AGENDA REPORT

To: Mayor Sylvia Ballin and Councilmembers

From: Alexander P. Meyerhoff, City Manager
By: Nick Kimball, Deputy City Manager/Director of Finance

Date: April 2, 2018

Subject: Consideration to Adopt Resolution Nos 18-032 and 18-041 Approving the Warrant Registers of March 19, 2018 and April 2, 2018, Respectively

RECOMMENDATION:

It is recommended that the City Council:

- a. Adopt Resolution No. 18-032 (Attachment "A") approving the Warrant Register dated March 19, 2018; and
- b. Adopt Resolution No. 18-041 (Attachment "B") approving the Warrant Register dated April 2, 2018.

BACKGROUND:

For each City Council meeting the Finance Department prepares a Warrant Register for Council approval. The Register includes all recommended payments for the City. Checks, other than handwritten checks, generally are not released until after the Council approves the Register. The exceptions are for early releases to avoid penalties and interest, excessive delays and in all other circumstances favorable to the City to do so. Handwritten checks are those payments required to be issued between Council meetings such as insurance premiums and tax deposits. Staff reviews requests for expenditures for budgetary approval and then prepares a Warrant Register for Council approval and or ratification. Items such as payroll withholding tax deposits do not require budget approval.

The Deputy City Manager/Director of Finance hereby certifies that all requests for expenditures have been signed by the department head, or designee, receiving the merchandise or services thereby stating that the items or services have been received and that the resulting expenditure is appropriate. The Deputy City Manager/Director of Finance hereby certifies that each warrant has been reviewed for completeness and that sufficient funds are available for payment of the warrant register.

Consideration to Adopt Resolution No's 18-032 and 18-041 Approving the Warrant Registers of March 19, 2018 and April 2, 2018, RespectivelyPage 2 of 2

There are two Warrant Registers attached due to the lack of a formal City Council meeting on March 19, 2018. Resolution No. 6212 (adopted August 3, 1992) approves the issuing of Warrants prior to City Council ratification due to cancellation of a regularly scheduled City Council meeting. A copy of the Resolution No. 6212 and the memorandum provided to the City Treasurer approving the release of the Warrant is attached to this report (Attachments "C" & "D").

ATTACHMENTS:

- A. Resolution No. 18-032
- B. Resolution No. 18-041
- C. Resolution No. 6212 (August 3, 1992)
- D. Memorandum Approving Release of Warrant Register (March 19, 2018)

The project includes the installation of asphalt overlay, new traffic striping, accessible curb ramps, cross gutters, sidewalk and curb improvements.

BID TOTAL					\$

*The twenty-five percent (25%) quantity change limitation per Section 3.2 of the Standard Specification does not apply to this item. For these items, there shall be no quantity limitation. Payment for these items will be based on unit prices stated in the Contractor's Proposal.

In case of discrepancy between unit process and item totals, the unit prices shall prevail. In case of a discrepancy between item totals and grand total, the item totals shall prevail. The grand total will be subject to adjustment by the City in the event of a discrepancy. The contract award shall be made on the basis of the grand total as described above from among the responsive and responsible bidders.

The City does not expressly or by implication agree that the actual amount of work will correspond with the foregoing quantities, but reserves the right to increase or decrease the amount of any class or portion of the work or to omit portions of the work as may be deemed necessary or advisable by the Engineer.

The bidder further agrees that in case of not executing the required contract with necessary bonds within ten (10) days, not including Sundays, after having received notice that the contract is ready for signature, the proceeds of the check or bond accompanying his bid shall become the property of the City of San Fernando.

By submission of the Contractor's Proposal, the bidder also certifies that the bid is a balanced bid.

The bidder acknowledges receipt of the following addendum issued for the above project. If no addendum has been received, write "None". FAILURE TO ACKNOWLEDGE RECEIPT OF ANY ADDENDA ISSUED WILL RENDER THE CONTRACTOR'S BID NON-RESPONSIVE.

INSTRUCTIONS TO BIDDERS

1. GENERAL Proposals under these Contract Documents shall be submitted on the blank forms furnished herewith. When presented, the proposal forms must be completely made out in the manner and form indicated therein, and must be properly signed by the bidder. The bidder's address, telephone number, and California State Contractor's License number must be included. To be eligible to perform work, the bidder must be a state licensed contractor in good standing prior to beginning work. The City Council reserves the right to reject any bid if all the above information is not furnished.

This is a federally assisted construction project and Federal Labor Standards, including Davis-Bacon Act requirements, will be enforced. If Federal and State prevailing wage rates are applicable, then the higher of the two will prevail.

The contractor shall adopt the current federal and/or state general prevailing rates of wages applicable to the work to be done.

This is a HUD Section 3 contract and all bidders must commit to achieving the Section 3 employment and contracting goals in order to be considered a Section 3 responsive bidder. A bidder who is not responsive to Section 3 shall be considered a non-responsive bidder for this Notice Inviting Bids.

Each proposal submitted must be presented in a sealed cover, and must be filed prior to the time and at the place designated in the Notice Inviting Bids. All proposals submitted as prescribed will be publicly opened and read at the time and place designated in the Notice Inviting Bids.

Bid Quotes and Unit Price Extensions – The unit prices and the lump sum prices quoted by the bidder must be entered in the spaces provided on the Contractor's Proposal form. In case there is a discrepancy between the unit price and the item total, the unit price shall govern and will be considered as representing the Bidder's intention. The bid total will be corrected to conform to the specified unit price.

Bid Retention and Award – The City reserves the right to retain all bids for a period of ninety (90) days for examination and comparison. The City also reserves the right to waive non-substantial irregularities in any bid, to reject any and all proposals, to reject or delete one part of a proposal and accept the other, except to the extent that the bids are qualified by specific limitations, and to make award to the lowest responsible bidder as the interest of the City may require.

Communications Regarding Bid – All timely requests for information submitted in writing will receive a written response from the City. Telephone communications with City staff are not encouraged, but will be permitted. However, any such oral communication shall not be binding on the City.

2. EXAMINATION OF PLANS, CONTRACT DOCUMENTS, AND WORK SITE The Contract Documents and plans, if any, are on file and available for inspection in City Hall.

The Bidders are required to carefully examine the site and the proposal, plans, Contract Documents, and contract forms. The Bidders must satisfy themselves as to the requirements of the

Contract Documents and the contract; as to the location of the proposed work and by such other means as they may prefer; and as to the actual conditions and requirements of the work, and shall not, at any time after submission of the bid, dispute, complain, or assert that there was any misunderstanding in regard to the nature or amount of work to be done. It is mutually agreed that submission of a proposal shall be considered prima facie evidence that the bidder has made such examinations.

3. DISQUALIFICATION OF BIDDERS AND PROPOSALS More than one proposal for the same work from any individual, firm, partnership, corporation or association under the same or different names will not be accepted and reasonable grounds for believing that any bidder is interested in more than one proposal for the work will be cause for rejecting all proposals in which such bidders are interested.

Proposals which show obviously unbalanced prices, and those which are incomplete or show any alteration of form, or contain any additions or conditional or alternate bids that are not called for or otherwise permitted, may be rejected. Proposals that do not bear the Bidder's signature will be rejected.

4. AWARD AND EXECUTION OF CONTRACT The award of the contract, if awarded, will be made to the lowest responsive bidder whose proposal complies with all the prescribed requirements. The right is reserved, however, to reject any or all bids and to waive technical errors or discrepancies if it is deemed to best serve the interests of the City. An award will be made only until all necessary investigations are made as to the responsiveness of the low bidder.

Failure to execute a contract and file acceptable bonds as provided herein within the above timeline, not including Sundays, shall be just cause for the annulment of the award and the forfeiture of the proposal guaranty.

The Contractor will be required to obtain a City Business License prior to award of the contract.

5. SIGNATURE OF CONTRACTOR

- a. Corporation Any bids submitted by a corporation must include the name of the corporation, and must be signed by the President and Secretary or Assistant Secretary, and the corporate seal must be affixed. Other persons may sign for the corporation in lieu of the above if a certified copy of a resolution of the corporate board of directors so authorizing them to do so is on file in the City Clerk's Office.
- b. Partnerships Any bids submitted by a partnership must contain the names of all persons comprising the partnership or co-partnership. The bid must be signed by all partners comprising the partnership unless proof in the form of a certified copy of a certificate of partnership acknowledging the signer to be a general partner is presented to the City Clerk.
- c. Joint Ventures Any bids submitted by a joint venture must so state that and must be signed by each joint venturer.
- d. Individuals Any bids submitted by an individual must be signed by that individual unless an up-to-date power of attorney is on file in the City Clerk's Office, in which case the person indicated in the power of attorney may sign for the individual.

The above rules also apply in the case of a fictitious firm name. In addition, however, where the fictitious name is used, it must be so indicated where the signature appears.

6. BONDS

- a. Bid Bonds Bid must be accompanied by cash, cashier's check, certified check, or surety bond in an amount equal to ten percent (10%) of the total amount in the Contractor's Proposal. Checks and bonds shall be made payable to the City of San Fernando.
- b. Contract Bonds The Contractor simultaneously with execution of the Agreement shall furnish a surety bond in an amount equal to one hundred percent (100%) of the contract price as security for the faithful performance of this contract and a separate surety bond in an equal to one hundred percent (100%) of the contract price as security for the payment of all persons performing labor and furnishing materials in connection with this contract, as required by the terms of an Act entitled:

"An Act to secure the payment of the claim of persons employed by Contractors upon Public Works, and the claims of persons who furnish materials, supplies, teams, implements; or machinery used or consumed by such Contractors in the performance of such works, and prescribing the duties of certain public officers with respect thereto," approved May 10, 1919, as amended.

Bond Forms required are included in these specifications. Copies will be furnished to prospective bidders upon request.

Whenever any Surety or Sureties on any such bonds, or any bonds required by Law for the protection of the claims of laborers and material men become insufficient or the City Engineer has cause to believe that such Surety or Sureties have become insufficient, a demand in writing may be made of the Contractor for each further bond or bonds or additional surety, not exceeding that originally required, as is considered necessary, considering the extent of the work remaining to be done. Thereafter, no payment shall be made upon such contract to the Contractor or any assignee of the Contractor until such further bond or bonds or additional surety has been furnished.

7. RETURN OF BIDDER'S GUARANTIES Within ten (10) days after the award of the contract, the City will return the proposal guaranties accompanying those proposals which are not to be considered in making award. All other proposals which are to be held until the contract has been finally executed, will be returned to the respective bidders after award of contract.
8. CONFLICT OF INTEREST In the procurement of supplies, equipment, construction, and services by sub-recipients, the conflict of interest provisions in 24 CFR 85.36, OMB Circular A-110, and 24 CFR 570.611, respectively, shall apply. No employee, officer or agent of the sub-recipient shall participate in selection, or award or administration of a contract supported by Federal funds if a conflict of interest, real or apparent, would be involved.

THIS AGREEMENT, made and entered into this _____ day of _____, 2018, by and between CITY OF SAN FERNANDO, a municipal corporation of the State of California, hereinafter referred to as "CITY" and _____ "CONTRACTOR."

WITNESSETH:

That the CITY and the CONTRACTOR, for the consideration hereinafter named, mutually agree as follows:

1. The complete contract consists of the Contract Documents which includes all of the following documents incorporated herein by this reference: Approved **San Fernando Road Street Improvements between West City Limit and S Huntington Street, CDBG Project No. 601882-17 Plans (P-724) and Specifications (Job No. 7599)**, Notice Inviting Bids, Instructions to Bidders, Contractor's Proposal, Contract/Agreement, Special Provisions, Technical Provisions, and all modifications and amendments thereto.

2. CONTRACTOR shall perform everything required to be performed, shall provide and furnish all the labor, materials, necessary tools, expendable equipment, and all utility and transportation services required for the following work of improvement: **San Fernando Road Street Improvements between West City Limit and S Huntington Street, CDBG Project No. 601882-17 Plans (P-724) and Specifications (Job No. 7599)** (the "Work of Improvement") all in accordance with the Contract Documents and Contractor's Proposal dated _____.

CONTRACTOR agrees to perform all the work and furnish all the materials at his own cost and expense necessary to construct and complete in a good and workman-like manner and to the satisfaction of the City Engineer of the CITY, the Work of Improvement in accordance with the plans, specifications, and Contract Documents (the "Specifications") therefore prepared by City's Engineering Department and adopted by the City Council.

3. CITY agrees to pay and CONTRACTOR agrees to accept in full payment for this Work of Improvement the stipulated sum of _____ (\$_____).

CITY agrees to make monthly payments and final payment in accordance with the method set forth in the Specifications.

4. CONTRACTOR agrees to commence construction of the Work of Improvement within ten (10) days after issuance of a Notice To Proceed, and to continue in a diligent and workman-

like manner without interruption, and to complete the construction thereof within **thirty (30)** working days from the date the Notice to Proceed is issued.

5. Time is of essence of this Contract, and it is agreed that it would be impracticable or extremely difficult to ascertain the extent of actual loss or damage which the CITY will sustain by reason of any delay in the performance of this Agreement. It is, therefore, agreed that CONTRACTOR will pay as liquidated damages to the CITY the following sum: Five Hundred Dollars (\$500.00) for each day's delay beyond the time herein prescribed for finishing work. If liquidated damages are not paid, as designated by the CITY, the CITY may deduct the amount thereof from any money due or that may become due the CONTRACTOR under this Agreement in addition to any other remedy available to CITY. The CONTRACTOR shall not be assessed liquidated damages for any delay caused by the failure of a public utility to relocate or remove an existing utility required for the performance of this Contract.

