INTRODUCTION AND OVERVIEW

City of San Fernando is a California municipality of approximately 24,500 residents, and incorporated as a General Law City in August of 1911. The City of San Fernando is governed by a five-member City Council elected to staggering four-year terms by voters of San Fernando on the November ballot, held on each even year. In December of each year, the City Council holds an annual reorganization to select a Mayor and Vice Mayor from among the five Council members. The appointments are made by a majority vote of the City Council and are for a one-year term until the next annual reorganization.

The City Council is the legislative body responsible for making all major policy decisions and direction for the City of San Fernando, including adoption of the City's annual budget, major land use plans, infrastructure projects and facility and program activities. The Council relies on advisory input from many sources, including the City Commissions.

CITY COMMISSIONS: ROLES, RESPONSIBILITIES, AUTHORITY AND SPECIAL ASSIGNMENTS

ROLES

Commissioners serve as voluntary members from the community advising the City Council on policies related to the purpose of their Commission. They are expected to attend all meetings, actively participate and deliberate, and vote on any matters that are requested for recommendation to the City Council.

A commissioner's function is to listen, evaluate, advise, suggest and recommend. The commissions make recommendations to the City Council. Commissions examine alternative courses of action, evaluate each alternative, reach a conclusion and present a final recommendation for City Council consideration. This process ensures that the proper public officials are the ultimate decision-makers. The responsibility for allocating public resources rests with the duly-elected representatives of the City. This responsibility may not be delegated to others.

Once per year, Commissioners will vote to elect a Chair and Vice Chair of the Commission, and referred to as, the Annual Reorganization. The Chair is responsible for leading the meetings of the Commission. The Chair shall call the meeting to order, state items to be discussed on the agenda, permit all members the opportunity to be heard, allow for comments from the public, call for a vote when required and work directly with the staff liaison to ensure a successful meeting. The Vice Chair shall serve the role of Chair in the absence of the Chair.

ANNUAL REORGANIZATION PROCESS

The Annual Reorganization general occurs in July at the Commissions regular meeting, with the exception of the Planning and Preservation Commission as per the by-laws the annual reorganization occurs in January. The terms of office of the Chair of the Commission and Vice Chair shall be for one year, or until their successors have been chosen. Nothing herein shall be deemed or construed to prohibit any person from serving any number of consecutive one-year terms in any office in this City.

The following procedure shall be used for the selection of a Chair:

- a. Commission Secretary opens the nominations for the position of Chair
- b. Nomination(s) is/are made for Chair, and seconded
- c. Hearing no objections, motion to close nominations
- d. Commission Secretary conducts a roll call vote and request each Commissioner announce their vote for Chair until a Chair is elected by majority vote
- e. Commission Secretary announces the results

Procedures a-e above are followed to select the Vice Chair.

RESPONSIBILITY

The City Council serves as the ultimate deliberative body regarding all business and policy matters for the city. Any requests for significant work by Commissions shall be considered by the City Council, resulting in recommendations. The City Council will then vote to approve applicable recommendations on any city policy or expenditure(s). Commissioners do not direct or delegate work tasks to City staff and Commission liaisons. Commission annual work plan activities and assignments are to be completed by Commissioners.

Outlined below are examples of some areas in which commission members focus their attention:

- A. Providing in-depth analysis of specific problems
- B. Creating a forum to encourage broad citizen participation
- C. Assessing specific departmental matters, while taking into consideration the overall direction of the City
- D. Providing in-depth analysis of issues that may be brought forward as a recommendation to the City Council for potential action.

There are four (4) City of San Fernando Commissions. Each Commission consists of five (5) City Council-appointed representatives. Please refer to **Exhibit "A"**, attached herewith, for a detailed description of each Commission, as outlined in the San Fernando City Code.

Unless expressly authorized by the City Council, the Commission shall not represent itself to be acting for or on behalf of the City Council, nor shall it commit the officers, employees, or staff of the City in any manner or to any course of action. To the contrary, the Commission shall act as a study center and clearinghouse for advisory action to the City Council. The Commission shall have no authority or jurisdiction to make, recommend, or approve any action with regard to public safety personnel actions or investigations.

AUTHORITY

The City Manager shall appoint a City staff liaison to each Commission to provide staff support and work closely with the Chair to develop the meeting agendas and any information gathered for benefit of the Commissioners. Extensive training is provided in particular to the City's Planning and Preservation Commissioners, commensurate with those duties related to land use decision making – serving as a quasi-judicial body.

All Commissions are intended to be an advisory body (excluding the Planning and Preservation Commission) only and serve at the pleasure of the City Council. Commissions are not allowed to direct City staff that will result in an expenditure of staff resources exceeding the applicable amounts allocated in the approved annual budget.

The administrative staff liaison reports to and is responsible to the City Manager, who assigns staff liaisons to work with each city commission. The City Attorney is an appointed official who reports directly to the City Council. Therefore, all communications between City Attorney and commissions are to be directed through the assigned commission staff liaison, who will then contact the City Attorney if applicable. The City Attorney may be available to provide legal advice when asked by the staff liaison regarding the Brown Act, parliamentary procedure, or on topics related to the Commission's business. Except for the Planning and Preservation Commission, the City Attorney will not attend Commission meetings on a regular basis.

SPECIAL ASSIGNMENTS: AD HOC COMMITTEES

From time to time, as needs arise, the Commissions may choose to form an Ad Hoc Committee, which are less formal in nature, have a clear and definite scope and will be dissolved upon completion of the scope, unless otherwise extended by the Commission with a new scope or unfinished scope. Ad Hoc Committees are not subject to the requirements of the Ralph M. Brown Act. Ad Hoc Committees consist of City staff and two Commissioners that are appointed by the Commission and shall report back to the Commission at appropriate intervals regarding informational updates and upon conclusion of the task assigned by the Commission. Ad Hoc Committee's service concludes once a final report is provided, scope of work is completed, or as the Commission directs.

ORIENTATION PROCESS/ONBOARDING

The staff liaison shall provide onboarding to newly appointed Commissioners. Training is provided in particular to the Planning and Preservation Commissioners, commensurate with those duties related to land use decision making – serving as a quasi-judicial body - per the San Fernando Municipal Code. It is the Commissioner's responsibility to ensure staff has up-to-date contact information and regularly monitors their City issued email to allow for communication for distribution of agendas or other important information. A "Check-off List for New/Outgoing Commissioners", (**Exhibit "D"**) is used to ensure that every aspect of the new Commissioner appointment be covered during the onboarding process.

COMMISSIONER PARTICIPATION

The primary purpose of each Commission is to provide a forum for the thorough vetting of matters within the commission's subject matter jurisdiction, before they are presented to the City Council. A secondary purpose is to provide guidance to City staff on matters within the commission's subject matter jurisdiction, enabling staff to obtain interim guidance as they develop and refine matters for presentation to the City Council. The objective is to eliminate, to the extent possible, those situations where the City Council is forced to deal with large and difficult issues at their meetings without any prior formal discussion or analytical input to guide staff's work product.

When attending Commission meetings, all voting members have the opportunity and right to participate and be heard. The Chair of the Commission holds the responsibility for the Decorum and Order at the meetings, and shall permit each Commissioner to offer comments and make motions on matters on the meeting agenda pursuant to the Parliamentary Procedure (**Exhibit "E"**).

Additionally, some Commissions are expected to participate outside of the regular meetings. For example, Planning and Preservation Commissioners may attend the annual Planners Institute offered by the League of California Cities. Several Commissions participate in various events throughout the year and other participation in Commission events may be required.

