NOTICE INVITING BIDS

SEALED PROPOSALS will be received at the Office of the City Clerk, City Hall, 117 Macneil Street, San Fernando, California until **11:00 A.M. on Tuesday, March 8, 2022**, and said bids will be publicly opened and declared for performing work on the following project:

PICO STREET IMPROVEMENT PROJECT **(Between Kalisher Street and S. Brand Blvd.)**

CDBG PROJECT NO. 602080-19, JOB NO. 7606, PLAN NO. P-731

The project consists of roadway resurfacing and concrete replacement. The work includes replacement of concrete curb, gutter, sidewalk, cross gutter, spandrel, and access ramps; rehabilitation of AC pavement section, cold milling of AC pavement; construction of ARHM overlay; adjustment to grade of water valve and sewer manhole frame and cover; installation of tree; installation of traffic striping and pavement marking; and miscellaneous appurtenant work. The bid items, corresponding estimated quantities, and time allowed to complete the work are listed in the Contractor's Proposal. The definitions of bid items are described in the Technical Provisions. Based on the quantities listed in the Proposal, the construction cost is estimated to be \$387,000.

Prevailing Wage Statement:

This contract will be funded in whole or in part with federal housing and community development funds. The Federal Labor Standards Provisions, including prevailing wage requirements of the Davis-Bacon and Related Acts will be enforced. A copy of the Federal Wage Decision applicable to this project is included in the Bid Document. This project is a public work in the State of California, funded in whole or in part with public funds. Therefore, the higher of the two applicable prevailing wage rates, federal or state, will be enforced. The Contractor's duty to pay State prevailing wages can be found under Labor Code Section 1770 et seq. Labor Code Sections 1775 and 1777.7 outline the penalties for failure to pay prevailing wages and to employ apprentices, including forfeitures and debarment. The State Wage Decision is on file at the City Clerk's office and is also available Online at <http://www.dir.ca.gov/dlsr/>.

Apprenticeship Program:

Attention is directed to Sections 1777.5, 1777.6, and 1777.7 of the California Labor Code and Title 8, California Administrative code, Section 200 et seq. to ensure compliance and complete understanding of the law regarding apprentices.

Section 3 Statement:

This is a HUD Section 3 construction contract. First preference will be given to a bidder who provides a reasonable bid and is a qualified Section 3 Business Concern. Second preference will be given to a bidder who provides a reasonable bid and commits to achieving the Section 3 employment, training and subcontracting opportunity goals by submitting a written commitment (Economic Opportunity Plan).

Conflict of Interest:

In the procurement of supplies, equipment, construction, and services by sub-recipients, the conflict-of-interest provision in 24 CFR 85.36, OMB Circular A-110, and 24 CFR 570.611 shall apply. No employee, officer, or agent of the sub-recipient shall participate in the selection, award, or administration of a contract supported by federal funds if a conflict of interest, real or apparent, would be involved.

A Section 3 non-mandatory Pre-Bid Meeting will be held Thursday, February 17, 2022, at 10:00 a.m. at 120 Macneil Street (City of San Fernando Public Works Operations Center) to explain the Section 3 bid preference and hiring goals. The Bidder/Proposer must submit a Declaration of Intent to Comply with Section 3 requirements, including benchmarks, in order to be a responsive bidder/proposer eligible for contract award. In order to receive consideration for the Section 3

bid preference, a bidder must complete, sign, and submit the following forms with their bid proposal: a) Section 3 Business Certification form, and b) Section 3 Resident Certification form(s). A reasonable bid must be within the Zone of Consideration factored at the time of the bid evaluation. Direct all questions to Manuel Fabian at mfabian@sfcity.org.

The work to be performed under this Contract is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u (Section 3). The purpose of Section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by Section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing.

The Bidder/Proposer is required to complete and submit the Declaration of Intent to Comply with Section 3 Requirements - Required Contract Forms and Certifications, certifying that they intend to comply with the requirements of the Secretary of Labor and the latest amendments to: Executive Orders 11246 and 11375, as supplemented in Department of Labor regulations (41 C.F.R. chapter 60); the Copeland "Anti-Kickback" Act (18 U.S.C. § 847) as supplemented in Department of Labor regulations (29 C.F.R. part 3); Section 3 of the Housing and Urban Development Act of 1968 (12 U.S.C. §§ 1701 *et seq.*); Title VI of the Civil Rights Act of 1964 (42 U.S.C. §§ 2000); Section 109 of Title I of the Housing and Community Development Act of 1974 (42 U.S.C. §§ 5301 *et seq.*); the Age Discrimination Act of 1975 (42 U.S.C. §§ 6101 *et seq.*); and Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. §§ 701 *et seq.*). Contractor agrees to comply with the requirements of all other applicable federal, State and local laws and regulations.

Prospective bidders/proposers should carefully read the information within this bid document including the Section 3 Provisions for Housing and Community Development Assistance and Public Housing Assistance, as amended. Proposals that fail to comply with the requirements of Section 3 will be considered non-responsive and excluded from further consideration.

A reasonable bid must be within the Zone of Consideration factored at the time of the bid evaluation. Direct all questions to Manuel Fabian, Civil Engineering Assistant II, at (818) 898-1243, or mfabian@sfcity.org.

The contract time for the project is thirty (30) working days.

It is the policy of the City, as directed by City Council, to encourage the use of local area businesses in construction contracts including vendors, suppliers, labor, etc.

The City reserves the right to reject any and all bids and to waive any minor irregularities in the bid documents. Bidders may not withdraw their bid for a period of ninety (90) days after date set for opening thereof.

The Contractor must follow the procedures as set forth in the Instructions to Bidders for acceptance of bids. Bids will be accepted only if submitted on a proposal form furnished by the City. Each bid must be accompanied by cash, certified check, cashier's check, or bidder's bond made payable to the City of San Fernando or issued by a surety admitted to do business in California, for an amount equal to at least ten percent (10%) of the amount bid. Such guaranty to be forfeited to the City should the bidder to whom the contract is awarded fail to enter into the contract.

Bids will be accepted only from contractors licensed in accordance with the provisions of the Business and Professional Code of the State of California. Prior to contract execution, the Contractor and his/her subcontractors shall obtain a City business license. At the time of bidding, the Contractor must possess a valid California **Class A** Contractor's License.

AB44 EFFECTIVE JULY 1, 2014. If a bidder submits a bid that includes a subcontractor who would be performing work in amount in excess of ½ of 1% of the bidder's total bid or in the case of bids for the construction of streets or highways, including bridges, in excess of ½ of 1% of the bidder's total bid or \$10,000, whichever is greater, then in addition to the subcontractor's name and business address, the

subcontractor's State contractor's license number must be included as part of the information submitted for that proposed subcontractor. Failure to provide the subcontractor's license number shall render the bid non-responsive.

SB854 EFFECTIVE MARCH 1, 2015. Contractors and Subcontractors wishing to work on a public works project must be registered with the State of California, Department of Industrial Relations. All public works projects with bids submitted after March 1, 2015, or awarded on or after April 1, 2015, shall use only registered contractors and subcontractors. No bid will be accepted, nor any contract entered into without proof of the Bidder's and its subcontractors' current registration with the Department of Industrial Relations. If awarded a contract, the Bidder and its subcontractors of every tier shall maintain active registration with the Department of Industrial Relations for the duration of the Project.

This is a federally assisted construction contract. Federal Labor Standards Provisions, including prevailing wage requirements of the Davis-Bacon and Related Acts (DBRA) will be enforced. In the event of a conflict between Federal and State wage rates, the higher of the two will prevail.

The Contractor's duty to pay State prevailing wages can be found under Labor Code Section 1770, et. seq. and Labor Code Sections 1775 and 1777.7 outline the penalties for failure to pay prevailing wages and employee apprentices including forfeitures and debarment.

The current Federal Wage Decision is contained herein, and may be updated via addendum to this bid package within ten (10) days prior to bid opening and can be found at <http://www.wdol.gov/wdol/scafiles/davisbacon/ca.html>. The applicable Federal Wage Decision will be incorporated into the contract. The State wage rates are available online at <http://www.dir.ca.gov/DLSR/PWD/index.htm>. Lower State wage rates for work classifications not specifically included in the Federal wage decision are not acceptable. The Contractor may request an Additional Classification and Rate if a work classification cannot be located in the Federal Wage Decision.

This is a HUD Section 3 Contract and all Bidders/Proposers must commit to achieving established requirements, including benchmarks, for Section 3 workers and Targeted Section 3 workers to be considered a Section 3 responsive bidder/proposer and eligible for a contract award.

At the request and expense of the Contractor, securities equivalent to the five percent (5%) to be withheld from progress payments pursuant to the City's Standard General Conditions shall be deposited with the City Clerk or a state or federally chartered bank as the escrow agent, who shall pay such monies to the contractor upon satisfactory completion of the contract. Securities eligible for investment shall include those listed in Section 16430 of the Government Code or bank or savings and loan certificates of deposit. The contractor shall be the beneficial owner of any securities substituted for monies withheld and shall receive any interest thereof.

Copies of the plans and specifications, including the approved proposal form, are available on the City website, www.sfcity.org, for downloading at no charge. **In order to be eligible to submit a bid for the project, you MUST contact Manuel Fabian, Civil Engineering Assistant II, via e-mail at mfabian@sfcity.org to be placed on the plan holders list.** Compact disk (CD) of the plans and specifications may be obtained for a non-refundable fee of **\$5.00** each at the Public Works Department, City Hall, 117 Macneil Street, San Fernando, California, 91340. If mailing is requested, an additional fee of **\$5.00** is required to cover postage and handling. Any questions pertaining to the project shall be submitted by Tuesday, March 1, 2022, by 4:30 p.m.

Addenda, if any, will NOT be distributed to the plan holders, and will ONLY be posted on the City website. **It shall be the Bidder's responsibility to check the City website for any addenda.**

INSTRUCTIONS TO BIDDERS

1. GENERAL - Proposals under these Contract Documents shall be submitted on the blank forms furnished herewith. When presented, the proposal forms must be completely made out in the manner and form indicated therein and must be properly signed by the bidder. The bidder's address, telephone number, and California State Contractor's License number must be included. To be eligible to perform work, the bidder must be a state licensed contractor in good standing prior to beginning work. The City Council reserves the right to reject any bid if all the above information is not furnished.

This is a federally assisted construction project and Federal Labor Standards, including Davis-Bacon Act requirements, will be enforced. If Federal and State prevailing wage rates are applicable, then the higher of the two will prevail.

The contractor shall adopt the current federal and/or state general prevailing rates of wages applicable to the work to be done.

This is a HUD Section 3 contract, and all bidders must commit to achieving the Section 3 employment and contracting goals in order to be considered a Section 3 responsive bidder. A bidder who is not responsive to Section 3 shall be considered a non-responsive bidder for this Notice Inviting Bids.

Each proposal submitted must be presented in a sealed cover, and must be filed prior to the time and at the place designated in the Notice Inviting Bids. All proposals submitted as prescribed will be publicly opened and read at the time and place designated in the Notice Inviting Bids.

Bid Quotes and Unit Price Extensions – The unit prices and the lump sum prices quoted by the bidder must be entered in the spaces provided on the Contractor's Proposal form. In case there is a discrepancy between the unit price and the item total, the unit price shall govern and will be considered as representing the Bidder's intention. The bid total will be corrected to conform to the specified unit price.

Bid Retention and Award – The City reserves the right to retain all bids for a period of ninety (90) days for examination and comparison. The City also reserves the right to waive non-substantial irregularities in any bid, to reject any and all proposals, to reject or delete one part of a proposal and accept the other, except to the extent that the bids are qualified by specific limitations, and to make award to the lowest responsible bidder as the interest of the City may require.

Communications Regarding Bid – All timely requests for information submitted in writing will receive a written response from the City. Telephone communications with City staff are not encouraged, but will be permitted. However, any such oral communication shall not be binding on the City.

2. EXAMINATION OF PLANS, CONTRACT DOCUMENTS, AND WORK SITE The Contract Documents and plans, if any, are on file and available for inspection in City Hall.

The Bidders are required to carefully examine the site and the proposal, plans, Contract

Documents, and contract forms. The Bidders must satisfy themselves as to the requirements of the Contract Documents and the contract; as to the location of the proposed work and by such other means as they may prefer; and as to the actual conditions and requirements of the work, and shall not, at any time after submission of the bid, dispute, complain, or assert that there was any misunderstanding in regard to the nature or amount of work to be done. It is mutually agreed that submission of a proposal shall be considered prima facie evidence that the bidder has made such examinations.

3. DISQUALIFICATION OF BIDDERS AND PROPOSALS More than one proposal for the same work from any individual, firm, partnership, corporation or association under the same or different names will not be accepted and reasonable grounds for believing that any bidder is interested in more than one proposal for the work will be cause for rejecting all proposals in which such bidders are interested.

Proposals which show obviously unbalanced prices, and those which are incomplete or show any alteration of form, or contain any additions or conditional or alternate bids that are not called for or otherwise permitted, may be rejected. Proposals that do not bear the Bidder's signature will be rejected.

4. AWARD AND EXECUTION OF CONTRACT The award of the contract, if awarded, will be made to the lowest responsive bidder whose proposal complies with all the prescribed requirements. The right is reserved, however, to reject any or all bids and to waive technical errors or discrepancies if it is deemed to best serve the interests of the City. An award will be made only until all necessary investigations are made as to the responsiveness of the low bidder.

Failure to execute a contract and file acceptable bonds as provided herein within the above timeline, not including Sundays, shall be just cause for the annulment of the award and the forfeiture of the proposal guaranty.

The Contractor will be required to obtain a City Business License prior to award of the contract.

5. SIGNATURE OF CONTRACTOR

- a. Corporation - Any bids submitted by a corporation must include the name of the corporation and must be signed by the President and Secretary or Assistant Secretary, and the corporate seal must be affixed. Other persons may sign for the corporation in lieu of the above if a certified copy of a resolution of the corporate board of directors so authorizing them to do so is on file in the City Clerk's Office.
- b. Partnerships - Any bids submitted by a partnership must contain the names of all persons comprising the partnership or co-partnership. The bid must be signed by all partners comprising the partnership unless proof in the form of a certified copy of a certificate of partnership acknowledging the signer to be a general partner is presented to the City Clerk.
- c. Joint Ventures - Any bids submitted by a joint venture must so state that and must be signed by each joint venturer.
- d. Individuals - Any bids submitted by an individual must be signed by that individual unless an up-to-date power of attorney is on file in the City Clerk's Office, in which

case the person indicated in the power of attorney may sign for the individual.

The above rules also apply in the case of a fictitious firm name. In addition, however, where the fictitious name is used, it must be so indicated where the signature appears.

6. BONDS

- a. Bid Bonds - Bid must be accompanied by cash, cashier's check, certified check, or surety bond in an amount equal to ten percent (10%) of the total amount in the Contractor's Proposal. Checks and bonds shall be made payable to the City of San Fernando.
- b. Contract Bonds - The Contractor simultaneously with execution of the Agreement shall furnish a surety bond in an amount equal to one hundred percent (100%) of the contract price as security for the faithful performance of this contract and a separate surety bond in an equal to one hundred percent (100%) of the contract price as security for the payment of all persons performing labor and furnishing materials in connection with this contract, as required by the terms of an Act entitled:

"An Act to secure the payment of the claim of persons employed by Contractors upon Public Works, and the claims of persons who furnish materials, supplies, teams, implements; or machinery used or consumed by such Contractors in the performance of such works, and prescribing the duties of certain public officers with respect thereto," approved May 10, 1919, as amended.

Bond Forms required are included in these specifications. Copies will be furnished to prospective bidders upon request.

Whenever any Surety or Sureties on any such bonds, or any bonds required by Law for the protection of the claims of laborers and material men become insufficient or the City Engineer has cause to believe that such Surety or Sureties have become insufficient, a demand in writing may be made of the Contractor for each further bond or bonds or additional surety, not exceeding that originally required, as is considered necessary, considering the extent of the work remaining to be done. Thereafter, no payment shall be made upon such contract to the Contractor or any assignee of the Contractor until such further bond or bonds or additional surety has been furnished.

7. RETURN OF BIDDER'S GUARANTIES - Within ten (10) days after the award of the contract, the City will return the proposal guaranties accompanying those proposals which are not to be considered in making award. All other proposals which are to be held until the contract has been finally executed, will be returned to the respective bidders after award of contract.
8. CONFLICT OF INTEREST - In the procurement of supplies, equipment, construction, and services by sub-recipients, the conflict-of-interest provisions in 24 CFR 85.36, OMB Circular A-110, and 24 CFR 570.611, respectively, shall apply. No employee, officer or agent of the sub-recipient shall participate in selection, award, or administration of a contract supported by Federal funds if a conflict of interest, real or apparent, would be involved.

9. SECTION 3 REQUIREMENTS - The parties to this Contract agree to comply with HUD's regulations in 24 CFR Part 75, which implements Section 3. As evidenced by their execution of this Contract, the parties to this Contract certify that they are under no contractual obligation or other impediment that would prevent them from complying with Part 75 of the regulations.

The Contractor agrees to send to each labor organization or representative of workers with which the Contractor has a collective bargaining Contract or other understanding, if any, a notice advising the labor organization or workers' representative of the Contractor's commitments under Section 3, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the Section 3, shall set forth the minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each, and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.

The Contractor agrees to include this Section 3 contract language in every subcontract subject to compliance with regulations in 24 CFR Part 75, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this Section 3 contract language, upon a finding that the subcontractor is in violation of the regulations in 24 CFR Part 75. The Contractor will not subcontract with any subcontractor where the Contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR Part 75.

The Contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the Contractor is selected, but before the Contract is executed, and (2) with persons other than those to whom the regulations of 24 CFR Part 75 require employment opportunities to be directed, were not filled to circumvent the Contractor's obligations under 24 CFR Part 75.

Noncompliance with HUD's regulations in 24 CFR Part 75 may result in sanctions, termination of this Contract for default, and debarment or suspension from future HUD assisted contracts.

10. SECTION 3 DECLARATION OF INTENT TO COMPLY - As a minimum requirement for consideration of a contract award, the Bidder/Proposer shall declare his/her intent to comply with Section 3 (24 CFR 75) of the Housing and Urban Development Act of 1968, as amended (Section 3) by submitting the Declaration of Intent to Comply Form. The Bidder/Proposer is obliged, to the greatest extent feasible, to give opportunities for training and employment to low-income and very low-income persons residing in the service area or neighborhood in which the covered Section 3 project/service is located, and/or to award subcontracts to other Section 3 business concerns that provide economic opportunities for Section 3 workers and Targeted Section 3 workers.

Bidder/Proposer agrees that, as a condition of responsiveness to the solicitation and prior to recommendation for contract award by the Local Contracting Agency (LCA), he/she will agree to comply with the Section 3 requirements by including the Section 3 contract language in the contract, to the greatest extent feasible, to meet the Section 3 benchmarks

and report all accomplishments with required documentation on a quarterly basis for the duration of the contract.

The following Section 3 requirements apply to all LCA Section 3 covered contracts and contractors/subcontractors funded with CDBG financial assistance:

Section 3 Workers: 25% or more for the total number of labor hours worked by all workers employed on a Section 3 project; and

Targeted Section 3 Workers: 5% or more of the total number of labor hours worked by all workers employed on a Section 3 project of which is included as part of the 25% threshold in the previous bullet.

11. SECTION 3 CERTIFICATIONS FORMS

A. SECTION 3 WORKERS - must complete certification forms demonstrating they meet the eligibility requirements.

A Section 3 Worker is any worker who currently fits, or when hired within the past five years fit, at least one of the following categories, as documented:

1. The worker's income for the previous or annualized calendar year is below the income limit established by HUD
2. The worker is employed by a Section 3 business concern; or
3. The worker is a YouthBuild participant

B. A SECTION 3 TARGETED WORKER for Housing and Community Development Financial Assistance projects is a Section 3 Worker who:

1. Is employed by a Section 3 business concern; or
2. Currently fits or when hired fit at least one of the following categories, as documented within the past five years:
 - (i) Living within the service area or the neighborhood of the project, as defined in 24 CFR §75.5; or
 - (ii) A YouthBuild participant

C. SECTION 3 BUSINESS CONCERN CERTIFICATION

Businesses that meet one of the following criteria within the last 6 months qualify as a Section 3 Business Concern. Local contracting agencies must verify Section 3 Business Concern status at the time the contract is awarded.

1. At least 51% owned and controlled by low-income or very low-income persons
2. Over 75% of labor hours performed for the business over prior 3-month period are performed by Section 3 Workers
3. At least 51% owned and controlled by current residents of public housing or Section 8 assisted housing

4. The status of a Section 3 business concern shall not be negatively affected by a prior arrest or conviction of its owner(s) or employees.

Nothing in this part shall be construed to require the contracting or subcontracting of a Section 3 business concern. Section 3 business concerns are not exempt from meeting the specifications of the contract.

12. COMPLIANCE WITH SECTION 3 BENCHMARKS

Compliance with Section 3 benchmarks shall be achieved, to the greatest extent feasible consistent with existing Federal, state and local laws and regulations to provide economic opportunities for Section 3 workers and Targeted Section 3 workers. HUD regulations outline requirements to serve as a measurement of compliance with the "greatest extent feasible." The benchmarks apply to all Section 3 projects awarded in any fiscal year.

The Contractor/Subcontractor will be considered to have complied with Section 3 benchmarks, in the absence of evidence to the contrary, if they meet all goals and certify compliance with prioritization requirements as follows. Participating contractor/Subcontractor should update their policies and procedures for tracking labor hours via Certified Payrolls (CPRs), timesheets, and other documents to ensure compliance with the Section 3 requirements. The Contractor/Subcontractor will have complied if they meet these benchmarks:

- Community development financial assistance benchmarks:
 - Section 3 workers: 25% or more for the total number of labor hours worked by all workers employed on a Section 3 project and
 - Targeted Section 3 workers: 5% or more of the total number of labor hours worked by all workers employed on a Section 3 project of which is included as part of the 25% threshold in the previous bullet.

Should the Contractor/Subcontractor fail to meet the Section 3 benchmarks as described above in this section, the Contractor/Subcontractor shall submit the Section 3 Qualitative Efforts Form that describes the qualitative nature of the activities. Examples of qualitative efforts includes, but are not limited to the following:

Engaged in outreach efforts to generate job applicants who are Targeted Section 3 workers.

