SUBJECT: **LA County Assessor Offers On-Site Assistance to Saddleridge Fire Property Owners**

Starting on October 17, 2019, the Office of the Assessor will be holding a mobile office at the Local Assistance Center located at the Sylmar Recreation Center in response to those who lost their property or have suffered damage as a result of the recent Saddleridge fire. Assessor staff will be on hand to assist property owners and the general public on our property tax relief programs and help them file their ***Application for Reassessment- Misfortune and Calamity***.

Home and business owners who suffer property damage of \$10,000 or more may be eligible for tax relief which remains in place until properties are repaired or rebuilt. Please be advised that the application must be filed with the Assessor's office within 12 months of the fire, flood or earthquake or any other natural disaster.

Your office's case manager or your constituents may call direct to the LA County Assessor's disaster relief line at (213) 974-8658 to learn more.

If you have any questions, please do not hesitate to call my office at (213)974-3101.
