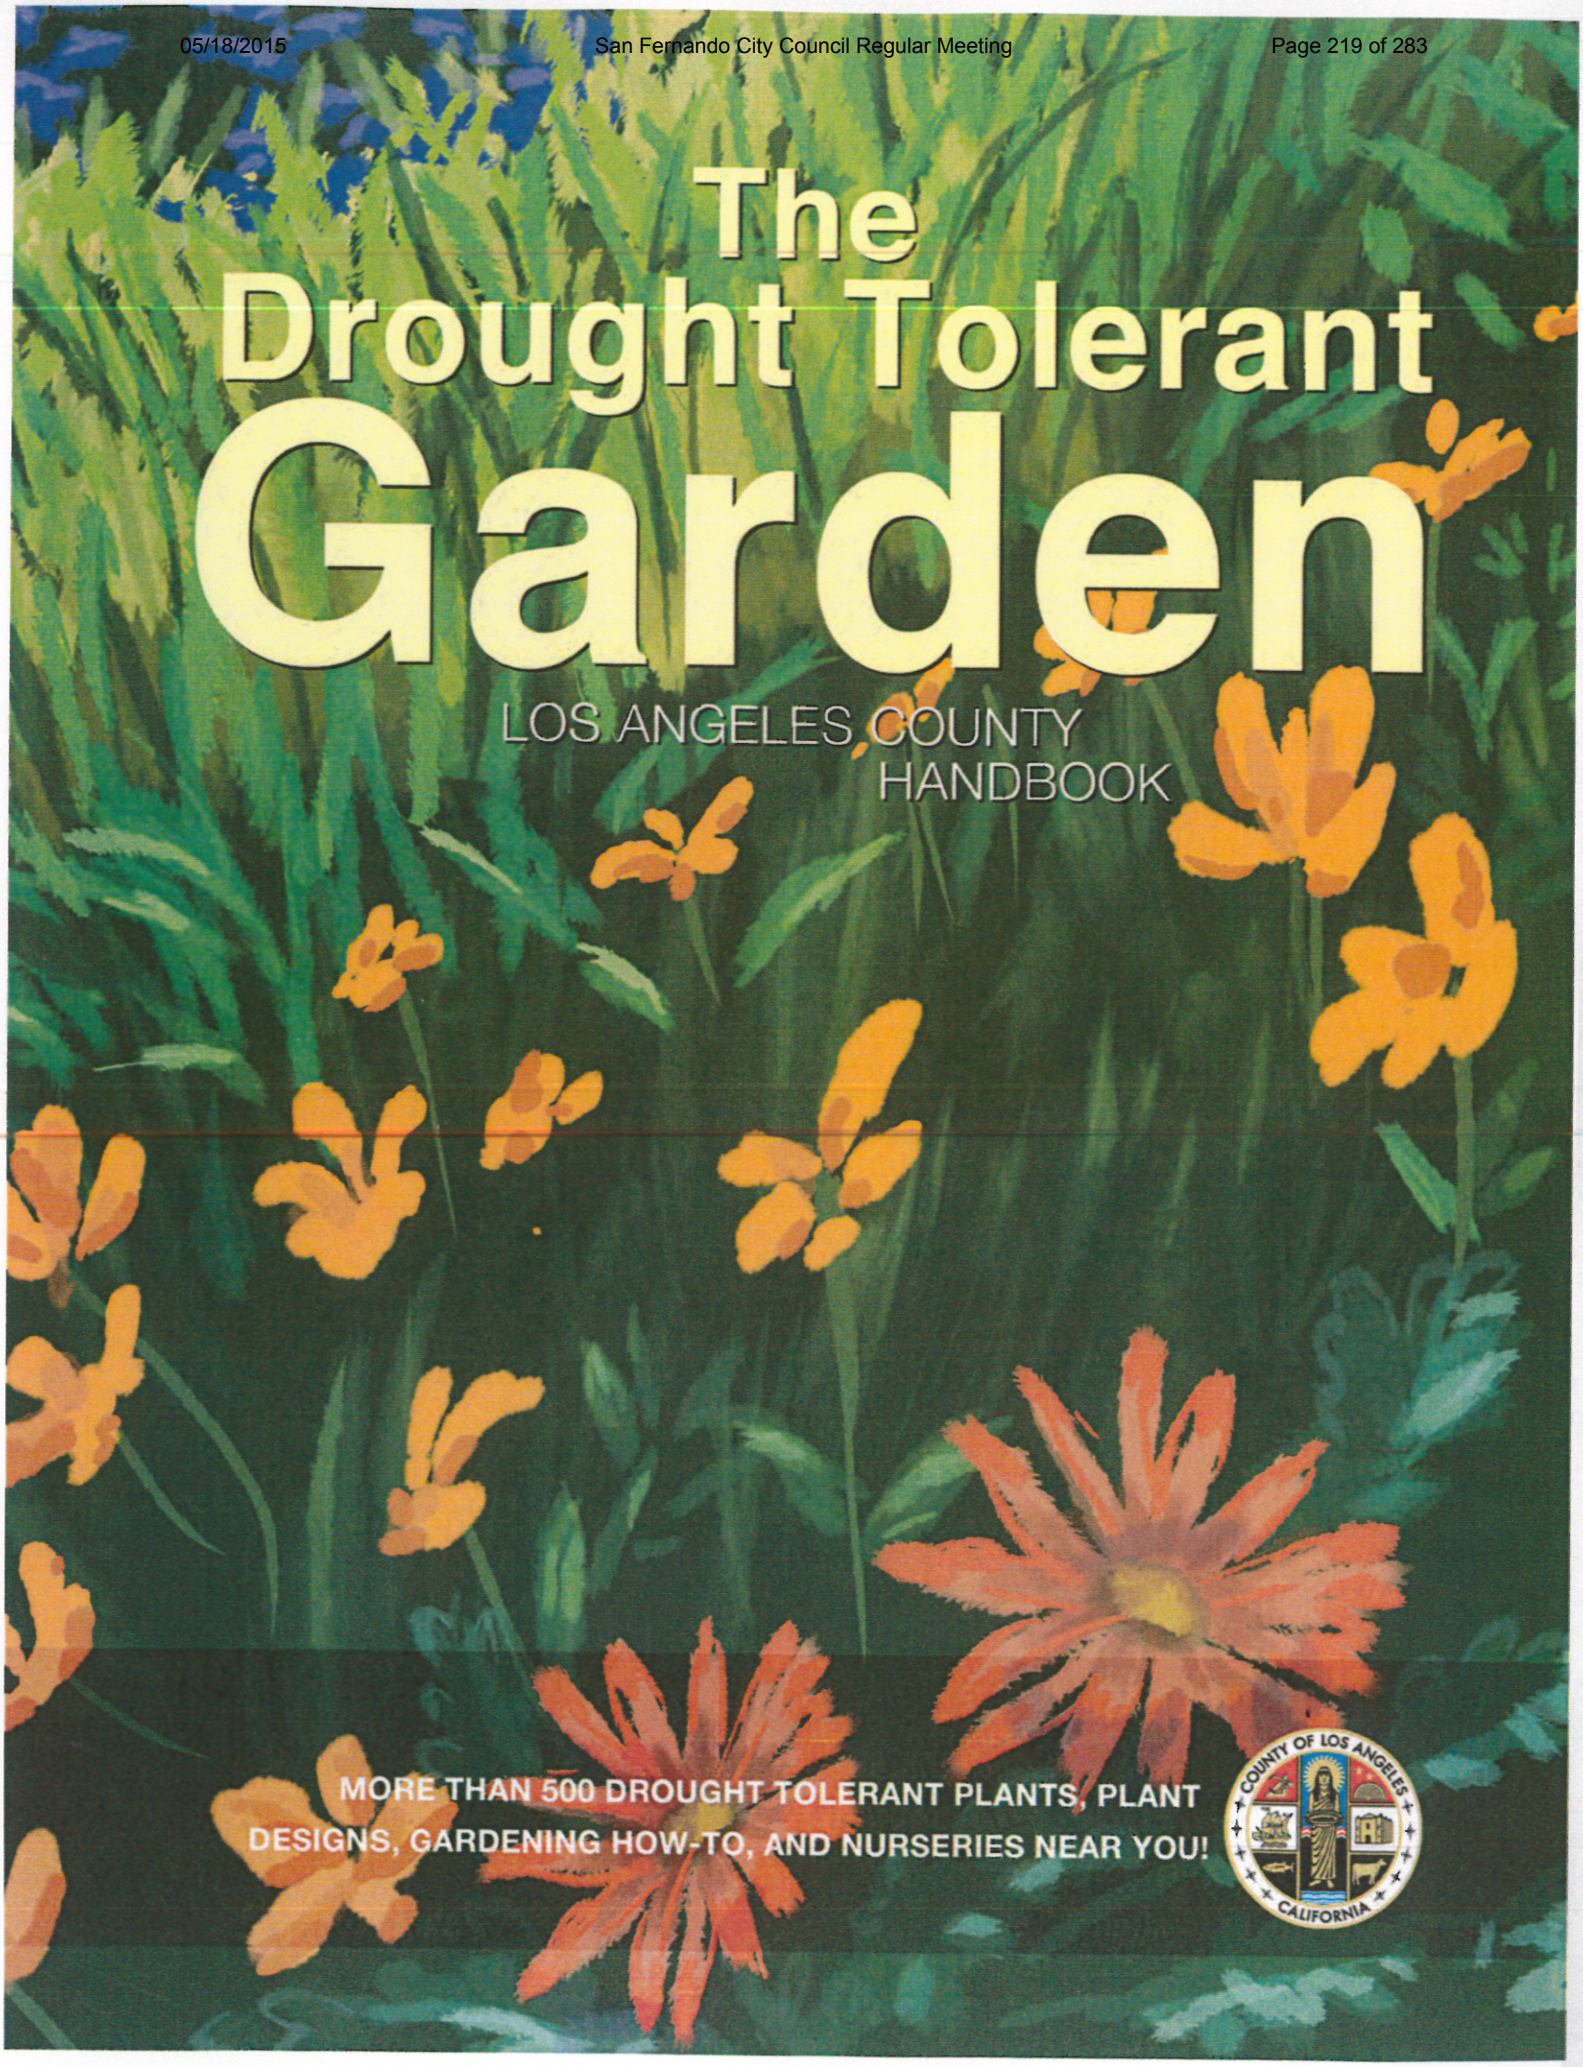

(G) Grasses

Muhlenbergia rigens	Deer Grass	Native
Nassella pulchra	Purple Needle Grass	Native
Nassella tenuissima	Mexican Hair Grass	
Calamagrostis 'Karl Foerster'	Reed Grass	
Helictotrichon sempervirens	Blue Oat Grass	
Pennisetum setaceum 'Rubrum'	Red Fountain Grass	

Lawn Substitute

Achillea millefolium (white & 'Rosey Red')	Yarrow	Native
Arctostaphylos 'Emerald Carpet'	Manzanita	Native
Aristida purpurea var. purpurea	Purple Three-Awn	Native
Baccharis 'Pigeon Point'	Coyote Brush	Native
Carex praegracilis (or pansa)	California Field Sedge	Native
Dymondia margaretae	Dymondia	
Erigeron karvinskianus	Santa Barbara Daisy	
Festuca ovina glauca	Blue Fescue	
Myoporum parvifolium	Myoporum

What is a drought tolerant garden?