- Provided training or apprenticeship opportunities.
- Provided technical assistance to help Section 3 workers compete for jobs (e.g., resume assistance, coaching).
- Provided or connected Section 3 workers with assistance in seeking employment including: drafting resumes, preparing for interviews, and finding job opportunities connecting residents to job placement services.
- Held one or more job fairs.
- Provided or referred Section 3 workers to services supporting work readiness and retention (e.g., work readiness activities, interview clothing, test fees, transportation, childcare).
- Provided assistance to apply for/or attend community college, a four-year educational institution, or vocational/technical training.
- Assisted Section 3 workers to obtain financial literacy training and/or coaching.

- Engaged in outreach efforts to identify and secure bids from Section 3 business concerns.
- Provided technical assistance to help Section 3 business concerns understand and bid on contracts.
- Divided contracts into smaller jobs to facilitate participation by Section 3 business concerns.
- Provided bonding assistance, guaranties, or other efforts to support viable bids from Section 3 business concerns.

- Promoted use of business registries designed to create opportunities for disadvantaged and small businesses.
- Outreach, engagement, or referrals with the state one-stop system as defined in Section 121(e)(2) of the Workforce Innovation and Opportunity Act 17.

The following documents in the PROPOSAL section of these Contract Documents must be completed and submitted with the bid package:

Bid Total (Words) _____

In case of discrepancy between unit prices and item totals, the unit prices shall prevail. In case of a discrepancy between item totals and bid total, the item totals shall prevail. In case of discrepancy between the bid total figures and bid total in words, the bid total in words shall prevail. The bid total will be subject to adjustment by the City in the event of a discrepancy. The contract award shall be made on the basis of the bid total as described above from among the responsive and responsible bidders.

The City does not expressly or by implication agree that the actual amount of work will correspond with the foregoing quantities but reserves the right to increase or decrease the amount of any class or portion of the work or to omit portions of the work as may be deemed necessary or advisable by the Engineer.

The bidder further agrees that in case of not executing the required contract with necessary bonds within ten (10) days, not including Sundays, after having received notice that the contract is ready for signature, the proceeds of the check or bond accompanying his bid shall become the property of the City of San Fernando.

By submission of the Contractor's Proposal, the bidder also certifies that the bid is a balanced bid.

The bidder acknowledges receipt of the following addendum issued for the above project. If no addendum has been received, write "None". FAILURE TO ACKNOWLEDGE RECEIPT OF ANY ADDENDA ISSUED WILL RENDER THE CONTRACTOR'S BID NON-RESPONSIVE.

SAMPLE CONSTRUCTION CONTRACT/AGREEMENT

[CONTRACTOR'S NAME]

Pico Street Improvement Project (between Kalisher Street and S. Brand Blvd., CDBG Project No. 602080-19, Plans (P-731) and Specifications (Job No. 7610)

THIS AGREEMENT, made and entered into this _____ day of _____, 2022, by and between CITY OF SAN FERNANDO, a municipal corporation of the State of California, hereinafter referred to as "CITY" and _____ "CONTRACTOR."

WITNESSETH:

That the CITY and the CONTRACTOR, for the consideration hereinafter named, mutually agree as follows:

1. The complete contract consists of the Contract Documents which includes all of the following documents incorporated herein by this reference: Approved **Pico Street Improvement Project (between Kalisher Street and S. Brand Blvd.), CDBG Project No. 602080-19, Plans (P-731) and Specifications (Job No. 7610)**, Notice Inviting Bids, Instructions to Bidders, Contractor's Proposal, Contract/Agreement, Special Provisions, Technical Provisions, and all modifications and amendments thereto.

2. CONTRACTOR shall perform everything required to be performed, shall provide and furnish all the labor, materials, necessary tools, expendable equipment, and all utility and transportation services required for the following work of improvement: **Pico Street Improvement Project (between Kalisher Street and S. Brand Blvd.), Project No. 602080-19, Plans (P-731) and Specifications (Job No. 7610)** (the "Work of Improvement") all in accordance with the Contract Documents and Contractor's Proposal dated _____.

CONTRACTOR agrees to perform all the work and furnish all the materials at his own cost and expense necessary to construct and complete in a good and workman-like manner and to the satisfaction of the City Engineer of the CITY, the Work of Improvement in accordance with the plans, specifications, and Contract Documents (the "Specifications") therefore prepared by City's Engineering Department and adopted by the City Council.

3. CITY agrees to pay and CONTRACTOR agrees to accept in full payment for this Work of Improvement the stipulated sum of _____ (\$_____).

CITY agrees to make monthly payments and final payment in accordance with the method set forth in the Specifications.

4. CONTRACTOR agrees to commence construction of the Work of Improvement within ten (10) days after issuance of a Notice To Proceed, and to continue in a diligent and workman-

like manner without interruption, and to complete the construction thereof within **thirty (30)** working days from the date the Notice to Proceed is issued.

5. Time is of essence of this Contract, and it is agreed that it would be impracticable or extremely difficult to ascertain the extent of actual loss or damage which the CITY will sustain by reason of any delay in the performance of this Agreement. It is, therefore, agreed that CONTRACTOR will pay as liquidated damages to the CITY the following sum: Five Hundred Dollars (\$500.00) for each day's delay beyond the time herein prescribed for finishing work. If liquidated damages are not paid, as designated by the CITY, the CITY may deduct the amount thereof from any money due or that may become due the CONTRACTOR under this Agreement in addition to any other remedy available to CITY. The CONTRACTOR shall not be assessed liquidated damages for any delay caused by the failure of a public utility to relocate or remove an existing utility required for the performance of this Contract.

6. The CONTRACTOR will pay, and will require all subcontractors to pay, all employees on the work of improvement a salary or wage at least equal to the prevailing salary or wage established for such work as set forth in the wage determinations for this work. Travel and subsistence pay shall be paid in accordance with Labor Code Section 1773.8. The CONTRACTOR shall forfeit to the CITY, as penalty, Fifty Dollars (\$50.00) for each calendar day or portion thereof for each worker paid (either by him or any subcontractors under him) less than the prevailing rate described above on the work provided for in this Agreement, all in accordance with Section 1775 of the Labor Code of the State of California. CONTRACTOR, by executing this Agreement, hereby certifies that it shall adopt the current general prevailing Federal and/or State rates of wages applicable to the Work of Improvement. **Contractor understands this is a federally assisted construction project and Federal Labor Standards, including Davis-Bacon Act requirements, will be enforced. Contractor acknowledges that if Federal and State wage rates are applicable, then the higher of the two will prevail.**

Section 3 of the Housing and Urban Development Act of 1968, As Amended:

The work to be performed under this Contract is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u (Section 3). The purpose of Section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by Section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing.

The parties to this Contract agree to comply with HUD's regulations in 24 CFR Part 75, which implements Section 3. As evidenced by their execution of this Contract, the parties to this Contract certify that they are under no contractual obligation or other impediment that would prevent them from complying with Part 75 of the regulations.

The Contractor agrees to send to each labor organization or representative of workers with which the Contractor has a collective bargaining Contract or other understanding, if any, a

notice advising the labor organization or workers' representative of the Contractor's commitments under Section 3, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the Section 3, shall set forth the minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each, and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.

The Contractor agrees to include this Section 3 contract language in every subcontract subject to compliance with regulations in 24 CFR Part 75, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this Section 3 contract language, upon a finding that the subcontractor is in violation of the regulations in 24 CFR Part 75. The Contractor will not subcontract with any subcontractor where the Contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR Part 75. The Contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the Contractor is selected, but before the Contract is executed, and (2) with persons other than those to whom the regulations of 24 CFR Part 75 require employment opportunities to be directed, were not filled to circumvent the Contractor's obligations under 24 CFR Part 75.

Noncompliance with HUD's regulations in 24 CFR Part 75 may result in sanctions, termination of this Contract for default, and debarment or suspension from future HUD assisted contracts.

7. The CONTRACTOR or SUBCONTRACTOR shall not discriminate on the basis of race, color, national origin, or sex in the performance of this contract. The contractor shall carry out applicable requirements of 49 CFR, Part 26 in the award and administration of DOT-assisted contracts. Failure by the contractor to carry out these requirements is a material breach of this contract, which may result in the termination of this contract, or such other remedy as City deems appropriate.

8. Attention is directed to Section 7108.5 of the California Business and Professions Code, which requires a prime CONTRACTOR or SUBCONTRACTOR to pay any SUBCONTRACTOR not later than 10 days of receipt of each progress payment, unless otherwise agreed to in writing. In addition, Federal Regulation (49 CFR 26.29) requires a prime CONTRACTOR or SUBCONTRACTOR to pay a SUBCONTRACTOR no later than 30 days of receipt of each payment, unless any delay or postponement of payment among the parties takes place only for a good cause and with the prior written approval of the CITY. Section 7108.5 of the California Business and Professions Code also contains enforcement actions and penalties. These requirements apply to both DBE and non-DBE subcontractors.

9. Federal Regulation (49 CFR 26.29) requires the following method be used in federal-aid contracts to ensure prompt and full payment of any retainage kept by the prime CONTRACTOR or SUBCONTRACTOR to a SUBCONTRACTOR:

CONSTRUCTION CONTRACT/AGREEMENT

Pico Street Improvement Project (between Kalisher Street and S. Brand Blvd.), CDBG Project No. 602080-19, Plans (P-731) and Specifications (Job No. 7610)

Page 4 of 7

The CITY may hold retainage from the prime CONTRACTOR and provide for prompt and regular incremental acceptances of portions of the contract, pay retainage to prime CONTRACTORS based on the acceptances, and include a contract clause obligating the prime contract and subcontractors to pay all retainage owed to all SUBCONTRACTORS for satisfactory completion of the accepted work within 30 days after receipt of the retainage. This clause must require the prompt release of retainage payments from the prime CONTRACTOR to the SUBCONTRACTOR within a specified number of days after the SUBCONTRACTOR'S work is satisfactorily completed.

In the above method, a SUBCONTRACTOR'S work is satisfactorily completed when all tasks called for in the contract have been accomplished and documented as required by the CITY. The work of a SUBCONTRACTOR covered by that acceptance is deemed to be satisfactorily completed, when the CITY has made an incremental acceptance of a portion of the contract work. Federal Regulation (49 CFR 26.29) also requires that any delay or postponement of payment among the parties may take place only for good cause, must have the prior written approval of the agency, and that appropriate means of enforcement such as those contained in Section 7108.5 of the California Business and Professions Code must be included in the contract.

10. In the performance of this Contract, not more than eight (8) hours shall constitute a day's work, and the CONTRACTOR shall not require more than eight (8) hours in a day from any person employed by him hereunder, except as provided in the Labor Code of the State of California. The CONTRACTOR shall adhere to Article 3, Chapter 1, Part 7 (Sections 1810, et seq.) of the Labor Code of the State of California, and it is agreed that the CONTRACTOR shall forfeit to the CITY as a penalty the sum of Fifty Dollars (\$50.00) for each worker employed in the execution of this Contract by the CONTRACTOR or any subcontractor for each calendar day during which any worker is required or permitted to labor more than eight (8) hours in violation of that article.

11. CONTRACTOR, by executing this Agreement hereby certifies:

"I am aware of the provisions of Section 3700 of the Labor Code which requires every employer to be insured against liability for Worker's Compensation or to undertake self-insurance in accordance with the provisions of that Code, and I will comply with such provisions before commencing the performance of the work of this Contract."

12. CONTRACTOR shall, prior to the execution of this Contract, furnish two bonds approved by the CITY, one in the amount of One Hundred Percent (100%) of the Contract price, to guarantee the faithful performance of the work, and one in the amount of One Hundred Percent (100%) of the Contract price to guarantee payment of all claims for labor and materials furnished. This Contract shall not become effective until such bonds are supplied to and approved by the CITY.

13. COVID-19 Vaccinations of LACDA Contractor Personnel

13.1 At the Contractor's sole cost, the Contractor shall comply with Chapter 2.212 (COVID-19 Vaccinations of County Contractor Personnel) of Los Angeles County Code Title 2 - Administration, Division 4. All employees of the Contractor and persons working on its behalf, including but not limited to, Subcontractors of any tier (collectively, "Contractor Personnel"), must be fully vaccinated against the novel coronavirus 2019 ("COVID-19") prior to (1) interacting in person with LACDA employees, interns, volunteers, and commissioners ("LACDA workforce members"), (2) working on LACDA and County owned or controlled property while performing services under this Contract, and/or (3) coming into contact with the public while performing services under this Contract, and/or (3) coming into contact with the public while performing services under this Contract (collectively, "In-Person Services").

13.2 The Contractor Personnel are considered "fully vaccinated" against COVID-19 two (2) weeks or more after they have received (1) the second dose in a 2-dose COVID-19 vaccine series (e.g. Pfizer-BioNTech or Moderna), (2) a single-dose COVID-19 vaccine (e.g. Johnson and Johnson [J&J]/Janssen), or (3) the final dose of any COVID-19 vaccine authorized by the World Health Organization ("WHO").

13.3 Prior to assigning the Contractor Personnel to perform In-Person Services, the Contractor shall obtain proof that such the Contractor Personnel have been fully vaccinated by confirming the Contractor Personnel is vaccinated through any of the following documentation: (1) official COVID-19 Vaccination Record Card (issued by the Department of Health and Human Services, CDC or WHO Yellow Card), which includes the name of the person vaccinated, type of vaccine provided, and date of the last dose administered ("Vaccination Record Card"); (2) copy (including a photographic copy) of a Vaccination Record Card; (3) documentation of vaccination from a licensed medical provider; (4) a digital record that includes a quick response ("QR") code that when scanned by a SMART HealthCard reader displays to the reader client name, date of birth, vaccine dates, and vaccine type, and the QR code confirms the vaccine record as an official record of the State of California; or (5) documentation of vaccination from the Contractors who follow the CDPH vaccination records guidelines and standards. The Contractor shall also provide written notice to LACDA before the start of work under this Contract that its Contractor Personnel are in compliance with the requirements of this section. The Contractor shall retain such proof of vaccination for the document retention period set forth in this Contract and must provide such records to the LACDA for audit purposes, when required by LACDA.

13.4 The Contractor shall evaluate any medical or sincerely held religious exemption request of its Contractor Personnel, as required by law. If the Contractor has determined that the Contractor Personnel is exempt pursuant to a medical or sincerely held religious reason, the Contractor must also maintain

records of the Contractor Personnel's testing results. The Contractor must provide such records to the LACDA for audit purposes, when required by LACDA. The unvaccinated exempt Contractor Personnel must meet the following requirements prior to (1) interacting in person with LACDA workforce members, (2) working on LACDA or County owned or controlled property while performing services under this Contract, and/or (3) coming into contact with the public while performing services under this Contract:

- A. Test for COVID-19 with either a polymerase chain reaction ("PCR") or antigen test has an Emergency Use Authorization ("EUA") by the FDA or is operating per the Laboratory Developed Test requirements by the U.S. Centers for Medicare and Medicaid Services. Testing must occur at least weekly, or more frequently as required by LACDA or other applicable law, regulation or order.
- B. Wear a mask that is consistent with CDC recommendations at all times while on LACDA or County controlled or owned property, and while engaging with members of the public and LACDA workforce members.
- C. Engage in proper physical distancing, as determined by the applicable LACDA department that the Contract is with.

13.5 In addition to complying with the requirements of this section, the Contractor shall also comply with all other applicable local, departmental, State, and federal laws, regulations and requirements for COVID-19."

PAYMENT (LABOR AND MATERIAL) BOND

KNOW ALL MEN BY THESE PRESENTS: that we, _____
as Principal, and _____ as Surety,
are held and firmly bound unto the CITY OF SAN FERNANDO, hereinafter called the
Owner, in the sum of _____ (\$_____)
for the payment of which sum well and truly to be made, we bind ourselves, our heirs,
executors, administrators and successors, jointly and severally, firmly by these
presents.

The conditions of this obligation are such that whereas the Principal entered into a
contract, attached hereto, with the Owner dated _____ for _____
_____.

NOW, THEREFORE, if the Principal shall promptly make payment to all persons
supplying labor and material in the prosecution of the work provided for in said
contract, and any and all duly authorized modifications of each contract that may
hereafter be made, then this obligation shall be void, otherwise this obligation shall
remain in full force and virtue.

The condition of this obligation is such that, if said Principal or his or its subcontractors,
or the heirs, executors, administrators, successors or assigns thereof, shall fail to pay
any of the persons named in Section 3181 of the Civil Code of the State of California for
any materials, provisions, provender or other supplies used in, upon, for or about the
performance of the work or labor performed by any such claimant or any amounts
required to be deducted, withheld, and paid over to the Franchise Tax Board from the
wages of employees of the contractor and his subcontractors pursuant to Section 18806
of the Revenue and Taxation Code, with respect to such work and labor, then said
Surety will pay for the same, in the amount not exceeding the sum set forth
hereinabove and also, in case suit is brought upon the bond, will pay a reasonable
attorney's fee to be fixed by the court. This bond shall insure to the benefit of any and
all persons named in the aforesaid Civil Code Section 3131 so as to give a right of
action to them or their assigns in any suit brought upon the bond.

Further, the said Surety, for value received, hereby stipulates and agrees that no
change, extension of time, alteration or modification of the contract documents or of
the work to be performed thereunder shall in any way affect its obligations on this
bond; and it hereby waives notice of any and all such changes, extensions of time; and
alterations or modifications of the contract documents and/or of the work to be
performed thereunder.

IN WITNESS WHEREOF, the above bounden parties have executed this instrument under their several seals the ____ day of _____, 2022, the name and corporate seal of each corporate party being hereto affixed and these presents duly signed by each party's undersigned representative, pursuant to authority of its governing body.

SPECIAL PROVISIONS

The documents that control construction, work performed, and materials furnished hereunder are the Contract Documents. The Contract Documents include the Notice Inviting Bids, Contractor's Proposal, Contract/Agreement, Bonds, Specifications, and the documents in the Appendix, if any, all of which are hereby incorporated and made a part of these Contract Documents. The Specifications include the Standard Specifications, these Special Provisions which supplement or modify the Standard Specifications, Plans, Standard Plans, and the Technical Specifications.

The Standard Specifications is the latest edition of the Standard Specifications for Public Works Construction, including supplements, written and promulgated by the Southern California Chapter of the American Public Works Association and the Southern California Districts of the Associated General Contractors of California.

In case of conflict between documents, the precedence of documents shall follow Subsection 2-5.2 of the Standard Specifications, except that the Technical Provisions precede the Special Provisions. However, for any other precedence of documents, the Technical Provisions shall be considered part of the Special Provisions. The most stringent of any document shall have the highest precedence.

For the convenience of the Contractor, the section and subsection numbering system used in these Special Provisions corresponds to that used in the Standard Specifications.

SECTION 1 - TERMS, DEFINITIONS, ABBREVIATIONS, UNITS OF MEASURES, AND SYMBOLS

Subsection 1-2 Terms and Definitions

Add the following to the provisions of Subsection 1-2, "Terms and Definitions":

The Standard Specifications, Standard Plans, and Manual of Traffic Controls, latest edition of each, of the State of California, Department of Transportation, and the Los Angeles County Department of Public Works Standard Plans, are incorporated herein by reference and are hereby accepted as Reference Specifications. These Reference Specifications are intended to govern certain construction materials, methods, and details except as modified herein or are inconsistent with the provisions herein. In case of conflict between the Reference Specifications and the Technical Provisions, the Technical Provisions shall govern. In case of a conflict between drawings and Technical Provisions, Technical Provisions shall prevail.

SECTION 2 - SCOPE AND CONTROL OF THE WORK

Subsection 2-1 Award and Execution of the Contract

Add the following to the provisions of Subsection 2-1, "Award and Execution of the Contract":

By mutual consent in writing of the parties signatory to the contract, alterations or deviations, increase or decreases, additions or omissions, in the plans and specifications may be made and the same shall in no way affect or make void the contract.

Subsection 2-4 Contract Bonds

Add the following to the provisions of Subsection 2-4, "Contract Bonds":

The performance bond shall remain in effect at least until the date of substantial completion/notice of completion, except as otherwise provided. The contractor warrants and guarantees to the City that all work will not be defective.

Subsection 2-5 Plans and Specifications

Add the following to the provisions of Subsection 2-5, "Plans and Specifications":

All authorized alterations affecting the requirements and information given on the approved plans shall be in writing. No changes shall be made of any plan or drawing after the same has been approved by the Engineer, except by written direction of the Engineer. Should it appear that the work to be done, or any matter relative thereto is not sufficiently detailed or explained in these Specifications, Special Provisions, Technical Provisions, or Plans, the contractor shall apply to the Engineer for such further explanations as may be necessary and shall conform to such explanation or interpretation as part of the original specifications. In the event of doubt or questions relative to the true meaning of the specifications, reference shall be made to the City Council, whose decision thereon shall be final.

Subsection 2-9 Surveying

Add the following to the provisions of subsection 2-9.1, "Permanent Survey Markers":

The Contractor shall be responsible for the protection and preservation of existing, permanent survey monuments and benchmarks during construction. Damaged or lost monuments and bench marks shall be restored to existing condition by a Registered Civil Engineer or a Land Surveyor licensed by the State of California at no increase in cost to the City.

The Contractor, at its own expense, shall employ a qualified surveyor to perform all survey work required for the completion of the project as specified in the Plans and these Specifications, comply with the requirements as Section 8771 of the Land Surveyors Act as amended and submit the documents from the County Surveyor as proof of compliance to the City.

Unless otherwise specified, all costs for protection and re-establishment of survey monuments shall be considered as included in the various related bid items and no additional compensation will be made therefor.

Add the following to the provisions of Subsection 2-9.2, "Surveying Service":

The Contractor shall be responsible for providing all survey service including, but not limited to, survey control, construction, monument preservation, and cut sheets, as deemed necessary and to the satisfaction of the Engineer to complete the scope of work. Failure to provide any or all survey service shall be cause for the Engineer to issue a stoppage of work until such time as the survey service is provided. Any delay as a result of the work stoppage shall be at the Contractor's sole expense including any liquidated damages arising therefrom.

The line and grades for construction will be parallel to and offset from the position of the work. From the established lines and grades, the Contractor shall extend the necessary lines and

grades for construction of the work and shall be responsible for the correctness of same.

Unless otherwise specified, all costs for surveying service shall be considered as included in the various related bid items and no additional compensation will be made therefor.

Subsection 2-10 Authority of Board and Engineer

Add the following to the provisions of Subsection 2-10, "Authority of Board and Engineer":

The Engineer shall retain all written protests filed, and, upon completion of the work, shall submit all such protests to the City Council, together with a copy of the Engineer's prior written decisions for consideration by the City Council at the time of final acceptance of the work. The Contractor or its representative may appear and be heard by the City Council concerning any such protests. In connection with acceptance of the work and final payment under the Contract, the City Council shall make its determination with respect to each protest filed with the Engineer. The decision of the City Council shall be final.

