AGENDA REPORT

To: Mayor Celeste T. Rodriguez and Councilmembers

From: Nick Kimball, City Manager
By: Richard Padilla, Assistant City Attorney
Julia Fritz, City Clerk

Date: December 11, 2023

Subject: Consideration to Approve a Second Reading Adopting Ordinance No. 1720 Amending Section 2-31 (Councilmembers – Salary) of Division 1 (Generally), Article II (City Council), Chapter 2 (Administration) of the San Fernando Municipal Code Regarding Councilmember Compensation

RECOMMENDATION:

It is recommended that the City Council approve for second reading, in title only, and waive further readings of Ordinance No. 1720 (Attachment “A”) “An Ordinance of the City Council of the City of San Fernando amending Section 2-31 (Councilmembers – Salary) of Division 1 (Generally), Article II (City Council), Chapter 2 (Administration) of the San Fernando Municipal Code regarding Councilmember compensation”.

BACKGROUND:

1. On February 20, 1980, the City Council adopted two ordinances related to compensation (Ordinance Nos. 1158 and 1159) that set monthly compensation at \$282 per month. The effective date of the salary set forth in these Ordinances was April 1, 1980.
2. On September 15, 1986, the City Council adopted Ordinance No. 1292, increasing compensation to \$378 per month. The effective date of this Ordinance was October 15, 1986.
3. On December 18, 1995, the City Council adopted Ordinance No. 1459, increasing compensation to \$476.40 per month. The effective date of this Ordinance was April 1, 1997.
4. On April 3, 2000, the City Council adopted Ordinance No. 1515, increasing compensation to \$579.06 per month. The effective date of this Ordinance was March 13, 2001.
5. On December 1, 2014, the City Council adopted Resolution No. 7662, setting the salary at \$580.00 per month. The effective date of this resolution was April 1, 2015.

Page 2 of 5

6. On June 20, 2023, City Council adopted Resolution No. 7973, which provided increases to wellness reimbursement, technology reimbursement and automobile allowance benefits for Executive Management Staff. Per the Salary Plan, these changes were also applicable to City Councilmembers.
7. On September 18, 2023, by consensus of Vice Mayor Mendoza, Councilmember Fajardo, and Councilmember Solorio, City staff was directed to return to City Council with an ordinance increasing the amount of monthly compensation received by City Councilmembers to \$950 per month with the full amount of the increase being phased-in as follows: City Councilmembers will receive \$764.53 per month effective January 1, 2025, and will then receive the full \$950 per month effective January 1, 2026, in accordance with the procedures established under Government Code Section 36516 and 36516.5.
8. On September 18, 2023, the City Council directed staff to return with budget impact information and comparative analysis (Attachment “B”) with other cities.
9. On November 28, 2023, the City Council continued the item to the next regular meeting to give all Councilmembers the opportunity to participate in the discussion.
10. On December 4, 2023, the City Council conducted a public hearing and voted 4-0 to approve increasing the monthly compensation received by City Councilmembers pursuant to Government Code Sections 36516 and 36516.5, and introduced Ordinance No. 1720 for adoption.

ANALYSIS:

Councilmembers may receive a salary and benefits for their service on the City Council pursuant to Government Code¹ Sections 36516 and 53200 - 53210. Under Section 53208, there is no Section 1090² violation when Councilmembers approve salary or health benefits for themselves. While councilmembers may ordinarily vote on an ordinance increasing their salary, if any vote will only affect some Councilmembers, but not others, then a conflict may exist. Councilmembers also avoid violation of financial conflict of interest restrictions under the Political Reform Act when voting on salaries, benefits, and reimbursements because such emoluments of office are *generally* not considered disqualifying “economic interests”. (Section 82030(b), FPPC Regulation 18232(a)-(c)).

¹ All statutory references are to the Government Code unless otherwise stated.