COMPENSATION

Compensation is based on monthly commission meeting attendance. Commissioners receive a monthly stipend of \$100/per Commission meeting attended, maximum one Commission meeting per month. If a regularly scheduled Commission meeting is cancelled due to City Hall closure or other unforeseen circumstance, and the regular meeting is rescheduled to the following month, the Commissioners are still eligible for payment of their monthly stipend for said cancelled regular monthly meeting. Pursuant to Government Code Section 1020 (c): "Notwithstanding any other law, a person appointed to civil office, regardless of citizenship or immigration status, may receive any form of compensation that the person is not otherwise prohibited from receiving pursuant to federal law, including, but not limited to, any stipend, grant, or reimbursement of personal expenses that is associated with carrying out the duties of that office."

Commissioners have the option of requesting to waive their monthly stipend (**Exhibit "F"**) and choose to have their stipend donated to one of the following pre-approved City programs: Education Commission Scholarship, Senior Club, Mariachi Master Apprentice Program (MMAP), support toward a Recreation Program or Cultural Event, and General City Services. If a Commissioner(s) is ineligible to receive a stipend, those funds would automatically be donated to the Education Commission's Annual Scholarship Program.

MEETINGS, AGENDAS, LAWS AND REGULATIONS

MEETING INFORMATION AND AGENDAS

Advisory groups are generally required to hold regular meetings on regularly specified meeting dates and at regularly scheduled times. Meetings are to be open and public with an agenda published and posted 72 hours before the meeting. (See "The Brown Act" section.)

Adjourned meetings are those called by the chairperson to complete business on an agenda that is not acted upon during the regular meeting. A specified date and time is announced to the public and recorded in the minutes.

A special meeting requires twenty-four (24) hours of advance public notice. The public notice of the special meeting must contain the time, place, and the subject matter to be discussed. Only items included in the agenda notice are allowed. Staff liaisons will work with the Commission to determine if there is a need to schedule a special meeting.

If a regular meeting needs to be cancelled, the ultimate decision rests with the staff liaison to determine whether the meeting will take place. It is not within the purview of the Chairperson to request the cancellation of the meeting or to make decisions regarding its cancellation.

APPLICABLE LAWS AND REGULATIONS

All City Council Commissions shall comply with the requirements of the Ralph M. Brown Act. Each Commission has an established date, time and place for regular meetings, as required by the Ralph M. Brown Act. In order to minimize the extra demands on City staff, and to maximize public participation, each standing Commission shall, to the maximum extent possible, conduct its business at the regularly scheduled meeting.

The Political Reform Act of 1974 (PRA), codified in the California Government Code Section 87200, aims to prevent self-dealing in governmental decision-making. It mandates the disclosure of personal income and assets by most state and local officials and requires them to abstain from decisions that could affect their economic interests. Members of the City Council, the City Manager, City Attorney, City Treasurer and the Planning and Preservation Commissioners are required to complete an annual Form 700 (Exhibit "G") pursuant to Government Code Section 87200. In addition, on a biennial basis, the City is required to review and adopt a resolution to designate certain individual positions that make or participate in making government decisions, to be required to file an annual Form 700. Currently, the City does not include the Parks, Wellness and Recreation, Education and Transportation and Public Safety Commissioners as designated filer positions and therefore members of those commissions are not required to file a Statement of Economic Interest Form 700. The City's Adopted Designated Filer Positions to the City's Conflict of Interest Code is included as Attachment "A" to Exhibit "G".

REQUIRED ATTENDANCE / POLICY FOR REMOVAL

A quorum is essential to be able to conduct business. A majority of members of a body forms a quorum. Commissioners are expected to attend all regular meetings. Meetings are scheduled at specified times each month or at regular intervals. Commissioners attendance and participation in the business of the Commission is necessary for the success of the Commission in achieving its annual work plan goals. When a Commissioner is unable to attend a meeting, it is courteous to notify the City staff liaison and Commission Chair of expected absence.

If any Commissioner is absent from three or more meetings in a calendar year, that information will be reported to the City Council and can be grounds for removal. This policy allows for another resident to be appointed to the Commission. Attendance is tracked by City staff and the City Clerk shall report to the City Council on a monthly basis.

RESIGNATION

If a Commissioner is no longer available to serve, the Commissioner must submit a resignation in writing by sending a written communication to the staff liaison or the City Clerk. Since the term has not expired, the resignation is treated as an Unscheduled Vacancy, and by state law a 20-day Notice of an Unscheduled Vacancy (**Exhibit "H"**), must be immediately posted by the City Clerk to invite new applicants for the vacant Commission seat. The notice is posted physically in the display case in front of City Hall and on the City's website. Final appointment to the Commission shall not be made by the City Council for at least 10 working days after the posting of the Unscheduled Vacancy notice by the City Clerk.

CODE OF CONDUCT

City Commissioners are representatives of the City while serving in their role as volunteer Commissioners, both while in attendance at meetings and while present at City functions as, a Commissioner. All Commissioners shall adhere to ethical behavior at all times and that entails compliance with the City of San Fernando's City Wide Policies and Procedures adopted on April 4, 1997 "Code of Ethics and Conduct" (**Exhibit "I"**).

City officials including appointed City Commissioners shall be required to participate in state-mandated ethics training (commonly referred to as AB1234). Such training is available online from the FPPC, on YouTube, and from the City Attorney.

Here are the current resource links to fulfill Commissioners ethics training course below; however, from time to time course availability may be subject to change and an alternative would be provided at the time of change:

Upon completion of the training, Commissioners shall file a signed certificate with the City Clerk, which shall remain on file in the Clerk's office for the length of service of the Commissioner.

CALIFORNIA’S RALPH M. BROWN ACT

The Brown Act or Open Meetings law is found in the California Government Code section 54950 et seq. This significant law was enacted in 1953 to guarantee the public’s right to attend and participate in all meetings of local legislative bodies. Those bodies include Boards, Commissions and Committees, whether permanent or temporary, decision-making (such as Planning Commission) or advisory (all others). Most importantly, according to this law, all meetings must be properly noticed for participants and for the public. City staff must ensure this occurs for all Commissions.

Notably, a majority of the members of any Commission may not discuss or deliberate on any business within the subject matter jurisdiction of the Commission except at a noticed meeting, and this includes in person interactions as well as serial or indirect communications.

The agenda for a regular meeting must be posted in a location at the meeting site and freely accessible to members of the public at least 72 hours before the meeting. Any meeting not established as a regular meeting is a “Special” meeting and the special meeting agenda must be posted at least 24 hours prior to the meeting.

Agendas must be posted at the building where the meeting occurs, and in San Fernando, also on the City’s website. Agendas for all meetings held at San Fernando City Hall are posted on the outside board for this purpose at the northwest entry to the building.

Meetings that are not properly noticed are not permitted. That would include “serial” meetings – which would be when one Commissioner contacts another, who then contacts another Commissioner by phone, e-mail or in person. All business of the Commission must be listed on the agenda, posted, and discussed at a public meeting held in an accessible location. Therefore, care must be taken to ensure that if a quorum (half of the members + 1) is gathered at a public or private place, no public business shall be discussed. For this purpose, e-mail communication between Commissioners should be avoided including the use of “Reply All” to any staff notices sent via e-mail to the entire Commission.

PARLIAMENTARY PROCEDURE AT MEETINGS

Meetings shall operate using standard parliamentary procedures (**Exhibit “E”**) following an approved meeting agenda. Most entities follow Robert’s Rules of Order (or, in the alternative Rosenberg’s). Procedures generally include:

1. Establish and post a written agenda.
2. Agenda includes a Call to Order, Roll Call, note start and ending times.
3. Action by Motions made, seconded, discussed and voted upon.
4. Adjourn the meeting to conclude or continue the meeting to a date certain.