6. The CONTRACTOR will pay, and will require all subcontractors to pay, all employees on the work of improvement a salary or wage at least equal to the prevailing salary or wage established for such work as set forth in the wage determinations for this work. Travel and subsistence pay shall be paid in accordance with Labor Code Section 1773.8. The CONTRACTOR shall forfeit to the CITY, as penalty, Fifty Dollars (\$50.00) for each calendar day or portion thereof for each worker paid (either by him or any subcontractors under him) less than the prevailing rate described above on the work provided for in this Agreement, all in accordance with Section 1775 of the Labor Code of the State of California. CONTRACTOR, by executing this Agreement, hereby certifies that it shall adopt the current general prevailing Federal and/or State rates of wages applicable to the Work of Improvement. **Contractor understands this is a federally assisted construction project and Federal Labor Standards, including Davis-Bacon Act requirements, will be enforced. Contractor acknowledges that if Federal and State wage rates are applicable, then the higher of the two will prevail.**

7. The CONTRACTOR or SUBCONTRACTOR shall not discriminate on the basis of race, color, national origin, or sex in the performance of this contract. The contractor shall carry out applicable requirements of 49 CFR, Part 26 in the award and administration of DOT-assisted contracts. Failure by the contractor to carry out these requirements is a material breach of this contract, which may result in the termination of this contract, or such other remedy as City deems appropriate.

8. Attention is directed to Section 7108.5 of the California Business and Professions Code, which requires a prime CONTRACTOR or SUBCONTRACTOR to pay any SUBCONTRACTOR not later than 10 days of receipt of each progress payment, unless otherwise agreed to in writing. In addition, Federal Regulation (49 CFR 26.29) requires a prime CONTRACTOR or SUBCONTRACTOR to pay a SUBCONTRACTOR no later than 30 days of receipt of each payment, unless any delay or postponement of payment among the parties takes place only for a good cause and with the prior written approval of the CITY. Section 7108.5 of the California Business and Professions Code also contains enforcement actions and penalties. These requirements apply to both DBE and non-DBE subcontractors.

9. Federal Regulation (49 CFR 26.29) requires the following method be used in federal-aid contracts to ensure prompt and full payment of any retainage kept by the prime CONTRACTOR or SUBCONTRACTOR to a SUBCONTRACTOR:

The CITY may hold retainage from the prime CONTRACTOR and provide for prompt and regular incremental acceptances of portions of the contract, pay retainage to prime CONTRACTORS based on the acceptances, and include a contract clause obligating the prime contract and subcontractors to pay all retainage owed to all SUBCONTRACTORS for satisfactory completion of the accepted work within 30 days after receipt of the retainage. This clause must require the prompt release of retainage payments from the prime CONTRACTOR to the SUBCONTRACTOR within a specified number of days after the SUBCONTRACTOR'S work is satisfactorily completed.

In the above method, a SUBCONTRACTOR'S work is satisfactorily completed when all tasks called for in the contract have been accomplished and documented as required by the CITY. The work of a SUBCONTRACTOR covered by that acceptance is deemed to be satisfactorily completed, when the CITY has made an incremental acceptance of a portion of the contract work. Federal Regulation (49 CFR 26.29) also requires that any delay or postponement of payment among the parties may take place only for good cause, must have the prior written approval of the agency, and that appropriate means of enforcement such as those contained in Section 7108.5 of the California Business and Professions Code must be included in the contract.

10. In the performance of this Contract, not more than eight (8) hours shall constitute a day's work, and the CONTRACTOR shall not require more than eight (8) hours in a day from any person employed by him hereunder, except as provided in the Labor Code of the State of California. The CONTRACTOR shall adhere to Article 3, Chapter 1, Part 7 (Sections 1810, et seq.) of the Labor Code of the State of California, and it is agreed that the CONTRACTOR shall forfeit to the CITY as a penalty the sum of Fifty Dollars (\$50.00) for each worker employed in the execution of this Contract by the CONTRACTOR or any subcontractor for each calendar day during which any worker is required or permitted to labor more than eight (8) hours in violation of that article.

11. CONTRACTOR, by executing this Agreement hereby certifies:

"I am aware of the provisions of Section 3700 of the Labor Code which requires every employer to be insured against liability for Worker's Compensation or to undertake self-insurance in accordance with the provisions of that Code, and I will comply with such provisions before commencing the performance of the work of this Contract."

12. CONTRACTOR shall, prior to the execution of this Contract, furnish two bonds approved by the CITY, one in the amount of One Hundred Percent (100%) of the Contract price, to guarantee the faithful performance of the work, and one in the amount of One Hundred Percent (100%) of the Contract price to guarantee payment of all claims for labor and

materials furnished. This Contract shall not become effective until such bonds are supplied to and approved by the CITY. CONTRACTOR shall, prior to the release of the performance and payment bonds or the retention payment, furnish a warranty performance and payment bond equal to at least ten percent of the final contract price or \$1,000, whichever is greater.

IN WITNESS WHEREOF, the said CONTRACTOR and the CITY ADMINISTRATOR and CITY CLERK of the CITY have caused the names of said parties to be affixed hereto, each in triplicate, the day and year first above written.

C. SWPPP BEST MANAGEMENT PRACTICES (BMPs)

General

The City of San Fernando is a co-permittee with 85 other cities in Los Angeles County under the National Pollutant Discharge Elimination System (NPDES) General Permit Number CA0061654 (CI 6948) issued by the Los Angeles Regional Water Quality Control Board. This section of the specifications contains recommended practices, called Storm Water Pollution Prevention (SWPP) BMP. All contractors for the City of San Fernando must follow these practices.

Best Management Practices

Measures to retain all sediments, construction-related wastes, spills, and residues on the construction site and keep them from entering any storm drains that lead, untreated, to the ocean must be employed. These measures are required to comply with federally mandated NPDES policy. As a minimum requirement under the permit, a list of BMPs must be utilized which include sediment control, site management and material and waste management. BMPs, however, will differ from one project to the next. It is our best opinion that the BMPs in **bold** highlight in the following table will apply to this project. These BMPs are included in the following pages.

Detailed Best Management Practices

1. Dewatering Operations.....	4-3
2. Paving Operations.....	4-5
3. Material Delivery and Storage	4-9
4. Hazardous Waste Management.....	4-17
5. Contaminated Soil Management.....	4-19
6. Concrete Waste Management	4-21
7. Seeding and Planting.....	5-10
8. Mulching	5-16
9. Geotextiles and Mats.....	5-19
10. Dust Controls.....	5-25
11. Construction Road Stabilization	5-35
12. Stabilized Construction Entrance	5-37
13. Sand Bag Barrier	5-71
14. Storm Drain Inlet Protection	5-79
15. Sediment Trap	5-87
16. Sediment Basin	5-90

(1) All of the Best Management Practices are taken from the California Storm Water Best Management Practice Handbooks.

The various trades and crafts shall agree that, due to field conditions, minor departures from the improvement plans are bound to occur, and that such departures are self compensating so far as cost of additions or deductions are concerned. No claims for extras or time extensions will be allowed in connection with such minor changes due solely to field conditions.

3. HUD Youthbuild programs mean programs that receive assistance under Subtitle D of Title IV of the National Affordable Housing Act, as amended by the Housing and Community Development Act of 1992, and provide disadvantaged youth with opportunities for employment, education, leadership development, and training in the construction or rehabilitation of housing for homeless individuals and members of low- and very low-income families.

7. Section 3 Contract Award.

- a. This is a HUD Section 3 contract and all bidders must address the Section 3 employment and contracting goals to be considered a Section 3 responsive bidder. A bidder who is not responsive to Section 3 requirements shall be considered a nonresponsive bidder to this Invitation for Bids. Primary consideration will be given to award a Section 3 contract to a concern, provided that the bid amount is "reasonable," as defined in the following paragraph. If the bid of the responsive, responsible, and qualified Section 3 business concern with the lowest bid is not "reasonable," the contract awarding agency shall award the contract to the lowest Section 3 responsive bid of any responsive, responsible bidder. A Section 3 responsive bidder is one who qualifies as a Section 3 business concern or one who makes a commitment to meet the employment goal for Section 3 resident(s) and/or meet the contracting goals for Section 3 business firm(s).
- b. In awarding a Section 3 contract, preference will be shown to a Section 3 business concern who is a qualified bidder, provided that the bid amount is "reasonable." A "reasonable" bid is a bid that is not more than "X" higher than the lowest responsive bid received from any responsible bidder. If the lowest bid of a qualified Section 3 business concern is not "reasonable," as defined herein, the contract shall be awarded to the lowest responsive bid from any responsible bidder. (This requirement applies to contracts which exceed \$100, 000.)
- c. "X" is determined as follows:

- (1) When the lowest responsive bid is less than \$100, 000, "X" is the lesser of 10% of that bid or \$9,000;
- (2) When the lowest responsive bid is at least \$100, 000, but less than \$200, 000, "X" is the lesser of 9% of that bid or \$16,000;
- (3) When the lowest responsive bid is at least \$200, 000, but less than \$300, 000, "X" is the lesser of 6% of that bid or \$21,000;
- (4) When the lowest responsive bid is at least \$300, 000, but less than \$400, 000, "X" is the lesser of 7% of that bid or \$24,000;
- (5) When the lowest responsive bid is at least \$400, 000, but less than \$500, 000, "X" is the lesser of 6% of that bid or \$25,000;
- (6) When the lowest responsive bid is at least \$500, 000, but less than \$1 million, "X" is the lesser of 5% of that bid or \$40,000;
- (7) When the lowest responsive bid is at least \$1 million, but less than \$2 million, "X" is the lesser or 4% of that bid or \$60,000;
- (8) When the lowest responsive bid is at least \$2 million, but less than \$4 million, "X" is the lesser or 3% of that bid or \$80,000;
- (9) When the lowest responsive bid is at least \$4 million, but less than \$7 million, "X" is the lesser or 2% of that bid or \$105, 000; and
- (10) When the lowest responsible bid is \$7 million or more, "X" is 1.5% of the lowest responsive bid, with no dollar limit.

8. Section 3 Complaint Procedures. A complaint may be filed by Section 3 residents, Section 3 business concerns, or parties alleging noncompliance with the Section 3 regulations by the recipient or contractor. Complaints are reviewed and investigated by the Assistant Secretary for Fair Housing and Equal Opportunity and, where appropriate, voluntary resolutions are sought. Those complaints that are not resolved voluntarily may result in an administrative hearing. A complaint alleging a violation of Section 3 requirements shall be processed as follows.

- a. A complaint must be filed with the Assistant Secretary for Fair Housing and Equal Opportunity, U.S. Department of Housing and Urban Development, Washington, D.C., 20410.

- b. A complaint must be received not later than 180 days from the date of the action or omission upon which the complaint is based, unless the time for filing is extended by the Assistant Secretary for good cause shown.
 - c. Each complaint must be in writing, signed by the complainant, and include:
 - (1) The complainant's name and address;
 - (2) The name and address of the respondent; and
 - (3) Description of the acts or omissions by the respondent that is sufficient to inform the Assistant Secretary of the nature and date of the alleged noncompliance.
 - d. A complainant may provide information to be contained in a complaint by telephone to HUD or any HUD Field Office, and HUD will reduce the information provided by telephone to writing on the prescribed complaint form and sent the form to the complainant for signature.
9. Recordkeeping.
- a. The contractor/subcontractor who meets the Section 3 threshold requirement shall maintain all records, reports, and other documents demonstrating its efforts to achieve the Section 3 goals for training and employment and for contracts. This includes the contractor's subcontracting activities to achieve Section 3 goals. Such records shall identify the name and business address of each Section 3 subcontractor or vendor and the total dollar amount actually paid each Section 3 subcontractor or vendor with supporting documents.
 - b. Upon completion of the contract, the contractor/subcontractor who meets the Section 3 threshold requirement shall prepare a Section 3 Compliance Report and submit it to the contract awarding agency. Where the term of a contract extends beyond a fiscal year, the contractor/subcontractor shall submit a Section 3 Compliance Report to report Section 3 accomplishments during each fiscal year to the contract awarding agency.

FEDERAL EQUAL EMPLOYMENT OPPORTUNITY/
AFFIRMATIVE ACTION REQUIREMENTS

1. EQUAL OPPORTUNITY CLAUSE. During the performance of this contract, the contractor agrees as follows:

- a. The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, or national origin. Such action shall include, but not limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rated of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.
- b. The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, or national origin.
- c. The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided, advising the said labor union or workers' representative of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
- d. The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.
- e. The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by the rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

f. In the event of the contractor's noncompliance with the nondiscrimination clause of this or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole, or in part, and the contractor may be declared ineligible for further government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

g. the contractor will include the provisions of paragraph 1a through 1g in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to Section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance. Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

2. NOTICE OF REQUIREMENT FOR AFFIRMATIVE ACTION TO ENSURE
EQUAL EMPLOYMENT OPPORTUNITY (Executive Order 11246)

a. The Offeror's or Bidder's attention is called to the "Equal Opportunity Clause" and the "Standard Federal Equal Employment Specifications" set forth herein.

b. The goals and timetables for minority and female participation, expressed in percentage terms for the contractor's aggregate work force in each trade on all construction work in the covered area, are as follows:

<u>Timetables</u>	<u>Goals for Minority Participation for Each Trade</u>	<u>Goals for Female Participation in Each Trade</u>
	28.3%	6.9%

These goals are applicable to all the contractor's construction work (whether or not it is Federal or federally assisted) performed in the covered area. If the contractor performs construction work in a

geographical area located outside of the covered area, it shall apply the goals established for such geographical area where the work is actually performed. With regard to this second area, the contractor also is subject to the goals for both its federally involved and non-federally involved construction.