Subsection 2-11 Inspection

Add the following to the provisions of Subsection 2-11, "Inspection":

Inspection work requested by the contractor outside of the prescribed working hours shall be paid by the contractor at the City's overtime rate.

SECTION 3 - CHANGES IN WORK

Subsection 3-3 Extra Work

Add the following to the provisions of Subsection 3-3.1, "General":

The contractor shall proceed with extra work only upon written order from the Engineer. For such extra work the contractor shall receive payment as agreed upon in writing, or he shall be paid on force account. The contractor shall not exceed any of the quantities in the proposal unless prior authorization from the engineer is obtained in writing.

Add the following to the provisions of Subsection 3-3.2.3, "Markup":

Work by Contractor. The following percentages shall be added to the contractor's costs and shall constitute the markup for all supervision and management (direct or indirect); home office and field overhead and all profits, which shall be deemed to include all items of expense not specifically designated as materials or tool and equipment rental as in sections 3-3.2.2, "Materials", and 3-3.2.2.3, "Tool and Equipment Rental".

Labor	20%
Materials	15%
Equipment Rental	15%
Other Items and Expenditures	15%

To the sum of the costs and markups provided for in this subsection, a maximum of one percent (1%) shall be added as compensation for bonding upon proof of actual payment to the suret(ies).

Add the following to the provisions of Subsection 3-3.2.3.2, "Work by a Subcontractor":

When all or any part of the extra work is performed by a subcontractor, the markup established in subsection 3-3.2.3 shall be applied to the subcontractor's actual cost of such work, to which a markup of 10 percent on the first \$2,000 of the subcontracted portion of the extra work and a markup of 5 percent on work in excess of \$2,000 of the subcontracted portion of the extra work may be added by the contractor.

Subsection 3-4 Changed Conditions

The Contractor's failure to provide written notice of changed conditions within 48 hours upon their discovery to the Engineer and before they are disturbed shall constitute a waiver of compensation and claims in connection therewith.

The contractor shall proceed with extra work only upon written order from the Engineer. For such extra work the contractor shall receive payment as agreed upon in writing, or he shall be paid on force account. The contractor shall not exceed any of the quantities in the proposal unless prior authorization from the engineer is obtained in writing.

Subsection 3-5 Disputed Work

Add the following to the provisions of Subsection 3-5, "Disputed Work":

- A. In accordance with Public Contract Code Section 20104, and for the purposes of Paragraphs B only, the term "Defined Claim" shall mean a separate demand by the Contractor to the Owner of a value of \$375,000 or less, for any of the following: (a) a time extension, (b) payment of money or damages arising from work done by the Contractor pursuant to the Contract Documents and payment of which is not otherwise expressly provided for or the Contractor is not otherwise entitled to, or (c) an amount of payment which is disputed by the Owner.
- B. RESOLUTION OF DEFINED CLAIMS Pursuant to Sections 20104 et seq., of the Public Contracts Code, the provisions of this Paragraph B shall apply to all "Defined Claims," as such term is defined in Paragraph A (i.e., claims that are in the amount of \$375,000 or less).

Filing and Response to Defined Claim

The Defined Claim shall be in writing, include the documents necessary to substantiate the Defined Claim, and be filed with the Owner on or before the date of the final payment for the work.

If the Defined Claim is less than \$50,000, the new Owner shall respond in writing to the Defined Claim within 45 days of its receipt; or the Owner may request in writing within 30 days of receipt of the Defined Claim any additional documentation supporting the Defined Claim or relating to defenses or claims the Owner may have against the Contractor, and in such event the Owner's response shall be submitted to the Contractor within the later of 15 days after the receipt of the further documentation, or the time taken by the Contractor in producing the additional information.

If the Defined Claim is over \$50,000, the Owner shall respond in writing to the Defined Claim within 60 days of its receipt, or the Owner may request in writing within 30 days of receipt of the Defined Claim any additional documentation supporting the Defined Claim or relating to defenses or claims the Owner may have against the Contractor, and in such event the Owner's response shall be submitted to the Contractor within the later of 30 days after the receipt of the further documentation, or the time taken by the Contractor in producing the additional information or requested documentation.

Meet and Confer Regarding Defined Claim

If the Contractor disputes the Owner's written response, or if the Owner fails to respond within the prescribed time, to the Defined Claim, the Contractor may notify the Owner in writing within 15 days, and demand an informal conference to meet and confer for settlement of the issues in dispute. Upon receipt of the demand, the Owner shall schedule a meet and confer conference within 30 days. If the claim or any portion thereof remains in dispute following the meet and confer conference, the Contractor may file a claim pursuant to Government Code Section 900, et seq. For purposes of this Paragraph B, the running of the period of time within which a claim must be filed shall be tolled from the time the Contractor submits the Defined Claim until the time such Defined Claim is denied, including any period of time utilized by the meet and confer conference.

Procedures for Civil Actions Filed to Resolve Defined Claims

The following procedures shall apply to any civil action filed pursuant to this Paragraph B:

Non-Binding Mediation Within 60 days, but no earlier than 30 days, following the filing of responsive pleadings, the court shall submit the matter to non-binding mediation unless waived by mutual stipulation of both parties. The mediation process shall provide for the selection within 15 days by both parties of a disinterested third person as mediator, and shall be commenced within 30 days of the submittal and shall be concluded within 15 days from the commencement of the mediation unless a time requirement is extended upon a good cause showing to the court.

Judicial Arbitration If the matter remains in dispute, the case shall be submitted to judicial arbitration pursuant to Section 1141.10, et seq., of the Code of Civil Procedure, notwithstanding Code of Civil Procedure Section 1141.11. The civil discovery procedures of Code of Civil Procedure Section 2016, et seq., shall apply, consistent with the rules pertaining to judicial arbitration. In addition to the provisions of Code of Civil Procedure Section 1141.10, et seq., (a) arbitrators shall, upon stipulation of the parties, be experienced in construction law, and (b) any party appealing an arbitration award who does not obtain a more favorable judgment shall, in addition to payment of costs and fees, also pay the attorneys fees on appeal of the other party.

Interest on Award of Judgment In any suit filed pursuant to Paragraph (G)3.2, the Owner shall pay interest at the legal rate on any arbitration award or judgment, which interest shall begin to accrue on the date the suit is filed in a court of law.

- C. RESOLUTION OF CLAIMS OTHER THAN DEFINED CLAIMS The provisions of this Paragraph C shall apply to all claims that are not "Defined Claims," as such term is defined in Paragraph A (i.e., claims that are in excess of \$375,000.00).

Written Claim

If the Contractor is not satisfied with any action by the City Council to resolve the protest of any claim other than a Defined Claim, it shall file with the City Council, within fifteen (15) days after such determination, a written claim which shall comply with the requirements for a claim under Division 3.6 of Title 1 (commencing with Section 810) of the California Government Code. The City Council shall take action with respect to any such claim as provided in Division 3.6 of Title 1 of the Government Code. Denial of such claim by the City Council shall be a prerequisite to the institution of any legal proceeding challenging the action of the City Council. If the Contractor fails to file a claim within the time specified herein, it shall be deemed satisfied with the action of the City Council with respect to its protests, and such failure to file a claim shall be deemed to be a waiver of all claims and demands arising out of or relating to this Contract.

Limitation Period

Demand for Arbitration of any claim other than a Defined Claim shall be served upon the Owner within the time limits set forth in Division 3.6 of the California Government Code for commencement of legal proceedings against a local public agency.

Arbitration

Except as provided to the contrary herein, arbitration of any claim other than a Defined Claim may be initiated by the Contractor and shall be conducted in accordance with the provisions of California Code of Civil Procedure Sections 1280, et seq. The parties hereto agree that there shall be a single neutral Arbitrator who shall be selected in the following manner: (1) The Demand for Arbitration shall include a list of five names of persons acceptable to the Contractor to be appointed as Arbitrator. The Owner shall determine if any of the names submitted by Contractor are acceptable and, if so, such person will be designated as Arbitrator; (2) In the event that none of the names submitted by Contractor are acceptable to Owner or if for any reasons the Arbitrator selected in Step (1) is unable to serve, the Owner shall submit to Contractor a list of the five names of persons acceptable to Owner for appointment as Arbitrator to Contractor who shall in turn have 10 days in which to determine if one such person is acceptable; (3) If after Steps (1) and (2) the parties are unable to mutually agree upon a neutral Arbitrator, the matter of selection of an Arbitrator shall be submitted to the Los Angeles County Superior Court pursuant to Code of Civil Procedure Section 1281.6.

SECTION 4 - CONTROL OF MATERIALS

Subsection 4-1.3 Inspection Requirements

Add the following to the provisions of Subsection 4-1.3, "Inspection Requirements":

At the option of the Engineer, the source of supply of each of the materials shall be approved by the Engineer before delivery is started and before such material is used in the work. Representative preliminary samples of the character and quality prescribed shall be submitted by the contractor or producer of material to be used in the work, for testing or examination as

desired by the Engineer. All tests of industry materials furnished by the contractor shall be made in accordance with commonly recognized industry standards or special methods and tests as prescribed in these specifications.

The Contractor shall furnish such samples of materials as are requested by the Engineer, without charge. No material shall be used until it has been approved by the Engineer. Samples will be secured and tested whenever necessary to determine the quality of material.

SECTION 5 - UTILITIES

Subsection 5-1 Location

Add the following to the provisions of Subsection 5-1, "Location":

Utilities for the purpose of these Special Provisions shall be considered as including but not limited to; pipelines; conduits; transmission lines; appurtenance of both public utilities and private industries, business, or individual; storm drains; sanitary sewers; and street lighting conduits.

The City has endeavored to locate and indicate on the drawings all underground utilities, facilities, and obstructions within the limit of the work under this contract or so nearly adjacent thereto as to interfere with the execution of the work. However, the accuracy and completeness of the utilities location indicated on the plans is not guaranteed. Sewer service lines, gas service connections, and street lights and traffic signal conduits may not be shown on the plans.

The contractor is responsible to determine the exact location of utilities and its service connections during construction. The contractor shall notify the City of the exact location of any utility or service connection which is not shown or incorrectly shown on the plans.

The contractor shall be expected to maintain liaison with the affected utility company representatives, and shall notify them prior to beginning of the job and each time the particular utility is or could possibly be affected at least 24 hours in advance:

1.	Frontier Communications	800-921-8101
2.	Southern California Edison Company	800-611-1911
3.	Southern California Gas Company	800-427-2200
4.	San Fernando Water Department	818-898-1293
5.	L.A. City Municipal Services	800-342-5397
6.	L.A. Metropolitan Water Dist.	626-844-5610
7.	Spectrum Cable	833-267-6094
8.	Plains All America Pipeline	800-708-5071

SECTION 6 - PROSECUTION, PROGRESS, AND ACCEPTANCE OF THE WORK

Subsection 6-1 Construction Schedule and Commencement of Work

Add the following to the provisions of Subsection 6-1, "Construction Schedule and Commencement of Work":

The Contractor shall begin work within ten (10) days of the commencement date stated in the Notice to Proceed and shall diligently prosecute the same to completion before the time required to complete the work stated in the Contractor's Proposal expires.

Construction work is limited to normal working hours unless prior written approval is obtained from the Engineer. Normal working hours for construction are between 7 a.m. and 3:30 p.m.

Subsection 6-6 Delays and Extensions of Time

Add the following to the provisions of Subsection 6-6, "Delays and Extensions of Time":

The Contractor shall not be assessed with liquidated damages nor the cost of engineering and inspection during any delay in the completion of the work caused by Acts of God or of war, acts of the City, fire, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and weather or delays of subcontractors due to such causes, provided that the Contractor shall within ten (10) days from the beginning of any such delay notify the Engineer in writing of the cause of delay, who shall ascertain the facts and the extent of the delay, and his findings of the facts thereon shall be final and conclusive.

Subsection 6-7 Time of Completion

Add the following to the provisions of Subsection 6-7, "Time of Completion":

Where a single shift is worked, eight (8) consecutive hours between 7 a. m. and 5 p.m. shall constitute a day's work at straight time for all workers. Forty (40) hours between Monday, 7 a.m., and Friday, 5 p.m. shall constitute a week's work at straight time. Holidays as herein referred to shall be deemed to be:

- | | |
|---------------------------|--------------------------|
| ▶ New Year's Day | ▶ Labor Day |
| ▶ Martin Luther King Day | ▶ Veterans Day |
| ▶ Washington's Birthday | ▶ Thanksgiving Day |
| ▶ Cesar Chavez's Birthday | ▶ Day after Thanksgiving |
| ▶ Memorial Day | ▶ Christmas Day |
| ▶ Independence Day | |

Subsection 6-8 Completion, Acceptance, and Warranty

Add the following to the provisions of Subsection 6-8, "Completion, Acceptance, and Warranty":

Final inspection and recommendation of completion by the Engineer does not constitute acceptance of the project. The contractor remains responsible for the project until acceptance of the work by the City Council.

Subsection 6-9 Liquidated Damages

Add the following to the provisions of Subsection 6-9, "Liquidated Damages":

It is agreed by the parties to the contract that liquidated damages for work under this contract is the sum of Five Hundred Dollars (\$500.00) per day for each and every day's delay beyond

the time prescribed to complete the work. Contractor agrees to pay such liquidated damages as herein provided, and in case the same are not paid, Contractor agrees that the City of San Fernando may deduct the amount thereof from any money due or that may become due the Contractor under the contract.

It is further agreed that in case the work called for under the contract is not finished and completed in all parts and requirements within the time specified, the City Council shall have the right to extend the time for completion or not, as may seem best to serve the interest of the City; and if it decides to extend the time limit for the completion of the contract, it shall further have the right to charge to the Contractor, his heirs, assigns or sureties; and to deduct from the final payment for the work, all or any part, as it may deem proper, of the actual cost of engineering, inspection, superintendence, and other overhead expenses which are directly chargeable to the contract, and which accrue during the period of such extension, except that the cost of final surveys and preparation of final estimates shall not be included in such charges.

SECTION 7 - RESPONSIBILITIES OF THE CONTRACTOR

Subsection 7-2 Labor

Add the following to the provisions of Subsection 7-2, "Labor":

Attention is directed to Sections 1777.5, 1777.6 and 1777.7 of the California Labor Code and Title 8, California Administrative code, Section 200 et seq. to ensure compliance and complete understanding of the law regarding apprentices.

Section 1777.5, as amended, requires the contractor or subcontractor employing tradesmen in any apprenticeable occupation to apply to the joint apprenticeship committee nearest the site of the public works project and which administers the apprenticeship program in that trade for a certificate of approval. The certificate will also fix the ratio of apprentices to journeymen that will be used in the performance of the contract. The ratio of apprentices to journeymen in such cases shall not be less than one to five except:

1. When unemployment in the area of coverage by the joint apprenticeship committee has exceeded an average of 15 percent in the 90 days prior to the request for certificate, or
2. When the number of apprentices in training in the area exceeds a ratio of one to five, or
3. When the trade can show that it is replacing at least 1/30 of its membership through apprenticeship training on an annual basis statewide or locally, or
4. When the contractor provides evidence that he employs registered apprentices on all of his contracts on an annual average of not less than one apprentice to eight journeymen.

The contractor is required to make contributions to funds established for the administration of apprenticeship programs if he employs registered apprentices or journeymen in any apprenticeable trade on such contracts and if other contractors on the public works site are making such contributions.

The contractor and any subcontractor under him shall comply with the requirements of Sections

1777.5 and 1777.6 in the employment of apprentices.

Information relative to apprenticeship standards, wage schedules, and other requirements may be obtained from the Director of Industrial Relations, ex officio the Administrator of Apprenticeship, San Francisco, California, or from the Division of Apprenticeship Standards and its branch offices.

Subsection 7-2.4 Hours of Labor

Add the following to the provisions of Subsection 7-2.4, "Hours of Labor":

Eight hours constitutes a legal days' work. The contractor shall forfeit, as a penalty to the City of San Fernando, \$25.00 for each workman employed in the execution of the contract by the contractor is required or permitted to work more than eight hours in any one calendar day and 40 hours in any one calendar week in violation of the provisions of the Labor Code, and in particular, Sections 1810 to 1815, thereof, inclusive, except that work performed by employees of contractors in excess of eight hours per day, and 40 hours during any one week, shall be permitted upon compensation for all hours worked in excess of eight hours per day at not less than one-and-one-half times the basic rate of pay as provided in said Section 1815.

The contractor shall comply with Labor Code Section 1775 in accordance with said Section 1775, the contractor shall forfeit as a penalty to the City of San Fernando, \$50.00 for each calendar day or portion thereof, for each workman paid less than the stipulated prevailing rates for such work or craft in which such workman is employed for any work under the contract by him or by any subcontractor under him in violation of the provisions of the Labor Code and in particular, Labor Code Sections 1770 to 1780, inclusive. In addition to said penalty and pursuant to said Section 1775, the difference between such stipulated prevailing wage rates and the amount paid to each workman for each calendar day or portion thereof for which each workman was paid less than the stipulated prevailing wage rate shall be paid to each workman by the contractor.

In accordance with the provisions of Section 1770 to 1777 inclusive, of the Labor Code of the State of California, the City Council of San Fernando has adopted the general prevailing rates of per diem wages applicable to the work to be done as have been determined by the Director of the Department of Industrial Relations for the State of California.

Subsection 7-3 Liability Insurance

Add the following to the provisions of Subsection 7-3, "Liability Insurance":

The public liability insurance shall include protection from claims caused by automobiles, trucks, or other vehicles of the contractor or any subcontractor while in use both within and outside the contract premises. The property damage insurance shall cover damage or destruction of any and all property other than that which is owned, leased, or in the care, custody or control of the Contractor or any subcontractor, with the liability limit applying to any one (1) accident, disaster or claim. All coverage provided by Contractor shall be considered primary and shall be completely exhausted before City coverage, if any and to be considered secondary, is exercised. By appropriate endorsement, such policies of insurance required shall name the City of San Fernando as additionally insured with the Contractor with respect to the construction project described in these specifications and shall provide that such insurance coverage shall not be

canceled or reduced without thirty (30) days prior written notice to the City of San Fernando. Said endorsement shall be a separate document. Certificates of the insurance carried evidencing such insurance coverage shall be delivered to the City of San Fernando concurrently with the execution of the contract by the Contractor.

Subsection 7-5 Permits

Add the following to the provisions of Subsection 7-5, "Permits":

The Contractor shall procure all permits and licenses, pay all charges and fees, and give all notices necessary and incidental to the due and lawful prosecution of the work.

Pursuant to State Bill 854, the following new requirements apply to all public works projects:

A contractor or subcontractor shall not be qualified to bid on, be listed in a bid proposal, subject to the requirements of Section 4104 of the Public Contract Code, or engage in the performance of any contract for public work, as defined in this chapter, unless currently registered and qualified to perform public work pursuant to Section 1725.5. It is not a violation of this section for an unregistered contractor to submit a bid that is authorized by Section 7029.1 of the Business and Professions Code or by Section 10164 or 20103.5 of the Public Contract Code, provided the contractor is registered to perform public work pursuant to Section 1725.5 at the time the contract is awarded. The website for contractor registration with the Department of Industrial Relations (DIR) is <https://efiling.dir.ca.gov/PWCR>; the annual non-refundable fee, valid July 1 through June 30 (state fiscal year), is \$300.

Contractors who are awarded a public works project must submit electronic payroll records to the DIR's Compliance Monitoring Unit (CMU) in addition to providing wet-ink original copies to the City or its designated labor compliance enforcement officer.

Subsection 7-8.1 General

Add the following to the provisions of Subsection 7-8.1, "General":

All excess dirt and construction debris shall be hauled away from job site each day.

Subsection 7-9 Protection and Restoration of Existing Improvements

Add the following to the provisions of Subsection 7-9, "Protection and Restoration of Existing Improvements":

Existing improvements damaged or removed without written authorization shall be replaced by the contractor at no cost to the City. The contractor shall leave the work area in the same or better condition as compared to before beginning contract work.

The contractor shall be responsible for the protection and preservation of existing, permanent survey monuments and benchmarks during construction. Damaged or lost monuments and bench marks shall be restored to existing condition by a Registered Civil Engineer or a Land Surveyor licensed by the State of California at no additional cost to the City. Corner records shall be filed with the Los Angeles County Surveyor's Office and copies of the recorded corner records shall be provided to the City prior to the release of retention payment.

Subsection 7-10 Public Convenience and Safety

Add the following to the provisions of Subsection 7-10, "Public Convenience and Safety":

In the event that the Contractor fails to adequately provide for the public safety during the course of construction under this contract, and the City is required to provide for said public safety, the Contractor shall pay the City the cost of each service call, which will include all direct labor and material costs including fringe benefits, overhead, and applicable rental rates for the various pieces of equipment. Any and all costs incurred by the City as a result of the failure of the Contractor to provide for the public safety will be deducted from the amount due to the Contractor for the work done under this contract.

Subsection 7-10.1.1 Storage of Equipment and Materials in Public Streets

Add the following to the provisions of Subsection 7-10.1.1, "Storage of Equipment and Materials in Public Streets":

Overnight stockpiling of construction debris or excavated materials is not allowed. Contractor must obtain written approval from the Engineer prior to storage of construction materials and equipment on the street where improvements are planned. Adequate flashing barricades shall be provided.

Subsection 7-10.2.2 Street Closures, Detours, Barricades

Add the following to the provisions of Subsection 7-10.2.2, "Street Closures, Detours, Barricades":

In the event that any street must be closed, request must be received by the Engineer for approval and the following parties shall be notified at least 48 hours in advance.

- | | | |
|----|-------------------------|--------------------------------|
| a. | Public Works Department | (818) 898-1293 |
| b. | Police Department | (818) 898-1267 (Non-Emergency) |
| c. | Fire Department | (818) 756-8698 (Non-Emergency) |
| d. | Mauran Ambulance | (818) 365-3182 |

The Contractor may choose to comply with the requirements of W.A.T.C.H. (Work Area Traffic Control Handbook) in providing devices and signage for pedestrian and vehicular traffic. The Contractor shall provide flagmen as necessary.

Overnight parking of construction equipment in the project site shall be subject to the Engineer's approval and comply with the City parking restriction/regulations. Contractor shall provide adequate flashing barricades.

Unless otherwise specified, full compensation for furnishing all labor, materials, tools and equipment, and doing all the work involved in providing traffic control shall be included in other items of work and no additional compensation will be allowed therefor.

SECTION 8 - FACILITIES FOR AGENCY PERSONNEL

No field offices for AGENCY personnel shall be required; however, the AGENCY's personnel shall have the right to enter upon the project at all times and shall be admitted to the offices of the

Contractor if so provided by the Contractor for his own personnel.