It's a garden filled with plants that can get by on rainfall alone. When these plants are properly grouped according to soil, water and sunlight needs, they don't require any extra water. Sure, you say, that works in Pennsylvania, or Florida, or Oregon where it rains all the time. But this is Los Angeles County! We water here.

We don't have to irrigate. And we might not always be able to. Fresh water is a valuable resource and our local supply is not being replenished. We bring in most of our water from other places, and the cost of that is very expensive. We currently use at least half of our drinking water to irrigate our lawns and gardens.

By making our gardens more climate appropriate, we can have beautiful, lush gardens full of flowers, herbs, fruit, even grass and meadows, at a fraction of the water cost. We can enjoy our amazing climate and outdoor lifestyle, and spend less time and money taking care of our gardens. It's not difficult, but it does require some time and some work to transform your landscape into a drought tolerant garden.

In the pages that follow, we'll show you how to make this transformation! You will find a model plant design that you can adapt to your home, plant lists to help you shop for your garden, and all the information you need to get started. Now dig in!

five perfect plants

1. Salvia spathacea
Hummingbird Sage

2. Verbena lilacina 'De La Mina'
Lilac Verbena

3. Vitis californica 'Roger's Red'
Grape

4. Heteromeles arbutifolia
Toyon

5. Galvezia 'Firecracker'
Firecracker Island Bush Snapdragon

Plan to work

Use the model plant design, plant list and guidelines in this handbook to select the plants for your garden and figure out how many you'll need. Bring your shopping list to your local nursery, and ask them to order what they don't have in stock. Start a Garden Journal to keep track of what you are planting, where and when. Use the Get To Know Your Garden section of this handbook to create your own site plan.

Work the plan

CLEAN. Remove any trash, weeds, dead plants, old furniture, etc.

EDIT. Decide which (if any) of your healthy plants will continue to thrive in your new drought tolerant garden, and remove everything else.

GRADE FOR RAIN. Move your soil around *(see p. 9 & p. 32-33)* to capture rainfall in your garden. After you've started planting, you don't want to be moving soil.

PREPARE YOUR SOIL. Remove unwanted lawn, do the soil tests *(see p. 30)* and follow the recommendations to build living soil *(see p. 34-37)*.

LAY OUT YOUR PLAN. Get all your plants together and spread them out over the garden before you start digging. It's easier on you, and the plants, if you work out the layout before anything is put in the ground.

PLANT. Your investment will pay off (and your plants will thrive) if you follow the How-To guidelines in this handbook *(see p. 38)*.

IRRIGATE WISELY. If you are installing a surface drip system, it is easiest to lay out after your plants are in the ground. If you are adjusting/updating your existing system, do any trenching before you plant, and fine tune sprinklers and emitters after planting.

MULCH. It's the secret to garden success. Don't forget this step.

TEND WITH LOVE. Water your new plants, weed the garden, and most importantly, watch for trouble. Your drought tolerant garden should require less care than a lawn. So, give your garden some love, but don't overwater or reach for the fertilizer!

Garden like a pro

When professionals transform a garden, they work differently than most home gardeners. Why? They can't afford to fail, so follow their lead for success.

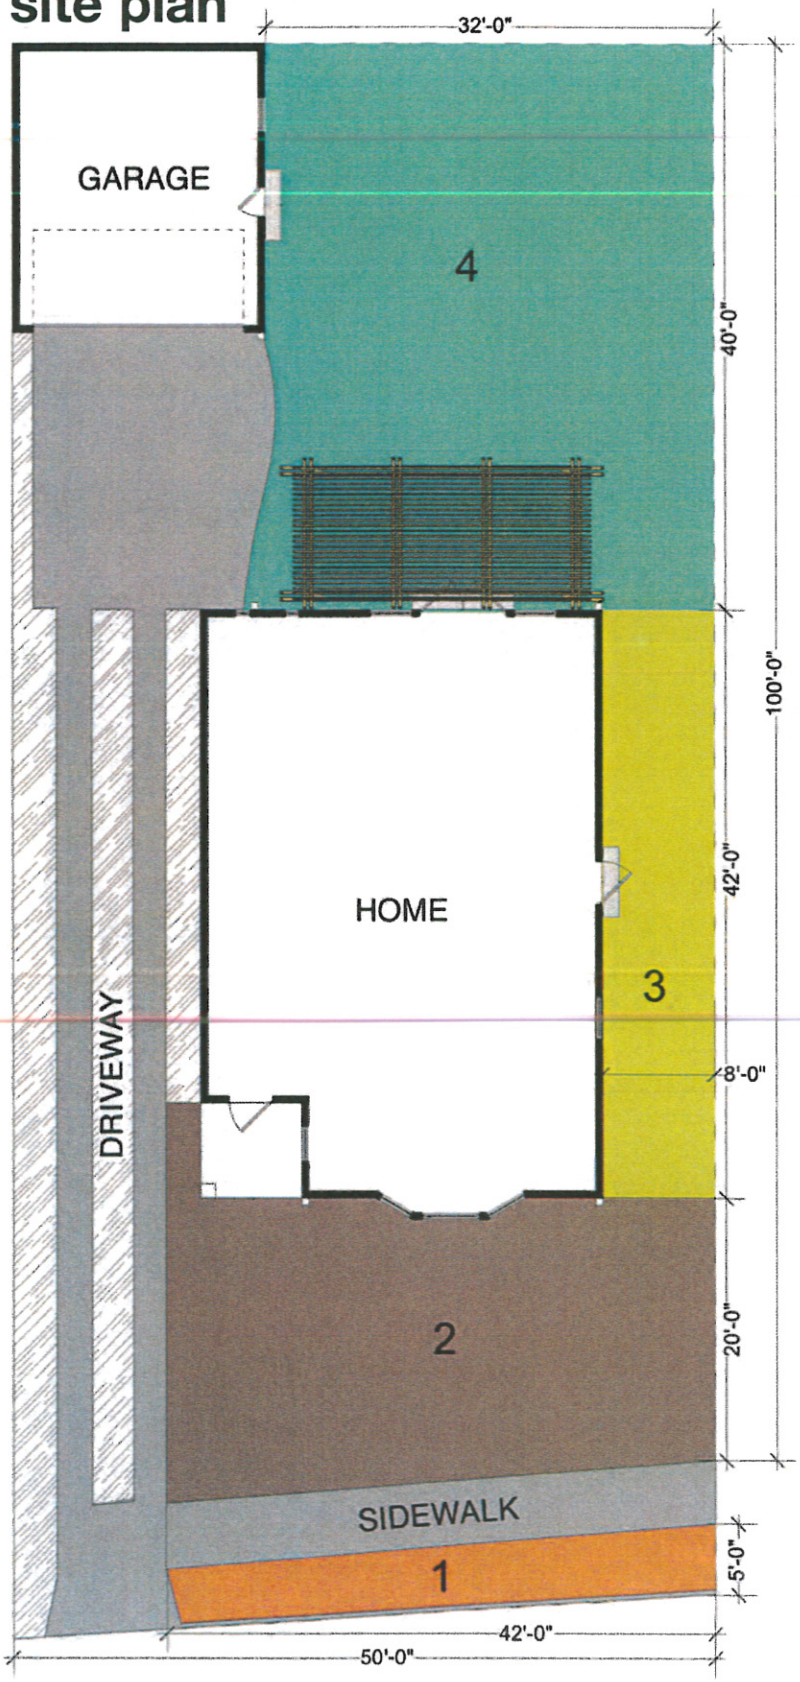

PLANT only in the cooler, wetter season (Fall through Spring). LA climate-adapted plants, especially the natives, are much happier if you plant them between November and March. This gets them settled and watered by the rains before the summer heat convinces them to take a summer siesta.

CHANGE one section at a time, but plan to tackle it all eventually. Home gardeners often haphazardly add a plant here and there, and end up mixing together plants with different needs. Instead, pick one section (or more) of your garden that you can completely remodel. After your whole garden is converted, and growing, you can fill in a few plants here and there every Winter.

need help?

Professionals are standing by, eager to help. Garden Designers and Landscape Architects can help redesign your garden, or just coach you through the process, and Landscape Contractors can do the work. If you work with a gardener, make sure they understand what you're doing and why. Many professional gardeners are new to drought-tolerant gardening, and their good intentions can quickly destroy your drought tolerant garden. To find contact information for professional help *(see Resources and Index p. 46)*.

site plan

How do you use this handbook?

Think of the model plant design as a basic recipe (for cookies, say) and make it your own by adding or subtracting items (chocolate chips? walnuts? sprinkles?).

FIND your community on the LA Climate Zone Map, then find the plant list for that zone.

LOOK at your garden, and at the model plant design. Go to the Get To Know Your Garden section of this handbook and use the site evaluation tools to adapt the model to fit your particular site.

PICK a site section (eg. Parkway), and choose the plants from your zone that fit the section. We've included a shopping list for you to fill out (*see p. 48)*!