CONFLICT OF INTEREST GUIDELINES

State of California Fair Political Practices Commission (“FPPC”) regulates reporting of potential conflicts of interest, according to the Political Reform Act. It mandates the filing of annual forms, known as Form 700/Statement of Economic Interests (**Exhibit “G”**) in accordance with the City’s adopted Conflict of Interest Code of Designated required filers. The City Councilmembers, designated City staff, and the Planning and Preservation Commissioners must file Form 700 with the City Clerk each year. Forms must be filed initially when first appointed (Assuming Office), annually by April 1 each year, and then once more when departing the Commission upon resignation or conclusion of the term (Leaving Office). More information and Form 700 is available online the FPPC website at <https://www.fppc.ca.gov/about-fppc.html>

 - (2) Every commissioner desiring to speak shall address the chair of the commission and, upon recognition by such chair, shall confine discussion to the question under debate.
 - (3) Every commissioner desiring to question administrative staff should address questions to the city manager who may answer the inquiry directly or designate the appropriate staff member to timely respond to such inquiry.
 - (4) A commissioner, once recognized, shall not be interrupted while speaking, unless called to order by the chair of the commission, or a point of order is raised by another commissioner, or the speaker chooses to yield to questions from another commissioner.
 - (5) Any commissioner may move to require the chair of the commission to enforce the rules. A majority of the commission shall require enforcement of the rules if the chair of the commission has refused.
- (b) *Decorum and order—Employees.* Members of administrative staff and city employees shall observe the same rules of procedure and decorum applicable to members of commissions. The city manager shall ensure that all city employees observe such decorum. Any staff member, including the city manager, desiring to address the commission or members of the public shall first be recognized by the chair of the commission. All remarks should be addressed to the chair of the commission and not to any one individual commissioner or member of the public.
 - (c) *Decorum and order—Public.* Members of the public attending commission meetings shall observe the same rules of order and decorum applicable to the commission. Each person who addresses the commission shall not make personal, impertinent, slanderous or profane remarks to any member of the commission, staff or general public. Any person who makes such remarks, or who utters loud, threatening, personal or abusive language, or engages in any other disorderly conduct which disrupts, disturbs or otherwise impedes the orderly conduct of the commission meeting shall, at the discretion of the chair of the commission or a majority of the commission, be barred from further audience before commission during that meeting.
 - (d) *Personal interest.* No commissioner disqualified from participation under state or local law shall remain at the commission dais during the debate or vote on such matter. The commissioner shall publicly state the grounds for disqualification on the record and, upon acceptance by the chair of the commission, leave the dais during the debate or vote on the issue.
 - (e) *Limitations on debate.* No commissioner shall be allowed to speak more than once upon any one subject until every commissioner choosing to speak has spoken. Merely asking a question, or making a suggestion, is not considered speaking.
 - (f) *Dissents and protests.* Any commissioner shall have the right to express dissent from, or protest to, any action of the commission and request that the reason be entered into the minutes.
 - (g) *Procedures in absence of rules.* In the absence of a rule to govern a point or procedure, Robert's Rules of Order shall govern.

NOTHING TO REPORT?

Mark the "No reportable interests" box on Part 4 of the Cover Page, and submit only the signed Cover Page. Please review each schedule carefully!

Amendments

Statements may be amended at any time. You are only required to amend the schedule that needs to be revised. It is not necessary to amend the entire filed form. The amended schedule(s) is attached to your original filed statement. Obtain amendment schedules at www.fppc.ca.gov.

Types of Statements

Assuming Office Statement:

If you are a newly appointed official or are newly employed in a position designated, or that will be designated, in a state or local agency's conflict of interest code, your assuming office date is the date you were sworn in or otherwise authorized to serve in the position. If you are a newly elected official, your assuming office date is the date you were sworn in.

- Report: Investments, interests in real property, and business positions held on the date you assumed the office or position must be reported. In addition, income (including loans, gifts, and travel payments) received during the 12 months prior to the date you assumed the office or position.

For positions subject to confirmation by the State Senate or the Commission on Judicial Appointments, your assuming office date is the date you were appointed or nominated to the position.

- Example: Maria Lopez was nominated by the Governor to serve on a state agency board that is subject to state Senate confirmation. The assuming office date is the date Maria's nomination is submitted to the Senate. Maria must report investments, interests in real property, and business positions Maria holds on that date, and income (including loans, gifts, and travel payments) received during the 12 months prior to that date.

If your office or position has been added to a newly adopted or newly amended conflict of interest code, use the effective date of the code or amendment, whichever is applicable.

- Report: Investments, interests in real property, and business positions held on the effective date of the code or amendment must be reported. In addition, income (including loans, gifts, and travel payments) received during the 12 months prior to the effective date of the code or amendment.

Annual Statement:

Generally, the period covered is January 1, 2022, through December 31, 2022. If the period covered by the statement is different than January 1, 2022, through December 31, 2022, (for example, you assumed office between October 1, 2021, and December 31, 2021 or you are combining statements), you must specify the period covered.

- Investments, interests in real property, business positions held, and income (including loans, gifts, and travel payments) received during the period covered by the statement must be reported. Do not change the preprinted dates on Schedules A-1, A-2, and B unless you are required to report the acquisition or disposition of an interest that did not occur in 2022.

- If your disclosure category changes during a reporting period, disclose under the old category until the effective date of the conflict of interest code amendment and disclose under the new disclosure category through the end of the reporting period.

Leaving Office Statement:

Generally, the period covered is January 1, 2022, through the date you stopped performing the duties of your position. If the period covered differs from January 1, 2022, through the date you stopped performing the duties of your position (for example, you assumed office between October 1, 2021, and December 31, 2021, or you are combining statements), the period covered must be specified. The reporting period can cover parts of two calendar years.

- Report: Investments, interests in real property, business positions held, and income (including loans, gifts, and travel payments) received during the period covered by the statement. Do not change the preprinted dates on Schedules A-1, A-2, and B unless you are required to report the acquisition or disposition of an interest that did not occur in 2022.

Candidate Statement:

If you are filing a statement in connection with your candidacy for state or local office, investments, interests in real property, and business positions held on the date of filing your declaration of candidacy must be reported. In addition, income (including loans, gifts, and travel payments) received during the 12 months prior to the date of filing your declaration of candidacy is reportable. Do not change the preprinted dates on Schedules A-1, A-2, and B.

Candidates running for local elective offices (e.g., county sheriffs, city clerks, school board trustees, or water district board members) must file candidate statements, as required by the conflict of interest code for the elected position. The code may be obtained from the agency of the elected position.

Amendments:

If you discover errors or omissions on any statement, file an amendment as soon as possible. You are only required to amend the schedule that needs to be revised; it is not necessary to refile the entire form. Obtain amendment schedules from the FPPC website at www.fppc.ca.gov.

Note: Once you file your statement, you may not withdraw it. All changes must be noted on amendment schedules.

Expanded Statement:

If you hold multiple positions subject to reporting requirements, you may be able to file an expanded statement for each position, rather than a separate and distinct statement for each position. The expanded statement must cover all reportable interests for all jurisdictions and list all positions on the Form 700 or on an attachment for which it is filed. The rules and processes governing the filing of an expanded statement are set forth in Regulation 18723.1.

