Response to Question

- 1. Would it be possible to get a plan holder list or a list of firms that submitted questions, along with contact information?**

We do not have a plan holder list or a list of firms that submitted questions, along with contact information.

- 2. Does the City of San Fernando have a designated or anticipated not-to-exceed budget for this project?**

The City will consider the budget proposal as part of selecting a qualified team. A \$50,000 grant from Southern California Gas Company will help fund the preparation of the Climate Action and Resilience Plan while the City seeks other funding opportunities.