SECTION 9 - MEASUREMENT AND PAYMENT

Subsection 9-3 Payment

Add the following to the provisions of Subsection 9-3, "Payment":

It is mutually agreed between the parties to the contract that no certificate given or payments made under the contract, except the final project acceptance, shall be conclusive evidence of the performance of the contract, either wholly or in part, against any claim of the party of the first part, and no payment shall be construed to be an acceptance of any defective work or improper materials.

The Contractor further agrees that the payment of the final amount due under the contract, and the adjustment and payment for any work done in accordance with any alterations of the same, shall release the City of San Fernando, City Council, and the Engineer from any and all claims of liability on account of work performed under the contract or any alteration thereof.

Subsection 9-3.2 Partial and Final Payment

Add the following to the provisions of Subsection 9-3.2, "Partial and Final Payment":

The City shall, once in each month, cause an estimate in writing to be made by the Engineer of the total amount of work done and the acceptable materials furnished and delivered by the Contractor on the ground and not used, at the time of such estimate; and the value thereof. The City of San Fernando shall retain five percent (5%) of such estimated value of the work done and fifty percent (50%) of the value of the materials so estimated to have been furnished and delivered and unused as aforesaid as part security for the fulfillment of the contract by the Contractor, and shall monthly pay the Contractor, while carrying on the work, the balance not retained, as aforesaid, after deducting therefrom all previous payments and all sums to be kept or retained under the provisions of the contract. No such estimate or payment shall be required to be made, when, in the judgment of the Engineer, the work is not proceeding in accordance with the provisions of the contract, or when in his judgment, the total value of the work done since the last estimate amounts to less than Three Hundred Dollars (\$300.00).

The Contractor shall submit updated work schedules and current record drawings (as-built) with requests for progress payments.

SECTION 10 - DOCUMENT RETENTION & EXAMINATION

- a. In accordance with Government Code Section 8546.7, records of both City and the Contractor shall be subject to examination and audit by the State Auditor General for a period of five (5) years after final payment.
- b. Contractor shall make available to City any of the Contractor's other documents related to the Project immediately upon request of City.
- c. In addition to the State Auditor rights above, City shall have the right to examine and audit all books, estimates, records, contracts, documents, bid documents, subcontracts, and other data of the Contractor (including computations and projections) related to negotiating, pricing, or performing the modification in order to evaluate the accuracy and completeness of the cost or pricing data at no additional cost to City, for a period of five (5) years after final payment.

TECHNICAL SPECIFICATIONS

1.1 GENERAL REQUIREMENTS

All Conditions of the Contract apply to work of this Section.

In case of a conflicting statement between this section and other sections in the specifications or SSPWC, the terms in this Technical Specification shall prevail.

1.2 SCOPE OF WORK

1.2.1 This work includes furnishing labor, materials, tools, equipment, transportation and services required for complete and satisfactory construction of:

**PICO STREET IMPROVEMENT PROJECT
(Between Kalisher Street and S. Brand Blvd.)
CDBG PROJECT NO. 602080-19
PROJECT NO. 7610, PLAN NO. P-731**

in accordance with the improvement Plans and Specifications prepared thereof by the City of San Fernando.

A. GENERAL NATURE OF WORK

The project consists of roadway resurfacing and concrete replacement. The work includes replacement of concrete curbs, gutters, sidewalks, cross gutters, spandrel, and access ramps; rehabilitation of AC pavement sections, cold milling of AC pavement; construction of ARHM overlay; adjustment to grade of water valves and manhole frames and covers; installation of traffic striping, signage and pavement marking including painting of house numbers; and miscellaneous appurtenant work.

B. PRE-CONSTRUCTION MEETING AND MISCELLANEOUS REQUIREMENTS

Prior to commencing work, there will be a pre-construction meeting to be attended by the Engineer, Inspector, Street Superintendent, Subcontractors and Contractor, and at which time the Contractor shall be informed of specific construction and administrative procedures. The Contractor shall submit a detailed construction schedule, traffic control plan, and materials specifications proposed for use on the project during this meeting.

The Contractor shall secure approval of the traffic control plan prior to beginning any work.

C. SWPPP BEST MANAGEMENT PRACTICES (BMPs)

General

The City of San Fernando is a co-permittee with 85 other cities in Los Angeles County under the National Pollutant Discharge Elimination System (NPDES) General Permit Number CA0061654 (CI 6948) issued by the Los Angeles Regional Water Quality Control Board. This section of the specifications contains recommended practices, called Storm Water Pollution Prevention (SWPP) BMP. All contractors for the City of San Fernando must follow these practices.

Best Management Practices

Measures to retain all sediments, construction-related wastes, spills, and residues on the construction site and keep them from entering any storm drains that lead, untreated, to the ocean must be employed. These measures are required to comply with federally mandated NPDES policy. As a minimum requirement under the permit, a list of BMPs must be utilized which include sediment control, site management and material and waste management. BMPs, however, will differ from one project to the next. It is our best opinion that the BMPs in **bold** highlight in the following table will apply to this project. These BMPs are included in the following pages.

Detailed Best Management Practices

1. Dewatering Operations	4-3
2. Paving Operations	4-5
3. Material Delivery and Storage	4-9
4. Hazardous Waste Management	4-17
5. Contaminated Soil Management	4-19
6. Concrete Waste Management.....	4-21
7. Seeding and Planting.....	5-10
8. Mulching.....	5-16
9. Geotextiles and Mats	5-19
10. Dust Controls	5-25
11. Construction Road Stabilization	5-35
12. Stabilized Construction Entrance	5-37
13. Sand Bag Barrier	5-71
14. Storm Drain Inlet Protection.....	5-79
15. Sediment Trap	5-87
16. Sediment Basin	5-90

(1) All of the Best Management Practices are taken from the California Storm Water Best Management Practice Handbooks.

1.3 SPECIFICATIONS AND APPENDICES

- 1.3.1 Improvement plans, which form a part of the Contract Documents, are included separately from these specifications.
- 1.3.2 Specifications which form a part of the Contract Documents consist of sections listed in the Table of Contents of these specifications.
- 1.3.3 Qualification of Standard Specifications: Wherever references are made in the Specifications to Standard Specifications or methods, reference shall be made to the Standard Specifications for Public Works Construction, 2018 Edition, as amended.

1.4 COORDINATION

The Contractors shall coordinate the work of the various trades and crafts to avoid possible interferences, duplication of work, or unfinished gaps and conflicts between operations. The various trades and crafts shall agree that, due to field conditions, minor departures from the improvement plans are bound to occur, and that such departures are self compensating so far as cost of additions or deductions are concerned. No claims for extras or time extensions will be allowed in connection with such minor changes due solely to field conditions.

1.5 CONSTRUCTION FORCE

It shall be construed that each subcontract is an integral part of the General Contract and the Contractor shall provide and maintain, in full operation, at all times during the performance of the contract, a sufficient crew of laborers, mechanics, and foremen to execute the work with dispatch. All construction related efforts and operations shall be continuous and sustained.

1.6 BID ITEM DESCRIPTIONS

BID ITEM NO. 1 – VARIABLE COLD MILL 0" to 1.25" DEPTH AC PAVEMENT.

Cold milling shall conform to the provisions of Section 404 of the Standard Specifications and shall be performed at locations and to depths indicated on the Plans. Cold milling shall be from outer edge of gutter to 6 ft. from edge of gutter and shall extend from curb-return to curb-return of the designated areas.

Existing AC on top of existing PCC gutters shall be removed and disposed of and no additional compensation will be made therefore.

All materials to be removed as indicated on the Plans shall be disposed of outside of right-of-way as specified in Subsections 404-8 of the Standard Specifications.

Payment for BID ITEM NO. 1 – VARIABLE COLD MILL 0" to 1.25" DEPTH AC PAVEMENT shall be at the contract bid item price per square foot (SF) from outer edge of gutter to 6 ft. from edge of gutter and shall include full compensation for all labor, materials, tools, equipment and incidentals necessary to do all the work involved thereof, complete in place, and accepted.

BID ITEM NO. 2 – VARIABLE COLD MILL 0" to 1.50" DEPTH AC PAVEMENT.

Cold milling shall conform to the provisions of Section 404 of the Standard Specifications and shall be performed at locations and to depths indicated on the Plans. Cold milling shall be from curb face to 6 ft. out from curb face and shall extend from curb-return to curb-return of the designated areas.

Existing AC on top of existing PCC gutters shall be removed and disposed of and no additional compensation will be made therefore.

All materials to be removed as indicated on the Plans shall be disposed of outside of right-of-way as specified in Subsections 404-8 of the Standard Specifications.

Payment for BID ITEM NO. 2 – VARIABLE COLD MILL, 0" to 1.50" DEPTH AC PAVEMENT shall be at the contract bid item price per square foot (SF) from outer edge of gutter to 6 ft. out from edge of gutter and shall include full compensation for all labor, materials, tools, equipment and incidentals necessary to do all the work involved thereof, complete in place, and accepted.

BID ITEM NO. 3 – TRAVERSE VARIABLE COLD MILL 0" to 1.25" DEPTH AC PAVEMENT.

Cold milling shall conform to the provisions of Section 404 of the Standard Specifications and shall be performed at locations and to depths indicated on the Plans. Cold milling shall be from outer edge of x-gutter to distance shown on plans and shall extend from curb-return to curb-return of the designated areas.

Existing AC on top of existing PCC x-gutters shall be removed and disposed of and no additional compensation will be made therefore.

All materials to be removed as indicated on the Plans shall be disposed of outside of right-of-way as specified in Subsections 404-8 of the Standard Specifications.

Payment for BID ITEM NO. 3 – TRANSVERSE COLD MILL 0" to 1.25" DEPTH AC PAVEMENT shall be at the contract bid item price per square foot (SF) from outer edge of x-gutter to distance shown on plans and shall include full compensation for all labor, materials, tools, equipment and incidentals necessary to do all the work involved thereof, complete in place, and accepted.

BID ITEM NO. 4 – VARIABLE COLD MILL 1.25" to 1.50" DEPTH AC PAVEMENT.

Cold milling shall conform to the provisions of Section 404 of the Standard Specifications and shall be performed at locations and to depths indicated on the Plans. Cold milling shall be from edge of gutter (1.25 in.) to face of curb (1.50 in.), as shown on plans and shall extend from curb-return to curb-return of the designated areas.

Existing AC on top of existing PCC x-gutter shall be removed and disposed of and no additional compensation will be made therefore.

All materials to be removed as indicated on the Plans shall be disposed of outside of right-of-way as specified in Subsections 404-8 of the Standard Specifications.

Payment for BID ITEM NO. 4 – VARIABLE COLD MILL 1.25" to 1.50" DEPTH AC PAVEMENT shall be at the contract bid item price per square foot (SF) from edge of gutter to face of curb as shown on plans and shall include full compensation for all labor, materials, tools, equipment and incidentals necessary to do all the work involved thereof, complete in place, and accepted.

BID ITEM NO. 5 – A.C. DIGOUTS (8 in.)

The work under this item consists of removal, before cold milling pavement, of deteriorated and depressed existing asphalt pavement, either by sawcutting/removal or by grinding, hauling, disposing, backfilling, recompact the subbase to 95% relative compaction and placement of conventional AC pavement (C2-PG 64-10), compact to 95% relative compaction of designated areas.

Payment for BID ITEM NO. 5 – A.C. DIGOUTS shall be at the contract bid item price per square foot (SF) and shall include full compensation for all labor, materials, tools, equipment and incidentals necessary to do all the work involved thereof, complete in place, and accepted.

BID ITEM NO. 6 – CONSTRUCT 1.5" ARHM OVERLAY.

The work under this item consists of placing Asphalt Rubber Hot-Mix (ARHM) as shown on the Plans in accordance with the provisions of Section 302, "Asphalt Concrete Pavement," of the Standard Specifications.

Prior to placement of ARHM, the Contractor shall backfill and recompact loose material exposed by cold milling, seal all cracks 3/8 inch and larger. Cracks shall be cleaned out with power router type equipment and blown clean with compressed air. The routed cracks shall then be filled with a latex emulsified asphalt sealant, Crafcro Polyflex Type III.

Paving shall be spread with a self-propelled mechanical spreading and finishing machine equipped with an automatic screed control 30 feet minimum in length.

Where asphalt concrete pavement is being constructed directly upon or against an existing hard pavement surface, or vertical asphalt concrete, or Portland Cement Concrete surface, a binder consisting of asphalt emulsion SS-1H diluted 50 percent with water shall be applied at a rate of 0.10 gallon per square yard. The Contractor shall furnish water for the rolling operation.

Payment for BID ITEM NO. 6 – CONSTRUCT 1.5" ARHM OVERLAY shall be at the contract bid item price per ton (TON) and shall include full compensation for all labor, materials, tools, equipment and incidentals necessary to do all the work involved thereof, complete in place, and accepted, including backfill, recompacting and crack sealing.

BID ITEM NO. 7 – REMOVE AND RECONSTRUCT X-GUTTER

Removal of existing PCC X-gutter and replacing with 8" thick PCC X-gutter shall conform to the provisions of Section 303-5 of the Standard Specifications, SPPWC Standard Plan 122-2, the Plans and these Specifications. Work shall include grading, backfilling with CAB, compacting to 95% relative compaction, forming, installing dowels and pouring. Concrete shall be Class 520-C-2500.

Payment for BID ITEM NO. 7 – REMOVE AND REPLACE PCC X-GUTTER the contract bid item price per square foot (SF) and shall include full compensation for all labor, materials, tools, equipment and incidentals necessary to do all the work involved thereof, complete in place, and accepted.

BID ITEM NO. 8 – REMOVE AND RECONSTRUCT PCC SPANDREL.

Removal of existing PCC spandrel and replacing with 8" thick PCC spandrel shall conform to the provisions of Section 303-5 of the Standard Specifications, SPPWC Standard Plan 122-2, the Plans and these Specifications. Work shall include grading, backfilling with CAB, compacting to 95% relative compaction, forming and pouring. Concrete shall be Class 520-C-2500.

Payment for BID ITEM NO. 8 – REMOVE AND REPLACE PCC SPANDREL shall be at the contract bid item price per square foot (SF) and shall include full compensation for all

labor, materials, tools, equipment and incidentals necessary to do all the work involved thereof, complete in place, and accepted.

BID ITEM NO. 9 – REMOVE AND REPLACE PCC CURB AND GUTTER.

Removal of existing curb and gutter and replacing with PCC curb and gutter, shall conform to the provisions of Section 303-5 of the Standard Specifications, SPPWC Standard Plan 120-2, Type A2-8, and the Plans. The work shall include sawcutting, removals, backfill with CAB, grading, compaction and surveying as necessary. Concrete shall be Class 520-C-2500.

Payment for BID ITEM NO. 9 – REMOVE AND REPLACE CURB AND GUTTER shall be at the contract bid item price per linear foot (LF) and shall include full compensation for all labor, materials, tools, equipment, and incidentals necessary to do all the work involved thereof, complete in place, and accepted.

BID ITEM NO. 10 – CONSTRUCT 24 IN. PCC GUTTER ONLY.

Removal of existing AC pavement, backfill with CAB, compaction and constructing 24 in. wide PCC gutter only, adjacent to existing curb, shall conform to the provisions of Section 303-5 of the Standard Specifications, SPPWC Standard Plan 120-2, Type A2-8, and the Plans. The work shall include sawcutting, removals, backfill with CAB, grading, compaction and surveying as necessary. Concrete shall be Class 520-C-2500.

Payment for BID ITEM NO. 10 – CONSTRUCT 24 IN. PCC GUTTER ONLY shall be at the contract bid item price per linear foot (LF) and shall include full compensation for all labor, materials, tools, equipment, and incidentals necessary to do all the work involved thereof, complete in place, and accepted.

BID ITEM NO. 11 – REMOVE AND REPLACE 6" PCC DRIVE APPROACH.

Removal of existing drive approach and replacing with 6" thick PCC drive approach shall conform to the provisions of Section 303-5 of the Standard Specifications, SPPWC Standard Plan 110-2, Type A, the Plans and these Specifications.

Concrete shall be Class 520-C-2500. Drive approach shall be poured separate from curb/curb and gutter and/or sidewalk.

Payment for BID ITEM NO. 11 – REMOVE AND REPLACE 6" PCC DRIVE APPROACH shall be at the contract bid item price per square foot (SF) and shall include full compensation for all labor, materials, tools, equipment, and incidentals necessary to do all the work involved thereof, complete in place, and accepted.

BID ITEM NO. 12 – REMOVE AND REPLACE 4" PCC SIDEWALK.

PCC sidewalk shall conform to the provisions of Section 303-5 of the Standard Specifications. PCC sidewalk shall be removed and reconstructed in accordance with Section 303-5 of the Standard Specifications, SPPWC Standard Plan 112-2 and the Plans. The work shall include the adjustment to grade of existing water meter boxes within the sidewalk area. All removals shall be to the nearest existing score lines. Concrete shall be Class 520-C-2500.

Payment for BID ITEM NO. 12 – REMOVE AND REPLACE 4" PCC SIDEWALK shall be at the contract bid item price per square foot (SF) and shall include full compensation for all labor, materials, removal and disposal, tools, equipment, and incidentals necessary to do all the work involved thereof, complete in place, and accepted, including adjustment to grade of water meter boxes.

BID ITEM NO. 13 – CONSTRUCT AC SLOT TRENCHES.

Construction of AC slot trenches (6 inch thick) behind new drive approaches, X-gutters, curb and gutter, spandrel, etc., shall include sawcutting, removals of existing AC pavement, backfill, compaction, tack coat and placement of conventional AC pavement (C2-PG 64-10) and replacement of affected striping and markings on private property.

Payment for BID ITEM NO. 13 – CONSTRUCT AC SLOT TRENCHES shall be at the contract bid item price per square foot (SF) and shall include full compensation for all labor, materials, tools, equipment, and incidentals necessary to do all the work involved thereof, complete in place, and accepted.

BID ITEM NO. 14 – REMOVE AND RECONSTRUCT THROUGH THE CURB DRAIN.

The work under this item consists of removing an existing through the curb drain and covers and constructing a new through the curb drain per SPFWC Standard Plan 150-3, with Case III Inlet and 2-4 in. Cast Iron Pipes. Work shall include sawcutting of sidewalk and driveway, removals, backfill, compaction, and any reconstruction of adjacent curbs and parking lot pavement.

Payment for BID ITEM NO. 14 – REMOVE AND RECONSTRUCT THROUGH THE CURB DRAIN shall include full compensation of all labor, materials, tools, equipment, and incidentals to do all work involved thereof, complete in place, and accepted.

BID ITEM NO. 15 – REPAIR TOP OF THROUGH THE CURB DRAIN.

The work under this item consists of repairing damaged sidewalk on top of through the

curb drain and channel per SPFWC Standard Plan 151-2. Work shall include sawcutting of sidewalk and channel, removals, backfill, compaction, forming, pouring of concrete and any reconstruction of adjacent curbs and parking lot pavement.

Payment for BID ITEM NO. 15 – REPAIR TOP OF THROUGH THE CURB DRAIN shall include full compensation of all labor, materials, tools, equipment, and incidentals to do all work involved thereof, complete in place, and accepted.

BID ITEM NO. 16 – REMOVE AND RECONSTRUCT VARIABLE HEIGHT CURBS AT WHEELCHAIR RAMPS

Removal and reconstruction of existing variable height curb at wheelchair ramps shall conform to the provisions of Section 303-5 of the Standard Specifications, SPPWC Standard Plan 111-5, the Plans and these Specifications. Work shall include sawcutting, removals, grading, backfilling with CAB, compacting to 95% relative compaction, forming, pouring. Concrete shall be Class 520-C-2500.

Payment for BID ITEM NO. 16 – REMOVE AND RECONSTRUCT VARIABLE HEIGHT CURBS AT WHEELCHAIR RAMPS the contract bid item price per square foot (LF) and shall include full compensation for all labor, materials, tools, equipment and incidentals necessary to do all the work involved thereof, complete in place, and accepted.

BID ITEM NO. 17 – CONSTRUCT PCC ACCESS RAMP WITH TRUNCATED DOME.

Remove existing and construct PCC Access Ramp shall conform to the provisions of Section 303-5 of the Standard Specifications, SPPWC Standard Plan 111-2, and the Plans. Concrete shall be Class 520-C-2500. Truncated dome (detectable/tactile warning surface truncated domes) shall be yellow and manufactured by Armor-Tile cast-in-place.

Payment for BID ITEM NO. 17 – CONSTRUCT PCC ACCESS RAMP WITH TRUNCATED DOME shall be at the contract bid item per each (EA) and shall include full compensation for all labor, materials, tools, equipment and incidentals necessary to do all the work involved thereof, complete in place, and accepted.

BID ITEM NO. 18 – PROVIDE AND INSTALL TRUNCATED DOME.

The work under this item consists of providing and installing flexible glue down truncated domes at existing access ramps without them. Truncated dome (detectable/tactile warning surface truncated domes) shall be of flexible material and yellow in color.

Payment for BID ITEM NO. 18 - PROVIDE AND INSTALL TRUNCATED DOMES shall be at the contract bid item per each (EA) and shall include full compensation for all labor,

materials, tools, equipment and incidentals necessary to do all the work involved thereof, complete in place, and accepted.

BID ITEM NO. 19 – PROVIDE PULL BOX AND ADJUST TO GRADE

Provide pull box and adjust to grade shall conform with Sections 701-11 and 303-5 of the Standard Specifications. Work shall include removing existing pull box, providing No. 5 pull box, place 6 inches of clean gravel at bottom of pull box, protecting existing conduits and wiring and setting pull box to grade with adjacent sidewalk and/or wheelchair ramp.

Payment for BID ITEM NO. 19 – PROVIDE PULL BOX AND ADJUST TO GRADE shall be at the contract bid item per each (EA) and shall include full compensation for all labor, materials, tools, equipment and incidentals necessary to do all the work involved thereof, complete in place, and accepted.

BID ITEM NO. 20 – PROVIDE PULL BOX, REPOSITION AND ADJUST TO GRADE.

Provide pull box, reposition and adjust to grade item shall conform with Sections 701-11, 701-12, 701-13 and 303-5 of the Standard Specifications. Work shall include removing existing pull box, providing No. 5 pull box, repositioning pull box to avoid grade breaks, place 6 inches of clean gravel at bottom of pull box, extending existing traffic signal and street lighting conduits as necessary, pulling existing wiring, providing new wiring and reconnecting wiring as necessary, protecting existing conduits and wiring and setting pull box to grade with adjacent sidewalk and/or wheelchair ramp.