For example, look at the Groundcover options and choose just one plant type to keep it simple. Or go a bit crazy and try them all! Take your shopping list to your local nursery. They can order whatever plants they don't have in stock.

Don't forget to read all the how-to notes before you start planting. A truly drought tolerant garden isn't difficult to plant or maintain. In fact, it's a lot easier to take care of and uses a LOT fewer resources (money, water, time) than your old garden. But we have a few new rules to get your drought tolerant garden growing.

site plan & plant design

plant legend

1. STREET TREE
Shade trees approved by your city to plant between the street and the sidewalk.

2. SHADE TREE
Medium to large trees with dense canopies that provide shade during hot summers.

3. SMALL TREE
Small to medium trees that shade your patio but not your whole garden.

4. VINE
Climbing vines can cover fences, walls and arbors, giving shade, flowers and sometimes fruit.

5. PERENNIAL
Flowering plants, evergreen or dying back and regrowing every spring.

6. GROUNDCOVER
Low, spreading plants that are a living mulch for your soil.

7. SWALE PLANT
Plants that survive winter flooding and dry summers with no extra water.

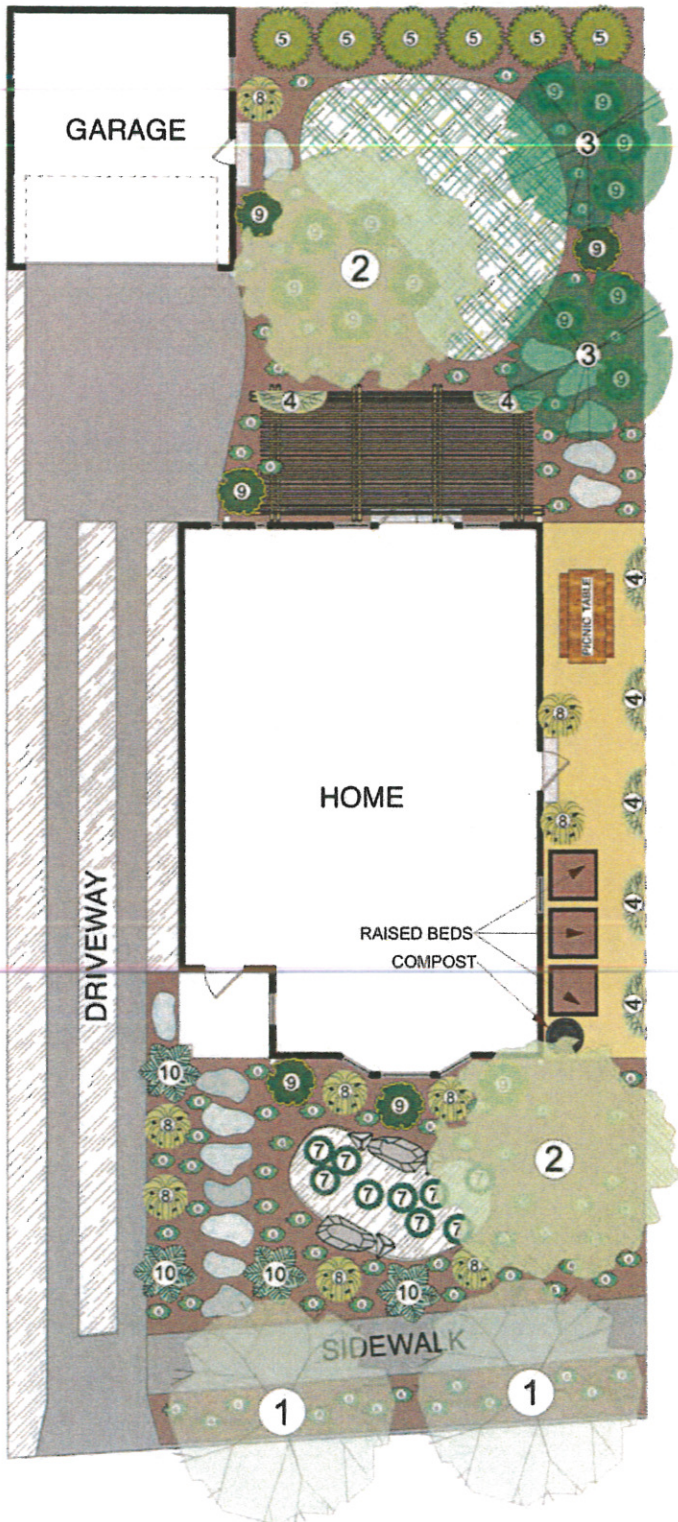

8. GRASSES
Medium and large clumping grasses that add texture, movement and color to your garden.

9. HEDGE/PRIVACY
Large shrubs and small trees to plant in a row for privacy and screening.

10. FOCAL PLANT
Architectural, sculptural plants that look good all year and add visual interest.

11. MEADOW
Low grasses and grasslike plants. Use these for a drought tolerant lawn. Mowable, too.

- mulch
- boulders
- flagstone

1 PARKWAY

Parkway strips are a great place to start, because they're one of the smallest planting areas. Parkways are generally public property maintained by private property owners – so while you don't own the parkway, you are responsible for maintaining it. Even though they're small, parkways present some particular challenges.

CARS! Unless you live on a no-parking street, car doors will open onto the curb and into your parkway strip. People need some space to get out and walk around their cars. However you decide to plant your parkway strip, be sure to leave at least 18" (or more) as a step-out area that is clear from the edge of the curb for those doors to swing open and allow people to move. Consider placing bricks, pavers, gravel or decomposed granite in this area; or just spread mulch. Try not to plant in this step-out area. Keep your plants back from this edge to protect them from the damaging foot traffic.

TREES. If your parkway already has nice big street trees, then you also have nice big roots. Those roots may even be above ground, moving the concrete and otherwise causing trouble. Respect the roots – don't dig around them, cut them or otherwise bother them. Plant only in areas where the roots are not visible, and never closer than 24" from the trunk of the tree.

five great groundcovers

1. **Achillea millefolium** *'Island Pink*
2. **Erigeron glaucus** *'Wayne Roderick'*
3. **Salvia 'Bees Bliss'** *'Bees Bliss' Sage*
4. **Fragaria californica** *California Strawberry*
5. **Calylophus hartwegii** *Sundrops*

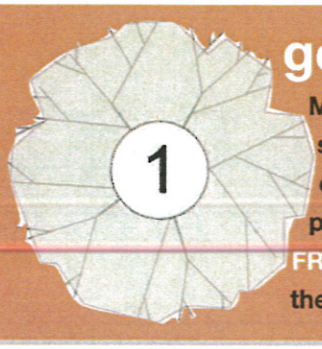

photos: 1. Pamela Berstler 2-5. Marilee Kuhlmann

UTILITIES. Your water meter and other pipes and utilities are often found in the Parkway. Be sure to CALL DIG ALERT (Dial 811) at least two days before you dig so marks can be made to avoid underground cables and pipes. Hitting a gas line or water main is no laughing matter!

IRRIGATION. Many parkways are mere strips. If the area is less than 10 feet wide, you should not be using spray irrigation because it is too difficult to keep water off the street or sidewalk when they are in use. Consider hand watering or connecting your parkway to the closest drip irrigation line in the front yard. If your front yard and parkway are sharing irrigation, make sure your plants in both sections have similar water and sun needs.

RULES. Many communities in LA County have specific rules and guidelines for parkway plantings. Check with your local planning department and see what their rules are. For example, these rules can include visibility requirements (this affects the height of the plants you use) and plant species requirements (only certain plants are allowed by some communities). In the Unincorporated areas of LA County, you must get a permit from the Public Works Department before removing or planting a tree in the parkway. Don't forget to check your local community rules.

USE COMMON SENSE. Even if there aren't rules in your area, make sure there is good visibility for cars to see oncoming traffic (people and cars). Consider the parkway a high-traffic area and avoid unfriendly plants (like prickly cactus). Don't leave big holes open overnight, avoid creating tripping hazards, and help keep everyone safe!

get free street trees!

Most communities have strict street tree guidelines, so check with your local community street tree or planning department before ordering, buying or planting trees. Many communities will give you FREE trees to plant yourself, and some will even plant them for you; so give your city a call!

THE CITY OF SAN FERNANDO

AGENDA REPORT

To: Mayor Joel Fajardo and Councilmembers

From: Brian Saeki, City Manager
By: Chris Marcarello, Deputy City Manager/Public Works Director

Date: May 4, 2015

Subject: Consideration to Implement Phase II of the Water Conservation Ordinance

RECOMMENDATION:

It is recommended that the City Council:

a. Adopt Resolution No. 7674 (Attachment "A"), declaring a water shortage condition and implementing Phase II of the City's Water Conservation Ordinance; and

b. Review the draft Guidelines for Residential Parkway Landscaping to encourage reduced water usage in parkway locations throughout the City.

BACKGROUND:

1. 2013 was the driest year on record for California and the drought continued into 2014. Many regions of the State have been severely impacted, prompting Governor Brown to ask all Californians to reduce their daily water use by 20%. While Los Angeles County has prepared for dry periods like this, water reserves throughout the State are being rapidly depleted.

2. In response to the ongoing severe drought, the State Water Resources Control Board (SWRCB) enacted emergency regulations in August 2014 to remain in effect for 270 days (approximately nine months), unless extended. Since most Californians use 50% of water consumption of outdoor use, the regulations are intended to reduce outdoor urban water use. The regulations require all urban water suppliers to:

    - Promote water conservation by implementing requirements and actions of the California Department of Water Resources (DWR) approved Water Shortage Contingency Plan that imposes mandatory watering restrictions on outdoor landscaping and turf.

- Prepare and submit reports to SWRCB to monitor potable water production and estimate gallons of water used per person per day for residential customers.

3. In Fall 2014, a public service announcement postcard was sent to all City water consumers regarding the State Emergency Regulations.

4. The City declared a water emergency in October 2014 and implemented a Phase I (voluntary) water conservation level in accordance with the City's Water Conservation Ordinance (Attachment "C").

5. On April 1, 2015, the Governor enacted Executive Order B-29-15, calling for a statewide reduction in water usage by 25%.

