

# REQUEST FOR PROPOSALS

The Community Development Department is requesting proposals for:

## ADMINISTRATIVE CITATION PROCESSING SERVICES

RELEASE DATE: February 1, 2019

PROPOSAL DUE DATE: February 28, 2019

## **GENERAL INFORMATION**

The City of San Fernando is interested in contracting with an experienced firm to process administrative citations issued by City of San Fernando officers for non-compliance with established local codes and ordinances. The required services and performance conditions are described in the Scope of Service. A staff committee will review proposals, interview potential firms, and ultimately recommend selection of a firm to the San Fernando City Council.

## **BACKGROUND**

The City of San Fernando was incorporated in 1911 and is currently organized according to the City Council/City Manager form of government with six departments, including a Community Development Department, Police Department, Public Works Department, and Recreation and Community Services Department. The City employs approximately 125 full-time equivalent employees from a total Adopted Budget for fiscal year 2018-2019 of \$42.4 million, which includes a General Fund budget of \$19.3 million.

While nearly all administrative citations are issued by Community Preservation Officers from the Community Development Department as part of their code enforcement responsibilities, San Fernando Police Officers also issue such citations as part of their law enforcement responsibilities. The Community Preservation Division issued 634 citations during Fiscal Year 2017-2018 (July 2017 to June 2018), with a valuation of approximately \$40,000.

In 2018, an Ad Hoc Committee comprised of two members of the City Council recommended that staff release a Request for Proposals (“RFP”) for administrative citation processing services to help establish an effective and customer friendly citation processing operation to promote code compliance and foster community preservation.