Instructions Cover Page

Enter your name, mailing address, and daytime telephone number in the spaces provided. **Because the Form 700 is a public document, you may list your business/office address instead of your home address.**

Part 1. Office, Agency, or Court

- Enter the name of the office sought or held, or the agency or court. Consultants must enter the public agency name rather than their private firm's name. (Examples: State Assembly; Board of Supervisors; Office of the Mayor; Department of Finance; Hope County Superior Court).
- Indicate the name of your division, board, or district, if applicable. (Examples: Division of Waste Management; Board of Accountancy; District 45). **Do not use acronyms.**
- Enter your position title. (Examples: Director; Chief Counsel; City Council Member; Staff Services Analyst).
- If you hold multiple positions (i.e., a city council member who also is a member of a county board or commission) you may be required to file separate and distinct statements with each agency. To simplify your filing obligations, in some cases you may instead complete a single expanded statement and file it with each agency.
 - The rules and processes governing the filing of an expanded statement are set forth in Regulation 18723.1. To file an expanded statement for multiple positions, enter the name of each agency with which you are required to file and your position title with each agency in the space provided. **Do not use acronyms.** Attach an additional sheet if necessary. Complete one statement disclosing all reportable interests for all jurisdictions. Then file the expanded statement with each agency as directed by Regulation 18723.1(c).

If you assume or leave a position after a filing deadline, you must complete a separate statement. For example, a city council member who assumes a position with a county special district after the April annual filing deadline must file a separate assuming office statement. In subsequent years, the city council member may expand their annual filing to include both positions.

Example:

Brian Bourne is a city council member for the City of Lincoln and a board member for the Camp Far West Irrigation District – a multi-county agency that covers the Counties of Placer and Yuba. The City is located within Placer County. Brian may complete one expanded statement to disclose all reportable interests for both offices and list both positions on the Cover Page. Brian will file the expanded statement with each the City and the District as directed by Regulation 18723.1(c).

Part 2. Jurisdiction of Office

- Check the box indicating the jurisdiction of your agency and, if applicable, identify the jurisdiction. Judges, judicial candidates, and court commissioners have statewide jurisdiction. All other filers should review the Reference Pamphlet, page 13, to determine their jurisdiction.
- If your agency is a multi-county office, list each county in which your agency has jurisdiction.

- If your agency is not a state office, court, county office, city office, or multi-county office (e.g., school districts, special districts and JPAs), check the “other” box and enter the county or city in which the agency has jurisdiction.

Example:

This filer is a member of a water district board with jurisdiction in portions of Yuba and Sutter Counties.

Part 3. Type of Statement

Check at least one box. The period covered by a statement is determined by the type of statement you are filing. If you are completing a 2022 annual statement, **do not** change the pre-printed dates to reflect 2023. Your annual statement is used for reporting the **previous year's** economic interests. Economic interests for your annual filing covering January 1, 2023, through December 31, 2023, will be disclosed on your statement filed in 2024. See Reference Pamphlet, page 4.

Combining Statements: Certain types of statements for the same position may be combined. For example, if you leave office after January 1, but before the deadline for filing your annual statement, you may combine your annual and leaving office statements. File by the earliest deadline. Consult your filing officer or the FPPC.

Part 4. Schedule Summary

Instructions – Schedules A-1 and A-2 Investments

“Investment” means a financial interest in any business entity (including a consulting business or other independent contracting business) that is located in, doing business in, planning to do business in, or that has done business during the previous two years in your agency’s jurisdiction in which you, your spouse or registered domestic partner, or your dependent children had a direct, indirect, or beneficial interest totaling \$2,000 or more at any time during the reporting period. (See Reference Pamphlet, page 13.)

Reportable investments include:

- Stocks, bonds, warrants, and options, including those held in margin or brokerage accounts and managed investment funds (See Reference Pamphlet, page 13.)
- Sole proprietorships
- Your own business or your spouse’s or registered domestic partner’s business (See Reference Pamphlet, page 8, for the definition of “business entity.”)
- Your spouse’s or registered domestic partner’s investments even if they are legally separate property
- Partnerships (e.g., a law firm or family farm)
- Investments in reportable business entities held in a retirement account (See Reference Pamphlet, page 15.)
- If you, your spouse or registered domestic partner, and dependent children together had a 10% or greater ownership interest in a business entity or trust (including a living trust), you must disclose investments held by the business entity or trust. (See Reference Pamphlet, page 16, for more information on disclosing trusts.)
- Business trusts

You are not required to disclose:

- Government bonds, diversified mutual funds, certain funds similar to diversified mutual funds (such as exchange traded funds) and investments held in certain retirement accounts. (See Reference Pamphlet, page 13.) (Regulation 18237)
- Bank accounts, savings accounts, money market accounts and certificates of deposits
- Cryptocurrency
- Insurance policies
- Annuities
- Commodities
- Shares in a credit union
- Government bonds (including municipal bonds)

Reminders

- Do you know your agency’s jurisdiction?
- Did you hold investments at any time during the period covered by this statement?
- Code filers – your disclosure categories may only require disclosure of specific investments.

- Retirement accounts invested in non-reportable interests (e.g., insurance policies, mutual funds, or government bonds) (See Reference Pamphlet, page 15.)
- Government defined-benefit pension plans (such as CalPERS and CalSTRS plans)
- Certain interests held in a blind trust (See Reference Pamphlet, page 16.)

Use Schedule A-1 to report ownership of less than 10% (e.g., stock). Schedule C (Income) may also be required if the investment is not a stock or corporate bond. (See second example below.)

Use Schedule A-2 to report ownership of 10% or greater (e.g., a sole proprietorship).

To Complete Schedule A-1:

Do not attach brokerage or financial statements.

- Disclose the name of the business entity. Do not use acronyms for the name of the business entity.
- Provide a general description of the business activity of the entity (e.g., pharmaceuticals, computers, automobile manufacturing, or communications).
- Check the box indicating the highest fair market value of your investment during the reporting period. If you are filing a candidate or an assuming office statement, indicate the fair market value on the filing date or the date you took office, respectively. (See page 20 for more information.)
- Identify the nature of your investment (e.g., stocks, warrants, options, or bonds).
- An acquired or disposed of date is only required if you initially acquired or entirely disposed of the investment interest during the reporting period. The date of a stock dividend reinvestment or partial disposal is not required. Generally, these dates will not apply if you are filing a candidate or an assuming office statement.

Examples:

Frank Byrd holds a state agency position. Frank’s conflict of interest code requires full disclosure of investments. Frank must disclose stock holdings of \$2,000 or more in any company that is located in or does business in California, as well as those stocks held by Frank’s spouse or registered domestic partner and dependent children.

Alice Lance is a city council member. Alice has a 4% interest, worth \$5,000, in a limited partnership located in the city. Alice must disclose the partnership on Schedule A-1 and income of \$500 or more received from the partnership on Schedule C.

Instructions – Schedule A-2

Investments, Income, and Assets of Business Entities/Trusts

Use Schedule A-2 to report investments in a business entity (including a consulting business or other independent contracting business) or trust (including a living trust) in which you, your spouse or registered domestic partner, and your dependent children, together or separately, had a 10% or greater interest, totaling \$2,000 or more, during the reporting period and which is located in, doing business in, planning to do business in, or which has done business during the previous two years in your agency's jurisdiction. (See Reference Pamphlet, page 13.) A trust located outside your agency's jurisdiction is reportable if it holds assets that are located in or doing business in the jurisdiction. Do not report a trust that contains non-reportable interests. For example, a trust containing only your personal residence not used in whole or in part as a business, your savings account, and some municipal bonds, is not reportable.

Also report on Schedule A-2 investments and real property held by that entity or trust if your pro rata share of the investment or real property interest was \$2,000 or more during the reporting period.

To Complete Schedule A-2:

Part 1. Disclose the name and address of the business entity or trust. If you are reporting an interest in a business entity, check "Business Entity" and complete the box as follows:

- Provide a general description of the business activity of the entity.
- Check the box indicating the highest fair market value of your investment during the reporting period.
- If you initially acquired or entirely disposed of this interest during the reporting period, enter the date acquired or disposed.
- Identify the nature of your investment.
- Disclose the job title or business position you held with the entity, if any (i.e., if you were a director, officer, partner, trustee, employee, or held any position of management). A business position held by your spouse is not reportable.