The contractor's compliance with the Executive Order and the regulations in 41 CFR Part 60-4 shall be based on its implementation of the Equal opportunity Clause, specific affirmative action obligations required by the specifications set forth in 41 CFR Part 60-4.3(a), and its efforts to meet the goals. The hours of minority and female employment and training must be substantially uniform throughout the length of the contract and in each trade, and the contractor shall make a good faith effort to employ minorities and women evenly on each of its projects. The transfer of minority or female employees or trainees from contractor to contractor or from project to project for the sole purpose of meeting the contractor's goals shall be a violation of the contract, the Executive Order, and the regulations of 41 CFR Part 60-4. Compliance with the goals will be measured against the total work hours performed.

c. The contractor shall provide written notification to the Director of the Office of Federal Contract Compliance Programs within 10 working days of award of any construction subcontract in excess of \$10,000 at any tier for construction work under the contract resulting from this solicitation. The notification shall list the name, address, and telephone number of the subcontractor; employer identification number of the subcontractor; estimated starting and completion dates of the subcontract; estimated starting and completion dates of the subcontract; and the geographical area in which the contract is to be performed.

d. As used in this notice, and in the contract resulting from this solicitation, the "covered area" is the Standard Metropolitan Statistical Area of Los Angeles-Long Beach, specifically the County of Los Angeles, State of California.

3. STANDARD FEDERAL EQUAL EMPLOYMENT SPECIFICATIONS
(Executive Order 11246)

a. As used in these specifications:

- (1) "Covered area" means the geographical area described in the solicitation from which this

Contract resulted;

- (2) "Director" means Director, Office of Federal Contract Compliance Programs, United States Department of Labor, or any person to whom the Director delegates authority;
 - (3) "Employer identification number" means the Federal Social Security Number used on the Employer's Quarterly Federal Tax Return, United States Treasury Department Form 941.
 - (4) "Minority" includes:
 - (a) Black (all persons having origins in any of the Black African racial groups not of Hispanic origin);
 - (b) Hispanic (all persons of Mexican, Puerto Rican, Cuban, Central or South American or other Spanish culture or origin, regardless of race);
 - (c) Asian and Pacific Islander (all persons having origins in any of the original peoples of the Far East, Southeast Asia, the Indian Subcontinent, or the Pacific Islands); and
 - (d) American Indian or Alaskan Native (all persons having origins in any of the original peoples of North America and maintaining identifiable tribal affiliations through membership and participation or community identification).
- b. Whenever the contractor, or any subcontractor at any tier, subcontracts a portion of the work involving any construction trade, it shall physically include in each subcontract in excess of \$10,000 the provisions of these specifications and the notice which contains the applicable goals for minority and female participation and which is set forth in the solicitations from which contract resulted.
- c. If the contractor is participating (pursuant to 41 CFR Part 6D-4.5) in a Hometown Plan approved by the United States Department of Labor in the covered area either individually or through an association, its affirmative action obligations on all work in the Plan area (including goals and

timetables) shall be in accordance with that Plan for those trades which have unions participating in the Plan. Contractors must be able to demonstrate their participation in and compliance with the provisions of any such Hometown Plan. Each contractor or subcontractor participating in an approved Plan is individually required to comply with its obligations under the equal Opportunity Clause, and to make a good faith effort to achieve each goal under the Plan in each trade in which it has employees. The overall good faith performance by other contractors or subcontractors toward a goal in an approved Plan does not excuse any covered contractor's or subcontractor's failure to take good faith efforts to achieve the Plan goals and timetables.

- d. The contractor shall implement the specific affirmative action standards provided in Paragraphs 3g(1) through 3g(16) of these specifications. The goals set forth in the solicitation from which this contract resulted are expressed as percentages of the total hours of employment and training of minority and female utilization the contractor should reasonably be able to achieve in each construction trade in which it has employees in the covered area. Covered construction contractors performing construction work in geographical areas where they do not have a Federal or federally assisted construction contract shall apply the minority and female goals established for the geographical area where the work is being performed. Goals are published periodically in the Federal Register in notice form, and such notices may be obtained from any Office of Federal Contract Compliance Programs office or from Federal procurement contracting officers. The contractor is expected to make substantially uniform progress in meeting its goals in each craft during the period specified.
- e. Neither the provisions of any collective bargaining agreement nor the failure by a union with whom the contractor has a collective bargaining agreement, to refer either minority or women shall excuse the contractor's obligations under these specifications, Executive Order 11246, or the regulations promulgated pursuant thereto.
- f. In order for the nonworking training hours of apprentices and trainees to be counted in meeting the goals, such apprentices and trainees must be employed by the contractor during the training period, and the contractor must have made a commitment to employ the apprentices and trainees at the completion of their training, subject to the availability of employment opportunities. Trainees must be trained pursuant to training programs approved by the United States Department of Labor.

- g. The contractor shall take specific affirmative actions to ensure equal employment opportunity. The evaluation of the contractor's compliance with these specifications shall be based upon its effort to achieve maximum results from its actions. The contractor shall document these efforts fully, and shall implement affirmative action steps at least as extensive as the following:
- (1) ensure and maintain a working environment free of harassment, intimidation, and coercion at all sites, and in all facilities at which the contractor's employees are assigned to work. The contractor, where possible, will assign two or more women to each construction project. The contractor shall specifically ensure that all foremen, superintendents, and other on-site supervisory personnel are aware of and carry out the contractor's obligation to maintain such a working environment, with specific attention to minority or female individuals working at such sites or in such facilities.
 - (2) Establish and maintain a current list of minority and female recruitment sources, provide written notification to minority and female recruitment sources and to community organizations when the contractor or its unions have employment opportunities available, and maintain a record of the organizations' responses.
 - (3) Maintain a current file of the names, addresses, and telephone numbers of each minority and female off-the-street applicant and minority or female referral from a union, a recruitment source, or community organization and of what action was taken with respect to each such individual. If such individual was sent to the union hiring hall for referral and was not referred back to the contractor by the union or, if referred, not employed by the contractor, this shall be documented in the file with the reason therefore, along with whatever additional actions the contractor may have taken.
 - (4) Provide immediate written notification to the director when the union or unions with which the contractor has a collective bargaining agreement has not referred to the contractor a minority person or woman sent by the contractor, or when the contractor has other information that the union referral process has impeded the contractor's efforts to meet its obligations.

- (5) Develop on-the-job training opportunities and/or participate in training programs for the area which expressly include minorities and women, including upgrading programs and apprenticeship and trainee programs relevant to the contractor's employment needs, especially those programs funded or approved by the Department of Labor. The contractor shall provide notice of these programs to the sources compiled under Paragraph 3g(2), above.
- (6) Disseminate the contractor's equal employment opportunity (EEO) policy by providing notice of the policy to unions and training programs and requesting their cooperation in assisting the contractor in meeting its EEO obligations; by including it in any policy with all management personnel and with all minority and female employees at least once a year; and by posting the company EEO policy on bulletin boards accessible to all employees at each location where construction work is performed.
- (7) Review, at least annually, the company's EEO policy and affirmative action obligations under these specifications with all employees having any responsibility for hiring, assignment, layoff, termination or other employment decisions including specific review of these items with on-site supervisory personnel such as Superintendents, General Foremen, etc., prior to the initiation of construction work at any job site. A written record shall be made and maintained identifying the time and place of these meetings, persons attending, subject matter discussed, and disposition of the subject matter.
- (8) Disseminate the contractor's EEO policy externally by including it in any advertising in the news media, specifically including minority and female news media, and providing written notification to and discussing the contractor's EEO policy with other contractors and subcontractors with whom the contractor does or anticipates doing business.

- (9) Direct its recruitment efforts, both oral and written, to minority, female, and community organizations; to schools with minority and female students; and to minority and female recruitment and training organizations serving the contractor's recruitment area and employment needs. Not later than one month prior to the date for the acceptance of applications for apprenticeship or other training by any recruitment sources, the contractor shall send written notification to organizations such as the above, describing opening, screening procedures, and tests to be used in the selection process.
- (10) Encourage present minority and female employees to recruit other minority persons and women and where reasonable, provide after school, summer, and vacation employment to minority and female youth, both on the side and in other areas of a contractor's work force.
- (11) Validate all tests and other selection requirements where there is an obligation to do so under 41 CFR Part 60-3.
- (12) Conduct, at least annually, an inventory and evaluation at least of all minority and female personnel for promotional opportunities and encourage these employees to seek or to prepare for, through appropriate training, etc., such opportunities.
- (13) Ensure that seniority practices, job classifications, work assignments, and other personnel practices do not have a discriminatory effect by continually monitoring all personnel and employment-related activities to ensure that the EEO policy and the contractor's obligations under these specifications are being carried out.
- (14) Ensure that all facilities and company activities are nonsegregated except that separate or single-user toilet and necessary changing facilities shall be provided to assure privacy between the sexes.
- (15) Document and maintain a record of all solicitations of offers for subcontracts from minority and female construction contractors and suppliers, including circulation of solicitations to minority and female contractor associations and other business associations.

- (16) Conduct a review, at least annually, of all supervisors' adherence to and performance under the contractor's EEO policies and affirmative action obligations.
- h. Contractors are encouraged to participate in voluntary associations which assist in fulfilling one or more of their affirmative action obligations described in Paragraphs 3g(1) through (16), above. The efforts of a contractor association, joint contractor-union, contractor-community, or other similar group of which the contractor is a member and participant, may be asserted as fulfilling any one or more of its obligations under Paragraphs 3g(1) through (16) of these specifications provided that the contractor actively participates in the group, makes every effort to ensure that the group has a positive impact on the employment of minorities and women in the industry, ensures that the concrete benefits of the program are reflected in the contractor's minority and female work force participation, makes a good faith effort to meet its individual goals and timetables, and can provide access to documentation which demonstrates the effectiveness of actions taken on behalf of the contractor. The obligation to comply, however, is the contractor's and failure of such a group to fulfill an obligation shall not be a defense for the contractor's noncompliance.
 - i. A single goal for minorities and a separate single goal for women have been established. The contractor, however, is required to provide equal employment opportunity and to take affirmative action for all minority groups, both male and female, and all women, both minority and non-minority. Consequently, the contractor may be in violation of the Executive Order if a particular group is employed in a substantially disparate manner (for example, even though the contractor has achieved its goals for women generally, the contractor may be in violation of the Executive Order if a specific minority group of women is underutilized).
 - j. The contractor shall not use the goals and timetables or affirmative action standards to discriminate against any person because of race, color, religion, sex, or national origin.
 - k. The contractor shall not enter into any subcontract with any person or firm debarred from Government contracts pursuant to Executive Order 11246.

- i. The contractor shall carry out such sanctions and penalties for violation of these specifications and of the Equal Opportunity Clause, including suspension, termination, and cancellation of existing subcontracts as may be imposed or ordered pursuant to Executive Order 11246, as amended, and its implementing regulations, by the Office of Federal Contract Compliance Programs. Any contractor who fails to carry out such sanctions and penalties shall be in violation of these specifications and Executive Order 11246, as amended.
- m. The contractor, in fulfilling its obligations under these specifications, shall implement specific affirmative action steps, at least as extensive as those standards prescribed in Paragraph 3g of these specifications, so as to achieve maximum results from its efforts to ensure equal employment opportunity. If the Executive Order, the implementing regulations, or these specifications, the Director shall proceed in accordance with 41 CFR Part 60-4.8.
- n. The contractor shall designate a responsible official to monitor all employment related activity to ensure that the company EEO policy is being carried out, to submit reports relating to the provisions hereof as may be required by the Government and to keep records. Records shall at least include for each employee his name, address, telephone numbers, construction trade, union affiliation, if any, employee identification number when assigned, social security number, race, sex, status (e.g., mechanic, apprentice trainee, helper, or laborer), dates of changes in status, hours worked per week in the indicated trade, rate of pay, and locations at which the work was performed. Records shall be maintained in an easily understandable and retrievable form; however, to the degree that existing records satisfy this requirement, contractors shall not be required to maintain separate records.
- o. Nothing herein provided shall be construed as a limitation upon the application of other laws which establish different standards of compliance or upon the application of requirements for the hiring, of local or other area residents (e.g., those under the Public Works Employment Act of 1977 and the Community Development Block Grant Programs).
- p. The Director, from time to time, shall issue goals and timetables for minority and female utilization which shall be based on appropriate work force, demographic or other relevant data and which shall cover construction projects or construction contracts performed in specific geographic areas.

The goals, which shall be applicable to each construction trade, shall be published as notices in the Federal Register, and shall be inserted by the contracting officers and applicants, as applicable, in the Notice required by 41 CFR 60-4.2. Covered construction contractors performing construction work in geographical areas where they do not have a Federal or federally assisted construction contract shall apply the minority and female goals established for the geographical area where the work is being performed.

4. SPECIFIC EEO REQUIREMENTS. For a federally assisted construction contract in excess of \$10,000, the contractor/subcontractor shall:

- a. Forward the following EEO certification forms to the contract awarding authority prior to contract award: Certification of Nonsegregated Facilities and Certification with Regard to the Performance of Previous Contracts or Subcontracts Subject to the Equal Opportunity Clause and the Filing of Required Reports.
- b. Submit a notification of subcontracts awarded to the Director, Office of Federal Contract Compliance Program, United States Department of Labor – ESA, 200 Constitution Avenue, NW, Room C3325, Washington, D.C., 20210, within 10 working days of award of any subcontract in excess of \$10,000, listing the name, address, and telephone number of the subcontractor; employer identification number; estimated dollar amount of the subcontract; estimated starting and completion dates of the subcontract; and the geographical area in which the contract is to be performed.
- c. Send a notice of the contractor's commitment to equal employment opportunity to labor unions or representatives of workers prior to commencement of construction work.
- d. Display an equal employment opportunity poster in a conspicuous place available to employees and applicants for employment.
- e. For contracts in excess of \$10,000, bind subcontractors to the Federal equal employment opportunity requirements by including the provisions of Paragraph 1 through 3, above, in the subcontract.

