

PHOTOGRAPHY AND FILM PRODUCTION PERMIT APPLICATION

REQUIREMENTS

TO THE APPLICANT:

A Photography and Film Production (P&FP) Permit is required for film, video, or still photography shoots on public and private property within San Fernando city limits. Exemptions may be granted to news media, student films, or an individual taking photography or video for non-commercial use.

Filming is allowed between the hours of 7 am and 10 pm, Monday through Saturday. Sunday filming is allowed from 9 am to 7 pm, in commercial areas only. No Saturday or Sunday filming is allowed in residential areas. Request for filming beyond the permitting hours must have the approval of the City Manager's Office.

P&FP Permits are issued by the City Manager's Office at San Fernando City Hall. Issuance hours are 7:30 am to 5 pm, Monday through Thursday; and 8 am to 5 pm every other Friday (City Hall is closed every other Friday).

All applicants are required to complete a P&FP Permit Application and remit the appropriate Application Fee. Applications must generally be made at least 15 days prior to the desired film date. Subsequent to submission, your application will be routed to the appropriate City departments (i.e., Police, Public Works, Recreation and Community Services) and, the City of Los Angeles Fire Department to determine what additional personnel/equipment/etc. will be required.

In addition to completing the P&FP Permit Application, the following will be required:

- **Notification Letter** – A filming notification letter (on your company stationary) must be distributed to all residents, merchants, and/or businesses within a 500 foot radius of any filming activity. Exceptional filming activities such as gunfire, special effects, helicopters, etc. may require notification to be distributed to a wider area as determined by the City Manager or his designee. Please note: the notification letter must be approved by the City Manager's Office prior to distribution.
- **Acknowledgement Signatures** – As you distribute the Notification Letter, you will be required to obtain signatures of the residents, merchants, and/or businesses within a 500 foot radius of any filming activity acknowledging that they have been made aware of your filming dates/times, the location, and the names of the City streets where your equipment vehicles will be parked.
- **Permission to Use Property for Filming** – You will be required to obtain written permission from the property owner and business owner/tenant to film at your requested location(s).
- **Certificate of Liability Insurance** – A certificate of liability insurance will be required in an amount no less than \$1,000,000.00 naming the City, its officials and employees as additionally insured for protection against claims of third persons for personal injuries, wrongful deaths, and property damage and to indemnify the City for damage to City property from filming activities. The certificate shall not be subject to cancellation or modifications until after 30 days written notice to the City. The standard general liability special endorsement form mandated by the California Film Commission shall be presented. A copy of the certificate shall remain on file. (SFCC§22-462)
- **Film Permit Fees and Other Fees** – All fees must be paid to the City in advance of filming and any differences will be adjusted after the filming date. If estimated fees are less than the deposit, a refund will be processed upon completion of filming. If City services received exceed the estimated fees, our company will be invoiced for the balance at net 30 terms.

San Fernando Police Officers are required at productions involving traffic diversion, intermittent traffic control, and shoots that require special effects or stunts which pose a potential for danger. The number of assigned officers is at the discretion of the Police Chief.