Payment for BID ITEM NO. 20 – PROVIDE PULL BOX AND ADJUST TO GRADE shall be at the contract bid item per each (EA) and shall include full compensation for all labor, materials, tools, equipment and incidentals necessary to do all the work involved thereof, complete in place, and accepted.

BID ITEM NO. 21 - ADJUST SEWER MANHOLE FRAME AND COVER TO GRADE.

Adjust manhole frame and cover to grade shall conform with Section 403-3 of the Standard Specifications.

Payment for BID ITEM NO. 21 - ADJUST SEWER MANHOLE FRAME AND COVER TO GRADE shall be at the contract bid item per each (EA) and shall include full compensation for all labor, materials, tools, equipment and incidentals necessary to do all the work involved thereof, complete in place, and accepted.

BID ITEM NO. 22 - ADJUST WATER VALVE BOX FRAME AND COVER TO GRADE.

Adjust utility valve frame and cover to grade shall conform with Sections of the 403-3 Standard Specifications.

Payment for BID ITEM NO. 22 - ADJUST WATER BOX VALVE FRAME AND COVER TO GRADE shall be at the contract bid item per each (EA) and shall include full compensation for all labor, materials, tools, equipment and incidentals necessary to do all the work involved thereof, complete in place, and accepted.

BID ITEM NO. 23 – ABANDON COMMUNICATION MANHOLE.

The work under this item shall be done per Section 306-33 and consists of the abandonment of an out of service communications manhole, including frame and cover removal, removal of the top 36 inches of the manhole structure, knock 6 inch (Minimum) hole in bottom of manhole to provide drainage, removals, plug all openings and conduits in manhole with mortar (watertight), backfill manhole with sand, compact and pave manhole area prior to street AC overlay.

Payment for BID ITEM NO. 23 - ABANDON COMMUNICATION MANHOLE shall be at the contract bid item per each (EA) and shall include full compensation for all labor, materials, tools, equipment and incidentals necessary to do all the work involved thereof, complete in place, and accepted.

BID ITEM NO. 24 – INSTALL POSTS AND SIGN AT CURB RAMP

The work under this item consists of the installation of posts, foundations, chain, signs, sidewalk replacement, etc., per Exhibit A.

Payment for BID ITEM NO. 24 - INSTALL POSTS AND SIGNS AT CURB RAMP shall be at the contract bid item per each (EA) and shall include full compensation for all labor, materials, tools, equipment and incidentals necessary to do all the work involved thereof, complete in place, and accepted.

BID ITEM NO. 25 – RE-ESTABLISHMENT OF SURVEY MONUMENT

Prior to any construction activities, all monuments, centerline ties, and any other survey markers within the project limits shall be located and recorded by a State of California Licensed Land Surveyor. No work will be authorized until the Contractor submits the required documentation to the City. Upon completion of construction, conflicting monuments, centerline ties, and other survey markers obliterated during construction shall be replaced in-kind per section 309 of the SSPWC and per the California Professional Land

BID ITEM NO. 22 - ADJUST SEWER MANHOLE FRAME AND COVER TO GRADE.

Adjust manhole frame and cover to grade shall conform with Section 403-3 of the Standard Specifications.

Payment for BID ITEM NO. 22 - ADJUST SEWER MANHOLE FRAME AND COVER TO GRADE shall be at the contract bid item per each (EA) and shall include full compensation for all labor, materials, tools, equipment and incidentals necessary to do all the work involved thereof, complete in place, and accepted.

BID ITEM NO. 23 – ABANDON COMMUNICATION MANHOLE.

The work under this item shall be done per Section 306-33 and consists of the abandonment of an out of service communications manhole, including frame and cover removal, removal of the top 36 inches of the manhole structure, knock 6 inch (Minimum) hole in bottom of manhole to provide drainage, removals, plug all openings and conduits in manhole with mortar (watertight), backfill manhole with sand, compact and pave manhole area prior to street AC overlay.

Payment for BID ITEM NO. 23 - ABANDON COMMUNICATION MANHOLE shall be at the contract bid item per each (EA) and shall include full compensation for all labor, materials, tools, equipment and incidentals necessary to do all the work involved thereof, complete in place, and accepted.

BID ITEM NO. 24 – INSTALL POSTS AND SIGN AT CURB RAMP

The work under this item consists of the installation of posts, foundations, chain, signs, sidewalk replacement, etc., per Exhibit A.

Payment for BID ITEM NO. 24 - INSTALL POSTS AND SIGNS AT CURB RAMP shall be at the contract bid item per each (EA) and shall include full compensation for all labor, materials, tools, equipment and incidentals necessary to do all the work involved thereof, complete in place, and accepted.

BID ITEM NO. 25 – RE-ESTABLISHMENT OF SURVEY MONUMENT

Prior to any construction activities, all monuments, centerline ties, and any other survey markers within the project limits shall be located and recorded by a State of California Licensed Land Surveyor. No work will be authorized until the Contractor submits the required documentation to the City. Upon completion of construction, conflicting monuments, centerline ties, and other survey markers obliterated during construction shall be replaced in-kind per section 309 of the SSPWC and per the California Professional Land

Surveyor's Act, latest edition. Corner records for all applicable intersections shall be filed with the County of Los Angeles prior to and after construction activities with copies of recordings provided to the City. All work involved shall conform to the California Professional Land Surveyor's Act, latest edition.

Payment for BID ITEM NO. 25 – MONUMENT PRESERVATION shall be at the contract bid item per each (EA) and shall include full compensation for all labor, materials, tools, equipment and incidentals necessary to perform all operations involved with resetting obliterated monuments, centerline ties, and other survey markers. Work shall also include all work involved with filing corner records prior to and after construction in conformance with the California Professional Land Surveyor's Act, latest edition and County of Los Angeles requirements, and providing documentation of same to the City.

BID ITEM NO. 26 – INSTALL TRAFFIC SIGNAL DETECTION LOOPS.

Installation of traffic signal detection loops shall be per Section 700-17.6.3 of the Standard Specifications and as shown on plans.

Payment for BID ITEM NO. 26 - INSTALL TRAFFIC SIGNAL DETECTION LOOPS shall be at the contract bid item per each (EA) and shall include full compensation for all labor, materials, tools, equipment and incidentals necessary to do all the work involved thereof, complete in place, and accepted.

BID ITEM NO. 27 – INSTALL TRAFFIC STRIPING, SIGNAGE AND PAVEMENT MARKING INCLUDING HOUSE NUMBERS.

The work under this item consists of painting temporary traffic stripe and marking or placing temporary overlay marker (TOM); repainting traffic striping, pavement markings and legends; x-walks; and replacing raised pavement marker per State of California Department of Transportation Standard Plans and Standard Specifications.

All work shall be performed in accordance with Sections 84 and 85 of the Caltrans Standard Specifications and Standard Plans, except as modified and supplemented below:

Paint for traffic striping, pavement markings, and legends shall be "Thermoplastic" per Section 84-2 of Caltrans Standard Specifications.

The same day of construction, after any resurfacing operation and before opening the travel way to the public, the Contractor shall either paint temporary traffic striping and marking or apply reflective TOM. If the Contractor elects to use TOM, the Contractor shall paint and complete traffic striping, marking, and legend within five (5) calendar days after

completion of resurfacing operations on that street. No street shall be without the proper striping over a weekend.

If TOM is used, it shall be applied every 24 feet for lane line. Four (4) inch wide Type Y amber TOM's shall be applied to delineate centerlines and painted medians. Four (4) inch wide white TOM shall be applied to delineate lanes and stop bars. TOM shall not be applied through an intersection.

The provisions of Caltrans' Standard Specifications Section 84-1.02 "Control of Alignment and Layout" shall apply except as modified and supplemented below:

The Contractor shall perform all layout, alignment and spotting, which will consist of striping or control points spaced at 200 feet on tangents and 50-foot curves. The Contractor shall be responsible for the completeness and accuracy of all layout alignment and spotting. Traffic striping shall not vary more than 2 inch in 50 feet from the alignment shown in the Plans.

The provisions of Caltrans Standard Specifications Section 84-1.03 "Tolerances and Appearance" shall apply except as modified and supplemented below:

Drips, overspray, improper markings and paint material tracked by traffic shall be immediately removed from the pavement surface by methods approved by the Engineer.

The provisions of Caltrans Standard Specifications Section 84-1.04 "Protection from Damage" shall apply except as modified and supplemented below:

The Contractor shall protect his work until the paint is thoroughly dried. Painted traffic striping and pavement marking done under this Contract which are damaged or darkened as a result of wheel markings by public traffic and/or construction equipment, shall be repainted as specified by the Engineer at the sole expense of the Contractor and no additional compensation will be allowed therefor.

Where Fire Hydrants exist, the provisions of Caltrans Standard Specifications Section 85-1.02 "Type of Markers" shall apply except as modified and supplemented below:

Pavement marker shall conform to Type DB - Two-Way Blue Reflective Markers - and shall be installed whether or not shown on the Plans and as shown on Caltrans Standard Plan, Drawing A20A, Detail 9.

House Numbers shall match existing height and font. Numbers shall be in black paint with a white background. Contractor shall submit sample template before commencing work. All house numbers shall be within the project limits shall be repainted.

House Numbers shall match existing height and font. Numbers shall be in black paint with a white background. Contractor shall submit sample template before commencing work. All house numbers shall be within the project limits shall be repainted.

Payment for BID ITEM NO. 27 – INSTALL TRAFFIC STRIPING, SIGNAGE AND PAVEMENT MARKING INCLUDING HOUSE NUMBERS shall be at the contract bid item per lump sum (LS) and shall include full compensation for all labor, materials, tools, equipment and incidentals necessary to do all the work involved thereof, complete in place, and accepted.

BID ITEM NO. 28 – PROVIDE TRAFFIC CONTROL

The work under this item consists of providing traffic control per Section 302-2.5 and Sect. 600 of the Standard Specifications. The work under this bid item shall also include providing and maintaining temporary directional signs for various businesses, directing traffic and pedestrian to alternative parking lot entrances and building entrances as necessary.

Payment for BID ITEM NO. 28 – PROVIDE TRAFFIC CONTROL be at the contract bid item per lump sum (LS) and shall include full compensation for all labor, materials, tools, equipment and incidentals necessary to do all the work involved thereof, complete in place, and accepted.

SUMMARY OF CONTRACT PROVISIONS FOR INCLUSION IN THE NOTICE INVITING BIDS FOR A FEDERALLY FUNDED PROJECT

Prevailing Wage Statement: This contract will be funded in whole or in part with federal housing and community development funds. The Federal Labor Standards Provisions, including prevailing wage requirements of the Davis-Bacon and Related Acts will be enforced. A copy of the Federal Wage Decision applicable to this project is included in the Bid Document.

This project is a public work in the State of California, funded in whole or in part with public funds. Therefore, the higher of the two applicable prevailing wage rates, federal or state, will be enforced. The Contractor's duty to pay State prevailing wages can be found under Labor Code Section 1770 et seq. Labor Code Sections 1775 and 1777.7 outline the penalties for failure to pay prevailing wages and to employ apprentices, including forfeitures and debarment. The State Wage Decision is on file at the City Clerk's office, and is also available Online at <http://www.dir.ca.gov/dlsr/>.

Apprenticeship Program: Attention is directed to Sections 1777.5, 1777.6, and 1777.7 of the California Labor Code and Title 8, California Administrative code, Section 200 et seq. to ensure compliance and complete understanding of the law regarding apprentices.

Section 3 Statement: This is a HUD Section .3 construction contract. First preference will be given to a bidder who provides a reasonable bid and is a qualified Section 3 Business Concern. Second preference will be given to a bidder who provides a reasonable bid and commits to achieving the Section 3 employment, training and subcontracting opportunity goals by submitting a written commitment (Economic Opportunity Plan).

Conflict of Interest: In the procurement of supplies, equipment, construction, and services by sub-recipient\$, the conflict of interest provisions in (State LCA - 24 CFR 85.36 and Non-Profit Organizations - 24 CFR 84.4), OMB Circular A-110, and 24 CFR 570.611, respectively, shall apply. No employee, officer or agent of the sub-recipient shall participate in selection, or in the award or administration of a contract supported by Federal funds if a conflict of interest, real or apparent, would be involved.

Federal Labor Standards Provisions

U.S. Department of Housing and Urban Development Office of Labor Relations

Applicability

The Project or Program to which the construction work covered by this contract pertains is being assisted by the United States of America and the following Federal Labor Standards Provisions are included in this Contract pursuant to the provisions applicable to such Federal assistance.

A. 1. (i) Minimum Wages. All laborers and mechanics employed or working upon the site of the work, will be paid unconditionally and not less often than once a week, and without subsequent deduction or rebate on any account (except such payroll deductions as are permitted by regulations issued by the Secretary of Labor under the Copeland Act (29 CFR Part 3), the full amount of wages and bona fide fringe benefits (or cash equivalents thereof) due at time of payment computed at rates not less than those contained in the wage determination of the Secretary of Labor which is attached hereto and made a part hereof, regardless of any contractual relationship which may be alleged to exist between the contractor and such laborers and mechanics. Contributions made or costs reasonably anticipated for bona fide fringe benefits under Section 1(b)(2) of the Davis-Bacon Act on behalf of laborers or mechanics are considered wages paid to such laborers or mechanics, subject to the provisions of 29 CFR 5.5(a)(1)(iv); also, regular contributions made or costs incurred for more than a weekly period (but not less often than quarterly) under plans, funds, or programs, which cover the particular weekly period, are deemed to be constructively made or incurred during such weekly period.

Such laborers and mechanics shall be paid the appropriate wage rate and fringe benefits on the wage determination for the classification of work actually performed, without regard to skill, except as provided in 29 CFR 5.5(a)(4). Laborers or mechanics performing work in more than one classification may be compensated at the rate specified for each classification for the time actually worked therein: Provided, That the employer's payroll records accurately set forth the time spent in each classification in which work is performed. The wage determination (including any additional classification and wage rates conformed under 29 CFR 5.5(a)(1)(ii) and the Davis-Bacon poster (WH-1321) shall be posted at all times by the contractor and its subcontractors at the site of the work in a prominent and accessible, place where it can be easily seen by the workers.

(ii) (a) Any class of laborers or mechanics which is not listed in the wage determination and which is to be employed under the contract shall be classified in conformance with the wage determination. HUD shall approve an additional classification and wage rate and fringe benefits therefor only when the following criteria have been met:

(1) The work to be performed by the classification requested is not performed by a classification in the wage determination; and

(2) The classification is utilized in the area by the construction industry; and

(3) The proposed wage rate, including any bona fide fringe benefits, bears a reasonable relationship to the wage rates contained in the wage determination.

(b) If the contractor and the laborers and mechanics to be employed in the classification (if known), or their representatives, and HUD or its designee agree on the classification and wage rate (including the amount designated for fringe benefits where appropriate), a report of the action taken shall be sent by HUD or its designee to the Administrator of the Wage and Hour Division, Employment Standards Administration, U.S. Department of Labor, Washington, D.C. 20210. The Administrator, or an authorized representative, will approve, modify, or disapprove every additional classification action within 30 days of receipt and so advise HUD or its designee or will notify HUD or its designee within the 30-day period that additional time is necessary. (Approved by the Office of Management and Budget under OMB control number 1215-0140.)

(c) In the event the contractor, the laborers or mechanics to be employed in the classification or their representatives, and HUD or its designee do not agree on the proposed classification and wage rate (including the amount designated for fringe benefits, where appropriate), HUD or its designee shall refer the questions, including the views of all interested parties and the recommendation of HUD or its designee, to the Administrator for determination.

The Administrator, or an authorized representative, will issue a determination within 30 days of receipt and so advise HUD or its designee or will notify HUD or its designee within the 30-day period that additional time is necessary. (Approved by the Office of Management and Budget under OMB Control Number 1215-0140.)

(d) The wage rate (including fringe benefits where appropriate) determined pursuant to subparagraphs (1)(ii)(b) or (c) of this paragraph, shall be paid to all workers performing work in the classification under this contract from the first day on which work is performed in the classification.

(iii) Whenever the minimum wage rate prescribed in the contract for a class of laborers or mechanics includes a fringe benefit which is not expressed as an hourly rate, the contractor shall either pay the benefit as stated in the wage determination or shall pay another bona fide fringe benefit or an hourly cash equivalent thereof.

(iv) If the contractor does not make payments to a trustee or other third person, the contractor may consider as part

of the wages of any laborer or mechanic the amount of any costs reasonably anticipated in providing bona fide fringe benefits under a plan or program. Provided, That the Secretary of Labor has found, upon the written request of the contractor, that the applicable standards of the Davis-Bacon Act have been met. The Secretary of Labor may require the contractor to set aside in a separate account assets for the meeting of obligations under the plan or program. (Approved by the Office of Management and Budget under OMB Control Number 1215-0140.)

2. Withholding. HUD or its designee shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld from the contractor under this contract or any other Federal contract with the same prime contractor, or any other Federally-assisted contract subject to Davis-Bacon prevailing wage requirements, which is held by the same prime contractor so much of the accrued payments or advances as may be considered necessary to pay laborers and mechanics, including apprentices, trainees and helpers, employed by the contractor or any subcontractor the full amount of wages required by the contract in the event of failure to pay any laborer or mechanic, including any apprentice, trainee or helper, employed or working on the site of the work, all or part of the wages required by the contract. HUD or its designee may, after written notice to the contractor, sponsor, applicant, or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds until such violations have ceased. HUD or its designee may, after written notice to the contractor, disburse such amounts withheld for and on account of the contractor or subcontractor to the respective employees to whom they are due. The Comptroller General shall make such disbursements in the case of direct Davis-Bacon Act contracts.

3. (I) Payrolls and basic records. Payrolls and basic records relating thereto shall be maintained by the contractor during the course of the work preserved for a period of three years thereafter for all laborers and mechanics working at the site of the work. Such records shall contain the name, address, and social security number of each such worker, his or her correct classification, hourly rates of wages paid (including rates of contributions or costs anticipated for bona fide fringe benefits or cash equivalents thereof of the types described in Section 1(b)(2)(B) of the Davis-bacon Act), daily and weekly number of hours worked, deductions made and actual wages paid. Whenever the Secretary of Labor has found under 29 CFR 5.5 (a)(1) (iv) that the wages of any laborer or mechanic include the amount of any costs reasonably anticipated in providing benefits under a plan or program described in Section 1(b)(2)(B) of the Davis-Bacon Act, the contractor shall maintain records which show that the commitment to provide such benefits is enforceable, that the plan or program is financially responsible, and that the plan or program has been

communicated in writing to the laborers or mechanics affected, and records which show the costs anticipated or the actual cost incurred in providing such benefits. Contractors employing apprentices or trainees under approved programs shall maintain written evidence of the registration of apprenticeship programs and certification of trainee programs, the registration of the apprentices and trainees, and the ratios and wage rates prescribed in the applicable programs. (Approved by the Office of Management and Budget under OMB Control Numbers 1215-0140 and 1215-0017.)

(II) (a) The contractor shall submit weekly for each week in which any contract work is performed a copy of all payrolls to HUD or its designee if the agency is a party to the contract, but if the agency is not such a party, the contractor will submit the payrolls to the applicant sponsor, or owner, as the case may be, for transmission to HUD or its designee. The payrolls submitted shall set out accurately and completely all of the information required to be maintained under 29 CFR 5.5(a)(3)(i) except that full social security numbers and home addresses shall not be included on weekly transmittals. Instead the payrolls shall only need to include an individually identifying number for each employee (e.g., the last four digits of the employee's social security number). The required weekly payroll information may be submitted in any form desired. Optional Form WH-347 is available for this purpose from the Wage and Hour Division Web site at <http://www.dol.gov/esa/whd/forms/wh347instr.htm> or its successor site. The prime contractor is responsible for the submission of copies of payrolls by all subcontractors. Contractors and subcontractors shall maintain the full social security number and current address of each covered worker, and shall provide them upon request to HUD or its designee if the agency is a party to the contract, but if the agency is not such a party, the contractor will submit the payrolls to the applicant sponsor, or owner, as the case may be, for transmission to HUD or its designee, the contractor, or the Wage and Hour Division of the Department of Labor for purposes of an investigation or audit of compliance with prevailing wage requirements. It is not a violation of this subparagraph for a prime contractor to require a subcontractor to provide addresses and social security numbers to the prime contractor for its own records, without weekly submission to HUD or its designee.

(Approved by the Office of Management and Budget under OMB Control Number 1215-0149.)

(b) Each payroll submitted shall be accompanied by a "Statement of Compliance," signed by the contractor or subcontractor or his or her agent who pays or supervises the payment of the persons employed under the contract and shall certify the following:

(1) That the payroll for the payroll period contains the information required to be provided under 29 CFR 5.5 (a)(3)(ii), the appropriate information is being maintained under 29 CFR 5.5(a)(3)(i), and that such information is correct and complete;

(2) That each laborer or mechanic (including each helper, apprentice, and trainee) employed on the contract during the payroll period has been paid the full weekly wages earned, without rebate, either directly or indirectly, and that no deductions have been made either directly or indirectly from the full wages earned, other than permissible deductions as set forth in 29 CFR Part 3;

(3) That each laborer or mechanic has been paid not less than the applicable wage rates and fringe benefits or cash equivalents for the classification of work performed, as specified in the applicable wage determination incorporated into the contract.

(c) The weekly submission of a properly executed certification set forth on the reverse side of Optional Form WH-347 shall satisfy the requirement for submission of the "Statement of Compliance" required by subparagraph A. 3. (ii)(b).

(d) The falsification of any of the above certifications may subject the contractor or subcontractor to civil or criminal prosecution under Section 1001 of Title 18 and Section 231 of Title 31 of the United States Code.

(iii) The contractor or subcontractor shall make the records required under subparagraph A.3.(i) available for inspection, copying, or transcription by authorized representatives of HUD or its designee or the Department of Labor, and shall permit such representatives to interview employees during working hours on the job. If the contractor or subcontractor fails to submit the required records or to make them available, HUD or its designee may, after written notice to the contractor, sponsor, applicant or owner, take such action as may be necessary to cause the suspension of any further payment, advance, or guarantee of funds. Furthermore, failure to submit the required records upon request or to make such records available may be grounds for debarment action pursuant to 29 CFR 5.12.

4. Apprentices and Trainees.

(i) **Apprentices.** Apprentices will be permitted to work at less than the predetermined rate for the work they performed when they are employed pursuant to and individually registered in a bona fide apprenticeship program registered with the U.S. Department of Labor, Employment and Training Administration, Office of Apprenticeship Training, Employer and Labor Services, or with a State Apprenticeship Agency recognized by the Office, or if a person is employed in his or her first 90 days of probationary employment as an apprentice in such an apprenticeship program, who is not individually registered in the program, but who has been certified by the Office of Apprenticeship Training, Employer and Labor Services or a State Apprenticeship Agency (where appropriate) to be eligible for probationary employment as an apprentice.