5. CIVIL RIGHTS ACT OF 1964. Under Title VI of the Civil Rights Act of 1964,

6. SECTION 109 OF THE HOUSING AND COMMUNITY DEVELOPMENT ACT OF 1974. A. 1. (i) Minimum Wages. All laborers and mechanics employed or working upon the site of the work, will be paid unconditionally and not less often than once a week, and without subsequent deduction or rebate on any account (except such payroll deductions as are permitted by regulations issued by the Secretary of Labor under the Copeland Act (29 CFR Part 3), the full amount of wages and bona fide fringe benefits (or cash equivalents thereof) due at time of payment computed at rates not less than those contained in the wage determination of the Secretary of Labor which is attached hereto and made a part hereof, regardless of any contractual relationship which may be alleged to exist between the contractor and such laborers and mechanics. Contributions made or costs reasonably anticipated for bona fide fringe benefits under Section 1(b)(2) of the Davis-Bacon Act on behalf of laborers or mechanics are considered wages paid to such laborers or mechanics, subject to the provisions of 29 CFR 5.5(a)(1)(iv); also, regular contributions made or costs incurred for more than a weekly period (but not less often than quarterly) under plans, funds, or programs, which cover the particular weekly period, are deemed to be constructively made or incurred during such weekly period.

Such laborers and mechanics shall be paid the appropriate wage rate and fringe benefits on the wage determination for the classification of work actually performed, without regard to skill, except as provided in 29 CFR 5.5(a)(4). Laborers or mechanics performing work in more than one classification may be compensated at the rate specified for each classification for the time actually worked therein: Provided, That the employer's payroll records accurately set forth the time spent in each classification in which work is performed. The wage determination (including any additional classification and wage rates conformed under 29 CFR 5.5(a)(1)(ii) and the Davis-Bacon poster (WH-1321) shall be posted at all times by the contractor and its subcontractors at the site of the work in a prominent and accessible, place where it can be easily seen by the workers.

(ii) (a) Any class of laborers or mechanics which is not listed in the wage determination and which is to be employed under the contract shall be classified in conformance with the wage determination. HUD shall approve an additional classification and wage rate and fringe benefits therefor only when the following criteria have been met:

(1) The work to be performed by the classification requested is not performed by a classification in the wage determination; and

(2) The classification is utilized in the area by the construction industry; and

(3) The proposed wage rate, including any bona fide fringe benefits, bears a reasonable relationship to the wage rates contained in the wage determination.

(b) If the contractor and the laborers and mechanics to be employed in the classification (if known), or their representatives, and HUD or its designee agree on the classification and wage rate (including the amount designated for fringe benefits where appropriate), a report of the action taken shall be sent by HUD or its designee to the Administrator of the Wage and Hour Division, Employment Standards Administration, U.S. Department of Labor, Washington, D.C. 20210. The Administrator, or an authorized representative, will approve, modify, or disapprove every additional classification action within 30 days of receipt and so advise HUD or its designee or will notify HUD or its designee within the 30-day period that additional time is necessary. (Approved by the Office of Management and Budget under OMB control number 1215-0140.)

(c) In the event the contractor, the laborers or mechanics to be employed in the classification or their representatives, and HUD or its designee do not agree on the proposed classification and wage rate (including the amount designated for fringe benefits, where appropriate), HUD or its designee shall refer the questions, including the views of all interested parties and the recommendation of HUD or its designee, to the Administrator for determination. The Administrator, or an authorized representative, will issue a determination within 30 days of receipt and so advise HUD or its designee or will notify HUD or its designee within the 30-day period that additional time is necessary. (Approved by the Office of Management and Budget under OMB Control Number 1215-0140.)

(d) The wage rate (including fringe benefits where appropriate) determined pursuant to subparagraphs (1)(ii)(b) or (c) of this paragraph, shall be paid to all workers performing work in the classification under this contract from the first day on which work is performed in the classification.

(iii) Whenever the minimum wage rate prescribed in the contract for a class of laborers or mechanics includes a fringe benefit which is not expressed as an hourly rate, the contractor shall either pay the benefit as stated in the wage determination or shall pay another bona fide fringe benefit or an hourly cash equivalent thereof.

(iv) If the contractor does not make payments to a trustee or other third person, the contractor may consider as part

of the wages of any laborer or mechanic the amount of any costs reasonably anticipated in providing bona fide fringe benefits under a plan or program. Provided, That the Secretary of Labor has found, upon the written request of the contractor, that the applicable standards of the Davis-Bacon Act have been met. The Secretary of Labor may require the contractor to set aside in a separate account assets for the meeting of obligations under the plan or program. (Approved by the Office of Management and Budget under OMB Control Number 1215-0140.)

2. **Withholding.** HUD or its designee shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld from the contractor under this contract or any other Federal contract with the same prime contractor, or any other Federally-assisted contract subject to Davis-Bacon prevailing wage requirements, which is held by the same prime contractor so much of the accrued payments or advances as may be considered necessary to pay laborers and mechanics, including apprentices, trainees and helpers, employed by the contractor or any subcontractor the full amount of wages required by the contract in the event of failure to pay any laborer or mechanic, including any apprentice, trainee or helper, employed or working on the site of the work, all or part of the wages required by the contract, HUD or its designee may, after written notice to the contractor, sponsor, applicant, or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds until such violations have ceased. HUD or its designee may, after written notice to the contractor, disburse such amounts withheld for and on account of the contractor or subcontractor to the respective employees to whom they are due. The Comptroller General shall make such disbursements in the case of direct Davis-Bacon Act contracts.

3. (1) **Payrolls and basic records.** Payrolls and basic records relating thereto shall be maintained by the contractor during the course of the work preserved for a period of three years thereafter for all laborers and mechanics working at the site of the work. Such records shall contain the name, address, and social security number of each such worker, his or her correct classification, hourly rates of wages paid (including rates of contributions or costs anticipated for bona fide fringe benefits or cash equivalents thereof of the types described in Section 1(b)(2)(B) of the Davis-Bacon Act), daily and weekly number of hours worked, deductions made and actual wages paid. Whenever the Secretary of Labor has found under 29 CFR 5.5 (a)(1)(iv) that the wages of any laborer or mechanic include the amount of any costs reasonably anticipated in providing benefits under a plan or program described in Section 1(b)(2)(B) of the Davis-Bacon Act, the contractor shall maintain records which show that the commitment to provide such benefits is enforceable, that the plan or program is financially responsible, and that the plan or program has been

communicated in writing to the laborers or mechanics affected, and records which show the costs anticipated or the actual cost incurred in providing such benefits. Contractors employing apprentices or trainees under approved programs shall maintain written evidence of the registration of apprenticeship programs and certification of trainee programs, the registration of the apprentices and trainees, and the ratios and wage rates prescribed in the applicable programs. (Approved by the Office of Management and Budget under OMB Control Numbers 1215-0140 and 1215-0017.)

(ii) (a) The contractor shall submit weekly for each week in which any contract work is performed a copy of all payrolls to HUD or its designee if the agency is a party to the contract, but if the agency is not such a party, the contractor will submit the payrolls to the applicant sponsor, or owner, as the case may be, for transmission to HUD or its designee. The payrolls submitted shall set out accurately and completely all of the information required to be maintained under 29 CFR 5.5(a)(3)(i) except that full social security numbers and home addresses shall not be included on weekly transmittals. Instead the payrolls shall only need to include an individually identifying number for each employee (e.g., the last four digits of the employee's social security number). The required weekly payroll information may be submitted in any form desired. Optional Form WH-347 is available for this purpose from the Wage and Hour Division Web site at <http://www.dol.gov/esa/whd/forms/wh347instr.htm> or its successor site. The prime contractor is responsible for the submission of copies of payrolls by all subcontractors. Contractors and subcontractors shall maintain the full social security number and current address of each covered worker, and shall provide them upon request to HUD or its designee if the agency is a party to the contract, but if the agency is not such a party, the contractor will submit the payrolls to the applicant sponsor, or owner, as the case may be, for transmission to HUD or its designee, the contractor, or the Wage and Hour Division of the Department of Labor for purposes of an investigation or audit of compliance with prevailing wage requirements. It is not a violation of this subparagraph for a prime contractor to require a subcontractor to provide addresses and social security numbers to the prime contractor for its own records, without weekly submission to HUD or its designee. (Approved by the Office of Management and Budget under OMB Control Number 1215-0149.)

(b) Each payroll submitted shall be accompanied by a "Statement of Compliance," signed by the contractor or subcontractor or his or her agent who pays or supervises the payment of the persons employed under the contract and shall certify the following:

(1) That the payroll for the payroll period contains the information required to be provided under 29 CFR 5.5 (a)(3)(ii), the appropriate information is being maintained under 29 CFR 5.5(a)(3)(i), and that such information is correct and complete;

form HUD-4010 (06/2009)
ref. Handbook 1344.1

(2) That each laborer or mechanic (including each helper, apprentice, and trainee) employed on the contract during the payroll period has been paid the full weekly wages earned, without rebate, either directly or indirectly, and that no deductions have been made either directly or indirectly from the full wages earned, other than permissible deductions as set forth in 29 CFR Part 3;

(3) That each laborer or mechanic has been paid not less than the applicable wage rates and fringe benefits or cash equivalents for the classification of work performed, as specified in the applicable wage determination incorporated into the contract.

(c) The weekly submission of a properly executed certification set forth on the reverse side of Optional Form WH-347 shall satisfy the requirement for submission of the "Statement of Compliance" required by subparagraph A.3.(ii)(b).

(d) The falsification of any of the above certifications may subject the contractor or subcontractor to civil or criminal prosecution under Section 1001 of Title 18 and Section 231 of Title 31 of the United States Code.

(iii) The contractor or subcontractor shall make the records required under subparagraph A.3.(i) available for inspection, copying, or transcription by authorized representatives of HUD or its designee or the Department of Labor, and shall permit such representatives to interview employees during working hours on the job. If the contractor or subcontractor fails to submit the required records or to make them available, HUD or its designee may, after written notice to the contractor, sponsor, applicant or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds. Furthermore, failure to submit the required records upon request or to make such records available may be grounds for debarment action pursuant to 29 CFR 5.12.

4. Apprentices and Trainees.

(i) Apprentices. Apprentices will be permitted to work at less than the predetermined rate for the work they performed when they are employed pursuant to and individually registered in a bona fide apprenticeship program registered with the U.S. Department of Labor, Employment and Training Administration, Office of Apprenticeship Training, Employer and Labor Services, or with a State Apprenticeship Agency recognized by the Office, or if a person is employed in his or her first 90 days of probationary employment as an apprentice in such an apprenticeship program, who is not individually registered in the program, but who has been certified by the Office of Apprenticeship Training, Employer and Labor Services or a State Apprenticeship Agency (where appropriate) to be eligible for probationary employment as an apprentice. The allowable ratio of apprentices to journeymen on the job site in any craft classification shall not be greater than the ratio permitted to the contractor as to the entire work force under the registered program. Any worker listed on a payroll at an apprentice wage rate, who

is not registered or otherwise employed as stated above, shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any apprentice performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. Where a contractor is performing construction on a project in a locality other than that in which its program is registered, the ratios and wage rates (expressed in percentages of the journeyman's hourly rate) specified in the contractor's or subcontractor's registered program shall be observed. Every apprentice must be paid at not less than the rate specified in the registered program for the apprentice's level of progress, expressed as a percentage of the journeymen hourly rate specified in the applicable wage determination. Apprentices shall be paid fringe benefits in accordance with the provisions of the apprenticeship program. If the apprenticeship program does not specify fringe benefits, apprentices must be paid the full amount of fringe benefits listed on the wage determination for the applicable classification. If the Administrator determines that a different practice prevails for the applicable apprentice classification, fringes shall be paid in accordance with that determination. In the event the Office of Apprenticeship Training, Employer and Labor Services, or a State Apprenticeship Agency recognized by the Office, withdraws approval of an apprenticeship program, the contractor will no longer be permitted to utilize apprentices at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

(ii) Trainees. Except as provided in 29 CFR 5.16, trainees will not be permitted to work at less than the predetermined rate for the work performed unless they are employed pursuant to and individually registered in a program which has received prior approval, evidenced by formal certification by the U.S. Department of Labor, Employment and Training Administration. The ratio of trainees to journeymen on the job site shall not be greater than permitted under the plan approved by the Employment and Training Administration. Every trainee must be paid at not less than the rate specified in the approved program for the trainee's level of progress, expressed as a percentage of the journeyman hourly rate specified in the applicable wage determination. Trainees shall be paid fringe benefits in accordance with the provisions of the trainee program. If the trainee program does not mention fringe benefits, trainees shall be paid the full amount of fringe benefits listed on the wage determination unless the Administrator of the Wage and Hour Division determines that there is an apprenticeship program associated with the corresponding journeyman wage rate on the wage determination which provides for less than full fringe benefits for apprentices. Any employee listed on the payroll at a trainee rate who is not registered and participating in a training plan approved by

the Employment and Training Administration shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. In addition, any trainee performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. In the event the Employment and Training Administration withdraws approval of a training program, the contractor will no longer be permitted to utilize trainees at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

(iii) **Equal employment opportunity.** The utilization of apprentices, trainees and journeymen under 29 CFR Part 5 shall be in conformity with the equal employment opportunity requirements of Executive Order 11246, as amended, and 29 CFR Part 30.

5. **Compliance with Copeland Act requirements.** The contractor shall comply with the requirements of 29 CFR Part 3 which are incorporated by reference in this contract.

6. **Subcontracts.** The contractor or subcontractor will insert in any subcontracts the clauses contained in subparagraphs 1 through 11 in this paragraph A and such other clauses as HUD or its designee may by appropriate instructions require, and a copy of the applicable prevailing wage decision, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all the contract clauses in this paragraph.

7. **Contract termination; debarment.** A breach of the contract clauses in 29 CFR 5.5 may be grounds for termination of the contract and for debarment as a contractor and a subcontractor as provided in 29 CFR 5.12.

8. **Compliance with Davis-Bacon and Related Act Requirements.** All rulings and interpretations of the Davis-Bacon and Related Acts contained in 29 CFR Parts 1, 3, and 5 are herein incorporated by reference in this contract.