6. On April 14, 2014, the Metropolitan Water District Board of Directors issued a letter of support the Governor's water conservation guidelines and declared a Level 3 water supply allocation plan starting in July 2015. This allocation plan represents approximately a 15% reduction in wholesale water use and a surcharge of approximately four times the normal price of an acre foot of water for use beyond allocated amounts.

ANALYSIS:

The City of San Fernando, like other cities in California, will help lead by example and promote best practices for water conservation. Some goals that are included in the proposed water conservation policy include promoting awareness of current drought conditions, reducing water usage locally by 25%, promoting water rebates and programs available for residents/businesses through the Metropolitan Water District (MWD), including www.socalwatersmart.com; www.saveourwater.org; and www.bewaterwise.com.

In addition to following the State's water conservation regulations and the proposed revisions to the municipal code, several efforts will continue to be made to educate the community about basic steps that can be used to help save water. These include such steps as:

- Checking your property for leaks and running water;
- Reducing watering times for lawns/outdoor landscaping;
- Taking shorter showers;
- Running dishwashers and clothes washers only when full; and
- Implementing water savings devices in irrigation use.

Statewide Water Shortage and Conservation Regulations

On April 1, 2015, the Governor enacted Executive Order B-29-15, adopting emergency water conservation regulations requiring a statewide reduction of water use by 25%. This action also requires local water agencies to activate their own water conservation plans to a level where outdoor watering restrictions are mandatory. In addition, on April 14, 2015, the MWD declared a Level 3 water supply allocation plan effective July 1, 2015. By taking this action, MWD has determined that a 15% reduction in water supplies is forecasted and that additional conservation measures are needed.

In order to comply with the State's mandate to restrict outdoor water usage, it is necessary that the City implement Phase II of its water conservation ordinance (per Section 94, Division 4 of the Municipal Code), which includes several water usage prohibitions that are summarized below:

1. Gutter Flooding: Water shall not enter gutter areas if it can reasonably be prevented.
2. Washing Hard-Surfaced Areas: Water shall not be used to wash sidewalks, driveways, parking lots, etc.
3. Irrigation: Outdoor watering of landscaping materials shall not occur between 10 a.m. and 5 p.m.
4. Ornamental Facilities: Water shall not be used to refill pools, fountains or other ornamental facilities.
5. Leaks: Water shall not leak from properties if it can reasonably be prevented.
6. Restaurants: Water shall be served to restaurant customers only upon request.
7. Washing Vehicles: Washing shall take place using a hand-held bucket, a hose equipped with a shutoff nozzle for quick rinses, or recycled water.

Additionally, local water conservation guidelines call for lawns, landscaped or other turf areas to be watered no more than every other day and between the hours of 10 p.m. and 5 a.m. In accordance with these guidelines, properties with even-numbered addresses will water on even-numbered days (Tuesday, Thursday, Sunday) and properties with odd-numbered address will water on odd-numbered days (Monday, Wednesday, Friday). No exterior watering will be allowed on Saturday. Days of the week are used to make implementation easier for the community. Most irrigation controller programs are designed using days of the week (Monday, Tuesday, etc.) and not calendar days (1, 2, etc.). This provision shall apply to all residential, commercial, industrial and public agencies in the City.

Enforcement of these provisions of the Municipal Code will include a significant education/notification component to better familiarize the community with City watering restrictions. Subsequent violations of the restriction could result in the issuance of administrative citations, fines, or water service disconnection/termination, as provided within

the California Water Code. As proposed, the water usage provisions would go into effect on June 1, 2015.

Proposed Residential Parkway Design Guidelines

In response to recent inquiries from the community, the City Council requested the development of design guidelines for parkway areas in residential neighborhoods. Currently, zoning guidelines require the use of turf in parkway areas (areas between curb/gutter and sidewalks). As proposed, these new guidelines would be used to encourage the use of drought tolerant plants or other materials in parkway areas that do not require water usage. These guidelines would be made available to residents at the City's public counter and on the City website. Of note, the proposed guidelines include the following key provisions:

- No permit fee for replacing turf with standard materials such as drought tolerant plants or other acceptable alternative materials;
- Maximum height restrictions on plant materials planted in parkway areas in order to not impact traffic/pedestrian safety and visibility;
- Provisions to allow acceptable materials other than plants, including decomposed granite, mulch, bark, gravel, or rock;
- Provisions to ensure that adjacent property owners maintain parkway areas;
- A sample palette of drought tolerant plant species that are available for use in landscaping designs.

If the draft guidelines are acceptable, they will be finalized for the City Council's adoption on May 18, 2015.

BUDGET IMPACT:

Failure to adopt increase local water conservation could subject the City to fines through the State Water Resources Control Board or wholesale rate surcharges through the Metropolitan Water District. It is expected that decreases in water usage will result in lost revenue from water sales due to conservation measures.

CONCLUSION:

It is recommended that the City Council adopt Resolution No. 7674 declaring a water shortage condition and implementing Phase II of the City of San Fernando's Water Conservation Ordinance. Additionally, it is recommended that the City Council provide input on the proposed draft Residential Parkway Design Guidelines that will encourage drought tolerant landscapes in parkway areas throughout the community.

Consideration to Implement Phase II of the Water Conservation Ordinance

ATTACHMENT "A"

RESOLUTION NO. 7674

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF SAN FERNANDO, DECLARING A WATER SHORTAGE CONDITION AND IMPLEMENTING PHASE II OF THE CITY'S WATER CONSERVATION ORDINANCE

WHEREAS, the City of San Fernando operates a municipal utility for the delivery of water to the citizens of the City of San Fernando; and

WHEREAS, San Fernando Municipal Code, Chapter 94, Division 4 describes the City's Water Conservation Ordinance which requires that water resources be conserved upon declaration of the City Council that a water shortage exists and that certain prohibitions be set in place in order to reduce the consumption of potable water over an extended period; and

WHEREAS, Chapter 94, Division 4, Section 303 sets forth certain prohibitions of water use during shortage periods, including gutter flooding; washing hard-surfaced areas like sidewalks, driveways, and parking lots; use of water to refill pools, fountains or other ornamental facilities; washing vehicles unless using a hand-held bucket or a hose equipped with a shutoff nozzle; and outdoor watering of landscaping materials between the hours of 5 a.m. and 10 p.m.; and

WHEREAS, the City's prohibitions of water use is in effect at all times as Phase II of the City's Water Conservation Ordinance; and

WHEREAS, on July 15, 2014, the California State Water Resources Control Board ("Water Board") adopted emergency water conservation regulations requiring all Californians and water suppliers to take immediate actions to conserve water in response to the drought conditions, including, but not limited to, for water suppliers to activate their water shortage contingency plan to a level where outdoor irrigation restrictions are adopted; and

WHEREAS, on April 1, 2015, the Water Board adopted additional emergency water conservation regulations requiring a statewide reduction of 25% in water usage through February 26, 2016;

WHEREAS, on April 14, 2015, the Metropolitan Water District, of which the City is a member agency, declared a level three water supply allocation plan starting July 2015 which represents approximately a 15 % reduction in wholesale water use and a surcharge of approximately four times the normal price of an acre foot of water for use beyond allocated amounts; and

WHEREAS, in order to comply with the Water Board's emergency conservation regulations, the City of San Fernando enacted Phase I of the City's Voluntary Water Conservation Ordinance on October 6, 2014; and

WHEREAS, in order to comply with the Water Board's emergency conservation regulations adopted on April 1, 2015, the City of San Fernando will have to enact Phase II of the City's Mandatory Water Conservation Ordinance; and

WHEREAS, Phase II of the Water Conservation Ordinance provides that the outdoor watering of landscapes is only allowed no more than every other day and between the hours of 10 p.m. and 5 a.m. and properties with even-numbered addresses will water on even-numbered days (Tuesday, Thursday, Sunday), properties with odd-numbered addresses will water on odd-numbered days (Monday, Wednesday, Friday), with no outdoor watering on Saturdays; and

WHEREAS, implementation of Phase II of the Water Conservation Ordinance is a measure to conserve and protect existing water supplies and is exempt from the requirements of the California Environmental Quality Act (CEQA) pursuant to state CEQA Guidelines Sections 15061(b)(3), 15304, and 15307.

NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF SAN FERNANDO, CALIFORNIA:

SECTION 1. That the City Council hereby implements Phase II of the City's Water Conservation Ordinance, as set forth in SFMC Chapter 94, Division 4, prohibiting the waste of water and requiring customers to comply with the water use restrictions as set forth in this chapter.

SECTION 2. That the City Clerk is authorized and directed to publish legal notice of this Resolution as required by law.

SECTION 3. That Phase II of the City's Water Conservation Ordinance shall become effective June 1, 2015.

SECTION 4. That the implementation of Phase II of the City of San Fernando's Water Conservation Ordinance is exempt from the requirements of the California Environmental Quality Act.

PASSED, APPROVED, AND ADOPTED this 4th day of May, 2015.

_____

Joel Fajardo, Mayor

ATTEST:

_____
Elena G. Chávez, City Clerk

STATE OF CALIFORNIA)
COUNTY OF LOS ANGELES) ss
CITY OF SAN FERNANDO)

I HEREBY CERTIFY that the foregoing Resolution was approved and adopted at a regular meeting of the City Council held on the 4th day of May, 2015, by the following vote to wit:

AYES:

NOES:

THE CITY OF SAN FERNANDO

RESIDENTIAL PARKWAY LANDSCAPING GUIDELINES

"DRAFT"

MAY 4, 2015

Purpose

This document is offered to help provide the community with guidelines relative to the installation of landscape improvements within parkway areas, adjacent to sidewalks and street areas.

Standard Parkway Design

No Fee Permit. The accepted standard parkway design shall include materials such as turf, drought tolerant plant materials, groundcover plants, decorative rocks, mulch, bark, decomposed granite, or other permeable materials that help to minimize storm water runoff into roadway areas. No permit fee shall be charged when these materials are used to landscape a parkway area. These materials must provide an obstruction-free pedestrian passage between the street and sidewalk and maintain an open line of sight between the street and abutting properties. Drought tolerant materials are encouraged in order to help minimize water usage.

