

VA COORDINATED ENTRY EVENTS

The VA Greater Los Angeles, Community & Reintegration Services (CERS) is hosting a series of Coordinated Entry Events (CEEs) to provide crucial services to those who served in the United States Military.

This is a joint collaborative with the VA and the community to provide support to Veterans living in the community. The goal is to provide a one stop to connect veterans to services and support self-sufficiency.

These are weekly events in various locations throughout Los Angeles County. This program provides the opportunity for Veterans to receive services within their community.
