PUBLIC STATEMENTS

None.

NEW BUSINESS

1. **1112 Second Street – Green Curb** – Ron Ruiz informed the Commission that the correct address is 1116 Second Street. The current business has been contacted regarding the need of a green curb. Mr. Ruiz informed the Commission that the green curb will most likely be removed. Commissioner Cano asked to be updated with final outcome.
2. **Old Fire Station/Ambulance Building – Red Curb** – Ron Ruiz informed the Commission that per the Vehicle Code, there must be 15 feet on either side of the drive way of red curbing. Currently, there is more than the required 15 feet. The excess red curbing will be removed.
3. **Bicycle Transportation Act Project** – Ron Ruiz briefed the Commission on the Bicycle Transportation Act (BTA) Project. The Project provides funds to the City to enhance/define any existing bike lanes or vicinities in the City. A map from the Bicycle Master Plan was provided to the Commission.

The Commission was asked to provide comments and feedback regarding the bike paths and the type of bike racks to be purchase. Sgt. Hanchett will provide statistics on bicycle theft to help identify locations for bike racks.

UNFINISHED BUSINESS

1. **Park Avenue Design** –Commissioner Cano recused himself from voting/discussing this issue. Ron Ruiz briefed the Commission on the undergrounding work to be done. The Commission was provided with two design plans for Park Avenue. As requested at the September meeting, the designs provided listed the number of parking spaces available on First Street. The Commission voted to recommend the design with greenery, and recommended that there be some or all the bulb outs be taken out, and more handicap parking spaces. Staff will present the Commission's recommendation to the next PVTT Standing Committee meeting.