Plant Materials

Plant materials installed within parkway areas must meet the following criteria:

1. They must be drought tolerant or drought resistant
2. They must not exceed 36" in height at full maturity
3. They should complement the existing aesthetic context and character of the neighborhood and surrounding properties
4. They must not be considered noxious or invasive species
5. They must not have exposed, rigid spines or thorns
6. They must not form a continuous hedge or screen at full maturity
7. If installed within 60" of a driveway or sidewalk, they must not exceed 24" in height at full maturity

A recommended species list is attached to these guidelines.

Alternative Materials

Non-vegetative materials installed within parkway areas must meet the following criteria:

1. They must be placed so that the finished surface is in plane with the abutting sidewalk and curb surfaces
2. Loosely placed materials (mulch, bark, decomposed granite, rocks) shall not be used in parkway areas with a slope greater than 6% in any direction (3/8" of fall per each foot horizontally)
3. Alternative materials that do not provide a uniform, reasonably walkable surface are discouraged and will typically not be permitted for installation in parkway areas. If permitted,

these materials must be set within a cement concrete mix in a manner that will permanently affix the materials to the parkway area.

A recommended materials list is attached to these guidelines.

As part of the permitting review process, drawings, plans or other items that specify materials to be used, quantities and locations will be reviewed.

Convenience/Maintenance Strip

When plant materials are installed within the parkway area, a minimum 18" wide convenience strip shall be required adjacent and parallel to the back of curb along the entire length of the improved parkway to allow ingress and egress for occupants of vehicles parked along the curb. The convenience strip may consist of either low growing drought tolerant plant materials or recommended alternative materials. The finished grade of this area shall form a commonly accepted walking surface that is flush with the adjacent curb area.

Parkway Irrigation Systems

Where irrigation systems are used, the City encourages the use of sub-surface drip irrigation systems or low flow water systems to minimize water overspray or over watering. Pressurized lines or valves shall not be installed in parkway areas. If spray systems are used, all spray heads shall be the pop-up style with fully retractable sprinkler heads. Spray systems shall retract to be flush with the adjacent surface when not in use and shall not be located closer than 24" to any hard paved nearby surfaces.

Non-Standard Parkway Design

Permits are Required. For all other non-standard parkway designs, appropriate permits (i.e. encroachment permit) shall be required, by filing an application with the City. Permit costs are set in accordance to fee schedules established by the City Council, and may vary depending on the proposed design. Residents are encouraged to discuss proposed designs with City staff in order to find out more information regarding non-standard designs. Such non-standard designs may include decorative paving, storm water capture systems, or pressured irrigation systems. As part of the permitting review process, drawings, plans or other items that specify materials to be used, quantities and locations will be reviewed.

Storm Water Capture Systems

Storm water capture systems are encouraged when possible and appropriate. These systems help to clean and treat storm water biologically prior to its continuance into the storm drain systems. They also help storm water to infiltrate into the sub-grade and reduce storm water runoff.

Parkway Maintenance

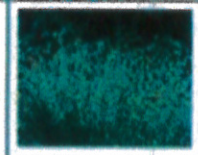

All parkway landscape installation shall be maintained in good repair and on grade by the owner using the following criteria:

1. Plant materials shall be kept in a neat, trimmed manner adjacent to paved surfaces at all times ad shall not obstruct upon sidewalks, driveways, walkways, or curb areas. Plant materials shall be replaced or replenished as required, and the planted parkways shall be kept free of weeds or other debris.
2. Alternative materials shall be maintained in good repair and on grade flush with the adjacent sidewalks, driveways, walkways, or curb areas to minimize slipping and tripping hazards. Materials like decomposed granite, mulch, bark or other materials shall be replenished as required to maintain a finished grade that is in plane with the adjacent curb or sidewalk.
3. Irrigation systems shall be maintained in good repair and be kept free of leaks or other anomalies that prevent the system from operating at peak efficiency.

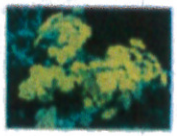

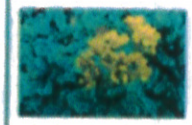

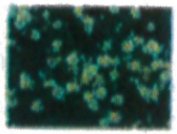

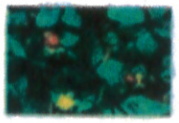

Enforcement

When parkway areas are found to be out of compliance with these guidelines or other City codes or regulations, the City will employ a progressive enforcement process to ensure the improvements are either properly permitted or returned to a condition that complies with said codes or regulations. This process will begin with verbal and/or written notifications to the abutting property owner or occupant in an attempt to voluntary achieve proper compliance. Further enforcement activities may include fines or corrective action. In cases where improvements are deemed a nuisance or safety hazard to the public, the City reserves the right to remove the offending improvements and restore the parkway areas using City forces. The abutting property owner shall be responsible for the reimbursement of all costs incurred by the City to properly restore parkway areas fronting his/her property.

Recommended Plant Species and Materials List

Scientific name	Common name	Reference photo	Water needs:	Height x spread	Notes
Bouteloua gracilis 'Hachita'	Hachita Blue Grama		L/VL	4"	More vigorous than other Bouteloua species. Good in sandy or clay soil. Sold as plugs. Mow once a month to maintain uniform, consistent height.
Buchloe dactyloides 'UC Verde'	UC Verde Buffalograss		L/VL	3" mowed height	Warm season grass. Best along the coast or L.A. basin where it stays green all year; goes dormant inland for as long as October to March. Sold as plugs. Not good in sandy soil. Mow every 2 to 3 weeks to maintain uniform, consistent height.
Carex pansa	California Meadow Sedge		M/M	3"-4" mowed height	Cool season sedge, can go dormant in summer without regular summer water. Sold as plugs. Mow to maintain uniform, consistent height.
Carex praegracilis	Dune Sedge		M/M	3"-4" mowed height	Cool season sedge, can go dormant in summer without regular summer water. Sold as plugs. Mow to maintain uniform, consistent height.
Cynodon dactylon 'GN-1'	Hybrid Bermuda		L/M	1/4" – 3/4"	Warm season grass; goes dormant during winter months. Tolerates high foot traffic. Drought tolerant; full sun. Grow from stolons, plugs, or sod. 'GN-1' requires less maintenance than 'Santa Ana' or 'Tifway' grasses.
Cynodon dactylon 'Santa Ana'	Hybrid Bermuda		L/M	1/4" – 3/4"	Same as above (see 'GN-1' notes). More smog resistant, and shorter dormant period; holds color longer

Scientific name	Common name	Reference photo	Water needs	Height x spread	Notes
Cynodon dactylon 'Tifdwarf'	Hybrid Bermuda		L/M	1/4" – 3/4"	Same as above (see 'GN-1' notes). Slower to establish and spread than other Bermuda hybrids
Cynodon dactylon 'Tifgreen'	Hybrid Bermuda		L/M	1/4" – 3/4"	Same as above (see 'GN-1' notes). Good tolerance to saline soils
Cynodon dactylon 'Tifway 419'	Hybrid Bermuda		L/M	1/4" – 3/4"	Same as above (see 'GN-1' notes). Good tolerance to saline soils. Shorter dormant period; holds color longer
Paspalum vaginatum 'Sea Spray'	Sea Spray Paspalum		L-M/M	1/4" – 1 1/2" mowed height	Warm season grass. Prefers soils that have moderate to high salinity; great near the coast and perfect for reclaimed or gray water. Available from seed. Irrigate every 1 to 2 weeks with 1" water. Mow to maintain uniform height.

Scientific name	Common name	reference photo	Water needs:	Height x spread	Notes
Achillea millefolium	Common Yarrow		M/L	Flowers to 3', leaves 3"	Mow every 2-6 weeks to maintain uniform height similar to lawn. There are many cultivars.
Achillea tomentosa	Woolly Yarrow		M/L	2" x 1 ½'	Grey, green woolly leaves. Yellow flat-topped flower heads to 6" – 10" tall. Must be mowed to remove flower stalks and maintain uniform height similar to lawn.
Chamaemelum nobile	Chamomile		M/M	3"-12"	The plant of herbal tea fame. Mow or shear to maintain uniform height similar to lawn. Plant 1' apart for good coverage.
Duchesnea indica (Fragaria indica	Indian Mock Strawberry		M/M	3"-4" X 12"	Can take more sun near the coast; must have partial shade in warm inland valleys. Bright yellow flowers and red, tasteless fruit. Needs regular moisture and well-drained soils. Mow in early spring to maintain uniform height.
Dymondia margaretae	Dymondia		M/L	1"-3" X 1'-2'	Spreading perennial. Green leaves edged in silver, yellow flowers in summer. Slow growing. Needs well-drained soils and does better near the coast; okay for inland areas.

05/18/2015 San Fernando City Council Regular Meeting Page 243 of 283

Scientific name	Common name	Reference photo	Water needs:	Height x spread	Notes
Fragaria chiloensis	Beach Strawberry		M/M	3"-6"	Produces small edible strawberries. Mow or cut back in late winter just before new growth to maintain uniform height. Best near coast. Not recommended for inland/valley areas
Herniaria glabra	Green Carpet, Rupture Wort		M/M	1"-3"	Spreads by rooting stems. Plant 1' apart for good coverage. Needs well-drained soil. Will take light traffic areas.
Lotus corniculatus 'Plenus'	Bird's Foot Trefoil		M/M	4" x 12"	Carpet of dark green three-leaved leaves. Yellow flowers in summer and fall. Can be mowed. Especially good in clay soil.
Phyla nodiflora (Lippia repens, Lippia nodiflora)	Lippia		M/L	2"	Ground-hugging perennial. Small pink flowers from spring to fall attract bees. Mow periodically to maintain uniform height and to remove flowers if bees are an issue.
Thymus praecox arcticus	Creeping Thyme		M/M	2"-4"X 18" - 24"	Spreading perennial herb. Pink flowers. Scented leaves.

ATTACHMENT "C"

CITY OF SAN FERNANDO MUNICIPAL CODE

CHAPTER 94

DIVISION 4. - WATER CONSERVATION

FOOTNOTE(S):

--- (2) ---

Editor's note— Ord. No. 1638, § 1, adopted Oct. 20, 2014, repealed former Div. 4, §§ 94-296—94-303, in its entirety and enacted new provisions numbered as §§ 94-295—94-306. In order to avoid conflicts in section numbering the editor has renumbered the provisions added by Ord. No. 1638 as herein set out. Former Div. 4 pertained to water wastage and derived from the Code of 1957, §§ 28.9—28.15.

