At its Special Meeting of February 12, 2019, the San Fernando City Council voted to part ways with incumbent City Manager, Alex Meyerhoff. The termination of Mr. Meyerhoff's tenure as City Manager was for convenience as provided under the terms of Mr. Meyerhoff's employment contract with the City. The City Council appreciates Mr. Meyerhoff's enthusiasm and positive commitment to public service and thanks him for his service to the San Fernando community. The City Council also takes pleasure in announcing that Deputy City Manager/Finance Director, Nick Kimball, has been appointed to serve as Interim City Manager.