The allowable ratio of apprentices to journeymen on the job site in any craft classification shall not be greater than the ratio permitted to the contractor as to the entire work force under the registered program. Any worker listed on a payroll at an apprentice wage rate, who

is not registered or otherwise employed as stated above, shall be paid not less than the applicable wage rate on the wage determination for the classification of work actually performed. In addition, any apprentice performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. Where a contractor is performing construction on a project in a locality other than that in which its program is registered, the ratios and wage rates (expressed in percentages of the journeyman's hourly rate) specified in the contractor's or subcontractor's registered program shall be observed. Every apprentice must be paid at not less than the rate specified in the registered program for the apprentice's level of progress, expressed as a percentage of the journeyman hourly rate specified in the applicable wage determination. Apprentices shall be paid fringe benefits in accordance with the provisions of the apprenticeship program. If the apprenticeship program does not specify fringe benefits, apprentices must be paid the full amount of fringe benefits listed on the wage determination for the applicable classification.

If the Administrator determines that a different practice prevails for the applicable apprentice classification, fringes shall be paid in accordance with that determination. In the event the Office of Apprenticeship Training, Employer and Labor Services, or a State Apprenticeship Agency recognized by the Office, withdraws approval of an apprenticeship program, the contractor will no longer be permitted to utilize apprentices at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

(ii) **Trainees.** Except as provided in 29 CFR 5.16, trainees will not be permitted to work at less than the predetermined rate for the work performed unless they are employed pursuant to and individually registered in a program which has received prior approval, evidenced by formal certification by the U.S. Department of Labor, Employment and Training Administration. The ratio of trainees to journeymen on the job site shall not be greater than permitted under the plan approved by the Employment and Training Administration. Every trainee must be paid at not less than the rate specified in the approved program for the trainee's level of progress, expressed as a percentage of the journeyman hourly rate specified in the applicable wage determination. Trainees shall be paid fringe benefits in accordance with the provisions of the trainee program. If the trainee program does not mention fringe benefits, trainees shall be paid the full amount of fringe benefits listed on the wage determination unless the Administrator of the Wage and Hour Division determines that there is an apprenticeship program associated with the corresponding journeyman wage rate on the wage determination which provides for less than full fringe benefits for apprentices. Any employee listed on the payroll at a trainee rate who is not registered and participating in a training plan approved by

the Employment and Training Administration shall be paid not less than the applicable wage rate on the wage determination for the work actually performed. In addition, any trainee performing work on the job site in excess of the ratio permitted under the registered program shall be paid not less than the applicable wage rate on the wage determination for the work actually performed.

In the event the Employment and Training Administration withdraws approval of a training program, the contractor will no longer be permitted to utilize trainees at less than the applicable predetermined rate for the work performed until an acceptable program is approved.

(iii) **Equal employment opportunity.** The utilization of apprentices, trainees and journeymen under 29 CFR Part 5 shall be in conformity with the equal employment opportunity requirements of Executive Order 11246, as amended, and 29 CFR Part 30.

5. Compliance with Copeland Act requirements. The contractor shall comply with the requirements of 29 CFR Part 3 which are incorporated by reference in this contract.

6. Subcontracts. The contractor or subcontractor will insert in any subcontracts the clauses contained in subparagraphs 1 through 11 in this paragraph A and such other clauses as HUD or its designee may by appropriate instructions require, and a copy of the applicable prevailing wage decision, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all the contract clauses in this paragraph.

7. Contract termination; debarment. A breach of the contract clauses in 29 CFR 5.5 may be grounds for termination of the contract and for debarment as a contractor and a subcontractor as provided in 29 CFR 5.12.

8. Compliance with Davis-Bacon and Related Act Requirements. All rulings and interpretations of the Davis-Bacon and Related Acts contained in 29 CFR Parts 1, 3, and 5 are herein incorporated by reference in this contract.

9. Disputes concerning labor standards. Disputes arising out of the labor standards provisions of this contract shall not be subject to the general disputes clause of this contract. Such disputes shall be resolved in accordance with the procedures of the Department of Labor set forth in 29 CFR Parts 5, 6, and 7. Disputes within the meaning of this clause include disputes between the contractor (or any of its subcontractors) and HUD or its designee, the U.S. Department of Labor, or the employees or their representatives.

10. (I) Certification of Eligibility. By entering into this contract the contractor certifies that neither it (nor he or she) nor any person or firm who has an interest in the contractor's firm is a person or firm ineligible to be awarded Government contracts by virtue of Section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1) or to be

awarded HUD contracts or participate in HUD programs pursuant to 24 CFR Part 24.

(ii) No part of this contract shall be subcontracted to any person or firm ineligible for award of a Government contract by virtue of Section 3(a) of the Davis-Bacon Act or 29 CFR 5.12(a)(1) or to be awarded HUD contracts or participate in HUD programs pursuant to 24 CFR Part 24.

(iii) The penalty for making false statements is prescribed in the U.S. Criminal Code, 18 U.S.C. 1001. Additionally, U.S. Criminal Code, Section 1 01 0, Title 18, U.S.C., "Federal Housing Administration transactions", provides in part: "Whoever, for the purpose of . . . influencing in any way the action of such Administration . . . makes, utters or publishes any statement knowing the same to be false . . . shall be fined not more than \$5,000 or imprisoned not more than two years, or both."

11. Complaints, Proceedings, or Testimony by Employees. No laborer or mechanic to whom the wage, salary, or other labor standards provisions of this Contract are applicable shall be discharged or in any other manner discriminated against by the Contractor or any subcontractor because such employee has filed any complaint or instituted or caused to be instituted any proceeding or has testified or is about to testify in any proceeding under or relating to the labor standards applicable under this Contract to his employer.

B. Contract Work Hours and Safety Standards Act. The provisions of this paragraph B are applicable where the amount of the prime contract exceeds \$100,000. As used in this paragraph, the terms "laborers" and "mechanics" include watchmen and guards.

(1) **Overtime requirements.** No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which the individual is employed on such work to work in excess of 40 hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of 40 hours in such workweek.

(2) **Violation; liability for unpaid wages; liquidated damages.** In the event of any violation of the clause set forth in subparagraph (1) of this paragraph, the contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in subparagraph (1) of this paragraph, in the sum of \$25 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of 40 hours without payment of the overtime wages required by the clause set forth in subparagraph (1) of this paragraph.

(3) **Withholding for unpaid wages and liquidated damages.** HUD or its designee shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the contractor or subcontractor under any such contract or any other Federal contract with the same prime contract, or any other Federally-assisted contract subject to the Contract Work Hours and Safety Standards Act which is held by the same prime contractor such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in subparagraph (2) of this paragraph.

(4) **Subcontracts.** The contractor or subcontractor shall insert in any subcontracts the clauses set forth in subparagraph (1) through (4) of this paragraph and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in subparagraphs (1) through (4) of this paragraph.

C. Health and Safety. The provisions of this paragraph C are applicable where the amount of the prime contract exceeds \$100,000.

(1) No laborer or mechanic shall be required to work in surroundings or under working conditions which are unsanitary, hazardous, or dangerous to his health and safety as determined under construction safety and health standards promulgated by the Secretary of Labor by regulation.

(2) The Contractor shall comply with all regulations issued by the Secretary of Labor pursuant to Title 29 Part 1926 and failure to comply may result in imposition of sanctions pursuant to the Contract Work Hours and Safety Standards Act, (Public Law 91-54, 83 Stat 96). 40 USC 3701 et seq.

(3) The contractor shall include the provisions of this paragraph in every subcontract so that such provisions will be binding on each subcontractor. The contractor shall take such action with respect to any subcontractor as the Secretary of Housing and Urban Development or the Secretary of Labor shall direct as a means of enforcing such provisions.

EXHIBIT 3

FEDERAL EQUAL EMPLOYMENT OPPORTUNITY/ AFFIRMATIVE ACTION REQUIREMENTS

Federal Contract Provision

1. **EQUAL EMPLOYMENT OPPORTUNITY CLAUSE.** During the performance of this contract, the contractor agrees as follows:
 - a. The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, or national origin. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.
 - b. The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, or national origin.
 - c. The contractor will send to each labor union or representative of workers with which he/she has a collective bargaining agreement or other contract or understanding, a notice to be provided, advising the said labor union or workers' representative of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
 - d. The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.
 - e. The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by the rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his/her books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

- f. In the event of the contractor's noncompliance with the nondiscrimination clause of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole, or in part, and the contractor may be declared ineligible for further government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.
- g. The contractor will include the provisions of Paragraph 1a through 1g in every subcontract or purchase order unless exempted by rule, regulations, or orders of the Secretary of Labor issued pursuant to Section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance. Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contract or may request the United States to enter into such litigation to protect the interests of the United States.

2. EQUAL EMPLOYMENT SPECIFICATIONS (Executive Order 11246).

- a. As used in these specifications:
 - (1) Covered area means the geographical area described in the solicitation from which this contract resulted;
 - (2) Director means Director, Office of Federal Contract Compliance Programs, United States Department of Labor, or any person to whom the Director delegates authority;
 - (3) Employer Identification Number (EIN) means the Federal Social Security Number used on the Employer's Quarterly Federal Tax Return, United States Treasury Department Form 941.
 - (4) Minority includes:
 - (a) Black (all persons having origins in any of the Black African racial groups not of Hispanic origin)
 - (b) Hispanic (all persons of Mexican, Puerto Rican, Cuban, Central or South American or other Spanish culture or origin, regardless of race);

- (c) Asian and Pacific Islander (all persons having origins in any of the original peoples of the Far East, Southeast Asia, the Indian Subcontinent, or the Pacific Islands); and
 - (d) American Indian or Alaskan Native (all persons having origins in any of the original peoples of North America and maintaining identifiable tribal affiliations through membership and participation or community identification).
- b. Whenever the contractor, or any subcontractor at any tier, subcontracts a portion of the work involving any construction trade, it shall physically include in each subcontract in excess of \$10,000 the provisions of these specifications and the notice which contains the applicable goals for minority and female participation and which is set forth in the solicitations from which this contract resulted.
- c. If the contractor is participating (pursuant to 41 CFR Part 60-4.5) in a Hometown Plan approved by the United States Department of Labor in the covered area either individually or through an association, its affirmative action obligations on all work in the Plan area (including goals and time tables) shall be in accordance with that Plan for those trades which have unions participating in the Plan. Contractors must be able to demonstrate their participation in and compliance with the provisions of any such Hometown Plan. Each contractor or subcontractor participating in an approved Plan is individually required to comply with its obligations under the EEO Clause, and to make a good faith effort to achieve each goal under the Plan in each trade in which it has employees. The overall good faith performance by other contractors or subcontractors toward a goal in an approved Plan does not excuse any covered contractor's or subcontractor's failure to take good faith efforts to achieve the Plan goals and timetables.
- d. The contractor shall implement the specific affirmative action standards provided in paragraphs 3g (1) through 3g (16) of these specifications. The goals set forth in the solicitation from which this contract resulted are expressed as percentages of the total hours of employment and training of minority and female utilization the contractor should reasonably be able to achieve in each construction trade in which it has employees in the covered area. Covered construction contractors performing construction work in geographical areas where they do not have a Federal or federally assisted construction contract shall apply the minority and female goals established for the geographical area where the work is being performed. Goals are published periodically in the Federal Register in notice form, and such notices may be obtained from any Office of Federal Contract Compliance Programs office or from Federal procurement contracting officers. The contractor is expected to make substantially uniform progress in meeting its goals in each craft during the period specified.

- e. Neither the provisions of any collective bargaining agreement nor the failure by a union with whom the contractor has a collective bargaining agreement, to refer either minority or women shall excuse the contractor's obligations under these specifications, Executive Order 11246 or the regulations promulgated pursuant thereto.
- f. In order for the nonworking training hours of apprentices and trainees to be counted in meeting the goals, such apprentices and trainees must be employed by the contractor during the training period, and the contractor must have made a commitment to employ the apprentices and trainees at the completion of their training, subject to the availability of employment opportunities. Trainees must be trained pursuant to training programs approved by the United States Department of Labor.
- g. The contractor shall take specific affirmative actions to ensure equal employment opportunity. The evaluation of the contractor's compliance with these specifications shall be based upon its effort to achieve maximum results from its actions. The contractor shall document these efforts fully, and shall implement affirmative action steps at least as extensive as the following:
 - (1) Ensure and maintain working environment free of harassment, intimidation, and coercion at all sites, and in all facilities at which the contractor's employees are assigned to work. The contractor, where possible, will assign two or more women to each construction project. The contractor shall specifically ensure that all foremen, superintendents, and other on-site supervisory personnel are aware of and carry out the contractor's obligation to maintain such a working environment, with specific attention to minority or female individuals working at such sites or in such facilities.
 - (2) Establish and maintain a current list of minority and female recruitment sources, provide written notification to minority and female recruitment sources and to community organizations when the contractor or its unions have employment opportunities available, and maintain a record of the organization's responses.
 - (3) Maintain a current file of the name, address, and telephone numbers of each minority and female off-the street applicant and minority or female referral from a union, a recruitment source, or community organization and of what action was taken with respect to each such individual. If such individual was sent to the union hiring hall for referral and was not referred back to the contractor by the union or, if referred, not employed by the contractor, this shall be documented in the file with the reason therefore, along with whatever additional actions the contractor may have taken.

- (4) Provide immediate written notification to the Director when the union or unions with which the contractor has a collective bargaining agreement has not referred to the contractor a minority person or woman sent by the contractor, or when the contractor has other information that the union referral process has impeded the contractor's efforts to meet its obligations.
- (5) Develop on-the-job training opportunities and/or participate in training programs for the area which expressly include minorities and women, including upgrading programs and apprenticeship and trainee programs relevant to the contractor's employment needs, especially those programs funded or approved by the Department of Labor. The contractor shall provide notice of these programs to the sources compiled under 3g (2) above.
- (6) Disseminate the contractor's EEO policy by providing notice of the policy to unions and training programs and requesting their cooperation in assisting the contractor in meeting its EEO obligations; by including it in any policy manual and collective bargaining agreement; by publicizing it in the company newspaper, annual report, etc.; by specific review of the policy with all management personnel and with all minority and female employees at least once a year; and by posting the company EEO policy on bulletin boards accessible to all employees at each location where construction work is performed.
- (7) Review, at least annually, the company's EEO policy and affirmative action obligations under these specifications with all employees having any responsibility for hiring, assignment, layoff, termination or other employment decisions including specific review of these items with on- site supervisory personnel such as Superintendents, General Foremen, etc., prior to the initiation of construction work at any job site. A written record shall be made and maintained identifying the time and place of these meetings, persons attending, subject matter discussed, and disposition of the subject matter.
- (8) Disseminate the contractor's EEO policy externally by including it in any advertising in the news media, specifically including minority and female news media, and providing written notification to and discussing the contractor's EEO policy with other contractors and subcontractors with whom the contractor does or anticipates doing business.
- (9) Direct its recruitment efforts, both oral and written, to minority, female, and community organizations; to schools with minority and

female students; and to minority and female recruitment and training organizations serving the contractor's recruitment area and employment needs. Not later than one month prior to the date for the acceptance of applications for apprenticeship or other training by any recruitment sources, the contractor shall send written notification to organizations such as the above, describing the opening, screening procedures, and tests to be used in the selection process.

- (10) Encourage present minority and female employees to recruit other minority persons and women and, where reasonable, provide after school, summer, and vacation employment to minority and female youth, both on the site and in other areas of a contractor's work force.
 - (11) Validate all tests and other selection requirements where there is an obligation to do so under 41 CFR Part 60-3, Uniform Guidelines on Employee Selection Procedures.
 - (12) Conduct, at least annually, an inventory and evaluation at least of all minority and female personnel for promotional opportunities and encourage these employees to seek or to prepare for, through appropriate training, etc., such opportunities.
 - (13) Ensure that seniority practices, job classifications, work assignments, and other personnel practices do not have a discriminatory effect by continually monitoring all personnel and employment-related activities to ensure that the EEO policy and the contractor's obligations under these specifications are being carried out.
 - (14) Ensure that all facilities and company activities are non-segregated except that separate or single-user toilet and necessary changing facilities shall be provided to assure privacy between the sexes.
 - (15) Document and maintain a record of all solicitations of offers for subcontracts from minority and female construction contractors and suppliers, including circulation of solicitations to minority and female contractor associations and other business associations.
 - (16) Conduct a review, at least annually, of all supervisors' adherence to and performance under the contractor's EEO policies and affirmative action obligations.
- h. Contractors are encouraged to participate in voluntary associations which assist in fulfilling one or more of their affirmative action obligations 3g(1) through (16). The efforts of a contractor association, joint contractor-union, contractor-community, or other similar group of which the contractor is a

member and participant, may be asserted as fulfilling any one or more of its obligations under 3g(1) though (16) of these specifications provided that the contractor actively participates in the group, makes every effort to ensure that the group has a positive impact on the employment of minorities and women in the industry, ensures that the concrete benefits of the program are reflected in the contractor's minority and female work force participation, makes a good faith effort to meet its individual goals and timetables, and can provide access to documentation which demonstrates the effectiveness of actions taken on behalf of the contractor. The obligation to comply, however, is the contractor's, and failure of such a group to fulfill an obligation shall not be a defense for the contractor's noncompliance.

- i. A single goal for minorities and a separate single goal for women have been established. The contractor, however, is required to provide equal employment opportunity and to take affirmative action for all minority groups, both male and female, and all women, both minority and non-minority. Consequently, the contractor may be in violation of the Executive Order if a particular group is employed in a substantially disparate manner (for example, even though the contractor has achieved its goals for women generally, the contractor may be in violation of the Executive Order if a specific minority group of women is underutilized).
- j. The contractor shall not use the goals and timetables of affirmative action standards to discriminate against any person because of race, color, religion, sex or national origin.
- k. The contractor shall not enter into any subcontract with any person or firm debarred from Government contracts pursuant to Executive Order 11246.
- l. The contractor shall carry out such sanctions and penalties for violation of these specifications and of the Equal Opportunity Clause, including suspension, termination, and cancellation of existing subcontracts as may be imposed or ordered pursuant to Executive Order 11246, as amended, and its implementing regulations, by the Office of Federal Contract Compliance Programs. Any contractor who fails to carry out such sanctions and penalties shall be in violation of these specifications and Executive Order 11246, as amended.
- m. The contractor, in fulfilling its obligations under these specifications, shall implement specific affirmative actions steps, at least as extensive as those standards prescribed in Paragraph 3g of these specifications, so as to achieve maximum results from its efforts to ensure equal employment opportunity. If the contractor fails to comply with the requirements of the Executive Order, the implementing regulations, or these specifications, the Director shall proceed in accordance with 41 CFR Part 60-1.8 (Show Cause Notice).

- n. The contractor shall designate a responsible official to monitor all employment related activity to ensure that the company EEO policy is being carried out, to be required by the Government and to keep records. Records shall at least include for each employee the name, address, telephone numbers, construction trade, union affiliation, if any, employee identification number when assigned, social security number, race, sex, status (e.g., mechanic, apprentice, trainee, helper, or laborer), dates of changes in status, hours worked per week in the indicated trade, rate of pay, and locations at which the work was performed. Records shall be maintained in an easily understandable and retrievable form; however, to the degree that existing records satisfy this requirement, contractors shall not be required to maintain separate records.
- o. Nothing herein provided shall be construed as a limitation upon the application of other laws which establish different standards of compliance or upon the application of requirements for the hiring of local or other area residents (e.g., those under the Public Works Employment Act of 1977 and the Community Development Block Grant Program).
- p. The Director, from time to time, shall issue goals and timetables for minority and female utilization which shall be based on appropriate work force, demographic or other relevant data and which shall cover construction projects or construction contracts performed in specific geographic areas. The goals, which shall be applicable to each construction trade in a covered contractor's or subcontractor's entire work force which is working in the area covered by the goals and timetables, shall be published as notices in the Federal Register, and shall be inserted by the contracting officers and applicants, as applicable, in the Notice required by 41 CFR 60-4.2.

3. **SPECIFIC EQUAL EMPLOYMENT OPPORTUNITY REQUIREMENTS.** For a federally assisted construction contract in excess of \$10,000, the contractor/subcontractor shall:

- a. Forward the following EEO certification forms to the contract awarding authority prior to contract award: Certification of Non-segregated Facilities and Certification with Regard to the Performance of Previous Contracts or Subcontracts Subject to the Equal Opportunity Clause and the Filing of Required Reports.
- b. Submit a notification of subcontracts awarded to the Director, Office of Federal Contract Compliance Programs, United States Department of Labor - ESA, 200 Constitutional Avenue, NW, Room C3325, Washington, D.C., 20210, within 10 working days of award of any subcontract in excess of \$10,000, listing the name, address, and telephone number of the

subcontractor; employer identification number; estimated dollar amount of the subcontract; estimated starting date and completion dates of the subcontract; and the geographical area in which the contract is to be performed.

- c. Send a notice of the contractor's commitment to equal employment opportunity to labor unions or representatives of workers prior to commencement of construction work.
- d. Display an equal employment opportunity poster in a conspicuous place available to employees and applicants for employment.
- e. For contracts in excess of \$10,000, bind subcontractors to the Federal Equal Employment Opportunity requirements by including the provisions of Paragraphs 1 through 3, above, in the subcontract.
- f. Upon commencement of construction work and until the work is completed, forward the *Monthly Employment Utilization Report* (Form CC-257) to the contract awarding authority by the end of each work month. With the initial monthly report, the contractor/subcontractor shall attach the *Contractor's List of Federal and Non-Federal Work in Bid Condition Area* to the monthly report.

4. NOTICE OF REQUIREMENT FOR AFFIRMATIVE ACTION TO ENSURE EQUAL EMPLOYMENT OPPORTUNITY (Executive Order 11246)

- a. The Offeror or Bidder's attention is called to the Equal Opportunity Clause and the Standard Federal Equal Employment Specifications set forth herein.
- b. The goals and timetables for minority and female participation, expressed in percentage terms for the contractor's aggregated work force in each trade on all construction work in the covered area, are as follows:

<u>Timetables</u>	<u>Goals for Minority Participation for Each Trade</u>	<u>Goals for Female Participation in Each Trade</u>
	28.3%	6.9%

These goals are applicable to all the contractor's construction work (whether or not it is Federal or federally assisted) performed in the covered area. If the contractor performs construction work in a geographical area located

outside of the covered area, it shall apply the goals established for such geographical area where the work is actually performed. With regard to this second area, the contractor also is subject to the goals for both its federally involved and non-federally involved construction. The contractor's compliance with the Executive Order and the regulations in 41 CFR Part 60-4 shall be based on its implementation of the Equal Opportunity Clause, specific affirmation action obligations required by the specifications set forth in 41 CFR Part 60-4.3(a), and its efforts to meet the goals. The hours of minority and female employment and training must be substantially uniform throughout the length of the contract and in each trade, and the contractor shall make a good faith effort to employ minorities and women evenly on each of its projects. The transfer of minority or female employees or trainees from contractor to contractor or from project to project for the sole purpose of meeting the contractor's goals shall be a violation of the contract, the Executive Order, and the regulations of 41 CFR Part 60-4. Compliance with the goals will be measured against the total work hours performed.