² Government Code Section 1090 prohibits an officer, employee, or agency from participating in making government contracts in which the official or employee within the agency has a financial interest. Section 1090 applies to virtually all state and local officers, employees, and multimember bodies, whether elected or appointed, at both the state and local level.

A. CITY COUNCIL SALARIES

1. Statutory Baseline Salary Amount

Under Section 36516, Councilmembers may receive a monthly salary that must be set by ordinance. (Section 36516(a)(1), (a)(4)). Section 36516 also sets forth a five-tier schedule of baseline salary amounts with more populous cities being given higher baseline salaries than less populous cities. (Section 36516(a)(2)). At present, cities, with a population of 35,000 or less, like San Fernando, have a baseline salary amount of \$300 per month.³

a) Payments That are Not Considered Part of Salary.

Any amounts paid by a city for retirement, health and welfare and federal social security benefits are *not* included for purposes of determining salary, provided that the *same* benefits are available and paid by the city for its employees. (Section 36516(d)). Likewise, any amounts paid by a city to reimburse⁴ a Councilmember for actual and necessary expenses incurred in the performance of official duties are also not considered part of the salary authorized under Section 36516.

b) Payments for Service on Other Bodies.

Unless specifically authorized by *state* law, a City Council may not pay itself more money for serving on other boards and commissions. (Section 36516(c)). If a separate statute authorizes such additional compensation but does not specify the amount of such compensation, the maximum amount a councilmember may receive is \$150 per month for each commission, committee, board, authority, or similar body. (Section 36516(c).)

2. Increases to Baseline Salary Amount

Councilmember salaries may be increased *above* the baseline salary amount stated in Section 36516 by applying the escalator formula set forth under subdivision (a)(4) of Section 36516. As with the initial establishment of City Council salaries by ordinance, all subsequent adjustments must also be approved by ordinance. No salary ordinance may be enacted or

³ However, with the recent passage of SB 329 earlier this year, this baseline salary amount for cities with a population of 35,000 or less will increase to \$950 per month effective January 1, 2024.

⁴ As to reimbursement for vehicle usage, while some public agencies reimburse based on a mileage reimbursement process, others reimburse through a flat allowance authorized by statute and case law that permits such allowances when empirically demonstrable information shows that the allowance matches actual and necessary expenses incurred. (Section 1223; *Citizen Advocates, Inc. v. Board of Supervisors*, 146 Cal. App. 3d 171, 194 Cal. Rptr. 61 (1983); See also *Albright v. City of South San Francisco*, 44 Cal. App. 3d 866, 118 Cal. Rptr. 901 (1975)). The California Attorney General has also opined that statutes enacted in 2006 relating to expense reimbursement were not intended to supersede Section 1223, the earlier-enacted allowance statute that authorizes local officials to “contract” for an allowance or mileage rate for automobile owned, rented or used in the performance of official duties. See 93 Cal. Ops Atty Gen. 9 (2010).

Consideration to Approve a Second Reading Adopting Ordinance No. 1720 Amending Section 2-31 (Councilmembers – Salary) of Division 1 (Generally), Article II (City Council), Chapter 2 (Administration) of the San Fernando Municipal Code Regarding Councilmember Compensation

Page 4 of 5

amended to provide for automatic future increases in salary (Section 36516(a)(4); effective January 1, 2024, Section 36516(g)).

Currently, Councilmember salaries may be increased by an amount not to exceed 5% for each calendar year from the operative date of the last adjustment. Accordingly, if the City Council has not had a salary increase in the last twenty years, it can adopt an ordinance effectively doubling its salary: $20 \times 5\% = 100\%$.⁵ The Attorney General has ruled that the maximum 5% per year percentage increase must be applied only once, with no compounding. 89 Ops.Cal.Atty.Gen. 159 (2006). A City Council can only calculate the increase based on what the actual salary was when last adjusted, not on what it could have been had annual increased been approved. In other words, the city may not apply the 5% to the currently received salary amount only for the first year, and then apply it to the newly calculated amount for the second year and continue these separate calculations for each intervening year. For example, if six years have passed since the last salary increase, only one calculation – an increase of 30% - is to be made, not six separate calculations, one on top of the other.