Sec. 94-281. - Purpose.

Upon declaration by the city council that a water shortage emergency exists, this plan shall be implemented to provide a vehicle to protect the public peace, health and safety by significantly and equitably reducing the consumption of potable water over an extended period. The plan shall remain in effect until the city council declares the water shortage emergency has ended.

(Ord. No. 1638, § 1, 10-20-2014)

Sec. 94-282. - Definitions.

The following words, terms and phrases, when used in this division, shall have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

Person means any individual, firm, partnership, association, company or organization of any kind.

Water means water supplied by the city.

(Ord. No. 1638, § 1, 10-20-2014)

Cross reference— Definitions generally, § 1-2.

Sec. 94-283. - Applicability.

This division shall apply to all persons using water in this city, regardless of whether any person using water shall have a contract for water service.

(Ord. No. 1638, § 1, 10-20-2014)

Sec. 94-284. - Reclamation wastewater system required for carwashes.

All carwashes shall be constructed with a wastewater reclamation system approved by the public works director. No carwash shall be exempted pursuant to section 94-289 from the requirements of this section.

(Ord. No. 1638, § 1, 10-20-2014)

Sec. 94-285. - Phase I water shortage (voluntary conservation).

(a) A phase I shortage shall be declared when the city determines that a shortage of up to ten percent will occur in water supplies.

(b) All elements of section 94-288 (Prohibitions) shall apply in phase I on a voluntary basis only.

(Ord. No. 1638, § 1, 10-20-2014)

Sec. 94-286. - Phase II water shortage (mandatory conservation).

(a) A phase II shortage shall be declared when the city determines that a shortage of up to 20 percent will occur in water supplies.

(b) All elements of section 94-288 (Prohibitions) shall apply in phase II on a mandatory basis.

(Ord. No. 1638, § 1, 10-20-2014)

Sec. 94-287. - Phase III water shortage (mandatory conservation).

(a) A phase III shortage shall be declared when the city determines that a shortage above 20 percent will occur in water supplies.

(b) All elements of section 94-288 (Prohibitions) shall apply in phase III on a mandatory basis except that:

(1) Restrictions on watering lawns, landscaped or other turf areas shall be modified to prohibit watering more often than every third day in a schedule to be set by the public works director, with watering only during the hours of 5:00 p.m. and 10:00 a.m.;

(2) Commercial nurseries and other water-dependent industries shall be prohibited from watering lawn, landscaped and other turf areas more often than every third day on a schedule to be determined by the public works director, and shall water only during the hours between 5:00 p.m. and 10:00 a.m.

(3) Water used on a one-time basis for purposes such as construction and dust control, shall be limited to that quantity identified in a plan submitted by the user which describes water use requirements. The plan shall be submitted to the city for approval. Water sources other than potable water shall be utilized where available;

(4) The use of water from fire hydrants shall be limited to fire fighting and related activities and other uses of water for municipal purposes shall be limited to activities necessary to maintain the public health, safety and welfare.

(Ord. No. 1638, § 1, 10-20-2014)

Sec. 94-288. - Prohibitions.

(a) *Gutter flooding.* No person shall cause or permit any water furnished to any property within the city to run or to escape from any hose, pipe, valve, faucet, sprinkler or irrigation device into any gutter or otherwise to escape from the property if such running or escaping can reasonably be prevented.

(b) *Washing hard-surfaced areas.* No person shall use any water furnished to any property within the city to wash sidewalks, walks, driveways and parking lots by hosing.

(c) *Irrigation.* No person shall water or irrigate any shrubbery, trees, lawns, grass, ground covers, plants, vines, gardens, vegetables, flowers or other vegetation between the hours of 10:00 a.m. and 5:00 p.m. No water users shall cause or allow the water to run off landscaped areas into adjoining streets, sidewalks or other paved areas due to incorrectly directed or maintained sprinklers or excessive watering.

(d) *Ornamental facilities.* No person shall refill any fountain, pool or other facility containing water solely for ornamental purposes emptied during the effectiveness of this division.

(e) *Leaks.* No person shall permit leaks of water which he has the authority to eliminate.

(f) *Restaurants.* Restaurants shall only serve water to customers upon request.

(g) *Washing vehicles.* Washing of motor vehicles, trailers, boats and other types of equipment shall be done only with a hand-held bucket or a hose equipped with a positive shutoff nozzle for quick rinses,

except that washing may be done with reclaimed wastewater, or by a commercial car wash using recycled water.

(h) All lawns, landscaped or other turf area shall be watered not more often than every other day and with watering only during the hours between 5:00 p.m. and 10:00 a.m., with even-numbered addresses watering on even-numbered days of the month and odd-numbered addresses watering on odd-numbered days of the month. This provision shall apply to residential, commercial, industrial and public agencies but shall not apply to commercial nurseries, golf courses and other water-dependent industries.

(i) *Wasting generally.* No person shall cause or permit water under his control to be wasted.

(Ord. No. 1638, § 1, 10-20-2014)

Sec. 94-289. - Exemptions.

(a) *Permit.* A person may be exempted from application of this division to a certain type of use if the city's public works director issues a permit allowing such use and if such permit issuance is based on a finding that enforcement of the applicable restriction would either:

(1) Cause an unnecessary and undue hardship to the applicant or the public; or

(2) Cause or threaten an emergency condition affecting the health, sanitation, fire protection or safety of the applicant or the public.

(b) *Conservation devices.* The public works director may require the use of such water conservation devices or practices as he deems appropriate as a condition of the exemption permit. He shall promulgate a list of approved devices.

(Ord. No. 1638, § 1, 10-20-2014)

Sec. 94-290. - Enforcement.

(a) The public works director, the fire chief, police chief, water superintendent, or designee have the duty and are authorized to enforce this division and shall have all the powers and authority contained in Penal Code § 836.5, including the power to issue written notice to appear.

(b) Each law enforcement officer shall, in connection with his duties imposed by law, diligently enforce this division.

(Ord. No. 1638, § 1, 10-20-2014)

Sec. 94-291. - Remedies; penalties.

(a) *Notice of violation; procedure upon failure to correct.* Prior to enforcement pursuant to section 94-290, any person who is suspected of violating this division shall be given a preliminary notice in writing of such violation, with the description of violation set forth in such preliminary notice. The person shall have 24 hours to correct the violation or terminate the use. If the violation is not corrected or the use terminated, the water division may forthwith either:

(1) Disconnect service;

(2) Install flow-restricting devices restricting water service; or

(3) Order issuance of a second preliminary notice.

Service disconnected or restricted pursuant to subsection (a)(1) or (2) of this section shall be restored only upon payment of the turn-on and other charges fixed by this article or the rules and regulations of the water division.

(b) *Penalties.* Any person who has received a preliminary notice of violation of a particular section of this division and against whom the water division has taken action pursuant to this section and who has not corrected or terminated the use or at a subsequent time violates the same section of this division,

regardless of whether the type of use was previously specified in any preliminary notice of violation, shall be:

(1) Issued an administrative citation as described in the city's comprehensive fee schedule; or

(2) Guilty of a misdemeanor, punishable as provided in section 1-10. Each day any violation of this division is committed or permitted to continue shall constitute a separate offense and shall be punishable as such.

(Ord. No. 1638, § 1, 10-20-2014)

Sec. 94-292. - Conflict with state law.

This division shall be inoperative to the extent any regulations and restrictions adopted pursuant to Water Code §§ 350—359 conflict.

(Ord. No. 1638, § 1, 10-20-2014)

Secs. 2-293—2-303. - Reserved.

THE CITY OF SAN FERNANDO

AGENDA REPORT

To: Mayor Joel Fajardo and Councilmembers

From: Brian Saeki, City Manager
By: Chris Marcarello, Deputy City Manager/Public Works Director

Date: May 18, 2015

Subject: Consideration to Approve a Contract Extension with First Transit, Inc.

RECOMMENDATION:

It is recommended that the City Council:

a. Approve a one-year contract extension (Attachment "A" - Contract No. 1592(b)) with First Transit, Inc. (First Transit) for maintenance and operation of the Mission City Transit (MCT) and the City Trolleys; and

b. Authorize the City Manager to execute the contract extension.

BACKGROUND:

1. On May 19, 2008, the City Council awarded a contract for a five-year term to First Transit for the maintenance and operation of the MCT and the City Trolleys. This contract provides the City with an optional extension period of 5-years, through May 19, 2018.

2. On May 19, 2013, the contract term expired between First Transit and the City.

3. On May 20, 2013, per Section 2-837of the municipal code, the City Administrator authorized an extension of the contract through June 6, 2013

4. In June 2013, the City Council approved a two-year contract extension with First Transit, which is now set to expire in June 2015. There are 3 additional one-year extension terms available for this contract.

ANALYSIS:

First Transit currently operates and maintains both the MCT and the City Trolleys programs under a contract approved by the City Council on May 19, 2008. Upon the conclusion of the current

two-year contract extension, the Agreement may be renewed for a maximum of three (3) one-year extension terms (through May 19, 2018), subject to approval by the City Council.

The scope of work in this contract ensures the continued operation of the City's transportation services, including the City's trolley services and the MCT services. In considering the contract extension, it is important to note that First Transit has fully performed all services provided in the contract. The contractor provides the City with a turn-key transit operation, including providing all customer service, transit operations, and equipment maintenance services for the transit program. The contractor also coordinates well with City staff and is responsive to any issues that arise in performance of these services.

An annual Consumer Price Index (CPI) increase is provided in the extension years of the contract in the amount of 3.5% per year. The current hourly rate for each vehicle revenue hour of transit service is $58.41. As proposed, this would be increased to $60.46. Vehicle revenue hours are tracked for each hour of transit service provided as part of the contract. This increase represents a total increase of approximately $9,286 based on the current vehicle revenue hours provided to the City.