- c. The contractor shall provide written notification to the Director of the Office of Federal Contract Compliance Programs within ten (10) working days of award of any construction subcontract in excess of \$10,000 at any tier for construction work under the contract resulting from this solicitation. The notification shall list the name, address, and telephone number of the subcontractor; employer identification number of the subcontractor; estimated dollar amount of the subcontract; estimated starting and completion dates of the subcontract; and the geographical area in which the contract is to be performed.
- d. As used in this notice, and in the contract resulting from this solicitation, the covered area is the Standard Metropolitan Statistical Area of Los Angeles-Long Beach, specifically the County of Los Angeles, State of California.

CONTRACTING WITH SMALL BUSINESS, MINORITY FIRMS, WOMEN'S BUSINESS ENTERPRISE, AND LABOR SURPLUS AREA FIRMS

Federal Contract Provision

1. It is national policy to award a fair share of contracts to Small business and Minority Firms. Accordingly, affirmative steps must be taken to assure that Small Business and Minority Firms are utilized when possible, as sources of supplies, equipment, construction and services. Affirmative steps include the following:
 - a. Including qualified Small Business and Minority Firms on solicitation lists.
 - b. Assuring that Small Business and Minority Firms are solicited whenever they are potential sources.
 - c. When economically feasible, dividing total requirements into smaller tasks or quantities so as to permit maximum Small Business and Minority Firm participation.
 - d. Where the requirement permits, establishing delivery schedules which will encourage participation by Small Business and Minority Firms.
 - e. Using the services and assistance of the Small Business Administration and the Minority Business Development Agency of the Department of Commerce, as required.
 - f. If any subcontracts are to be let, requiring the prime contractor to take the affirmative steps in 1a through 1e above.
2. Grantees shall take similar appropriate affirmative action in support of Women's Business Enterprises.
3. Grantees are encouraged to procure goods and services from Labor Surplus Areas.

EXHIBIT 5

COMPLIANCE WITH CLEAN AIR AND WATER ACTS

Federal Contract Provision

Contractors with Federally-assisted construction contracts of \$100,000 or more must comply, and ensure all sub-contractors comply, with the requirements regulated by the Environmental Protection Agency. During the performance of this contract, the contractor and all subcontractors shall comply with the requirements of the Clean Air Act, as amended, 42 USC 1857 et seq., the Federal Water Pollution Control Act, as amended, 33 USC 1251 et seq., and the regulations of the Environmental Protection Agency with respect thereto, at 40 CFR Part 15, as amended. In addition to the foregoing requirements, all nonexempt contractors and subcontractors shall furnish to the owner, the following:

1. A stipulation by the contractor or subcontractors, that any facility to be utilized in the performance of any nonexempt contract or subcontract, is not listed on the List of Violating Facilities issued by the Environmental Protection Agency (EPA) pursuant to 40 CFR 15.20.
2. Agreement by the contractor to comply with all the requirements of Section 114 of the Clean Air Act, as amended, (42 USC 1857c-8) and Section 308 of the Federal Water Pollution Control Act, as amended, (33 USC 1318) relating to inspection, monitoring, entry, reports and information, as well as all other requirements specified in said Section 114 and Section 308, and all regulations and guidelines issued there under.
3. A stipulation that as a condition for the award of the contract, prompt notice will be given of any notification received from the Director, Office of Federal Activities, EPA, indicating that a facility utilized, or to be utilized for the contract, is under consideration to be listed on the EPA List of Violating Facilities.
4. Agreement by the contractor that he will include, or cause to be included, the criteria and requirements in paragraph (1) through (4) of this section in every nonexempt subcontract and requiring

NON-SEGREGATED FACILITIES CERTIFICATION

Federal Compliance Form - to be submitted with Bid

The Federally-assisted construction contractor certifies that he/she DOES NOT and WILL NOT:

5. Maintain or provide, for his/her employees, any segregated facilities at any of his/her establishments.
6. Permit his/her employees to perform their services at any location, under his/her control, where segregated facilities are maintained.

The Federally-assisted contractor agrees that a breach of this certification is a violation of the Equal Opportunity Clause in this contract. As used in this certification, the term segregated facilities means any waiting room, work areas, restrooms and washrooms, restaurants and other eating areas, time clocks, locker rooms and other storage or dressing areas¹ parking lots, drinking fountains, recreation or entertainment areas, transportation, and housing facilities provided for employees which are segregated by explicit directive or are in fact segregated on the basis of race, creed, color, or national origin, because of habit, local custom, or otherwise.

The Federally-assisted contractor agrees that (except where he/she has obtained identical certifications from proposed subcontractors for specific time periods) he/she will obtain identical certifications from proposed subcontractors prior to the award of subcontracts exceeding \$10,000 which are not exempt from the provisions of the Equal Opportunity Clause, and that he/she will retain such certifications in his/her files.

NOTE: The penalty for making false statements in offers is prescribed in 18 U.S.C. 1001.

SECTION 3 CLAUSE *Federal Contract Provision* *24 CFR Part 135*

All Section 3 covered contracts shall include the following clause (referred to as the "Section 3 Clause"):

- A. The work to be performed under this contract is subject to the requirements of Section 3 of the Housing and Urban Development Act of 1968, as amended, 12 U.S.C. 1701u (section 3). The purpose of section 3 is to ensure that employment and other economic opportunities generated by HUD assistance or HUD-assisted projects covered by section 3, shall, to the greatest extent feasible, be directed to low- and very low-income persons, particularly persons who are recipients of HUD assistance for housing.
- B. The parties to this contract agree to comply with HUD's regulations in 24 CFR Part 135, which implement section 3. As evidenced by their execution of this contract, the parties to this contract certify that they are under no contractual or other impediment that would prevent them from complying with the part 135 regulations.
- C. The contractor agrees to send to each labor organization or representative of workers with which the contractor has a collective bargaining agreement or other understanding, if any, a notice advising the labor organization or workers' representative of the contractor's commitments under this section 3 clause, and will post copies of the notice in conspicuous places at the work site where both employees and applicants for training and employment positions can see the notice. The notice shall describe the section 3 preference, shall set forth minimum number and job titles subject to hire, availability of apprenticeship and training positions, the qualifications for each; and the name and location of the person(s) taking applications for each of the positions; and the anticipated date the work shall begin.
- D. The contractor agrees to include this section 3 clause in every subcontract subject to compliance with regulations in 24 CFR Part 135, and agrees to take appropriate action, as provided in an applicable provision of the subcontract or in this section 3 clause, upon a finding that the subcontractor is in violation of the regulations in 24 CFR Part 135. The contractor will not subcontract with any subcontractor where the contractor has notice or knowledge that the subcontractor has been found in violation of the regulations in 24 CFR Part 135.
- E. The contractor will certify that any vacant employment positions, including training positions, that are filled (1) after the contractor is selected by before the contract is executed, and (2) with persons other than those to whom the regulations of 24 CFR part 135 require employment opportunities to be directed, were not filled to circumvent the contractor's obligations under 24 CFR part 135.
- F. Noncompliance with HUD's regulations in 24 CFR part 135 may result in sanctions, termination of this contract for default, and debarment or suspension from future HUD assisted contracts.
- G. With respect to work performed in connection with section 3 covered Indian housing assistance, section 7(b) of the Indian Self-Determination and Education Assistance Act (25 U.S.C. 450e) also applies to the work to be performed under this contract. Section 7(b) requires that to the greatest extent feasible (i) preference in the award of contracts and subcontracts shall be given to Indian organizations and Indian-owned Economic Enterprises. Parties to this contract that are subject to the provisions of section 3 and section 7(b) agree to comply with section 3 to the maximum extent feasible, but not in derogation of compliance with section 7(b).

CONTRACTOR'S CERTIFICATE REGARDING WORKERS' COMPENSATION

Labor Code Section 3700

"Every employer except the state shall secure the payment of compensation in one or more of the following ways:

- (a) By being insured against liability to pay compensation by one or more insurers duly authorized to write compensation insurance in this state.
- (b) By securing from the Director of Industrial Relations a certificate of consent to self-insure either as an individual employer, or as one employer in a group of employers, which may be given upon furnishing proof satisfactory to the Director of Industrial Relations of ability to self-insure and to pay any compensation that may become due to his or her employees.
- (c) For any county, city, city and county, municipal corporation, public district, public agency, or any political subdivision of the state, including each member of a pooling arrangement under a joint exercise of powers agreement (but not the state itself), by securing from the Director of Industrial Relations a certificate of consent to self-insure against workers' compensation claims, which certificate may be given upon furnishing proof satisfactory to the director of ability to administer workers' compensation claims properly, and to pay workers' compensation claims that may become due to its employees. On or before March 31, 1979, a political subdivision of the state which, on December 31, 1978, was uninsured for its liability to pay compensation, shall file a properly completed and executed application for a certificate of consent to self-insure against workers' compensation claims. The certificate shall be issued and be subject to the provisions of Section 3702.

For purposes of this section, "state" shall include the superior courts of California."

I am aware of the provisions of Section 3700 of the Labor Code, which requires every employer to be insured against liability for workers' compensation or to undertake self-insurance in accordance with the provisions of that code, and I will comply with such provisions before commencing the performance of the work of this contract.

General Wage Decision

No. CA20220022

01/21/2022

"General Decision Number: CA20220022 01/21/2022

Superseded General Decision Number: CA20210022

State: California

Construction Types: Building, Heavy (Heavy and Dredging) and Highway

County: Los Angeles County in California.

BUILDING CONSTRUCTION PROJECTS; DREDGING PROJECTS (does not include hopper dredge work); HEAVY CONSTRUCTION PROJECTS (does not include water well drilling); HIGHWAY CONSTRUCTION PROJECTS

Note: Contracts subject to the Davis-Bacon Act are generally required to pay at least the applicable minimum wage rate required under Executive Order 14026 or Executive Order 13658. Please note that these Executive Orders apply to covered contracts entered into by the federal government that are subject to the Davis-Bacon Act itself, but do not apply to contracts subject only to the Davis-Bacon Related Acts, including those set forth at 29 CFR 5.1(a)(2)-(60).

If the contract is entered into on or after January 30, 2022, or the contract is renewed or extended (e.g., an option is exercised) on or after January 30, 2022, Executive Order 14026 generally applies to the contract. The contractor must pay all covered workers at least \$15.00 per hour (or the applicable wage rate listed on this wage determination, if it is higher) for all hours spent performing on that contract in 2022.

If the contract was awarded on or between January 1, 2015 and January 29, 2022, and the contract is not renewed or extended on or after January 30, 2022, Executive Order 13658 generally applies to the contract. The contractor must pay all covered workers at least \$11.25 per hour (or the applicable wage rate listed on this wage determination, if it is higher) for all hours spent performing on that contract in 2022.

The applicable Executive Order minimum wage rate will be adjusted annually. If this contract is covered by one of the Executive Orders and a classification considered necessary for performance of work on the contract does not appear on this wage determination, the contractor must still submit a conformance request.

Additional information on contractor requirements and worker protections under the Executive Orders is available at www.dol.gov/whd/govcontracts.

=====
Note: Executive Order (EO) 13706, Establishing Paid Sick Leave for Federal Contractors applies to all contracts subject to the Davis-Bacon Act for which the contract is awarded (and any solicitation was issued) on or after January 1, 2017. If this contract is covered by the EO, the contractor must provide employees with 1 hour of paid sick leave for every 30 hours they work, up to 56 hours of paid sick leave each year. Employees must be permitted to use paid sick leave for their own illness, injury or other health-related needs, including preventive care; to assist a family member (or person who is like family to the employee) who is ill, injured, or has other health-related needs, including preventive care; or for reasons resulting from, or to assist a family member (or person who is like family to the employee) who is a victim of, domestic violence, sexual assault, or stalking. Additional information on contractor requirements and worker protections under the EO is available at www.dol.gov/whd/govcontracts.

Unlisted classifications needed for work not included within the scope of the classifications listed may be added after award only as provided in the labor standards contract clauses (29CFR 5.5 (a) (1) (ii)).

The body of each wage determination lists the classification and wage rates that have been found to be prevailing for the cited type(s) of construction in the area covered by the wage determination. The classifications are listed in alphabetical order of ""identifiers"" that indicate whether the particular rate is a union rate (current union negotiated rate for local), a survey rate (weighted average rate) or a union average rate (weighted union average rate).

Union Rate Identifiers

A four letter classification abbreviation identifier enclosed in dotted lines beginning with characters other than ""SU"" or ""UAVG"" denotes that the union classification and rate were prevailing for that classification in the survey. Example: PLUM0198-005 07/01/2014. PLUM is an abbreviation identifier of the union, which prevailed in the survey for this classification, which in this example would be Plumbers 0198 indicates the local union number or district council number where applicable, i.e., Plumbers Local 0198. The next number, 005 in the example, is an internal number used in processing the wage determination. 07/01/2014 is the effective date of the most current negotiated rate, which in this example is July 1, 2014.

Union prevailing wage rates are updated to reflect all rate changes in the collective bargaining agreement (CBA) governing this classification and rate.

Survey Rate Identifiers

Classifications listed under the ""SU"" identifier indicate that no one rate prevailed for this classification in the survey and the published rate is derived by computing a weighted average rate based on all the rates reported in the survey for that classification. As this weighted average rate includes all rates reported in the survey, it may include both union and non-union rates. Example: SULA2012-007 5/13/2014. SU indicates the rates are survey rates based on a weighted average calculation of rates and are not majority rates. LA indicates the State of Louisiana. 2012 is the year of survey on which these classifications and rates are based. The next number, 007 in the example, is an internal number used in producing the wage determination. 5/13/2014 indicates the survey completion date for the classifications and rates under that identifier.

Survey wage rates are not updated and remain in effect until a new survey is conducted.

Union Average Rate Identifiers

Classification(s) listed under the UAVG identifier indicate that no single majority rate prevailed for those classifications; however, 100% of the data reported for the classifications was union data. EXAMPLE: UAVG-OH-0010 08/29/2014. UAVG indicates that the rate is a weighted union average rate. OH indicates the state. The next number, 0010 in the example, is an internal number used in producing the wage determination. 08/29/2014 indicates the survey completion date for the classifications and rates under that identifier.

A UAVG rate will be updated once a year, usually in January of each year, to reflect a weighted average of the current negotiated/CBA rate of the union locals from which the rate is based.

WAGE DETERMINATION APPEALS PROCESS

1.) Has there been an initial decision in the matter? This can be:

- * an existing published wage determination
- * a survey underlying a wage determination
- * a Wage and Hour Division letter setting forth a position on a wage determination matter
- * a conformance (additional classification and rate) ruling

On survey related matters, initial contact, including requests for summaries of surveys, should be with the Wage and Hour Division National Office Branch of Wage Surveys. If the response from this initial contact is not satisfactory, then the process described in 2.) and 3.) should be followed.

With regard to any other matter not yet ripe for the formal process described here, initial contact should be with the Branch of Construction Wage Determinations. Write to:

Branch of Construction Wage Determinations
Wage and Hour Division
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

2.) If the answer to the question in 1.) is yes, then an interested party (those affected by the action) can request review and reconsideration from the Wage and Hour Administrator (See 29 CFR Part 1.8 and 29 CFR Part 7). Write to:

Wage and Hour Administrator
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

The request should be accompanied by a full statement of the interested party's position and by any information (wage payment data, project description, area practice material, etc.) that the requestor considers relevant to the issue.

3.) If the decision of the Administrator is not favorable, an interested party may appeal directly to the Administrative Review Board (formerly the Wage Appeals Board). Write to:

Administrative Review Board
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

4.) All decisions by the Administrative Review Board are final.

COVID – 19 Contractor Notification and Certification

LOS ANGELES COUNTY DEVELOPMENT AUTHORITY

COVID-19 CONTRACTOR NOTIFICATION & CERTIFICATION

COVID-19 VACCINATIONS OF COUNTY CONTRACTOR PERSONNEL

You are receiving this notice because the Los Angeles County Development Authority ("LACDA") has identified you or your company/entity as performing services under a contract with the LACDA. In accordance with the urgency Ordinance adopted by the County of Los Angeles Board of Supervisors on December 7, 2021 as contained in Chapter 2.212, COVID-19 Vaccinations of County Contractor Personnel of County Code Title 2 – Administration, Division 4 ("Ordinance"), all Contractor Personnel who (1) interact in person with LACDA employees, interns, volunteers, and commissioners, (2) work on LACDA owned or controlled property while performing services under a LACDA contract, and/or (3) come into contact with the public while performing services under a contract with the LACDA, must first:

1. Provide one-time verification that they are fully vaccinated, OR
2. If the Contractor Personnel is granted a valid medical or sincerely held religious belief exemption by its employer, provide a weekly Certification of Compliance ("Certification") through the Contractor of a negative polymerase chain reaction ("PCR") or antigen test as evidence that they are in compliance with the mandate.

"Contractor Personnel" means all employees of a Contractor, and persons working on its behalf on a Contract with the LACDA, including but not limited to, subcontractors of any tier. As many Contractor Personnel perform services in which they come into contact with other people in the course of their work for the LACDA and are in a position to transmit or contract COVID-19 while they are at work, it is essential that the LACDA require effective health and safety practices.

Nothing can provide a higher level of protection against COVID-19 or do more to speed the County's recovery than vaccines, which are safe and lifesaving. Convenient and community-based vaccination sites can be found via the following site <http://www.publichealth.lacounty.gov/media/coronavirus/vaccine/index.htm>.

The Centers for Disease Control and Prevention ("CDC") has stated that vaccination is an effective tool to prevent the spread of COVID-19 and benefits both vaccine recipients and those they come into contact with, including persons who for reasons of age, health, or other conditions cannot themselves be vaccinated, and the appearance in the County of the highly transmissible Delta and Omicron variants of COVID-19 has substantially increased the risk of infection for the County's workforce and members of the public.

To ensure compliance with the Ordinance, the LACDA must receive written confirmation (see Attached) that all Contractors covered by the Ordinance will fulfill the requirements of the Ordinance. Contractor Personnel who are not vaccinated shall not perform services alongside the LACDA's workforce, for the LACDA in County or LACDA owned or controlled property, or provide services to the public on behalf of the LACDA, unless the Contractor Personnel has first been granted a valid medical or sincerely held religious belief exemption by its employer and received a negative test result from a COVID-19 PCR or antigen test within 72 hours of their work schedule starting in any applicable week (unless the contracting LACDA department requires otherwise). This applies regardless of the amount of time during the day that Contractor Personnel are performing services

for the LACDA. Contractors will have to provide weekly Certifications for any unvaccinated Contractor Personnel.

As a condition of your Contract with the LACDA, you must comply with all applicable laws, regulations, ordinances and requirements during your performance of work for the LACDA. While the Ordinance is effective immediately, you will have until **January 1, 2022** to comply with the Ordinance requirements.

You must be in full compliance with the Ordinance by **January 1, 2022** by: (1) verifying proof of vaccination for your Contractor Personnel performing services for the LACDA; and (2) for any unvaccinated Contractor Personnel that the employer has granted a valid medical or religious exemption, ensure the person does not perform work on the Contract unless they received a negative COVID-19 PCR or antigen test within the immediately preceding 72 hours of their work schedule starting in any applicable week (unless the contracting LACDA department requires otherwise). You must ensure there is no interruption of service to LACDA if you, or any of your Contractor Personnel, are precluded from working due to an inability to comply with the Ordinance.

A representative of a LACDA department that oversees your Contract may seek additional documentation from you at any time when necessary to ensure compliance with the Ordinance. Please sign, date and return the acknowledgement attached to this notice within seven (7) days to the LACDA Contact below. If you are unable to comply with the requirements of this notice and the Ordinance, you must notify the LACDA contact immediately. Failure to contact the LACDA department representative or return the acknowledgement may result in your company being in default of your Contract with the LACDA.

Subcontractors do not need to submit a Certification to the LACDA, however, prime contractors are responsible for ensuring their subcontractors are in compliance and will certify for their subcontractors as part of certifying for all Contractor Personnel.

If you have any questions, please visit <https://doingbusiness.lacounty.gov> for more information, including for a copy of the Ordinance, answers to Frequently Asked Questions, tools for businesses to assist them with establishing vaccination policies and getting their personnel vaccinated such as template policies, forms, and more; or contact your LACDA contracting contact.

FREQUENTLY ASKED QUESTIONS (FAQs) COVID-19 VACCINATIONS OF COUNTY CONTRACTOR PERSONNEL

Please note: Certain Personnel for Contractors of the Department of Health Services (DHS) and Department of Public Health (DPH) must be fully vaccinated. DPH and DHS cannot accommodate the weekly testing option for individuals with religious or medical exemptions. Please contact your DHS or DPH contract manager for details concerning which Personnel must be vaccinated and additional information. Guidance on these policies is not contained herein.

On December 7, 2021, the County of Los Angeles ("County") Board of Supervisors adopted an urgency ordinance as contained in Chapter 2.212, COVID-19 Vaccinations of County Contractor Personnel of County Code Title 2 – Administration, Division 4 ("Ordinance") requiring all County Contractor Personnel who (1) interact in person with County employees, interns, volunteers, and commissioners, (2) work on County owned or controlled property while performing services under a County Contract, and/or (3) come into contact with the public while performing services under a contract with the County, must either:

- Provide one-time verification that they are fully vaccinated; OR
- If the Contractor Personnel has been granted a valid medical or sincerely held religious belief exemption by its employer, provide a weekly certification through the Contractor of a negative polymerase chain reaction ("PCR") or antigen test as evidence that they are in compliance with the mandate.

The County's Ordinance requirements do not replace any applicable federal, state, local and departmental rules, regulations, requirements and laws that may be applicable to Contractors. To assist Contractors as they implement the requirements of the Ordinance, please refer to the frequently asked questions (FAQs) and answers below. This document will be updated periodically as additional questions arise.