9. **Disputes concerning labor standards.** Disputes arising out of the labor standards provisions of this contract shall not be subject to the general disputes clause of this contract. Such disputes shall be resolved in accordance with the procedures of the Department of Labor set forth in 29 CFR Parts 5, 6, and 7. Disputes within the meaning of this clause include disputes between the contractor (or any of its subcontractors) and HUD or its designee, the U.S. Department of Labor, or the employees or their representatives.

10. (i) **Certification of Eligibility.** By entering into this contract the contractor certifies that neither it (nor he or she) nor any person or firm who has an interest in the contractor's firm is a person or firm ineligible to be awarded Government contracts by virtue of Section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1) or to be

awarded HUD contracts or participate in HUD programs pursuant to 24 CFR Part 24.

Additionally, U.S. Criminal Code, Section 1010, Title 18, U.S.C., "Federal Housing Administration transactions", provides in part: "Whoever, for the purpose of . . . influencing in any way the action of such Administration . . . makes, utters or publishes any statement knowing the same to be false . . . shall be fined not more than \$5,000 or imprisoned not more than two years, or both."

11. **Complaints, Proceedings, or Testimony by Employees.** No laborer or mechanic to whom the wage, salary, or other labor standards provisions of this Contract are applicable shall be discharged or in any other manner discriminated against by the Contractor or any subcontractor because such employee has filed any complaint or instituted or caused to be instituted any proceeding or has testified or is about to testify in any proceeding under or relating to the labor standards applicable under this Contract to his employer.

B. **Contract Work Hours and Safety Standards Act.** The provisions of this paragraph B are applicable where the amount of the prime contract exceeds \$100,000. As used in this paragraph, the terms "laborers" and "mechanics" include watchmen and guards.

(1) **Overtime requirements.** No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which the individual is employed on such work to work in excess of 40 hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of 40 hours in such workweek.

(2) **Violation; liability for unpaid wages; liquidated damages.** In the event of any violation of the clause set forth in subparagraph (1) of this paragraph, the contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in subparagraph (1) of this paragraph, in the sum of \$10 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of 40 hours without payment of the overtime wages required by the clause set forth in subparagraph (1) of this paragraph.

(3) **Withholding for unpaid wages and liquidated damages.** HUD or its designee shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the contractor or subcontractor under any such contract or any other Federal contract with the same prime contract, or any other Federally-assisted contract subject to the Contract Work Hours and Safety Standards Act which is held by the same prime contractor such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in subparagraph (2) of this paragraph.

(4) **Subcontracts.** The contractor or subcontractor shall insert in any subcontracts the clauses set forth in subparagraph (1) through (4) of this paragraph and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in subparagraphs (1) through (4) of this paragraph.

C. Health and Safety. The provisions of this paragraph C are applicable where the amount of the prime contract exceeds \$100,000.

(3) The contractor shall include the provisions of this paragraph in every subcontract so that such provisions will be binding on each subcontractor. While completion of Form WH-367 is optional, it is mandatory for covered contractors and subcontractors performing work on Federally financed or assisted construction contracts to respond to the information collection contained in 29 C.F.R. §§ 3.3, 5.5(a). The Copeland Act (40 U.S.C. § 3145) contractors and subcontractors performing work on Federally financed or assisted construction contracts to "furnish weekly a statement with respect to the wages paid each employee during the preceding week." U.S. Department of Labor (DOL) regulations at 29 C.F.R. § 5.5(a)(3)(ii) require contractors to submit weekly a copy of all payrolls to the Federal agency contracting for or financing the construction project, accompanied by a signed "Statement of Compliance" indicating that the payrolls are correct and complete and that each above or mechanic has been paid not less than the proper Davis-Bacon prevailing wage rate for the work performed. DOL and federal contracting agencies receiving this information review the information to determine that employers have received legally required wages and fringe benefits.

Instructions For Completing Payroll Form, WH-347

General: The use of the WH-347 payroll form is not mandatory. This form has been made available for the convenience of contractors and subcontractors required by their Federal or Federally-aided construction-type contracts and subcontracts to submit weekly payrolls. Properly filled out, this form will satisfy the requirements of Regulations, Parts 3 and 5 (29 CFR, Subtitle A), as to payrolls submitted in connection with contracts subject to the Davis-Bacon and related Acts.

This form meets needs resulting from the amendment of Davis-Bacon Act to include fringe benefits provisions. Under this amended law, the contractor is required to pay not less than fringe benefits as predetermined by the Department of Labor, in addition to payment of not less than the predetermined rates. The contractor's obligation to pay fringe benefits may be met either by payment of the fringes to the various plans, funds or programs or by making these payments to the employees as cash in lieu of fringes.

This payroll provides for the contractor's showing on the face of the payroll all monies to the employees, whether as basic rates or as cash in lieu of fringes and provides for the contractor's representation in the statement of compliance on the rear of the payroll that he is paying to other fringes required by the contract and not paid as cash in lieu of fringes. Detailed instructions concerning the preparation of the payroll follow:

Contractor or Subcontractor: Fill in your firm's name and check appropriate box.

Address: Fill in your firm's address.

Column 1 - Name, Address, and Social Security number of Employee:

The employee's full name must be shown on each weekly payroll submitted. The employee's address must also be shown on the payroll covering the first week in which the employee works on the project. The address need not be shown on subsequent weekly payrolls unless his address changes. Although not required by Regulations, Parts 3 and 5, space is available in the name and address section so that Social Security numbers may be listed.

Column 2 - Withholding Exemptions: This column is merely inserted for the employer's convenience and is not a requirement of Regulations, Part 3

and 5.

Column 3 - Work Classifications: List classification descriptive of work actually performed by employees. Consult classification and minimum wage schedule set forth in contract specifications. If additional classifications are deemed necessary, see Contracting Officer or Agency representative. Employee may be shown as having worked in more than one classification provided accurate breakdown of hours so worked is maintained and shown on submitted payroll by use of separate entries.

Column 4 - Hours worked: On all contracts subject to the Contract Work Hours Standard Act enter as overtime hours worked in excess of 8 hours per day and 40 hours a week.

Column 5 - Total: Self-explanatory

Column 6 - Rate of Pay, including Fringe Benefits: In straight time box, list actual hourly rate paid the employee for straight time worked plus in cash in lieu of fringes paid the employee. When recording the straight time hourly rate, any cash paid in lieu of fringes may be shown separately from the basic rate, thus \$3.25/.40. This is of assistance in correctly computing overtime. See "Fringe Benefits" below. In overtime box shown overtime hourly rate paid, plus any cash in lieu of fringes paid the employee. See "Fringe Benefits" below. Payment of not less than time and one-half the basic or regular rate paid is required for overtime under the Contract Work Hours Standard Act of 1937. In addition to paying no less than the predetermined rate for the classification which the employee works, the contractor shall pay to approved plans, funds or programs or shall pay as cash in lieu of fringes amounts predetermined as fringe benefits in the wage decision made part of the contract. See "FRINGE BENEFITS" below.

FRINGE BENEFITS - Contractors who pay all required fringe benefits: A contractor who pays fringe benefits to approved plans, funds, or programs in amounts not less than were determined in the applicable wage decision of the Secretary of labor shall continue to show on the face of the payroll the basic cash hourly rate and overtime rate paid to his employees just as he has always done. Such a contractor shall check paragraph 4(a) of the statement on the reverse of the payroll to indicate that he is also paying to approved plans, funds or programs not less than the amount predetermined as fringe benefits for each craft. Any exceptions shall be noted in section 4(c).

Contractors who pay no fringe benefits: A contractor who pays no fringe benefits shall pay to the employee, and insert in the straight time hourly rate column of the payroll, an amount not less than the predetermined rate for each classification plus the amount of fringe benefits determined for each classification in the applicable wage decision. Inasmuch as it is not necessary to pay time and a half on cash paid in lieu of fringes, the overtime rate shall be not less than the sum of the basic predetermined rate, plus the half time premium on basic or regular rate, plus the required cash in lieu of fringes at the straight time rate. In addition, the contractor shall check paragraph 4(b) of the statement on the reverse of the payroll to indicate that he is paying fringe benefits in cash directly to his employees. Any exceptions shall be noted in

Any exceptions to Section 4(a) or 4(b), whichever the contractor may check, shall be entered in section 4(c). Enter in the Exception column the craft, and enter in the Explanation column the hourly amount paid the employee as cash in lieu of fringes and the hourly amount paid to plans, funds, or programs as fringes. The contractor shall pay, and shall show that he is paying to each such employee for all hours (unless otherwise provided by applicable determination) worked on Federal or Federally assisted project an amount not less than the predetermined rate plus cash in lieu of fringes as shown in Section 4(c). The rate paid and amount of cash paid in lieu of fringe benefits per hour should be entered in column 6 on the payroll. Column 7 - Gross Amount Earned: Enter gross amount earned on this project. If part of the employees' weekly wage was earned on projects other than the project described on this payroll, enter in column 7 first the amount earned on the Federal or Federally assisted project and then the gross amount earned during the week on all projects, thus \$63.00/\$120.00.

If more than five deduction should be involved, use first 4 columns; show the balance deductions under "Other" column; show actual total under "Total Deductions" column; and in the attachment to the payroll describe the deduction contained in the "Other" column. All deductions must be in accordance with the provisions of the Copeland Act Regulations, 29 CFR, Part 3. If the employee worked on other jobs in addition to this project, show actual deductions from his weekly gross wage, but indicate that deductions are based on his gross wages.

Column 9 - Net Wages Paid for Week: Self-explanatory

Totals - Space has been left at the bottom of the columns so that totals may be shown if the contractor so desires.

Statement Required by Regulations, Parts 3 and 5: While this form need not be notarized, the statement on the back of the payroll is subject to the penalties provided by 18 USC 1001, namely, possible imprisonment of 5 years or \$10,000.00 fine or both. Accordingly, the party signing this statement should have knowledge of the facts represented as true.

Space has been provided between item (1) and (2) of the statement for describing any deductions made. Equal Employment Opportunity is THE LAW

Private Employers, State and Local Governments, Educational Institutions, Employment Agencies and Labor Organizations

Applicants to and employees of most private employers, state and local governments, educational institutions, employment agencies and labor organizations are protected under Federal law from discrimination on the following bases:

RACE, COLOR, RELIGION, SEX, NATIONAL ORIGIN

Title VII of the Civil Rights Act of 1964, as amended, protects applicants and employees from discrimination in hiring, promotion, discharge, pay, fringe benefits, job training, classification, referral, and other aspects of employment, on the basis of race, color, religion, sex (including pregnancy), or national origin. Religious discrimination includes failing to reasonably accommodate an employee's religious practices where the accommodation does not impose undue hardship.

DISABILITY

Title I and Title V of the Americans with Disabilities Act of 1990, as amended, protect qualified individuals from discrimination on the basis of disability in hiring, promotion, discharge, pay, fringe benefits, job training, classification, referral, and other aspects of employment. Disability discrimination includes not making reasonable accommodation to the known physical or mental limitations of an otherwise qualified individual with a disability who is an applicant or employee, barring undue hardship.

AGE

The Age Discrimination in Employment Act of 1967, as amended, protects applicants and employees 40 years of age or older from discrimination based on age in hiring, promotion, discharge, pay, fringe benefits, job training, classification, referral, and other aspects of employment.

SEX (WAGES)

In addition to sex discrimination prohibited by Title VII of the Civil Rights Act, as amended, the Equal Pay Act of 1963, as amended, prohibits sex discrimination in the payment of wages to women and men performing substantially equal work, in jobs that require equal skill, effort, and responsibility, under similar working conditions, in the same establishment.

GENETICS

Title II of the Genetic Information Nondiscrimination Act of 2008 protects applicants and employees from discrimination based on genetic information in hiring, promotion, discharge, pay, fringe benefits, job training, classification, referral, and other aspects of employment. GINA also restricts employers' acquisition of genetic information and strictly limits disclosure of genetic information. Genetic information includes information about genetic tests of applicants, employees, or their family members; the manifestation of diseases or disorders in family members (family medical history); and requests for or receipt of genetic services by applicants, employees, or their family members.

RETALIATION

All of these Federal laws prohibit covered entities from retaliating against a person who files a charge of discrimination, participates in a discrimination proceeding, or otherwise opposes an unlawful employment practice.

WHAT TO DO IF YOU BELIEVE DISCRIMINATION HAS OCCURRED

There are strict time limits for filing charges of employment discrimination. To preserve the ability of EEOC to act on your behalf and to protect your right to file a private lawsuit, should you ultimately need to, you should contact EEOC promptly when discrimination is suspected.

The U.S. Equal Employment Opportunity Commission (EEOC), 1-800-669-4000 (toll-free) or 1-800-669-6820 (toll-free TTY number for individuals with hearing impairments). Additional information about EEOC, including information about charge filing, is available at www.eeoc.gov.

Employers Holding Federal Contracts or Subcontracts

Applicants to and employees of companies with a Federal government contract or subcontract are protected under Federal law from discrimination on the following bases:

RACE, COLOR, RELIGION, SEX, NATIONAL ORIGIN

Executive Order 11246, as amended, prohibits job discrimination on the basis of race, color, religion, sex or national origin, and requires affirmative action to ensure equality of opportunity in all aspects of employment.

INDIVIDUALS WITH DISABILITIES

Section 503 of the Rehabilitation Act of 1973, as amended, protects qualified individuals from discrimination on the basis of disability in hiring, promotion, discharge, pay, fringe benefits, job training, classification, referral, and other aspects of employment. Disability discrimination includes not making reasonable accommodation to the known physical or mental limitations of an otherwise qualified individual with a disability who is an applicant or employee, barring undue hardship. Section 503 also requires that Federal contractors take affirmative action to employ and advance in employment qualified individuals with disabilities at all levels of employment, including the executive level.