3. Procedure for Increasing Salaries and Effective Date of Increase.

As the establishment and subsequent adjustment of City Council salaries must be approved by ordinance, at a minimum a City Council must approve the ordinance for a first reading and a later second reading that is done no less than 5 days from the date of the first reading. While the ordinance instrument then takes effect 30 days from the date of its approval for second reading, Section 36516.5 prohibits any change in compensation during a councilmember's term of office. This, however, does not mean that Councilmember X, elected in 2022, must wait until her next term of office begins in 2026. Because City Councilmembers serve staggered terms, Councilmember X would be eligible for an increase following the next municipal election in 2024, when two or three of her council colleagues must run for reelection, even though X is in the middle of her own term.

4. Application of Salary Rules to San Fernando City Council.

The last ordinance approving City Council salaries, Ordinance No. 1515, was adopted on April 3, 2000, with an operative date of March 13, 2001. The monthly salary amount was set at \$579.06 per month. By multiplying 5% by 22 years, the City Council could increase the current salary by 110% which translates to a monthly salary of \$1,216.02. As indicated,

⁵ The escalator formula will change slightly effective January 1, 2024, per SB 329 to provide that increases to salary amounts, including increases from the initial baseline amount set forth under Section 36516 may not exceed the great of the following: (i) an amount equal to 5% for each calendar year from the operative date of the last salary adjustment; or (ii) an amount equal to inflation since January 1, 2024, based upon the California Consumer Price Index, subject to a 10% per calendar year cap. In other words, beginning January 1, 2024, an increase could theoretically exceed 5% if outpaced by inflation as measured by the Consumer Price Index, subject to a 10% overall cap.

Consideration to Approve a Second Reading Adopting Ordinance No. 1720 Amending Section 2-31 (Councilmembers – Salary) of Division 1 (Generally), Article II (City Council), Chapter 2 (Administration) of the San Fernando Municipal Code Regarding Councilmember Compensation

Page 5 of 5

above, however, the City Council has proposed increasing the monthly salary to \$950 per month with the full amount of the increase being phased-in as follows: City Councilmembers will receive \$764.53 per month effective January 1, 2025, and will then receive the full \$950 per month effective January 1, 2026.

City Council Consideration.

Pursuant to Section 9.2 ADOPTION, (SECOND READING), if an Ordinance was unanimously approved at the time of introduction, adoption (second reading) of the ordinance may be placed on the Consent Calendar with the recommendation that City Council waive full reading of the ordinance and adopt by title only.

On December 4, 2023, the City Council unanimously introduced proposed Ordinance No. 1720 “An Ordinance of the City Council of the City of San Fernando amending Section 2-31 (Councilmembers – Salary) of Division 1 (Generally), Article II (City Council), Chapter 2 (Administration) of the San Fernando Municipal Code regarding Councilmember compensation”.

Therefore, proposed Ordinance No. 1720 is presented on the Consent Calendar for adoption by the City Council. If the City Council approves the second reading of Ordinance No. 1720 on December 11, 2023, it will be effective on January 11, 2024.

BUDGET IMPACT:

The increase in the monthly compensation from \$579.06 to \$950 will ultimately increase the expenditure on City Council salaries by approximately \$22,256 per year. This figure will be slightly less January 1, 2025 and December 31, 2025 as City Councilmembers will only receive 50% of the increase.

RECOMMENDATION:

It is recommended that the City Council approve for second reading, in title only, and waive further readings adoption of Ordinance No. 1720 (Attachment “A”) “An Ordinance of the City Council of the City of San Fernando amending Section 2-31 (Councilmembers – Salary) of Division 1 (Generally), Article II (City Council), Chapter 2 (Administration) of the San Fernando Municipal Code regarding Councilmember compensation”.