1. Where can I find a copy of the Ordinance?

A copy of the Ordinance can be found here: [164148.pdf \(lacounty.gov\)](https://www.lacounty.gov/files/164148.pdf)

2. Which Contractor Personnel are covered by the Ordinance?

The Ordinance covers Contractor Personnel who:

- (1) Interact in person with County employees, interns, volunteers, and commissioners ("County Workforce Members");
- (2) Work on County owned or controlled property while performing services under a Contract with the County; and/or
- (3) Come into contact with the public while performing services under a Contract with the County.

"Contractor Personnel" means all employees of a Contractor, and persons working on its behalf on a Contract with the County, including but not limited to, subcontractors of any tier, who fall into the above three (3) categories.

FREQUENTLY ASKED QUESTIONS (FAQs)

COVID-19 VACCINATIONS OF COUNTY CONTRACTOR PERSONNEL

While the Ordinance is effective immediately, all Contractors and their Contractor Personnel who meet the criteria above will have until January 1, 2022, to comply with the Ordinance.

3. Does the Ordinance only apply to Contractor Personnel who fall within the three categories in Question #2, or are all employees and staff of a Contractor and its subcontractors covered (e.g. back office, administrative, staff who do not work on a Contract with the County, etc.)?

Only the employees and subcontractors who fall into one of the three categories in Question #2 are covered by the Ordinance. Contractor employees who provide services exclusively to customers other than the contracted services to the County under the Contract with the County, or exclusively support the general operations of the Contractor and do not fall into the three categories in Question #2, are not covered by the Ordinance. However, given the importance of vaccinations in our fight against COVID-19, the County recommends that it's Contractors consider implementation of a vaccination policy for all its employees.

4. For the purpose of this Ordinance, how are you defining "Contractor" and "Contract"?

For the purposes of this Ordinance, "Contractor" means any individual or entity who enters into a Contract with the County to provide goods or services, but does not include those who solely sell commodities that are delivered to the County via common carrier with little to no in-person interaction with County Workforce Members or the public, or commodities where associated services are de minimis in scope.

"Contract" means any agreement between any individual or entity, and the County for the sale of goods and/or performance of services to the County, and includes construction agreements, concession agreements, delegated authority agreements, lease agreements, licenses, master agreements, purchase orders, subrecipient agreements, work orders, or any other type of agreement, regardless of nomenclature, where some portion of services are provided to the County pursuant to the agreement.

5. Does this Ordinance apply to the clients served by the County or its Contractors?

No. This Ordinance is specific to County Contractors and their Contractor Personnel, as defined above. County Contractors should integrate the requirements of this Ordinance into their own COVID-19 return to work and health and safety policies.

6. Does this Ordinance cover interns and volunteers of Contractors?

Yes, interns, aides, volunteers, and fellows of Contractors that work directly with members of the public, including service recipients, or are on County owned or controlled property, or interact in person with County employees, are covered by this Ordinance.

7. Does this Ordinance extend to subcontractors?

Yes, this Ordinance extends to subcontractors of any tier to a County Contractor who has a Contract covered by the Ordinance, including building security, food service employees, and construction subcontractors.

FREQUENTLY ASKED QUESTIONS (FAQs) COVID-19 VACCINATIONS OF COUNTY CONTRACTOR PERSONNEL

8. Does this Ordinance apply to small dollar and short-term vendors?

Yes. Contractors should check for Contractor Personnel vaccine or negative test proof prior to their reporting for work under the Contract with the County. For example, a photographer who comes to the office for half a day would need to show proof of full vaccination or a negative test to their employer (County Contractor) and the Contractor must certify to the County that this is the case.

9. Does this apply to people who come on-site (e.g., vendors, home health aides) that do not have a contract with the County?

This Ordinance does not apply to visitors that have no contractual relationship with the County. However, other federal, state, local and departmental orders, rules, requirements and regulations may apply.

10. What if the Contract with the County uses Contractor Personnel that are covered by a Collective Bargaining Agreement?

Contractors should first notify the County that the applicable contract includes Contractor Personnel that are covered by a collective bargaining agreement. Contractors should then undertake all required collective bargaining requirements, if any, before imposing the requirements of the Ordinance, and shall notify County of any actions taken.

11. Do Contractor Personnel interacting with the public have to wear a face covering, even if fully vaccinated?

Yes, Contractor Personnel interacting with members of the public, County Workforce Members, other contractors including covered Contractors and their subcontractors and staff -- must wear a face covering, even if their Contractor has certified proof of full vaccination.

12. Will there be any medical or religious accommodations or exemptions for this Ordinance?

Yes, the Contractor or employer of record for the Contractor Personnel will have to comply with any medical or religious exemptions procedures as required by law. If the Contractor or employer of record has determined that Contractor Personnel has met the requirements to be granted a valid medical or sincerely held religious belief exemption, the Contractor must certify that the unvaccinated exempt Contractor Personnel has tested negative weekly and the Contractor Personnel must mask and engage in proper physical distancing. If Contractor's Personnel does not want to undergo weekly testing, they cannot provide services under the Contract, or they can get fully vaccinated.

Please note: Certain Personnel for Contractors of the Department of Health Services (DHS) and Department of Public Health (DPH) must be fully vaccinated. DPH and DHS cannot accommodate the weekly testing option for individuals with religious or medical exemptions. Please contact your DHS or DPH contract manager for details concerning which Personnel must be vaccinated and additional information. Guidance on these policies is not contained herein.

FREQUENTLY ASKED QUESTIONS (FAQs)

COVID-19 VACCINATIONS OF COUNTY CONTRACTOR PERSONNEL

13. Which vaccines count? What if the Contractor has been vaccinated with a non-FDA approved vaccine?

Only Food and Drug Administration (FDA) and World Health Organization (WHO) approved vaccines will be accepted. FDA vaccines are readily available in the United States. As of the date of this FAQ, FDA-authorized vaccines include the Pfizer, Moderna, and Johnson & Johnson vaccines.

14. If Contractor Personnel get their first dose but are not fully vaccinated yet, will they be required to provide weekly test results?

Yes, Contractor Personnel who have received at least one dose of a vaccine that requires two doses (e.g., Moderna and Pfizer) will be required to undergo weekly testing until fully vaccinated.

Contractor Personnel who have received one dose of a single dose COVID-19 vaccine (e.g., Johnson and Johnson) will not need to submit proof of weekly negative test results.

15. What counts as proof of vaccination?

Contractor Personnel shall submit, using secure means, proof of vaccination directly to the Contractor.

Proof must be:

- An official CDC card or other official immunization card bearing the employee's name and date(s) of vaccine administration. The employer must see this document or a photograph of it;
- Documentation from a licensed medical provider; or
- A proof of vaccination issued by the State of California (e.g., the CDPH QR code).

Contractors should maintain a confidential record of the employees who have demonstrated proof of vaccination, pursuant to the Contractor's policies and procedures for safeguarding personal information.

16. What if Contractor Personnel was vaccinated but lost their CDC vaccination card?

Contractor Personnel who lost their CDC vaccination card should contact the medical provider where they got vaccinated to get an official record of vaccination.

17. Where can people be vaccinated?

Vaccination is free and convenient across the County. Convenient vaccination sites can be found via <http://www.publichealth.lacounty.gov/media/coronavirus/vaccine/index.htm>.

FREQUENTLY ASKED QUESTIONS (FAQs)

COVID-19 VACCINATIONS OF COUNTY CONTRACTOR PERSONNEL

18. Can Contractor Personnel take time from their shift to get vaccinated?

The Contractor should follow all relevant federal, state, and local laws and policies associated with time off for getting vaccinated. Please see the California Department of Industrial Relations website for Guide to COVID-19 Related Frequently Asked Questions:

<https://www.dir.ca.gov/dlse/COVID19resources/FAQs.html>

Please also see the U.S. Occupational Safety and Health Administration Emergency Temporary Standard for details:

<https://www.osha.gov/sites/default/files/publications/OSHA4162.pdf>

19. Will Contractor Personnel who are seropositive – have antibodies – be able to opt out of vaccination or testing requirements?

No. Most experts agree that vaccination provides additional protection from COVID-19, including the Delta variant, above and beyond the antibodies that a person may have as a result of prior infection. Contractors will **NOT** be exempt due to evidence of prior COVID-19 infection.

20. For Contractor Personnel who have been granted a valid medical or sincerely held religious belief exemption by their employer and must undergo weekly testing, what tests qualify?

Both PCR tests and antigen tests qualify for the County's requirement.

21. When must a Contractor certify that its Contractor Personnel who was granted a valid medical or sincerely held religious belief exemption, has tested negative?

For any unvaccinated Contractor Personnel that the employer has granted a valid medical or religious exemption, Contractor must ensure the person does not perform work on the Contract unless they received a prior negative COVID-19 PCR or antigen test within the preceding 72 hours of the start of the work week (unless the contracting County department requires otherwise).

22. When must a COVID-19 test be taken for exempt Contractor Personnel?

The test must be taken within a timeframe that allows for a negative test result to come back within the preceding 72 hours of the start of the work week for the exempt Contractor Personnel.

23. Where can people find testing?

The County and other health providers offer free COVID-19 testing in convenient locations across the County, but Contractors and their Contractor Personnel may opt to go to their trusted medical professionals as well.

There are many testing locations in the County, which can be found here:

<https://covid19.lacounty.gov/testing>

FREQUENTLY ASKED QUESTIONS (FAQs)

COVID-19 VACCINATIONS OF COUNTY CONTRACTOR PERSONNEL

24. Who is responsible for paying for tests at non-County sites (to the extent it isn't covered)?

Most providers across the County will attempt to bill insurance for test collection. While private providers may charge for testing or charge a co-pay, tests are widely available at no cost to individuals across dozens of County-sponsored test sites. All County residents are strongly encouraged to ask about associated costs before being tested.

25. What happens if Contractor Personnel test positive?

Contractor Personnel who test positive must not report to a County work site, provide services to the public, or work alongside County Workforce Members until all of these conditions are met:

- (1) It has been at least 10 days since they tested positive or were diagnosed with COVID-19;
- (2) If they develop symptoms, it has been at least 10 days since their symptoms began;
- (3) They have not had a fever for at least 24 hours without the use of medicine that reduces fever; and
- (4) Their symptoms of COVID-19 (e.g., cough, shortness of breath) have improved.

26. Will Contractors be expected to pay out of pocket for vaccine or test?

Vaccines are widely available for free. Contractors should follow their own policies for testing costs. Please see the U.S. Occupational Safety and Health Administration Emergency Temporary Standard for details: <https://www.osha.gov/sites/default/files/publications/OSHA4162.pdf>

27. Can Contractor Personnel take time from their shift to get tested?

Contractors should develop their own policies and procedures with regards to testing. However, no additional funding will be provided associated with time off for testing. For Contractor employers that choose to allow employees to get tested on shift time, the Contractor may want to consider:

- Requiring employees to be tested at the beginning or end of their shift.
- Requiring employees for whom testing is already provided on-site due to pre-existing safety protocols, in places such as schools, shelters, and jails, to continue to use these services during their shift.
- Requiring employees to get tested in a place close to their home or work.
- Requiring employees to document time taken to seek testing.
- Requiring employees to provide adequate notice and request time off in advance to supervisors for testing.

Please see the U.S. Occupational Safety and Health Administration Emergency Temporary Standard for details: <https://www.osha.gov/sites/default/files/publications/OSHA4162.pdf>

In no case should testing time have a detrimental impact on operations or the services Contractor is required to provide under the Contract.

FREQUENTLY ASKED QUESTIONS (FAQs)

COVID-19 VACCINATIONS OF COUNTY CONTRACTOR PERSONNEL

28. How will Contractors track compliance?

Each Contractor must track compliance for their Contractor Personnel. Contractors are responsible for verifying individual vaccination status of each Contractor Personnel and monitoring compliance with weekly testing, face covering requirements, and physical distance requirements for those who have been granted a valid medical or sincerely held religious belief exemption. Contractors are subject to reviews for compliance by the County.

29. How will the Ordinance be enforced for Contractors?

All County Contractors with covered Contracts must submit a certification signed by the organization's authorized signatory or equivalent that they are complying with the County's requirements by sending it to their contracting County department, and certify weekly if it has any exempt Contractor Personnel who will be testing. Contractors should update internal policies that reflect compliance with the Ordinance requirements. If Contractors are non-compliant, County departments will exercise any rights they may have under the contract.

30. How should Contractors monitor compliance for subcontractors?

Contractors are responsible for ensuring compliance by any of its subcontractors, of any tier. It is recommended that Contractors collect attestations and certifications, implement policies, and do further review as necessary for subcontractors.

31. What documentation must Contractors keep on hand?

Consistent with applicable privacy laws and regulations, Contractors must maintain records of proof of vaccination for its Contractor Personnel or exemption status for the document retention period set forth in the applicable Contract. If Contractor Personnel are exempt pursuant to a medical or sincerely held religious belief reason, the Contractor must also maintain records of the Contractor Personnel's testing results. The Contractor must provide access to such records to the County for audit purposes, when required by County.

32. What if my business doesn't have any COVID-19 vaccination policies in place? What can I do?

Resources for businesses to adopt COVID-19 vaccination policies are available at:

<https://doingbusiness.lacounty.gov/>

33. What is the penalty? Will non-compliant Contractor Personnel be allowed to work on the Contract with the County?

Contractors should not send non-compliant Contractor Personnel who do not meet the requirements of the Ordinance to work on the applicable Contract with the County. County departments will exercise any rights and remedies they have under the Contract, as well as legally and administratively.

34. Can the Vaccine Mandate Certification be electronically signed?

Yes.

FREQUENTLY ASKED QUESTIONS (FAQs) COVID-19 VACCINATIONS OF COUNTY CONTRACTOR PERSONNEL

35. Can contractors submit one Certification for all County contracts?

Certifications can contain all departmental contracts, or be done individually, as designated by a department.

36. If a contractor is scheduling their employees to get the first vaccine shot by end of 2021, how should contractors complete the Certification?

The contractor can send a letter listing individuals who are in the process of getting vaccinated, thereafter, a weekly letter/certification is required indicating that these individuals tested negative. Contractors do not need to send actual test results for each employee, contractors only need to provide the County with the Certification listing the individuals by name indicating they have tested negative and are cleared to work for the week. Actual test results are confidential, due to PHI/PII data in it.

37. Does the 5th Circuit Court of Appeals ruling regarding mandatory vaccinations apply to Los Angeles County?

No, the 5th Circuit decision does not apply to Los Angeles County. The 5th Circuit decision applies to actions taken by the Biden Administration as issued by the Occupational Safety & Health Administration and has no bearing on LA County.

38. Are there health concerns with the current vaccines?

FDA approved vaccines for COVID-19 are safe. The FDA has approved a number of COVID-19 vaccines. There are several vaccines to choose from, including J&J, Pfizer and Moderna. In addition, the FDA has approved a pill form of the Pfizer COVID-19 vaccine. For more vaccine information, please visit the County of Los Angeles Department of Public Health:

<http://publichealth.lacounty.gov/media/Coronavirus/vaccine/>

39. What requirements should contractors follow when handling personal and private medical histories for their employees?

As the employer of record, contractors should comply with all applicable legal privacy requirements for this type of information.

40. What is the liability to the County and to contractors for making vaccinations a condition of employment?

If Contractor Personnel work on a County Contract, and are either working with County workforce members, the public, or otherwise work on County owned or controlled property, they must be vaccinated or test weekly if they qualify for a valid medical or religious exemption. The County encourages all County contractors covered by the Ordinance to comply with the Ordinance requirements. If you need assistance or have further questions, please visit our Doing Business with the County website that has extensive information and resources available for contractors and their subcontractors at <https://doingbusiness.lacounty.gov/>.

Requirement: Reduce quantity of materials disposed at landfills by 50% or greater (determined by weight).

Column A: List Actual Quantities of waste for each material type (in tons). To convert yards to tons, use the Materials Conversion Worksheet provided in your packet.

Column B, C, D: List actual quantities reused, recycled, or disposed.

Column E: State the name of all vendors or facilities used to reuse, recycle or dispose of material listed. See example below for cases where more than one facility was used for a particular material type.

Column Totals: Add up all quantities listed in Column A. Do the same for Column B, C and D.

Recycled Mixed Debris: This category is only for mixed debris loads that were taken to a recognized facility for recycling (see list of Mixed Debris Recycling Facilities insert in your C & D Packet). Use the Materials Conversion Worksheet to calculate quantity of materials that can be credited as recycled. Receipts must be provided with your Summary Report to receive recycling credit.

Application/Permit # _____ Project Address: _____

Material Handling Methods - Indicate quantities (in tons only) for each material listed.					
Material Type	A Total Quantity Discarded	B Salvage Or Reuse	C Recycling	D Disposal	E Actual Destination (s)
Example: Cardboard	2 Tons		1.5	0.5	(Recycle) Davis St. Recycling Center (Outdoor) Davis St. Transfer Station

GENERAL NOTES:

1. CONCRETE SHALL BE CLASS 520-C-2500 (310-C-17) CONFORMING TO SSPWC 201-1.1.2 AND SHALL BE 4" (100 mm) THICK.
2. THE RAMP SHALL HAVE A 12" (305 mm) WIDE BORDER WITH 1/4" (6 mm) GROOVES APPROXIMATELY 3/4" (19 mm) OC. SEE GROOVING DETAIL.
3. THE RAMP SURFACE SHALL HAVE A TRANSVERSE BROOMED SURFACE TEXTURE CONFORMING TO SSPWC 303-1.9.
4. USE DETAIL "A" OR "B" IF EXISTING SURFACE BEHIND LANDING IS PAVED.
5. USE DETAIL "C" OR "D" IF EXISTING SURFACE BEHIND LANDING IS UNPAVED.
6. R = 3' (900 mm) UNLESS OTHERWISE SHOWN ON PLAN. SEE SHEET 7.
7. ANGLE = $\Delta/2$ UNLESS OTHERWISE SHOWN ON PLAN.
8. CONSTRUCT DETECTABLE WARNING SURFACE PER DETAIL THIS SHEET. MATERIALS SHALL BE PER CONTRACT DOCUMENTS.

ABBREVIATIONS:

WPJ WEAKENED PLANE JOINT BCR BEGINNING OF CURB RETURN
EXP JT EXPANSION JOINT ECR END OF CURB RETURN

NOTES:

1. WEAKENED PLANE JOINTS SHALL BE USED FOR ALL JOINTS, EXCEPT THAT EXPANSION JOINTS SHALL BE PLACED AT THE BCR AND ECR IN CURB, GUTTER AND SIDEWALK, AND AROUND UTILITY POLES LOCATED IN SIDEWALK AREAS.
2. WEAKENED PLANE JOINTS SHALL BE CONSTRUCTED AT REGULAR INTERVALS NOT EXCEEDING 10' (3000 mm) IN WALKS AND 20' (6000 mm) IN GUTTERS. JOINTS IN CURB AND WALK SHALL BE ALIGNED.
3. CURB AND GUTTER SHALL BE CONSTRUCTED SEPARATELY FROM SIDEWALK.

NOTES

1. CONCRETE WALK, FILL-IN AND DRIVEWAYS REMOVED IN CONNECTION WITH CONSTRUCTION SHALL BE REPLACED TO NEATLY SAWED EDGES. ALL CUTS SHALL BE PARALLEL TO OR PERPENDICULAR TO THE CURB; ON CURVES, THE CUT SHALL BE RADIAL TO THE CURB.
2. DRIVEWAY APRONS IN WHICH THE "W" DISTANCE IS LESS THAN 11' (3300 mm) SHALL BE REPLACED IN THEIR ENTIRETY IF CUT IN ANY AREA.
3. DRIVEWAY APRONS IN WHICH THE "W" DISTANCE IS 11' (3300 mm) OR MORE MAY BE CUT WITHIN THE "W" SECTION. THE MINIMUM REPLACEMENT SHALL BE 30" (750 mm) IN LENGTH. THE MINIMUM DISTANCE ALLOWED BETWEEN SUCH CUTS SHALL BE 14' (4200 mm).
4. DRIVEWAY APRONS IN WHICH THE "W" DISTANCE IS 11' (3300 mm) OR MORE MAY BE CUT IN THE "X" OR "R" SECTION. REPLACEMENT SHALL BE THE ENTIRE "X" OR "R" SECTION.
5. DRIVEWAY APRONS SHALL BE REPLACED FROM THE BACK OF THE CURB TO THE FRONT EDGE OF THE WALK, EXCEPT, WHERE WALK IS ADJACENT TO CURB, REPLACEMENT SHALL BE FROM BACK OF CURB TO BACK OF WALK.
6. WALK PORTIONS OF DRIVEWAYS SHALL BE REPLACED AS SHOWN ABOVE FOR EXCAVATIONS MADE PARALLEL OR NORMAL TO CURB.
7. REPLACEMENT OF THE "X" OR "R" SECTION SHALL MATCH EXISTING CONSTRUCTION.

NOTES

1. IF THE TOP OF SLOPE IS ALLOWED WITHIN THE R/W, INLET CASE I BEGINS AT THE TOP RATHER THAN THE R/W LINE.
2. FOR OPEN DITCH (CASE INLET III), THE 24" (600 mm) EXTENSION BEYOND THE R/W LINE IS NOT REQUIRED WHEN BACK OF WALK IS 24" (600 mm) OR MORE FROM THE R/W LINE; HOWEVER, PIPE SHALL EXTEND TO R/W LINE.
3. TOP OF INLET STRUCTURE (CASE I AND II) TO BE FLUSH WITH ADJACENT SURFACE WHERE PRACTICAL.
4. CONSTRUCT PCC WALK WHEN SPECIFIED ON PLANS. THE CONTRACT PRICE PAID FOR PCC WALK ITEM SHALL INCLUDE WALK CONSTRUCTED IN CONJUNCTION WITH PARKWAY CULVERT.
5. "N" EQUALS NUMBER OF PIPES (MAXIMUM OF THREE) AS SPECIFIED ON PLANS.
6. INLET CASE TO BE SPECIFIED ON PLANS.
7. ANGLE A EQUALS 0°, UNLESS OTHERWISE SPECIFIED.
8. TYPE, DIMENSIONS AND ELEVATIONS OF P.C.C. CURB AND GUTTER PER PLANS.
9. UNLESS OTHERWISE SPECIFIED, FRAME AND GRATE FOR CASE II INLET SHALL BE GALVANIZED CAST IRON. WEIGHT OF FRAME AND GRATE SHALL BE 80 LBS (36 kg).
10. AT LOCATIONS WITH LESS THAN 8" (200 mm) CURB FACE, USE 6x6-10/10 (152x152-MW9.1xMW9.1) GALVANIZED WIRE FABRIC. WIRE FABRIC SHALL EXTEND 8" (200 mm) BEYOND THE EDGE OF CAST IRON PIPES.