DISABLED, RECENTLY SEPARATED, OTHER PROTECTED,

AND ARMED FORCES SERVICE MEDAL VETERANS

The Vietnam Era Veterans' Readjustment Assistance Act of 1974, as amended, 38 U.S.C. 4212, prohibits job discrimination and requires affirmative action to employ and advance in employment disabled veterans, recently separated veterans (within

three years of discharge or release from active duty), other protected veterans (veterans who served during a war or in a campaign or expedition for which a campaign badge has been authorized), and Armed Forces service medal veterans (veterans who, while on active duty, participated in a U.S. military operation for which an Armed Forces service medal was awarded).

RETALIATION

Retaliation is prohibited against a person who files a complaint of discrimination, participates in an OFCCP proceeding, or otherwise opposes discrimination under these Federal laws.

Any person who believes a contractor has violated its nondiscrimination or affirmative action obligations under the authorities above should contact immediately:

The Office of Federal Contract Compliance Programs (OFCCP), U.S. Department of Labor, 200 Constitution Avenue, N.W., Washington, D.C. 20210, 1-800-397-6251 (toll-free) or (202) 693-1337 (TTY). Programs or Activities Receiving Federal Financial Assistance

RACE, COLOR, NATIONAL ORIGIN, SEX

In addition to the protections of Title VII of the Civil Rights Act of 1964, as amended, Title VI of the Civil Rights Act of 1964, as amended, prohibits discrimination on the basis of race, color or national origin in programs or activities receiving Federal financial assistance. Employment discrimination is covered by Title VI if the primary objective of the financial assistance is provision of employment, or where employment discrimination causes or may cause discrimination in providing services under such programs. Title IX of the Education Amendments of 1972 prohibits employment discrimination on the basis of sex in educational programs or activities which receive Federal financial assistance.

INDIVIDUALS WITH DISABILITIES

Section 504 of the Rehabilitation Act of 1973, as amended, prohibits employment discrimination on the basis of disability in any program or activity which receives Federal financial assistance. Discrimination is prohibited in all aspects of employment against persons with disabilities who, with or without reasonable accommodation, can perform the essential functions of the job.

Such a contractor shall check paragraph 4(a) of the statement to indicate that he is also paying to approved plans, funds, or programs not less than the amount predetermined as fringe benefits for each craft. Any exception shall be noted in Section 4(c).

Contractors who pay no fringe benefits:

A contractor who pays no fringe benefits shall pay to the employee and insert in the straight time hourly rate column of his payroll an amount not less than the predetermined rate for each classification plus the amount of fringe benefits determined for each classification in the applicable wage decision. Inasmuch as it is not necessary to pay time and a half on cash paid in lieu of fringes, the overtime rate shall be not less than the sum of the basic predetermined rate, plus the half time premium on the basic or regular rate plus the required cash in lieu of fringes at the straight time rate. To simplify computation of overtime, it is suggested that the straight time basic rate and cash in lieu of fringes be separately stated in the hourly rate column, thus \$3.25/.40. In addition, the contractor shall check paragraph 4(b) of the statement to indicate that he is paying fringe benefits in cash directly to his employees. Any exceptions shall be noted in Section 4(c).

Use of Section 4(c), Exceptions

Any contractor who is making payment to approved plans, funds, or programs in amounts less than the wage determination requires is obliged to pay the deficiency directly to the employees as cash in lieu of fringes. Any exceptions to Section 4(a) or 4(b), whichever the contractor may check, shall be entered in Section 4(c). Enter in the Exception column the craft, and enter in the Explanation column the hourly amount paid the employees as cash in lieu of fringes, and the hourly amount paid to plans, funds, or programs as fringes.

Note: Executive Order (EO) 13706, Establishing Paid Sick Leave
for Federal Contractors applies to all contracts subject to the
Davis-Bacon Act for which the contract is awarded (and any
solicitation was issued) on or after January 1, 2017. If this
contract is covered by the EO, the contractor must provide
employees with 1 hour of paid sick leave for every 30 hours
they work, up to 56 hours of paid sick leave each year.
Employees must be permitted to use paid sick leave for their
own illness, injury or other health-related needs, including
preventive care; to assist a family member (or person who is
like family to the employee) who is ill, injured, or has other
health-related needs, including preventive care; or for reasons
resulting from, or to assist a family member (or person who is
like family to the employee) who is a victim of, domestic
violence, sexual assault, or stalking. Additional information
on contractor requirements and worker protections under the EO
is available at www.dol.gov/whd/govcontracts.

Unlisted classifications needed for work not included within
the scope of the classifications listed may be added after
award only as provided in the labor standards contract clauses
(29CFR 5.5 (a) (1) (ii)).

The body of each wage determination lists the classification
and wage rates that have been found to be prevailing for the
cited type(s) of construction in the area covered by the wage
determination. The classifications are listed in alphabetical
order of "identifiers" that indicate whether the particular
rate is a union rate (current union negotiated rate for local),

a survey rate (weighted average rate) or a union average rate (weighted union average rate).

Union Rate Identifiers

A four letter classification abbreviation identifier enclosed in dotted lines beginning with characters other than "SU" or "UAVG" denotes that the union classification and rate were prevailing for that classification in the survey. Example: PLUM0198-005 07/01/2014. PLUM is an abbreviation identifier of the union which prevailed in the survey for this classification, which in this example would be Plumbers. 0198 indicates the local union number or district council number where applicable, i.e., Plumbers Local 0198. The next number, 005 in the example, is an internal number used in processing the wage determination. 07/01/2014 is the effective date of the most current negotiated rate, which in this example is July 1, 2014.

Union prevailing wage rates are updated to reflect all rate changes in the collective bargaining agreement (CBA) governing this classification and rate.

Survey Rate Identifiers

Classifications listed under the "SU" identifier indicate that no one rate prevailed for this classification in the survey and the published rate is derived by computing a weighted average rate based on all the rates reported in the survey for that classification. As this weighted average rate includes all rates reported in the survey, it may include both union and non-union rates. Example: SULA2012-007 5/13/2014. SU indicates the rates are survey rates based on a weighted average calculation of rates and are not majority rates. LA indicates the State of Louisiana. 2012 is the year of survey on which these classifications and rates are based. The next number, 007 in the example, is an internal number used in producing the wage determination. 5/13/2014 indicates the survey completion date for the classifications and rates under that identifier.

Survey wage rates are not updated and remain in effect until a new survey is conducted.

Union Average Rate Identifiers

Classification(s) listed under the UAVG identifier indicate that no single majority rate prevailed for those classifications; however, 100% of the data reported for the classifications was union data. EXAMPLE: UAVG-OH-0010 08/29/2014. UAVG indicates that the rate is a weighted union average rate. OH indicates the state. The next number, 0010 in the example, is an internal number used in producing the wage determination. 08/29/2014 indicates the survey completion date for the classifications and rates under that identifier.

A UAVG rate will be updated once a year, usually in January of each year, to reflect a weighted average of the current negotiated/CBA rate of the union locals from which the rate is based.

WAGE DETERMINATION APPEALS PROCESS

1.) Has there been an initial decision in the matter? This can be:

- * an existing published wage determination
- * a survey underlying a wage determination
- * a Wage and Hour Division letter setting forth a position on a wage determination matter
- * a conformance (additional classification and rate) ruling

On survey related matters, initial contact, including requests for summaries of surveys, should be with the Wage and Hour Regional Office for the area in which the survey was conducted because those Regional Offices have responsibility for the Davis-Bacon survey program. If the response from this initial contact is not satisfactory, then the process described in 2.) and 3.) should be followed.

With regard to any other matter not yet ripe for the formal process described here, initial contact should be with the Branch of Construction Wage Determinations. Write to:

Branch of Construction Wage Determinations
Wage and Hour Division
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

2.) If the answer to the question in 1.) is yes, then an interested party (those affected by the action) can request review and reconsideration from the Wage and Hour Administrator (See 29 CFR Part 1.8 and 29 CFR Part 7). Write to:

Wage and Hour Administrator
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

The request should be accompanied by a full statement of the interested party's position and by any information (wage payment data, project description, area practice material, etc.) that the requestor considers relevant to the issue.

3.) If the decision of the Administrator is not favorable, an interested party may appeal directly to the Administrative Review Board (formerly the Wage Appeals Board). Write to:

Administrative Review Board
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

4.) All decisions by the Administrative Review Board are final.

The CONTRACTOR shall not be assessed liquidated damages for any delay caused by the failure of a public utility to relocate or remove an existing utility required for the performance of this Contract.

6. The CONTRACTOR will pay, and will require all subcontractors to pay, all employees on the work of improvement a salary or wage at least equal to the prevailing salary or wage established for such work as set forth in the wage determinations for this work. Travel and subsistence pay shall be paid in accordance with Labor Code Section 1773.8. The CONTRACTOR shall forfeit to the CITY, as penalty, Fifty Dollars (\$50.00) for each calendar day or portion thereof for each worker paid (either by him or any subcontractors under him) less than the prevailing rate described above on the work provided for in this Agreement, all in accordance with Section 1775 of the Labor Code of the State of California. CONTRACTOR, by executing this Agreement, hereby certifies that it shall adopt the current general prevailing Federal and/or State rates of wages applicable to the Work of Improvement. **Contractor understands this is a federally assisted construction project and Federal Labor Standards, including Davis-Bacon Act requirements, will be enforced. Contractor acknowledges that if Federal and State wage rates are applicable, then the higher of the two will prevail.**

7. The CONTRACTOR or SUBCONTRACTOR shall not discriminate on the basis of race, color, national origin, or sex in the performance of this contract. The contractor shall carry out applicable requirements of 49 CFR, Part 26 in the award and administration of DOT-assisted contracts. Failure by the contractor to carry out these requirements is a material breach of this contract, which may result in the termination of this contract, or such other remedy as City deems appropriate.

8. Attention is directed to Section 7108.5 of the California Business and Professions Code, which requires a prime CONTRACTOR or SUBCONTRACTOR to pay any SUBCONTRACTOR not later than 10 days of receipt of each progress payment, unless otherwise agreed to in writing. In addition, Federal Regulation (49 CFR 26.29) requires a prime CONTRACTOR or

SUBCONTRACTOR to pay a SUBCONTRACTOR no later than 30 days of receipt of each payment, unless any delay or postponement of payment among the parties takes place only for a good cause and with the prior written approval of the CITY. Section 7108.5 of the California Business and Professions Code also contains enforcement actions and penalties. These requirements apply to both DBE and non-DBE subcontractors.

9. Federal Regulation (49 CFR 26.29) requires the following method be used in federal-aid contracts to ensure prompt and full payment of any retainage kept by the prime CONTRACTOR or SUBCONTRACTOR to a SUBCONTRACTOR:

The CITY may hold retainage from the prime CONTRACTOR and provide for prompt and regular incremental acceptances of portions of the contract, pay retainage to prime CONTRACTORS based on the acceptances, and include a contract clause obligating the prime contract and subcontractors to pay all retainage owed to all SUBCONTRACTORS for satisfactory completion of the accepted work within 30 days after receipt of the retainage. This clause must require the prompt release of retainage payments from the prime CONTRACTOR to the SUBCONTRACTOR within a specified number of days after the SUBCONTRACTOR'S work is satisfactorily completed.

In the above method, a SUBCONTRACTOR'S work is satisfactorily completed when all tasks called for in the contract have been accomplished and documented as required by the CITY. The work of a SUBCONTRACTOR covered by that acceptance is deemed to be satisfactorily completed, when the CITY has made an incremental acceptance of a portion of the contract work. Federal Regulation (49 CFR 26.29) also requires that any delay or postponement of payment among the parties may take place only for good cause, must have the prior written approval of the agency, and that appropriate means of enforcement such as those contained in Section 7108.5 of the California Business and Professions Code must be included in the contract.

10. In the performance of this Contract, not more than eight (8) hours shall constitute a day's work, and the CONTRACTOR shall not require more than eight (8) hours in a day from any person employed by him hereunder, except as provided in the Labor Code of the State of California. The CONTRACTOR shall adhere to Article 3, Chapter 1, Part 7 (Sections 1810, et seq.) of the Labor Code of the State of California, and it is agreed that the CONTRACTOR shall forfeit to the CITY as a penalty the sum of Fifty Dollars (\$50.00) for each worker employed in the execution of this Contract by the CONTRACTOR or any subcontractor for each calendar day during which any worker is required or permitted to labor more than eight (8) hours in violation of that article.

11. CONTRACTOR, by executing this Agreement hereby certifies:

"I am aware of the provisions of Section 3700 of the Labor Code which requires every employer to be insured against liability for Worker's Compensation or to undertake self-insurance in accordance with the provisions of that Code, and I will comply with such provisions before commencing the performance of the work of this Contract."

12. CONTRACTOR shall, prior to the execution of this Contract, furnish two bonds approved by the CITY, one in the amount of One Hundred Percent (100%) of the Contract price, to guarantee the faithful performance of the work, and one in the amount of One Hundred Percent (100%) of the Contract price to guarantee payment of all claims for labor and materials furnished. This Contract shall not become effective until such bonds are supplied to and approved by the CITY. CONTRACTOR shall, prior to the release of the performance and payment bonds or the retention payment, furnish a warranty performance and payment bond equal to at least ten percent of the final contract price or \$1,000, whichever is greater.

AGENDA REPORT

To: Mayor Sylvia Ballin and Councilmembers

From: Richard Padilla, Assistant City Attorney

Date: April 2, 2018

Subject: Consideration and Approval of a Second Amendment to the City Clerk Employment Agreement to Bring Benefits Package In Line with City Department Heads

RECOMMENDATION:

It is recommended that the City Council approve an amendment to the City Clerk Employment Agreement (Attachment "A" - Contract No. 1804(b)).