Part 2. Check the box indicating **your pro rata** share of the **gross** income received **by** the business entity or trust. This amount includes your pro rata share of the **gross** income **from** the business entity or trust, as well as your community property interest in your spouse's or registered domestic partner's share. Gross income is the total amount of income before deducting expenses, losses, or taxes.

Part 3. Disclose the name of each source of income that is located in, doing business in, planning to do business in, or that has done business during the previous two years in your agency's jurisdiction, as follows:

- Disclose each source of income and outstanding loan **to the business entity or trust** identified in Part 1 if your pro rata share of the **gross** income (including your community property interest in your spouse's or registered domestic partner's share) to the business entity or trust from that source was \$10,000 or more during the reporting period. (See Reference Pamphlet, page 11, for examples.) Income from governmental sources may be reportable if not considered salary. See Regulation 18232. Loans from commercial lending institutions made in the lender's regular course of business on terms available to members of the public without regard to your official status are not reportable.
- Disclose each individual or entity that was a source of commission income of \$10,000 or more during the reporting period through the business entity identified in Part 1. (See Reference Pamphlet, page 8.)

You may be required to disclose sources of income located outside your jurisdiction. For example, you may have a client who resides outside your jurisdiction who does business on a regular basis with you. Such a client, if a reportable source of \$10,000 or more, must be disclosed.

Mark "None" if you do not have any reportable \$10,000 sources of income to disclose. Phrases such as "various clients" or "not disclosing sources pursuant to attorney-client privilege" are not adequate disclosure. (See Reference Pamphlet, page 14, for information on procedures to request an exemption from disclosing privileged information.)

Part 4. Report any investments or interests in real property held or leased **by the entity or trust** identified in Part 1 if your pro rata share of the interest held was \$2,000 or more during the reporting period. Attach additional schedules or use FPPC's Form 700 Excel spreadsheet if needed.

- Check the applicable box identifying the interest held as real property or an investment.
- If investment, provide the name and description of the business entity.
- If real property, report the precise location (e.g., an assessor's parcel number or address).
- Check the box indicating the highest fair market value of your interest in the real property or investment during the reporting period. (Report the fair market value of the portion of your residence claimed as a tax deduction if you are utilizing your residence for business purposes.)
- Identify the nature of your interest.
- Enter the date acquired or disposed only if you initially acquired or entirely disposed of your interest in the property or investment during the reporting period.

Instructions – Schedule B

Interests in Real Property

Report interests in real property located in your agency's jurisdiction in which you, your spouse or registered domestic partner, or your dependent children had a direct, indirect, or beneficial interest totaling \$2,000 or more any time during the reporting period. Real property is also considered to be "within the jurisdiction" of a local government agency if the property or any part of it is located within two miles outside the boundaries of the jurisdiction or within two miles of any land owned or used by the local government agency. (See Reference Pamphlet, page 13.)

Interests in real property include:

- An ownership interest (including a beneficial ownership interest)
- A deed of trust, easement, or option to acquire property
- A leasehold interest (See Reference Pamphlet, page 14.)
- A mining lease
- An interest in real property held in a retirement account (See Reference Pamphlet, page 15.)
- An interest in real property held by a business entity or trust in which you, your spouse or registered domestic partner, and your dependent children together had a 10% or greater ownership interest (Report on Schedule A-2.)
- Your spouse's or registered domestic partner's interests in real property that are legally held separately by him or her

You are not required to report:

- A residence, such as a home or vacation cabin, used exclusively as a personal residence (However, a residence in which you rent out a room or for which you claim a business deduction may be reportable. If reportable, report the fair market value of the portion claimed as a tax deduction.)
- Some interests in real property held through a blind trust (See Reference Pamphlet, page 16.)
 - **Please note:** A non-reportable property can still be grounds for a conflict of interest and may be disqualifying.

To Complete Schedule B:

- Report the precise location (e.g., an assessor's parcel number or address) of the real property.
- Check the box indicating the fair market value of your interest in the property (regardless of what you owe on the property).
- Enter the date acquired or disposed only if you initially acquired or entirely disposed of your interest in the property during the reporting period.
- Identify the nature of your interest. If it is a leasehold,

Reminders

- Income and loans already reported on Schedule B are not also required to be reported on Schedule C.
- Real property already reported on Schedule A-2, Part 4 is not also required to be reported on Schedule B.
- Code filers – do your disclosure categories require disclosure of real property?

disclose the number of years remaining on the lease.

- If you received rental income, check the box indicating the gross amount you received.
- If you had a 10% or greater interest in real property and received rental income, list the name of the source(s) if your pro rata share of the gross income from any single tenant was \$10,000 or more during the reporting period. If you received a total of \$10,000 or more from two or more tenants acting in concert (in most cases, this will apply to married couples), disclose the name of each tenant. Otherwise, mark "None."
- Loans from a private lender that total \$500 or more and are secured by real property may be reportable. **Loans from commercial lending institutions made in the lender's regular course of business on terms available to members of the public without regard to your official status are not reportable.**

When reporting a loan:

- Provide the name and address of the lender.
- Describe the lender's business activity.
- Disclose the interest rate and term of the loan. For variable interest rate loans, disclose the conditions of the loan (e.g., Prime + 2) or the average interest rate paid during the reporting period. The term of a loan is the total number of months or years given for repayment of the loan at the time the loan was established.
- Check the box indicating the highest balance of the loan during the reporting period.
- Identify a guarantor, if applicable.

If you have more than one reportable loan on a single piece of real property, report the additional loan(s) on Schedule C.

Example:

Allison Gande is a city planning commissioner. During the reporting period, Allison received rental income of \$12,000, from a single tenant who rented property owned in the city's jurisdiction. If Allison received \$6,000 each from two tenants, the tenants' names would not be required because no single tenant paid her \$10,000 or more. A married couple is considered a single tenant.

Instructions – Schedule C

Income, Loans, & Business Positions

(Income Other Than Gifts and Travel Payments)

Reporting Income:

Report the source and amount of gross income of \$500 or more you received during the reporting period. Gross income is the total amount of income before deducting expenses, losses, or taxes and includes loans other than loans from a commercial lending institution. (See Reference Pamphlet, page 11.) You must also report the source of income to your spouse or registered domestic partner if your community property share was \$500 or more during the reporting period.

The source and income must be reported only if the source is located in, doing business in, planning to do business in, or has done business during the previous two years in your agency's jurisdiction. (See Reference Pamphlet, page 13.) Reportable sources of income may be further limited by your disclosure category located in your agency's conflict of interest code.

Reporting Business Positions:

You must report your job title with each reportable business entity even if you received no income during the reporting period. Use the comments section to indicate that no income was received.

Commonly reportable income and loans include:

- Salary/wages, per diem, and reimbursement for expenses including travel payments provided by your employer
- Community property interest (50%) in your spouse's or registered domestic partner's income - **report the employer's name and all other required information**
- Income from investment interests, such as partnerships, reported on Schedule A-1
- Commission income not required to be reported on Schedule A-2 (See Reference Pamphlet, page 8.)
- Gross income from any sale, including the sale of a house or car (Report your pro rata share of the total sale price.)
- Rental income not required to be reported on Schedule B
- Prizes or awards not disclosed as gifts
- Payments received on loans you made to others
- An honorarium received prior to becoming a public official (See Reference Pamphlet, page 10.)
- Incentive compensation (See Reference Pamphlet, page 12.)

Reminders

- If you or your spouse or registered domestic partner are self-employed, report the business entity on Schedule A-2.
- Do not disclose on Schedule C income, loans, or business positions already reported on Schedules A-2 or B.

You are not required to report:

- Salary, reimbursement for expenses or per diem, or social security, disability, or other similar benefit payments received by you or your spouse or registered domestic partner from a federal, state, or local government agency.
- Stock dividends and income from the sale of stock unless the source can be identified.
- Income from a PERS retirement account.