BUDGET IMPACT:

Funding for the continued operation of the transportation programs is included in the proposed Fiscal Year 2015-2016 budget. Funding sources include special revenue funds that are dedicated for transportation-related services, including Proposition A Transportation sales tax funds and Proposition C sales tax funds. The total proposed contract amount is $527,815.

CONCLUSION:

It is recommended that the City Council authorize the City Manager to execute a one-year contract extension with First Transit, Inc.

ATTACHMENT:

A. Contract No. 1592(b)

ATTACHMENT "A"
CONTRACT NO. 1592(b)

SECOND AMENDMENT TO THE AGREEMENT BETWEEN THE CITY OF SAN FERNANDO AND FIRST TRANSIT, INC. FOR MAINTENANCE AND OPERATION OF THE MISSION CITY TRANSIT AND CITY TROLLEYS

THIS SECOND AMENDMENT ("Amendment") to that certain May 19, 2008 "Agreement" (Contract No. 1592) executed by and between the **City of San Fernando**, a municipal corporation ("CITY") and **First Transit, Inc.** ("CONTRACTOR") is made and entered into this 18th day of May 2015. For purposes of this Amendment, the capitalized term "Parties" shall be a collective reference to both CITY and CONTRACTOR and the capitalized term "Party" may refer to either CITY or CONTRACTOR interchangeably.

RECITALS

WHEREAS, the CITY and CONTRACTOR have entered into that certain Contract for Transit Services dated May 18, 2008 (the "Master Agreement"); and

WHEREAS, the term of the Agreement expires June 3, 2015; and

WHEREAS, the parties desire to amend the Agreement to extend the term of service to June 4, 2016; and

WHEREAS, the Parties desire to amend the Master Agreement to increase the total amount of compensation for the 12 months;

NOW THEREFORE, in consideration of mutual covenants and conditions herein contained, CITY and CONTRACTOR hereby mutually agree as follows:

1. Section 1. "TERM OF AGREEMNT" of the Master Agreement is hereby amended as follows:

   The term of this Agreement shall be from June 4, 2015 to June 4, 2016 unless otherwise terminated as provided herein. This agreement may be extended by mutual agreement in one-year increments through June 4, 2018.

2. Section 5. RATES AND COMPENSATION:

   A. Operator shall be paid a fixed hourly rate of $60.46, for each hour the vehicle is actually available for service in the Service Area.

3. Except as otherwise set forth in this Amendment, the Master Agreement shall remain binding, controlling and in full force and effect. This Amendment, inclusive all Attachments to the Amendment and together with the Master Agreement shall constitute the entire, complete, final, and exclusive expression of the Parties with respect to the matters addressed in both documents.

4. The provisions of this Amendment shall be deemed a part of the Master Agreement. Except as otherwise provided under this Amendment, the Master Agreement and all provisions contained therein shall remain binding and enforceable. In the event of any conflict or inconsistency between the provisions of this Amendment and the provisions of the Master Agreement, the provisions of this Amendment shall govern and control, but only in so far as such provisions conflict with the provisions of the Master Agreement.

5. This Amendment shall be executed in three counterparts, with one such fully executed counterpart returned to CONTRACTOR following execution.

IN WITNESS WHEREOF, the parties have executed this Amendment as of the date first written above.

THE CITY OF SAN FERNANDO

AGENDA REPORT

To: Mayor Joel Fajardo and Councilmembers

From: Brian Saeki, City Manager
By: Ismael Aguila, Recreation and Community Services Director

Date: May 18, 2015

Subject: Proposition A Recreational and Special Event Transportation Program Update

RECOMMENDATION:

It is recommended that the City Council receive and file this report.

BACKGROUND:

On May 4, 2015, City Council directed the City Manager to provide an update on the policies and procedures for the Proposition A Recreational and Special Event Transportation Program.

ANALYSIS:

Proposition A Transportation Funds

Proposition A is funded by a 1/2 cent sales tax measure approved by Los Angeles County voters to finance a Transit Development Program. The Proposition A tax measure was approved in 1980 and the collection of the tax began on July 1, 1982. Twenty-five percent of the Proposition A tax is designated for the Local Return Program funds to be used by cities and the County (Jurisdictions) in developing and/or improving public transit, paratransit, and the related transportation infrastructure. These funds are commonly used by municipalities for bus systems and dial-a-ride services.

Proposition A Recreational and Special Event Transportation Program (Prop A RSETP)

The Prop A RSETP is designed to provide City Councilmembers funding to allocate bus transportation for local partners, including schools, faith-based, and community-based organizations. Please refer to Attachment "A" for details of the program. Below is a summary of the bus requests for the past two years.

FISCAL YEAR	# OF BUSES	# OF ORGANIZATIONS	TOTAL COSTS
2013-2014	15	8	$7,224
2014-2015	8	5	$3,144

BUDGET IMPACT:

There will be no budget impact to the FY 2014-2015 General Fund. All monies have been budgeted by City staff.

CONCLUSION:

The City is committed to providing community resources to local partners. The Proposition A Recreational and Special Event Transportation Program provides City Councilmembers monies to fund bus transportation for local schools, community-based organizations, and faith-based organizations. It is recommended that the City Council receive and file this report.

ATTACHMENT:

A. Proposition A Recreational and Special Event Transportation Program

ATTACHMENT "A"

PROPOSITION A RECREATIONAL/ SPECIAL EVENT TRANSPORTATION

Each year, City Councilmembers are allotted three buses to disburse to an organization(s) of their choice.

REQUIREMENTS TO RECEIVE FUNDING

- The trip must be open to the general public and there can be no charge for the transportation, or if there is a charge to offset the cost the same charge must be paid by all participants and the proceeds must be paid to the City Proposition A account or transportation provider.

- The public must be made aware of the trip through advertisements/notices at locations accessible to the public; posting of notices at City parks would satisfy this requirement.

- A list of participants, a copy of the transportation invoice, and a copy of the advertisement/notice should be submitted to the City after the trip. No advance funding will be provided; costs will be reimbursed after the trip.

- Funds can be used for transportation costs only; no staff or indirect costs may be paid with Proposition A funds.

- The location of the activity must be within the eligible service area as defined in the Proposition A local Return Guidelines (i.e., Los Angeles County).

ORGANIZATIONS THAT MAY RECEIVE A BUS ALLOCATION

City Councilmembers may use their own discretion to decide which organizations will receive one or more buses. Typical organizations that request a bus are local churches, schools, and non-profit agencies.

PROCESS

- Generally, an organization will either approach an individual Councilmember with their request or they will contact the Administration Department.

- When the Administration Department (AD) receives a request, the Executive Assistant to the City Manager will email the request to City Council along with the current list of available allocations. Upon receiving approval from a City Councilmember, the request will

be forwarded to the Recreation and Community Services Department (RCS) to place the bus order and the requesting organization will be notified.

- Should an organization approach a Councilmember directly and their request be granted, the Councilmember shall provide the Executive Assistant to the City Manager with the organization name, contact person, and contact number (or email address) to complete the process.

- Upon receiving the request, the RCS Office Specialist (RCSOA) will identify and secure bus transportation for the request. After receiving confirmation from the bus company, the RCSOA will provide the Executive Assistant with the confirmation information and details for the request.

- All documentation (emails, request/confirmations forms/logs) will be kept on file. The Executive Assistant keeps a log of the bus allocations by Councilmember to track how many buses each Councilmember has allocated and how many they have left.

- Upon conclusion of the trip, the City will process the transportation invoice utilizing Proposition A transportation funds (not General Fund).

THE CITY OF SAN FERNANDO

AGENDA REPORT

To: Mayor Joel Fajardo and Councilmembers

From: Brian Saeki, City Manager

Date: May 18, 2015

Subject: Consideration to Approve City Council Policies Regarding City Council Contact and City Attorney Services

RECOMMENDATION:

It is recommended that the City Council:

a. Approve the revised City Council policy regarding City Council Contact (Attachment "A"); and

b. Approve the revised City Council policy regarding City Attorney Services (Attachment "B").

BACKGROUND:

On May 4, 2015, the City Council was presented with draft revisions to the City Council policies related to City Council Contact and City Attorney services. After some discussion, the City Council directed the City Attorney and staff to finalize the revisions and bring the policies back to the City Council for consideration.

ANALYSIS:

As the City Council is aware, many of the City's policies and procedures are outdated and obsolete. Revising them has been an ongoing goal of the City Council and staff. Given the recent transition to a City Manager form of government and increase in the need for City Attorney services, it important that the related policies also reflect these changes.

Revisions to both policies have been made and are attached to this staff report for the City Council's consideration.

ATTACHMENTS:

B. City Attorney Services Policy

CITY OF SAN FERNANDO		POLICY/PROCEDURE
NUMBER		SUBJECT ATTACHMENT "A"
ORIGINAL ISSUE August 19, 1986	EFFECTIVE August 19, 1986	CITY COUNCIL CONTACTS
CURRENT ISSUE May 18, 2015	EFFECTIVE May 18, 2015	CATEGORY CITY COUNCIL POLICY/ PROCEDURE
SUPERSEDES Penman Memorandum of August 19, 1986		

Section 1. PURPOSE.

In the interest of supporting proper channels of communications between Councilmembers and employees, and conservation of Councilmembers and staff time, this policy establishes the procedure for (1) staff contacts initiated by Councilmembers and (2) Councilmember contacts initiated by employees.

Section 2. STAFF CONTACTS INITIATED BY COUNCILMEMBERS.

~~Department heads will be contacted by Councilmembers~~The City Council shall contact the City Manager if they have questions or wish to discuss some matter. Requests for information that can be retrieved from established records will be accommodated. Requests for information that requires generating studies or analysis will be accommodated in accordance with priorities, ~~and~~ staff time availability, and City Manager approval. All other E~~e~~mployees ~~other than department heads~~ who are contacted by Councilmembers are required to advise their direct supervisor or the City Manager ~~department head~~ of the contact and the nature of the call.

Section 3. COUNCIL CONTACTS INITIATED BY EMPLOYEES.

