March 2022

WHEREAS, women of every race, class, and ethnic background have made historic contributions to the growth and strength of the United States, the state of California, and the City of San Fernando in countless recorded and unrecorded ways; and have served as early leaders in the forefront of every major progressive social change movement;

WHEREAS, women have played and continued to play a critical economic, cultural, and social role in every sphere of the life of our nation and in the City of San Fernando by constituting a significant portion of the labor force working inside and outside the home;

WHEREAS, the 2022 National theme for the observance is "Providing Healing, Promoting Hope," which acknowledges the legacy of women who have helped advance public and personal welfare and advocated for compassionate treatments and new directions in public health and women's health;

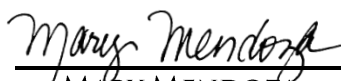

WHEREAS, women have been leaders, not only in securing their own rights of suffrage and equal opportunity, but also in the abolitionist movement, the emancipation movement, the industrial labor movement, the civil rights movement, and the peace movement, to create a more fair and just society for all;

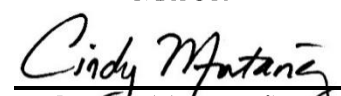

WHEREAS, locally, women have played a key role in the City of San Fernando's history as leaders in the community; and the City proudly recognizes the importance of issues affecting women and girls and supports further sustainable change in their well-being and advancement; and in particular, women have often taken on the mantle of providing care and healing.

NOW, THEREFORE, THE SAN FERNANDO CITY COUNCIL DOES HEREBY PROCLAIM THE MONTH of March 2022 to be **Women's History Month** in the City of San Fernando, and encourages the community to reflect on, honor, and celebrate the history, courage, commitment, accomplishments, and contributions of women throughout our Nation.
