## HOW DO THOSE IN EMERGENCY SERVICES GET VACCINATED?

- All agencies in this category have been partnered with their associated fire department or police department.
- Jurisdictional law enforcement entities have partnered with EMS and health clinic stakeholders to administer vaccine.
- Los Angeles County Sheriff's Department (LASD) and Los Angeles Police Department (LAPD) have partnered with LASD Emergency Services Detail and Los Angeles Fire, respectively.

- All city police departments have partnered with LA County Fire Department (LACoFD), local hospitals, or fire departments to receive vaccine.
- The Department of Probation will be vaccinated through Public Health clinics.
- Large school police departments have all partnered with an allied health system (UCLA) or the LAUSD.
  - UCLA and LAUSD has committed to vaccinating all school police departments that have not established prior vaccine partners.
- Specific emergency service individuals, including eligible court personnel, can get vaccinated at County-run emergency services only MegaPODs on a sector specific day.
- The largest federal agencies - including the FBI Field Office, TSA and Customs and Border Protection - have been partnered with LAFD. Additionally, select federal entities are partnering with local VA hospitals to receive federally allocated vaccine.
- The state and federal correctional facilities will receive vaccine through their respective parent agencies.