Councilmembers ~~will~~ could be contacted by a department head~~s~~ if the~~y~~ department head ha~~s~~ve~~~~ questions or wish~~es~~ to discuss some matter upon approval of the City Manager~~Administrator~~. All requests by employees other than department heads to speak to a Councilmember will be submitted to their direct supervisor. ~~Deputy City Clerk.~~ The request will include the subject matter and the reason necessitating the contact. Employees are not to contact Councilmembers directly on City time; failure to comply with this directive may result in disciplinary action. Response to the request will be at the discretion of the Councilmember which may be directly, by someone else on behalf of the Councilmember, or not at all.

Section ~~54~~. Authority.

~~By order of the City Administrator~~Manager~~.~~

~~/s/~~
~~Mary Strenn, City Administrator~~

By order of City Council Motion (Item No. __), Policy adopted by the City Council on _____.

CITY OF SAN FERNANDO		POLICY/PROCEDURE
NUMBER		SUBJECT ATTACHMENT "B" ATTORNEY SERVICES
ORIGINAL ISSUE June 5, 1995	EFFECTIVE June 5, 1995	
CURRENT ISSUE ~~June 5, 1995~~May 18, 2015	EFFECTIVE ~~June 5, 1995~~May 18, 2015	CATEGORY CITY COUNCIL POLICY
SUPERSEDES		

Section 1. PURPOSE AND SCOPE.

A. Assure equal access to City Attorney services for all Councilmembers.

B. Control costs and make effective use of time.

C. Assure that the City Attorney is not working on assignments that are at cross purposes with adopted City Council policy.

D. Assure that Councilmembers have personal advice on conflict issues.

E. Assure that City Attorney remains a key member of the management team.

~~**Section 2. GENERAL.**~~

~~Several sources were drawn upon in developing the following policy: Past experience of the City Attorney, the City Administrator's recent administrative policy developed for staff use of attorney services, and elements of past history that worked well (or were too restrictive).~~

Section ~~3~~2. PROCEDURE.

The City Council has adopted the following policy for use of City Attorney services:

1. Any Councilmember should be able to contact and communicate with the City Attorney to discuss any matter within the subject matter jurisdiction of the City, and for general information regarding conflict of interest issues, FPPC filing requirements, ethics-related issues and the like, without such information having to be shared with other Councilmembers, unless the City Attorney is ethically required to disclose such information to the City Council as a whole pursuant to applicable State Bare Rules or other applicable laws. It is also understood that by communicating with individual Councilmembers in such a manner, no attorney client relationship shall exist, or be created, as between the City Attorney and individual Councilmembers.~~call the City Attorney for advice on conflict of interest issues or FPPC filings, without sharing the information with other Councilmembers, except the City Clerk~~.

2. Work to be performed by the City Attorney which is requested by an individual Councilmember requiring substantial research or activity (more than three (3) hours) should be assigned based on approval by the City Manager.~~requested by a Councilmember should be assigned based on approval by a majority of the City Council~~.

3. Any individual Councilmember should be able to ask the City Attorney to provide information or research a matter

relevant to the business of the City, provided that, in the best judgement of the City Attorney and the individual Councilmember (or the City Manager depending on the nature of the request) the request is not of a magnitude, either in terms of workload or policy, which would require that it more appropriately be assigned to staff through the collective direction of the City Council or the City Manager, as appropriate. ~~call the City Attorney for information that does not generate research or a work product.~~

4. All work products requiring substantial research or activity (more than three (3) hours) should be copied to all Councilmembers and staff (with the exception noted in (1)).

5. When City Council has taken formal action completing an item, City Attorney research should not be expected without further authorization.

Section 5. Authority.

~~Approved at a meeting of the San Fernando City Council on June 5, 1995.~~ By order of City Council Motion (Item No. __), Policy adopted by the City Council on _____.

THE CITY OF SAN FERNANDO

AGENDA REPORT

To: Mayor Joel Fajardo and Councilmembers

From: Councilmember Robert C. Gonzales

Date: May 18, 2015

Subject: Appointment to the Planning and Preservation Commission

RECOMMENDATION:

I recommend that Theale "Stormy" E. Haupt be appointed as my representative to the Planning and Preservation Commission.

BUDGET IMPACT:

None

ATTACHMENT:

A. T. Haupt's Bio

ATTACHMENT "A"

THEALE "STORMY" E. HAUPT BIO

SUMMARY OF QUALIFICATIONS:

- Managed development projects from site clearance to completed buildings, plus small and large scale building, remodel and relocation projects including construction of major department stores, regional shopping centers and housing projects
- Project administration, documentation, conceptual cost estimating, supervision and management
- Real estate site inspections and review, document review, reciprocal easement agreement review, common area maintenance, review and recommendations
- Scheduling of staff and multiple projects and selection and appointment of architects, engineers and consultants
- Environmental phase studies, civil, geotechnical, mechanical, electrical, structural steel, concrete, ACM abatement, tenant interiors, architectural finishes, millwork and system/conventional furniture

EMPLOYMENT HISTORY:

June 2010 to Feb 2011

CONSTRUCTION MANAGER
CIM GROUP
Mid Town Crossing Project

Managed field construction including excavation and over-excavation exceeding that expected by a magnitude of 5. Dealt with found contaminated soil conditions from a 1928 abandoned oil water separator for Pacific Electric on site generating station, drilled caissons, avoiding surcharge on 72" sewer outfall line traversing site and a 10' high by 22' wide box culvert also traversing site. Managed installation of perimeter shoring varying from 12 feet to 80 feet. Began construction of three-level parking structure and a two-story big box user structure. Coordinated "B" permit issues, building permit issues, Dept of Water and Power coordination for water, new power, and high line encroachment onto site.

April 2007 / June 2010

CONSTRUCTION MANAGER
LEGACY PARTNERS BUILDERS INC.
Hollywood, CA (Hollywood & Vine Project)

Start up field office to manage a $300 million 29 month project, comprised of a hotel, residential condos and residential rental apartments. Included in scope of work, soil excavation, deep drilled caissons, shoring systems, concrete placement and build out and finishing of apartment units. Worked with CRA, Time Warner Cable, MTA, Public

Works and the City of Los Angeles DBS and public utilities, to complete offsite infrastructure systems to connect project to utility services. Generated permanent changes to the specifications for the Hollywood Walk of Fame. Primary contact for all public entities related to project. Reviewed and approved invoices, proposals, CCDs / RFPs, RFIs, managed owner consultants, including material testing, geotechnical consulting and testing, architect, structural engineer and other consultants.

July 2006 / April 2007

SENIOR PROJECT MANAGER
THE BECK GROUP
Los Angeles, CA

Brought on to provide stability to local office, responsibilities included project management, office management, business development, estimating and reporting to corporate management in Phoenix. Adhered to profitability requirements by rigorous cost controls, controlling expenditures and avoiding costly mistakes. Projects include hospital CT / MRI room, process plant work for national soft drink company. Company closed California operations.

May 2005 / June 2006

SENIOR PROJECT MANAGER
RPA GENERAL CONTRACTORS
Agoura Hills, CA

Sr. Project Manager for an $8 million split project for international client, a museum and company housing. The housing project was started more than ten years prior by the owner; RPA was hired to complete the project including site and infrastructure work.

April 2003 / March 2005

PROJECT MANAGER
FOREST CITY ENTERPRISES
Los Angeles, CA / Cleveland, OH

Project Manager for 1.2 million square foot Victoria Gardens Life Style Center on a 220 acre site in Rancho Cucamonga, CA. Starting with clear and grub, grading, paving plus all wet and dry utilities, CDS units for runoff water mitigation, construction of 28 buildings in 12 city blocks and interface with major department stores, theaters and cultural center. Primary contact person with authorities having jurisdiction for planning, permitting and inspections, maintaining excellent relationships throughout project

Dec 1979 / Nov 2002

FEDERATED DEPARTMENT STORES, INC. (Carter Hawley Hale Stores)
Los Angeles, CA

PROJECT MANAGER
Managed up to $100 million a year in multiple projects for FDS, Inc including new store construction, store additions, distribution center renovation, interior office renovation/ enlargement and Macy's store remodels in Arizona, Nevada and California.

MANAGER REAL ESTATE/ CONSTRUCTION
Real estate project consulting, concept studies, estimating and construction documents supporting real estate in project review, conceptual estimating, reviewing reciprocal easement agreements, work letters, preparing documents to be included in leases as exhibits, studies to improve space allocation, usage and site development. Completed the planning and execution of the relocation of the corporate offices consolidated into a single operations facility.

OTHER ACTIVITIES:

Member of the Board of Directors of the Valley Family Center
Member of the Board of Directors at Social Services in Hollywood
Contractors B License (inactive)

ATTACHMENT:

A. Angel Zobel-Rodriguez's Bio

ATTACHMENT "A"

ANGEL ZOBEL-RODRIGUEZ

Angel Zobel-Rodriguez is a 23-year resident of San Fernando with two children ages 24 and 14.

Using the 20+ years' experience she's gained as an LAUSD parent and member to various committees and organizations, she's looking forward to sharing her knowledge and providing support to local families and school communities.

Angel previously served on the City's Historical Commission (2006-2009), Transportation & Safety Commission (2009-2013) and the Education Commission (August 2011 - January 2013).

She currently serves on the Educational Service Center North Council of Councils Steering Committee and Chair to the School Site Council, and Chair to the School Site Council at Millikan Middle School. She recently represented parents on interviews for the new local superintendent for the North East San Fernando Valley.

Each year, she volunteers at the César Chávez Learning Academies College Summit assisting students with their college applications.

Angel also runs a free website to help parents navigate through the complex LAUSD magnet/open enrollment/SAS options and choose the right school for their children.

THE CITY OF SAN FERNANDO

AGENDA REPORT

To: Mayor Joel Fajardo and Councilmembers

From: Brian Saeki, City Manager

Date: May 18, 2015

Subject: California High-Speed Rail Project Update

RECOMMENDATION:

It is recommended that the City Council receive and file this report.

BACKGROUND/ANALYSIS:

At the May 4, 2015 City Council meeting, the City Manager was authorized to expend up to $7,500 to publicize the May 28, 2015 California High-Speed Rail Authority (CHSRA) community meeting in San Fernando.

CONCLUSION:

A verbal update will be provided regarding the current status of the outreach efforts for the May 28, 2015 CHSRA meeting.
