SAN FERNANDO TO WELCOME NEW TARGET STORE

SAN FERNANDO, CA – The City of San Fernando has received confirmation that Target Corporation has executed a lease with the owner of 12920 Foothill Boulevard in San Fernando. The retail chain plans to develop the 103,000 square foot site, formerly occupied by Sam’s Club, into a Target store over the next few years.

City staff will be working with the property owner and Target’s Development Team in the coming months to secure the proper permits and site improvement approvals. The property has been vacant since Sam’s Club closed its doors in January 2018.

Questions regarding the new store may be directed to Target’s Media Department at press@target.com.