BACKGROUND AND ANALYSIS

The City of San Fernando and City Clerk Elena G. Chavez entered into an employment agreement on December 7, 2015 ("Master Agreement"). The Master Agreement was previously amended to modify the terms under which the City made CalPERS contributions under the Master Agreement to confirm with State law requirements. Under this Second Amendment, the City Council wishes to modify the Master Agreement further such that the other benefits provided to members of the City's Department Head/Executive Team pursuant to City Council Resolution No. 7692 and Resolution No. 7807 (Attachment "B") are also provided to the City Clerk in the same manner as set forth in these resolutions. Among the benefits that will be aligned with other Department Heads are the receipt of the standard technology reimbursement, receipt of such reimbursements as are offered to Department Heads under Resolution No. 7692 and the receipt of long-term disability as provided to Department Heads.

Section 4.5 (Amendments) of the Agreement allows the Parties to amend the Agreement provided such amendments are memorialized in the form of a written amendment approved by the San Fernando City Council ("City Council") and signed by the Mayor.

Also, because the proposed amendment relates to compensation for an executive level employee, this matter is brought before the City Council for approval in open session of its Regular Meeting of April 2, 2018 as required under Government Code Section 53262 and 54956(b).

Consideration and Approval of a Second Amendment to the City Clerk Employment Agreement to Bring Benefits Package In Line with City Department HeadsPage 2 of 2

BUDGET IMPACT:

As part of this second amendment, the following benefits are proposed to be adjusted to create parity in executive management level positions.

- Technology stipend: increase from \$60/month to \$100/month
- Auto allowance: increase from mileage reimbursement to flat \$300/month
- Increase Annual Leave cap from 300 hours to 400 hours

All other benefits are currently in line with other Department Heads and remain unchanged. The additional cost for Fiscal Year (FY) 2017-18 is marginal and can be absorbed in the current adopted budget. If approved, the additional cost will be included in the FY 2018-2019 Proposed Budget.

CONCLUSION:

In the interest of creating parity in benefits amongst all executive management level positions, it is recommended that the City Council approve the attached Second Amendment to Ms. Chavez's employment agreement with the City and authorize the Mayor to execute the same on behalf of the City.

SECTION 4. EMPLOYEE AND RETIREE INSURANCE BENEFITS:

Medical, Dental and Vision Insurance for Active Employees

The City contracts with the California Public Employees' Retirement System (PERS) for medical insurance coverage. Eligible new hires are covered under the program on the first day of the month following enrollment. The City will contribute the Public Employee's Medical and Hospital Care Act (PEMHCA) statutory minimum on behalf of each participant in the program. A participant is defined as:

1. An enrolled employee and eligible dependents;
2. An enrolled retiree and eligible dependents; and
3. A surviving annuitant.

The City will provide Department Heads with a full flex cafeteria plan in accordance with IRS Code Section 125. Department Heads shall receive a monthly flex dollar allowance to purchase medical, dental and vision benefits offered through the City's insurance plans.

The monthly flex dollar allowance, inclusive of the statutory PEMHCA minimum, shall be:

	January 1, 2016	January 1, 2017	January 1, 2018	January 1, 2019
Employee only:	\$750	\$765	\$780	\$795
Employee + 1:	\$1,300	\$1,325	\$1,350	\$1,375
Family:	\$1,750	\$1,785	\$1,820	\$1,855

provision below, Department Heads have the option to waive the other benefits and have the excess flex dollars converted to taxable income or purchase other supplementary products.

In the event that premiums and/or costs for the selected benefits exceed the monthly flex dollar allowance, the balance will be paid by the employee through automatic pre-tax payroll deduction, as permitted under IRS Code Section 125.

If any bargaining unit negotiates a flex dollar allowance that exceeds the amounts identified above, the City will adjust the flex dollar allowance for Department Heads to match the higher flex dollar amount.

Opt Out

Department Heads may elect to discontinue participation in the PERS Health Plan medical insurance coverage ("Opt Out"). The intent of this provision is to share premium savings that the City will incur as a result of a Department Head canceling City coverage.

Department Heads electing to waive City medical insurance coverage for themselves and all eligible family members must provide proof of coverage through another (non-City) benefit plan (e.g., spouse's coverage through another employer), and must waive any liability to the City for their decision to cease coverage under the City's medical insurance plan.

Upon proof of other coverage, Department Heads may elect to waive the City's medical insurance and use the above allotted single-party (Employee only) flex dollars toward other items in the full flex cafeteria plan or convert it to taxable income.

After electing to Opt Out, a Department Head who later requests to re-enroll under the City plan can only do so during the open enrollment period or after a qualifying event as permitted by the insurance carrier and Cafeteria Plan regulations.

For medical insurance plans, when a Department Head is the spouse of another benefited City employee, the affected employees shall have the option of:

- a. Each employee may elect a flex dollar amount of a single employee;
- b. One (1) employee may select a plan and list the spouse as a dependent under the two-party or family coverage, as applicable and the remaining employee may opt-out as outlined above.

AGENDA REPORT

To: Mayor Sylvia Ballin and Councilmembers

From: Alexander P. Meyerhoff, City Manager
By: Julian J. Venegas, Director of Recreation and Community Services

Date: April 2, 2018

Subject: Consideration to Award a Professional Service Agreement to Terra Form, Inc. for the Layne Park Improvement Project

RECOMMENDATION:

It is recommended that the City Council:

- a. Approve the terms and award Terra Form, Inc. a Professional Service Agreement (Attachment "A" – Contract No. 1882) for the Layne Park Improvement Project;
- b. Adopt Resolution No. 7842 (Attachment "B"), to increase the revenue and expenditures of Fiscal Year (FY) 2017-2018 HRPP Grant Fund 118 budget by \$113,650; and
- c. Authorize the City Manager to execute a Professional Service Agreement with Terra Form, Inc. for the Layne Park Improvement Project in the amount not to exceed \$73,224.
- d. Authorize the City Manager to approve an additional scope of work, if necessary, not to exceed \$40,225.

BACKGROUND:

1. On December 29, 2016, the City was awarded \$113,650.00 in Housing-Related Parks Program (HRPP) grants funds and entered into agreement with the Department of Housing and Community Development (No. 15-HRPP-10967, Attachment "C") to fund the Layne Park Improvement Project.
2. Subsequently, the Layne Park Improvement Project laid dormant due mainly to the departure of the principal City staff involved with the HRPP grant (City Manager and Recreation and Community Services Director). The delay placed the grant funds in jeopardy because all funds must be requested from the Department of Housing and Community Development HRPP program by April 30, 2018, and expended by June 30, 2018.

Consideration to Award a Contract for the Layne Park Improvements ProjectPage 2 of 3

3. On February 5, 2018, the City Council adopted the Park and Recreation Master Plan (PMP) as an instrument for developing a comprehensive vision for the park facility improvements and recreational programs offered to the residents of San Fernando. The PMP identified several park improvements that would enhance usage and recreational programming for the community in and around Layne Park.
4. On March 10, 2018, the City circulated a Notice Inviting Bids for the Layne Park Improvement Projects. Two bid proposals were received and opened on March 23, 2018. Only one responsive and competitive bidder (Terra Form, Inc.) was qualified to provide the service. The second proposal (Dekan Const. Corp.) was deemed unresponsive due to incomplete bid information.
5. The Bid amount (\$304,590) based on the Notice Inviting Bids exceeded the available HRPP grant funds (\$113,650). Staff negotiated with Terra Form, Inc. to select individual park improvements that would stay within the grant fund availability.

ANALYSIS:

With the City's successful grant application (HRPP) and the adoption of the PMP, the Layne Park Improvement Project will renovate the infrastructure of the facility. These improvements will enhance park usage and provide recreational opportunities for residents in and around Layne Park. The improvements to consist of:

- Installation of Picnic Pads & Drinking Fountain;
- Installation of a Security Lighting; and
- Installation Park Benches.

The two proposals were reviewed and evaluated on how best the submitting firm would implement the Scope of Service detailed in Attachment "A". The evaluation process was based on the following criteria:

- Completeness and Comprehensiveness;
- Responsiveness to City issues;
- Potential benefits to the City;
- Experience of the firm in providing similar services to other municipalities;
- Cost effectiveness; and
- Quality of proposed staff.

Terra Form, Inc. was the only bidding firm to meet all the evaluating criteria and after renegotiating the scope of service they agreed to scale back the service of their original Bid. A Revised Proposal cost of \$73,224 was established as the new RFP Bid Cost.

BUDGET IMPACT

The project is funding entirely by the HRPP grant. The adoption of Resolution No. 7842 allows an increase the revenue and expenditures of FY 2017-2018 HRPP Fund 118 budget by \$113,650. The amount is sufficient to cover the Professional Service Agreement with Terra Form, Inc. (\$73,224) and allow staff to seek other services agreements to continue the improvements to Layne Park recommended in the City of San Fernando's Park Master Plan.

Staff is also requesting authorization to include additional scope of work, if necessary, for an amount not to exceed \$40,225 to ensure the City can fully leverage the grant funds.

CONCLUSION:

It is recommended that the City Council approve the Professional Service Agreement No. 1882 with Terra Form, Inc. for the Layne Park Improvement Project, not to exceed \$73,224, authorize the City Manager to approve up to \$40,225 in additional scope of work, if necessary, and adopt Resolution No. 7842 to increase the revenue and expenditures in the HRPP grant (fund 118).

AGENDA REPORT

To: Mayor Sylvia Ballin and Councilmembers

From: Alexander P. Meyerhoff, City Manager
By: Timothy T. Hou, Director of Community Development

Date: April 2, 2018

Subject: Consideration to Adopt a Zone Text Amendment Amending Section 106-6 (Definitions) of Article I (In General) of Chapter 106 (Zoning) of the San Fernando Municipal Code to Provide Added Clarification Regarding the Methodology for Calculating Lot Area Within R-1 Residential Zones

RECOMMENDATION:

It is recommended that the City Council:

- a. Conduct a Public Hearing;
- b. Pending public testimony, introduce for first reading, in title only, and waive further reading of Ordinance No. 1675 (Attachment "A") titled, "An Ordinance of the City Council of the City of San Fernando, California, Amending Section 106-6 (Definitions) of Article I (In General) of Chapter 106 (Zoning) of the San Fernando Municipal Code to provide added clarification regarding the methodology for calculating lot area within R-1 Residential Zones"; and,
- c. Affirm the City's determination that the proposed Ordinance is not subject to CEQA pursuant to Sections 15060(c)(2) (the activity will not result in a direct or reasonably foreseeable indirect physical change in the environment) and 15060(c)(3) (the activity is not a project as defined in Section 15378) of the CEQA Guidelines, California Code of Regulations, Title 14, Chapter 3, because it has no potential for resulting in physical change to the environment, directly or indirectly, and therefore no further environmental review is required.

BACKGROUND:

1. Planning Staff has received applicant inquiries related to how to compute lot area for certain projects located within the R-1 single family residential zone. The City has subsequently sought to refine the methodology for computing lot area for residential projects located within the R-1 single family residential zone.

2. A public hearing notice for the March 6, 2018 Planning and Preservation Commission Public Hearing to consider the Zone Text Amendment was published in the February 24, 2018 edition of The Los Angeles Daily News.
3. The Planning and Preservation Commission approved Resolution No. 2018-002 at its public hearing on March 6, 2018 recommending the City Council:
 - 1) Adopt the proposed Ordinance, "An Ordinance of the City Council of the City of San Fernando, California Amending Section 106-6 (Definitions of Article I (In General) of Chapter 106 (Zoning) of the San Fernando Municipal Code to provide added clarification regarding the methodology for calculating lot area within R-1 Residential Zones"; and,
 - 2) Affirm the City's determination that the proposed Ordinance is not subject to CEQA pursuant to Sections 15060(c)(2) (the activity will not result in a direct or reasonably foreseeable indirect physical change in the environment) and 15060(c)(3) (the activity is not a project as defined in Section 15378) of the CEQA Guidelines, California Code of Regulations, Title 14, Chapter 3, because it has no potential for resulting in physical change to the environment, directly or indirectly, and therefore no further environmental review is required.
4. A Public Hearing notice for the March 19, 2018 City Council Public Hearing to consider Zone Text Amendment Amending Section 106-6 (Definitions) of Article I (In General) of Chapter 106 (Zoning) of the San Fernando Municipal Code to provide added clarification regarding the methodology for calculating lot area within R-1 Residential Zones was published in the March 8, 2018 edition of the San Fernando Valley Sun.

ANALYSIS:

Development projects utilize lot area calculations to help make determinations for numerous zoning requirements for land use entitlements including, but not limited to, minimum lot size, density, floor-area-ratio, and landscape requirements. The proposed amendment would not amend the existing City Code Section 106-356 (Minimum Lot Size) which states the following: "Minimum lot size in the R-1 single-family residential zone shall be 7,500 square feet."

Section 106-6 (Definitions): Existing and Proposed.

The San Fernando City Code Section 106-6 notes the following definitions for lot and lot area, respectively:

"Lot means a designated parcel, tract or area of land established by plat, subdivision or as otherwise permitted by law to be used, developed or built upon as a unit."

Consideration to Adopt a Zone Text Amendment Amending Section 106-6 (Definitions) of Article I (In General of Chapter 106 (Zoning) of the San Fernando Municipal Code to Provide Added Clarification Regarding the Methodology for Calculating Lot Area within R-1 Residential Zones

Page 3 of 5

“Lot area means the total area within the lot lines of a lot excluding any street right-of-way.”

Under the proposed zoning text amendment, the definition of “Lot area,” within City Code Section 106-6 would be amended in its entirety to now state the following:

“Lot area means the total area within the lot lines of a lot excluding any street, highway or alley right-of-way, except that in the case of lots in the R-1 single family residential zone, that area up to the midpoint of all immediately abutting streets, alleys or highways which would revert to the lot if the street, highway or alley were vacated may be assumed to be a portion of the lot. The foregoing notwithstanding, the alternative methodology for computing lot area in the R-1 single family residential zone as set forth in the preceding sentence shall not be applied for purposes of any application or request to establish an accessory dwelling unit within the meaning of Section 106-358 (Regulation of Accessory Dwelling Units) of Division 2 (R-1 Single family, Residential Zone) of Article III (Zones) of Chapter 106 (Zoning) of the San Fernando Municipal Code.”