(See Reference Pamphlet, page 12.)

To Complete Schedule C:

- Provide a general description of the business activity if the source is a business entity.
- Check the box indicating the amount of gross income received.
- Identify the consideration for which the income was received.
- For income from commission sales, check the box indicating the gross income received and list the name of each source of commission income of \$10,000 or more. (See Reference Pamphlet, page 8.) **Note: If you receive commission income on a regular basis or have an ownership interest of 10% or more, you must disclose the business entity and the income on Schedule A-2.**
- Disclose the job title or business position, if any, that you held with the business entity, even if you did not receive income during the reporting period.

Part 2. Loans Received or Outstanding During the Reporting Period

- Provide the name and address of the lender.
- Provide a general description of the business activity if the lender is a business entity.
- Check the box indicating the highest balance of the loan during the reporting period.
- Disclose the interest rate and the term of the loan.
 - For variable interest rate loans, disclose the conditions of the loan (e.g., Prime + 2) or the average interest rate paid during the reporting period.
 - The term of the loan is the total number of months or years given for repayment of the loan at the time the loan was entered into.
- Identify the security, if any, for the loan.

Instructions – Schedule D

Income – Gifts

A gift is anything of value for which you have not provided equal or greater consideration to the donor. A gift is reportable if its fair market value is \$50 or more. In addition, multiple gifts totaling \$50 or more received during the reporting period from a single source must be reported.

It is the acceptance of a gift, not the ultimate use to which it is put, that imposes your reporting obligation. Except as noted below, you must report a gift even if you never used it or if you gave it away to another person.

If the exact amount of a gift is unknown, you must make a good faith estimate of the item's fair market value. Listing the value of a gift as "over \$50" or "value unknown" is not adequate disclosure. In addition, if you received a gift through an intermediary, you must disclose the name, address, and business activity of both the donor and the intermediary. You may indicate an intermediary either in the "source" field after the name or in the "comments" section at the bottom of Schedule D.

Commonly reportable gifts include:

- Tickets/passes to sporting or entertainment events
- Tickets/passes to amusement parks
- Parking passes not used for official agency business
- Food, beverages, and accommodations, including those provided in direct connection with your attendance at a convention, conference, meeting, social event, meal, or like gathering
- Rebates/discounts not made in the regular course of business to members of the public without regard to official status
- Wedding gifts (See Reference Pamphlet, page 16)
- An honorarium received prior to assuming office (You may report an honorarium as income on Schedule C, rather than as a gift on Schedule D, if you provided services of equal or greater value than the payment received. See Reference Pamphlet, page 10.)
- Transportation and lodging (See Schedule E.)
- Forgiveness of a loan received by you

Reminders

- Gifts from a single source are subject to a \$520 limit in 2022. (See Reference Pamphlet, page 10.)
- Code filers – you only need to report gifts from reportable sources.

Gift Tracking Mobile Application

- FPPC has created a gift tracking app for mobile devices that helps filers track gifts and provides a quick and easy way to upload the information to the Form 700. Visit FPPC's website to download the app.

You are not required to disclose:

- Gifts that were not used and that, within 30 days after receipt, were returned to the donor or delivered to a charitable organization or government agency without being claimed by you as a charitable contribution for tax purposes
- Gifts from your spouse or registered domestic partner, child, parent, grandparent, grandchild, brother, sister, and certain other family members (See Regulation 18942 for a complete list.). The exception does not apply if the donor was acting as an agent or intermediary for a reportable source who was the true donor.
- Gifts of similar value exchanged between you and an individual, other than a lobbyist registered to lobby your state agency, on holidays, birthdays, or similar occasions
- Gifts of informational material provided to assist you in the performance of your official duties (e.g., books, pamphlets, reports, calendars, periodicals, or educational seminars)
- A monetary bequest or inheritance (However, inherited investments or real property may be reportable on other schedules.)
- Personalized plaques or trophies with an individual value of less than \$250
- Campaign contributions
- Up to two tickets, for your own use, to attend a fundraiser for a campaign committee or candidate, or to a fundraiser for an organization exempt from taxation under Section 501(c)(3) of the Internal Revenue Code. The ticket must be received from the organization or committee holding the fundraiser.
- Gifts given to members of your immediate family if the source has an established relationship with the family member and there is no evidence to suggest the donor had a purpose to influence you. (See Regulation 18943.)
- Free admission, food, and nominal items (such as a pen, pencil, mouse pad, note pad or similar item) available to all attendees, at the event at which the official makes a speech (as defined in Regulation 18950(b)(2)), so long as the admission is provided by the person who organizes the event.
- Any other payment not identified above, that would otherwise meet the definition of gift, where the payment is made by an individual who is not a lobbyist registered to lobby the official's state agency, where it is clear that the gift was made because of an existing personal or business relationship unrelated to the official's position and there is no evidence whatsoever at the time the gift is made to suggest the donor had a purpose to influence you.

To Complete Schedule D:

- Disclose the full name (not an acronym), address, and, if a business entity, the business activity of the source.
- Provide the date (month, day, and year) of receipt, and disclose the fair market value and description of the gift.

Instructions – Schedule E

Travel Payments, Advances, and Reimbursements

Travel payments reportable on Schedule E include advances and reimbursements for travel and related expenses, including lodging and meals.

Gifts of travel may be subject to the gift limit. In addition, certain travel payments are reportable gifts, but are not subject to the gift limit. To avoid possible misinterpretation or the perception that you have received a gift in excess of the gift limit, you may wish to provide a specific description of the purpose of your travel. (See the FPPC fact sheet entitled "Limitations and Restrictions on Gifts, Honoraria, Travel, and Loans" to read about travel payments under section 89506(a).)

You are not required to disclose:

- Travel payments received from any state, local, or federal government agency for which you provided services equal or greater in value than the payments received, such as reimbursement for travel on agency business from your government agency employer.
- A payment for travel from another local, state, or federal government agency and related per diem expenses when the travel is for education, training or other inter-agency programs or purposes.
- Travel payments received from your employer in the normal course of your employment that are included in the income reported on Schedule C.
- A travel payment that was received from a nonprofit entity exempt from taxation under Internal Revenue Code Section 501(c)(3) for which you provided equal or greater consideration, such as reimbursement for travel on business for a 501(c)(3) organization for which you are a board member.

Note: Certain travel payments may not be reportable if reported via email on Form 801 by your agency.

To Complete Schedule E:

- Disclose the full name (not an acronym) and address of the source of the travel payment.
- Identify the business activity if the source is a business entity.
- Check the box to identify the payment as a gift or income, report the amount, and disclose the date(s).
 - **Travel payments are gifts** if you did not provide services that were equal to or greater in value than the payments received. You must disclose gifts totaling \$500 or more from a single source during the period covered by the statement.

When reporting travel payments that are gifts, you must provide a description of the gift, the **date(s)** received, and the **travel destination**.

- **Travel payments are income** if you provided services that were equal to or greater in value than the

payments received. You must disclose income totaling \$500 or more from a single source during the period covered by the statement. You have the burden of proving the payments are income rather than gifts. When reporting travel payments as income, you must describe the services you provided in exchange for the payment. You are not required to disclose the date(s) for travel payments that are income.

Example:

City council member MaryClaire Chandler is the chair of a 501(c)(6) trade association, and the association pays for MaryClaire's travel to attend its meetings. Because MaryClaire is deemed to be providing equal or greater consideration for the travel payment by virtue of serving on the board, this payment may be reported as income. Payments for MaryClaire to attend other events for which they are not providing services are likely considered gifts.

Note that the same payment from a 501(c)(3) would NOT be reportable.

