

# GOLDEN LETTER LEAGUE

## Multi-Generational Pen Pal Program

Given the current situation happening with the United States Postal Service (USPS), we want to do our part in lending a hand during this time.

Teens are encouraged to send postcards, inspiring letters and fun messages to our beloved Seniors. These past months have been difficult and we hope that our letters help bring a smile to someone.

Your letters will count towards community service hours.

Please email Juan Salas at [JSalase@SFCity.org](mailto:JSalase@SFCity.org) or Yasmin Guillen at [YGuillene@SFCity.org](mailto:YGuillene@SFCity.org) to sign up!

Paper, envelopes, and stamps will be provided.