Local agencies such as City of Los Angeles have made efforts to provide added clarification regarding how to consistently calculate lot area when determining land use entitlements. In addition, Planning Staff has received similar applicant inquiries regarding methodology for calculating lot area within the R-1 Residential Zone. Thus, the proposed zoning text amendment seeks to refine the methodology for computing lot area for residential projects located within the R-1 single family residential zone and thereby provide greater clarity and efficiency to the City’s land use entitlement process.

Zone Change Procedure.

Pursuant to City Code Section 106-19, a zoning text amendment is subject to discretionary review by the Planning and Preservation Commission and the City Council. The zoning text amendment review process allows the opportunity for the Planning and Preservation Commission and City Council to assess the proposal’s consistency with the City’s General Plan goals, objectives, policies, and programs as well as the applicable zoning regulations. In addition, review ensures that the proposed zoning text amendment would not be detrimental to the public interest, health, safety, convenience or welfare.

At its meeting on March 6, 2018, the Planning and Preservation Commission approved a resolution recommending approval of the proposed zoning text amendment to the City Council (Attachment “B”). Subsequently, the City Council shall review and consider approval of the requested zoning text amendment only if the required findings of fact can be made. A negative determination on any single finding will uphold a denial.

Consideration to Adopt a Zone Text Amendment Amending Section 106-6 (Definitions) of Article I (In General of Chapter 106 (Zoning) of the San Fernando Municipal Code to Provide Added Clarification Regarding the Methodology for Calculating Lot Area within R-1 Residential Zones

Page 4 of 5

It is staff's assessment that the proposed zoning text amendment and associated Ordinance is consistent with the City's General Plan and Zoning Ordinance and would not be detrimental to public interest, health, safety, convenience or welfare.

- **The proposed amendment is consistent with the objectives, policies, general land uses and programs of the City's General Plan.**

In accordance with Section 106-19 of the Zoning Ordinance and California Government Code section 65454, the proposed amendment to San Fernando City Code Section 106-6 is consistent with the city's General Plan. The proposed amendment would result in a clear methodology for calculating lot area within R-1 Residential Zones.

This proposed amendment is consistent with the General Plan Land Use Element goals and objectives that seek to retain the small town character of the community and to maintain an identity that is distinct from surrounding communities. Additionally, the proposed amendment is consistent with the General Plan Housing Element goals and objectives that seek to identify and revise City policies, programs, and regulations as necessary and appropriate, in order to remove constraints to the development of housing to provide a range of housing types to meet community needs. Thus, it is staff's assessment that this finding can be made.

- **The adoption of the proposed amendment would not be detrimental to the public interest, health, safety, convenience or welfare.**

The proposed amendment merely provides a refined method for calculating lot area that is limited to the R-1 Residential Zone and which does not apply to Accessory Dwelling Units. Therefore, the proposed zone text amendment would not be detrimental to the public interest, health, safety, convenience or welfare. Thus, it is staff's assessment that this finding can be made.

CEQA Compliance.

The proposed Ordinance has been reviewed for compliance with the California Environmental Quality Act (CEQA). Based on that assessment, staff finds that the proposed Ordinance is not subject to CEQA pursuant to Sections 15060(c)(2) (the activity will not result in a direct or reasonably foreseeable indirect physical change in the environment) and 15060(c)(3) (the activity is not a project as defined in Section 15378) of the CEQA Guidelines, California Code of Regulations, Title 14, Chapter 3, because it has no potential for resulting in physical change to the environment, directly or indirectly.

Page 5 of 5

BUDGET IMPACT:

Approval of the proposed Ordinance will have minimal fiscal impact.

CONCLUSION:

It is staff's assessment that establishing a clear methodology for calculating lot area within R-1 Residential Zones is consistent with the City's General Plan and Zoning Ordinance goals and objectives to preserve the small town character of the community, to maintain an identity that is distinct from surrounding communities, and to identify and revise City policies, programs, and regulations as necessary and appropriate, in order to remove constraints to the development of housing.

Hence, staff recommends that City Council adopt Zone Text Amendment 2018-001 pursuant to the attached Ordinance.

ORDINANCE NO. 1675

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF SAN FERNANDO, CALIFORNIA, AMENDING SECTION 106-6 (DEFINITIONS) OF ARTICLE I (IN GENERAL) OF CHAPTER 106 (ZONING) OF THE SAN FERNANDO MUNICIPAL CODE TO PROVIDE ADDED CLARIFICATION REGARDING THE METHODOLOGY FOR CALCULATING LOT AREA WITHIN R-1 RESIDENTIAL ZONES

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF SAN FERNANDO DOES HEREBY ORDAIN AS FOLLOWS:

The foregoing notwithstanding, the alternative methodology for computing lot area in the R-1 single family residential zone as set forth in the preceding sentence shall not be applied for purposes of any application or request to establish an accessory dwelling unit within the meaning of Section 106-358 (Regulation of Accessory Dwelling Units) of Division 2 (R-1 Single family, Residential Zone) of Article III (Zones) of Chapter 106 (Zoning) of the San Fernando Municipal Code.

SECTION 5. CEQA. The City Council finds that this Ordinance is not subject to the California Environmental Quality Act (CEQA) pursuant to Sections 15060(c)(2) (the activity will not result in a direct or reasonably foreseeable indirect physical change in the environment) and 15060(c)(3) (the activity is not a project as defined in Section 15378) of the CEQA Guidelines, California Code of Regulations, Title 14, Chapter 3, because it has no potential for resulting in physical change to the environment, directly or indirectly.

STAFF PRESENTATION

Community Development Director Timothy Hou gave the staff presentation recommending that the Planning and Preservation Commission approve Resolution No. 2018-001 making the Determination of Public Convenience or necessity in connection with the issuance of a license by the Department of Alcoholic Beverage Control for the sale of alcoholic beverages at 911 San Fernando Road.

PUBLIC COMMENT

Tom Ross – Tekwerks spoke in favor of the project, asked if there was a way to streamline the process to promote a new business.

Adriana Gomez – Ms. Gomez asked about the recently approved SP-5 zone and the changes to the previously required Conditional Use Permit for sale of alcohol. She stated that the need to come before the Commission for a Determination of Public Convenience or Necessity is taking just as long as the CUP process and she doesn't see how this process is supposed to be faster.

R. Padilla indicated that even though the CUP process was eliminated ABC is still required to have someone identify the need and according to the City Code it currently identifies the authorizing party as the Commission. He indicated that the commission could ask the Council to rewrite the code to have this process be handled at an administrative level which can be reviewed by the Community Development Director or simply ignore the request from ABC which becomes an automatic approval after 90 days.

COMMISSION DISCUSSION

A. Durham stated that it's difficult to get a sense of the numbers when they include all of the licenses.

A. Montes stated that she likes the idea of approval or denial at the administrative level.

T. Haupt stated that he would like to know what application are being considered and maybe it could be included as part of the Consent Calendar on the Commission agendas.

R. Padilla stated that is can be approved administratively and it may be appealed at which point the City Council would consider it for a final decision.

T. Haupt stated that more discussion on this process needs to be had.

M. De Santiago indicated that she would provide the Commission with the City Code on the approval process in its current state.

Subsequent to discussion, Commissioner Y. Mejia moved to approve Planning and Preservation Commission Resolution 2018-001 making the determination of Public Convenience or Necessity in connection with the issuance of a license by the Department of Alcoholic Beverage Control

AGENDA REPORT

To: Mayor Sylvia Ballin and Councilmembers

From: Alexander P. Meyerhoff, City Manager
By: Nick Kimball, Deputy City Manager/Director of Finance

Date: April 2, 2018

Subject: Review of Prior Years' City-wide Strategic Goals and City Council Priorities and Work Program Discussion for Fiscal Year (FY) 2018-2019

RECOMMENDATION:

It is recommended that the City Council:

- a. Receive an update from staff on the status of prior years' City Council priorities; and
- b. Provide direction to staff related to City-wide Strategic Goals and City Council Priorities to guide preparation of the FY 2018-2019 budget.

BACKGROUND:

1. As part of the budget development process each year, the City Council is asked to set Strategic Goals and Priorities for the upcoming fiscal year.
2. The purpose of setting goals and priorities is to provide the City Manager with guidance for allocating funds in the City Manager's Proposed Budget.
3. The City-wide Strategic Goals should articulate City-wide long-term strategic goals and objectives that the organization strives to achieve over the next three to five years. Strategic Goals tend to remain relatively stable over time.
4. City Council Priorities are specific short-term items that are reasonably achievable in the upcoming fiscal year. Priorities typically fit within City-wide Strategic Goals but provide a more specific focus for the upcoming year.

Review of Prior Years' City-wide Strategic Goals and City Council Priorities and Work Program Discussion for Fiscal Year (FY) 2018-2019Page 2 of 3

ANALYSIS:

City-wide Strategic Goals (Attachment "A") provide broad context for budget development to ensure staff is working toward achieving the organization's long-term objectives; while City Council Priorities provide each Councilmember with the opportunity to introduce a short-term project or program that fits within the long-term objectives.

Due to vacancies in a number of key management positions, including the City Manager, Director of Public Works, Director of Community Development, and Director of Recreation and Community Services, work programs for FY 2017-2018 focused on the City's mission critical activities, i.e. maintaining the existing level of service to the public without adding new projects or programs unless and until existing projects and programs are completed.

To facilitate the discussion for FY 2018-2019, staff has updated the list of City Council Priorities since FY 2013-2014 (Attachment "B"). The list includes the budget year the Priority was requested, a description of the priority, current status, and the City Manager's recommended action. The list of Priorities is further summarized by Department (Attachment "C") to demonstrate impact on the FY 2018-2019 work program for each department.

It is recommended that City Council review each item with staff and propose changes as is deemed appropriate by a majority of Councilmembers.

Work plans for each department will be presented and discussed during the Budget Study Sessions in May 2018. Department work plans will be developed with the intent of meeting the City-wide Strategic Goals set by City Council and providing mission critical activities.

BUDGET IMPACT:

Discussion of the City-wide Goals and City Council priorities are an integral part of setting the tone and providing guidance to the City Manager for preparation of the City Manager's Proposed Budget. Should the City Council propose additional priorities, staff will determine the financial impact and provide that information to City Council at a Budget Study session for final direction prior to budget adoption.

CONCLUSION:

The City Council Strategic Goals will help guide the overall FY 2018-2019 budget process and provide context for decision making and development of work plans.

Subject: Consideration to Adopt a Resolution Commemorating the Victims of the Armenian Genocide

RECOMMENDATION:

It is recommended that the City Council adopt Resolution No. 7843 (Attachment "A") commemorating the victims of the Armenian Genocide.

BACKGROUND:

I have requested that staff prepare a resolution commemorating the Armenian Genocide for the City Council's consideration.

ANALYSIS:

Each year around the world, many governments commemorate an Armenian Genocide Remembrance Day on April 24th. In commemoration of this day, I would ask that the City Council adopt the attached resolution and authorize staff to lower all flags to half-mast on April 24, 2018.

BUDGET IMPACT:

There is no budget impact associated by adopting this resolution.

ATTACHMENT:

A. Resolution No. 7843

ATTACHMENT "A"**RESOLUTION NO. 7843****A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF
SAN FERNANDO, CALIFORNIA, COMMEMORATING THE
101ST ANNIVERSARY OF THE ARMENIAN GENOCIDE**

WHEREAS, the Armenian people, living in their 3,000-year historic homeland in eastern Asia Minor and throughout the Ottoman Empire, were subjected to severe persecution and brutal injustice by the rulers of the Ottoman Empire before and after the turn of the Twentieth Century, including widespread massacres, usurpation of land and property, and acts of wanton destruction during the period from 1894 to 1896, inclusive, and again in 1909;

WHEREAS, the horrible experience of the Armenians at the hands of their oppressors culminated in the Armenian Genocide, beginning in 1915, in what is known by historians as the "First Genocide of the Twentieth Century," and as the prototype of modern day mass killing;

WHEREAS, the Armenian Genocide commenced on April 24, 1915 with the arrest, exile, and murder of hundreds of Armenian intellectuals, and business, political, and religious leaders, and thereafter rapidly spread throughout Anatolia;

WHEREAS, the regime then in control of the Ottoman Empire, known as the "Young Turks," planned and executed the unspeakable atrocities committed against the Armenian people from 1915 to 1923, inclusive, which included the torture, starvation, and murder of 1,500,000 Armenians, death marches into the Syrian Desert, the forced exile of more than 500,000 innocent people, and the loss of the traditional Armenian homelands;

WHEREAS, the Armenian Genocide is documented with overwhelming proof in the national archives of the United States, Austria, France, Germany, Great Britain, Russia, Turkey, the Vatican and many other countries;

WHEREAS, the Los Angeles area is the home of one of the largest population of survivors of the Armenian Genocide and their descendants in the world outside of Armenia, and those residents reasonably demand justice and appropriate recognition of the crimes committed against the Armenian people; and

WHEREAS, it is vital that the Government of the United States properly reaffirm the Armenian Genocide, not just because of the moral implications, but because such recognition can help to prevent future atrocities from occurring.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF SAN FERNANDO DOES HEREBY RESOLVE, FIND, DETERMINE AND ORDER AS FOLLOWS:

SECTION 1: The representations set forth in the Recitals above, are true and correct.

SECTION 2: That by the adoption of this Resolution, the City of San Fernando calls upon the President to ensure that the foreign policy of the United States reflects appropriate understanding and sensitivity concerning issues related to human rights, ethnic cleansing, and genocide documented in the United States record relating to the Armenian Genocide, and URGES the Republic of Turkey to end its decades-long campaign of Genocide denial.

SECTION 3: That by the adoption of this Resolution the City Council of the City of San Fernando hereby declares April 24, 2018 as a Day of Remembrance for the victims of the Armenian Genocide.