Example:

Mayor Kim travels to China on a trip organized by China Silicon Valley Business Development, a California nonprofit, 501(c)(6) organization. The Chengdu Municipal People's Government pays for Mayor Kim's airfare and travel costs, as well as meals and lodging during the trip. The trip's agenda shows that the trip's purpose is to promote job creation and economic activity in China and in Silicon Valley, so the trip is reasonably related to a governmental purpose.

Thus, Mayor Kim must report the gift of travel, but the gift is exempt from the gift limit. In this case, the travel payments are not subject to the gift limit because the source is a foreign government and because the travel is reasonably related to a governmental purpose. (Section 89506(a)(2).) Note that Mayor Kim could be disqualified from participating in or making decisions about The Chengdu Municipal People's Government for 12 months. Also note that if China Silicon Valley Business Development (a 501(c)(6) organization) paid for the travel costs rather than the governmental organization, the payments would be subject to the gift limits. Restrictions and Prohibitions

The Political Reform Act (Gov. Code Sections 81000-91014) requires most state and local government officials and employees to publicly disclose their economic interests including personal assets and income. The Act's conflict of interest provisions also disqualify a public official from taking part in a governmental decision if it is reasonably foreseeable that the decision will have a material financial effect on these economic interests as well as the official's personal finances and those of immediate family. (Gov. Code Sections 87100 and 87103.) The Fair Political Practices Commission (FPPC) is the state agency responsible for issuing the attached Statement of Economic Interests, Form 700, and for interpreting the Act's provisions.

Gift Prohibition

Gifts received by most state and local officials, employees, and candidates are subject to a limit. In 2021-2022, the gift limit increased to \$520 from a single source during a calendar year.

Additionally, state officials, state candidates, and certain state employees are subject to a \$10 limit per calendar month on gifts from lobbyists and lobbying firms registered with the Secretary of State. See Reference Pamphlet, page 10.

State and local officials and employees should check with their agency to determine if other restrictions apply.

Disqualification

Public officials are, under certain circumstances, required to disqualify themselves from making, participating in, or attempting to influence governmental decisions that will affect their economic interests. This may include interests they are not required to disclose. For example, a personal residence is often not reportable, but may be grounds for disqualification. Specific disqualification requirements apply to 87200 filers (e.g., city councilmembers, members of boards of supervisors, planning commissioners, etc.). These officials must publicly identify the economic interest that creates a conflict of interest and leave the room before a discussion or vote takes place at a public meeting. For more information, consult Government Code Section 87105, Regulation 18707, and the Guide to Recognizing Conflicts of Interest page at www.fppc.ca.gov.

Honorarium Ban

Most state and local officials, employees, and candidates are prohibited from accepting an honorarium for any speech given, article published, or attendance at a conference, convention, meeting, or like gathering. (See Reference Pamphlet, page 10.)

Loan Restrictions

Certain state and local officials are subject to restrictions on loans. (See Reference Pamphlet, page 14.)

Post-Governmental Employment

There are restrictions on representing clients or employers before former agencies. The provisions apply to elected state officials, most state employees, local elected officials, county chief administrative officers, city managers, including the chief administrator of a city, and general managers or chief administrators of local special districts and JPAs. The FPPC website has fact sheets explaining the provisions.

Late Filing

The filing officer who retains originally-signed or electronically filed statements of economic interests may impose on an individual a fine for any statement that is filed late. The fine is \$10 per day up to a maximum of \$100. Late filing penalties may be reduced or waived under certain circumstances.

Persons who fail to timely file their Form 700 may be referred to the FPPC's Enforcement Division (and, in some cases, to the Attorney General or district attorney) for investigation and possible prosecution. In addition to the late filing penalties, a fine of up to \$5,000 per violation may be imposed.

For assistance concerning reporting, prohibitions, and restrictions under the Act:

- Email questions to advice@fppc.ca.gov.
- Call the FPPC toll-free at (866) 275-3772.

Form 700 is a Public Document Public Access Must Be Provided

Statements of Economic Interests are public documents. The filing officer must permit any member of the public to inspect and receive a copy of any statement.

- Statements must be available as soon as possible during the agency's regular business hours, but in any event not later than the second business day after the statement is received. Access to the Form 700 is not subject to the Public Records Act procedures.
- No conditions may be placed on persons seeking access to the forms.
- No information or identification may be required from persons seeking access.
- Reproduction fees of no more than 10 cents per page may be charged.

Questions and Answers

General

- Q. What is the reporting period for disclosing interests on an assuming office statement or a candidate statement?
- A. On an assuming office statement, disclose all reportable investments, interests in real property, and business positions held on the date you assumed office. In addition, you must disclose income (including loans, gifts and travel payments) received during the 12 months prior to the date you assumed office.

On a candidate statement, disclose all reportable investments, interests in real property, and business positions held on the date you file your declaration of candidacy. You must also disclose income (including loans, gifts and travel payments) received during the 12 months prior to the date you file your declaration of candidacy.

- Q. I hold two other board positions in addition to my position with the county. Must I file three statements of economic interests?
- A. Yes, three are required. However, you may instead complete an expanded statement listing the county and the two boards on the Cover Page or an attachment as the agencies for which you will be filing. Disclose all reportable economic interests in all three jurisdictions on the expanded statement. File the expanded statement for your primary position providing an original "wet" signature unless filed with a secure electronic signature. (See page 3 above.) File copies of the expanded statement with the other two agencies as required by Regulation 18723.1(c). Remember to complete separate statements for positions that you leave or assume during the year.
- Q. I am a department head who recently began acting as city manager. Should I file as the city manager?
- A. Yes. File an assuming office statement as city manager. Persons serving as "acting," "interim," or "alternate" must file as if they hold the position because they are or may be performing the duties of the position.

- Q. My spouse and I are currently separated and in the process of obtaining a divorce. Must I still report my spouse's income, investments, and interests in real property?
- A. Yes. A public official must continue to report a spouse's economic interests until such time as dissolution of marriage proceedings is final. However, if a separate property agreement has been reached prior to that time, your estranged spouse's income may not have to be reported. Contact the FPPC for more information.
- Q. As a designated employee, I left one state agency to work for another state agency. Must I file a leaving office statement?
- A. Yes. You may also need to file an assuming office statement for the new agency.

Investment Disclosure

- Q. I have an investment interest in shares of stock in a company that does not have an office in my jurisdiction. Must I still disclose my investment interest in this company?
- A. Probably. The definition of "doing business in the jurisdiction" is not limited to whether the business has an office or physical location in your jurisdiction. (See Reference Pamphlet, page 13.)
- Q. My spouse and I have a living trust. The trust holds rental property in my jurisdiction, our primary residence, and investments in diversified mutual funds. I have full disclosure. How is this trust disclosed?
- A. Disclose the name of the trust, the rental property and its income on Schedule A-2. Your primary residence and investments in diversified mutual funds registered with the SEC are not reportable.
- Q. I am required to report all investments. I have an IRA that contains stocks through an account managed by a brokerage firm. Must I disclose these stocks even though they are held in an IRA and I did not decide which stocks to purchase?
- A. Yes. Disclose on Schedule A-1 or A-2 any stock worth \$2,000 or more in a business entity located in or doing business in your jurisdiction.

