

GLENOAKS BLVD TRAFFIC SIGNAL POLES REPLACEMENT

Through 8/20/20, new traffic signal poles will be installed along Glenoaks Blvd., from Arroyo Ave to Orange Grove Ave. While installation is conducted at each intersection, the signals will be placed on flash mode (approximately 6 hours) and one lane in each direction will be closed to provide a safe work zone.

Resurfacing of Glenoaks Blvd is expected to begin in September/October 2020. For more information, please contact the Public Works Department:

(818) 898-1222 or PublicWorks@sfcity.org.