Questions and Answers Continued

- Q. The value of my stock changed during the reporting period. How do I report the value of the stock?
- A. You are required to report the highest value that the stock reached during the reporting period. You may use your monthly statements to determine the highest value. You may also use the entity's website to determine the highest value. You are encouraged to keep a record of where you found the reported value. Note that for an assuming office statement, you must report the value of the stock on the date you assumed office.
- Q. I am the sole owner of my business, an S-Corporation. I believe that the nature of the business is such that it cannot be said to have any "fair market value" because it has no assets. I operate the corporation under an agreement with a large insurance company. My contract does not have resale value because of its nature as a personal services contract. Must I report the fair market value for my business on Schedule A-2 of the Form 700?
- A. Yes. Even if there are no *tangible* assets, intangible assets, such as relationships with companies and clients are commonly sold to qualified professionals. The "fair market value" is often quantified for other purposes, such as marital dissolutions or estate planning. In addition, the IRS presumes that "personal services corporations" have a fair market value. A professional "book of business" and the associated goodwill that generates income are not without a determinable value. The Form 700 does not require a precise fair market value; it is only necessary to check a box indicating the broad range within which the value falls.
- Q. I own stock in IBM and must report this investment on Schedule A-1. I initially purchased this stock in the early 1990s; however, I am constantly buying and selling shares. Must I note these dates in the "Acquired" and "Disposed" fields?
- A. No. You must only report dates in the "Acquired" or "Disposed" fields when, during the reporting period, you initially purchase a reportable investment worth \$2,000 or more or when you dispose of the entire investment. You are not required to track the partial trading of an investment.
- Q. On last year's filing I reported stock in Encoe valued at \$2,000 - \$10,000. Late last year the value of this stock fell below and remains at less than \$2,000. How should this be reported on this year's statement?
- A. You are not required to report an investment if the value was less than \$2,000 during the **entire** reporting period. However, because a disposed date is not required for stocks that fall below \$2,000, you may want to report the stock and note in the "comments" section that the value fell below \$2,000. This would be for informational purposes only; it is not a requirement.
- Q. We have a Section 529 account set up to save money for our son's college education. Is this reportable?
- A. If the Section 529 account contains reportable interests (e.g., common stock valued at \$2,000 or more), those interests are reportable (not the actual Section 529 account). If the account contains solely mutual funds, then nothing is reported.

Income Disclosure

- Q. I reported a business entity on Schedule A-2. Clients of my business are located in several states. Must I report all clients from whom my pro rata share of income is \$10,000 or more on Schedule A-2, Part 3?
- A. No, only the clients located in or doing business on a regular basis in your jurisdiction must be disclosed.
- Q. I believe I am not required to disclose the names of clients from whom my pro rata share of income is \$10,000 or more on Schedule A-2 because of their right to privacy. Is there an exception for reporting clients' names?
- A. Regulation 18740 provides a procedure for requesting an exemption to allow a client's name not to be disclosed if disclosure of the name would violate a legally recognized privilege under California or Federal law. This regulation may be obtained from our website at www.fppc.ca.gov. (See Reference Pamphlet, page 14.)

Questions and Answers Continued

Q. I am sole owner of a private law practice that is not reportable based on my limited disclosure category. However, some of the sources of income to my law practice are from reportable sources. Do I have to disclose this income?

A. Yes, even though the law practice is not reportable, reportable sources of income to the law practice of \$10,000 or more must be disclosed. This information would be disclosed on Schedule C with a note in the "comments" section indicating that the business entity is not a reportable investment. The note would be for informational purposes only; it is not a requirement.

Q. I am the sole owner of my business. Where do I disclose my income - on Schedule A-2 or Schedule C?

A. Sources of income to a business in which you have an ownership interest of 10% or greater are disclosed on Schedule A-2. (See Reference Pamphlet, page 8.)

Q. My spouse is a partner in a four-person firm where all of their business is based on their own billings and collections from various clients. How do I report my community property interest in this business and the income generated in this manner?

A. If your spouse's investment in the firm is 10% or greater, disclose 100% of your spouse's share of the business on Schedule A-2, Part 1 and 50% of your spouse's income on Schedule A-2, Parts 2 and 3. For example, a client of your spouse's must be a source of at least \$20,000 during the reporting period before the client's name is reported.

Q. How do I disclose my spouse's or registered domestic partner's salary?

A. Report the name of the employer as a source of income on Schedule C.

Q. I am a doctor. For purposes of reporting \$10,000 sources of income on Schedule A-2, Part 3, are the patients or their insurance carriers considered sources of income?

A. If your patients exercise sufficient control by selecting you instead of other doctors, then your patients, rather than their insurance carriers, are sources of income to you. (See Reference Pamphlet, page 14.)

Q. I received a loan from my grandfather to purchase my home. Is this loan reportable?

A. No. Loans received from family members are not reportable.

Q. Many years ago, I loaned my parents several thousand dollars, which they paid back this year. Do I need to report this loan repayment on my Form 700?

A. No. Payments received on a loan made to a family member are not reportable.

Real Property Disclosure

Q. During this reporting period we switched our principal place of residence into a rental. I have full disclosure and the property is located in my agency's jurisdiction, so it is now reportable. Because I have not reported this property before, do I need to show an "acquired" date?

A. No, you are not required to show an "acquired" date because you previously owned the property. However, you may want to note in the "comments" section that the property was not previously reported because it was used exclusively as your residence. This would be for informational purposes only; it is not a requirement.

Q. I am a city manager, and I own a rental property located in an adjacent city, but one mile from the city limit. Do I need to report this property interest?

A. Yes. You are required to report this property because it is located within 2 miles of the boundaries of the city you manage.

Q. Must I report a home that I own as a personal residence for my daughter?

A. You are not required to disclose a home used as a personal residence for a family member unless you receive income from it, such as rental income.

Q. I am a co-signer on a loan for a rental property owned by a friend. Since I am listed on the deed of trust, do I need to report my friend's property as an interest in real property on my Form 700?

A. No. Simply being a co-signer on a loan for property does not create a reportable interest in that real property.

Questions and Answers Continued

Gift Disclosure

- Q. If I received a reportable gift of two tickets to a concert valued at \$100 each, but gave the tickets to a friend because I could not attend the concert, do I have any reporting obligations?
- A. Yes. Since you accepted the gift and exercised discretion and control of the use of the tickets, you must disclose the gift on Schedule D.
- Q. Julia and Jared Benson, a married couple, want to give a piece of artwork to a county supervisor. Is each spouse considered a separate source for purposes of the gift limit and disclosure?
- A. Yes, each spouse may make a gift valued at the gift limit during a calendar year. For example, during 2022 the gift limit was \$520, so the Bensons may have given the supervisor artwork valued at no more than \$1,040. The supervisor must identify Jared and Julia Benson as the sources of the gift.
- Q. I am a Form 700 filer with full disclosure. Our agency holds a holiday raffle to raise funds for a local charity. I bought \$10 worth of raffle tickets and won a gift basket valued at \$120. The gift basket was donated by Doug Brewer, a citizen in our city. At the same event, I bought raffle tickets for, and won a quilt valued at \$70. The quilt was donated by a coworker. Are these reportable gifts?
- A. Because the gift basket was donated by an outside source (not an agency employee), you have received a reportable gift valued at \$110 (the value of the basket less the consideration paid). The source of the gift is Doug Brewer and the agency is disclosed as the intermediary. Because the quilt was donated by an employee of your agency, it is not a reportable gift.
- Q. My agency is responsible for disbursing grants. An applicant (501(c)(3) organization) met with agency employees to present its application. At this meeting, the applicant provided food and beverages. Would the food and beverages be considered gifts to the employees? These employees are designated in our agency's conflict of interest code and the applicant is a reportable source of income under the code.
- A. Yes. If the value of the food and beverages consumed by any one filer, plus any other gifts received from the same source during the reporting period total \$50 or more, the food and beverages would be reported using the fair market value and would be subject to the gift limit.
- Q. I received free admission to an educational conference related to my official duties. Part of the conference fees included a round of golf. Is the value of the golf considered informational material?
- A. No. The value of personal benefits, such as golf, attendance at a concert, or sporting event, are gifts subject to reporting and limits.
